119th Annual Session

July 4-8, 1993

San Antonio Convention Center
Marriott Rivercenter Hotel
San Antonio, Texas

AFTERNOON SESSION
SUNDAY, JULY 4, 1993
ONE O'CLOCK P.M.

The Public Opening Session of the One Hundred Nineteenth Imperial Council Session was called to order at one o'clock p.m. in the San Antonio, Texas Convention Center, Noble Jack Denton Deputy Imperial Marshal, opening the Session.

NOBLE JACK DENTON: May I have your attention please.

Ladies and gentlemen, it is my distinct pleasure to present to you the Director General of the One Hundred Nineteenth Imperial Council Session of the Ancient Arabic Order Nobles of the Mystic Shrine—a Past Potentate of Alzafar Temple, Terry McGuire.

DIRECTOR GENERAL MCGUIRE: Good afternoon, ladies and gentlemen. I am sure by now you have settled in, have had time to tour the Alamo and shop along the Riverwalk and are ready to get down to the business of the Convention.

I am confident that it will be an excellent Session, beneficial in every way to the cause to which we are dedicated, the burned and crippled children, who look to us for care.

We will open this One Hundred Nineteenth Imperial Council Session by having the Color Guard of Alzafar Temple, under the command of Al Aranda, present the Colors of our three nations; followed by the Shrine Pledge of Allegiance and the National Anthems of Mexico, Canada and the United States, which you may join in singing, and then the Invocation by our Imperial Chaplain, Harry Loftis.

I will ask the Color Guard to please come forward.

...At this point, the assembly arose as the Color Guard presented the Colors, the Shrine Pledge of Allegiance ensued and the National Anthems of Mexico, Canada and the United States were played following which the Colors were posted and Imperial Chaplain Harry Loftis offered the Invocation as follows...

IMPERIAL CHAPLAIN LOFTIS: Gracious Heavenly Father, we thank You for the frivolities and the fun that we have. Help us to maintain the goal of carrying on Your work of service to mankind and especially of service to little children.

Also, Heavenly Father, we thank You for the Nobility, for the sacrifices that they have made, for the accomplishments that they have done.

Heavenly Father, direct us on for it is in Your precious name we pray. Amen.

DIRECTOR GENERAL MCGUIRE: Thank you.

The audience may now please be seated.

Jim Harris, Past Potentate of Moslah Temple, Fort Worth, Texas, will honor us with a tribute to our flags.

...At this point, with the band playing "The Battle Hymn of the Republic" as background music, Noble Harris presented a stirring ode to the three flags on the podium... (Applause)

DIRECTOR GENERAL MCGUIRE: It is my distinct honor to declare the One Hundred Nineteenth Imperial Session now open.

Would you please recognize with me the entertainment provided for us prior to the opening by the International Shrine Bands directed by Noble Walter Geyer.

...Applause ensued ...

DIRECTOR GENERAL MCGUIRE: Imperial Sir, Imperial Sirs, Illustrious Sirs, Honorable Guests, Nobles and Ladies: All of our staff and committees have been working very diligently over the past months to make sure that, as much as possible, things are to your liking.

As Director General, I would like to publicly thank them for all of their efforts and the great job they have done. Most especially, my gratitude to Sidney Autry, Reese I. Harrison, Jr., James W. Dockery; and James V. Gullette, the Deputy Director Generals; Chett Webb and Bill Herring, Housing; Bob Jett, Transportation; and A. F. Young, Chief Ambassador. So much of the success of this Convention rests with them.

Now, if you do have a problem, feel free to contact me here in my office at any time and most likely, my secretary, Joy, or my wife, Charlene, will be the ones who get everything taken care of right away.

I would also like to acknowledge the support we have received from the officials of the City of San Antonio, Mayor Nelson Wolff and Rolondo Bono, Assistant City Manager and also from the San Antonio Convention and Visitor's Bureau, Steven Moore, Patsy Vaughn and Alicia Varges.

Let me add here that I do not care where you go in relation to your conventions or anything else, if you do not have the backing of these people, you are dead in the water.

Mayor Wolff, who is a Shriner, has really seen to it that we have had all of the city's assistance at our disposal and, further, Rolondo Bono, the Assistant City Manager, has been with us both in San Francisco and Orlando, Florida, pushing this convention and working very hard.

Also, the Visitor's Bureau has done so much for us in this city to bring about things that we probably could not have done or might not have accomplished as swiftly as they did. Therefore, they have also been of great help to us.

Also, let me say that I am grateful to our Imperial Potentate, Everett M. Evans, for appointing me Director General of the One Hundred Nineteenth Imperial Council Session.

However, let me say that the vote is still out on that one. (Laughter) However, to all of you, once again, we sincerely hope that your stay here will be both pleasant and memorable. I would like to thank Keith Kapanka from the Oldsmobile Division of the General Motors Corporation for his, and their, continued assistance and dedication to the Shrine in providing the automobiles for the officers and honored guests that we have. Now, we do have some distinguished leaders of the City of San Antonio government that we would like to introduce and, in turn, have them bring a message to you.

At this time, Rolondo Bono, Assistant City Manager, will present to us his remarks.

MR. ROLONDO BONO [Assistant City Manager, City of San Antonio]: Imperial Sir Everett Evans and his lady, Maxine, Imperial Sirs, Nobles and Ladies and Gentlemen: It is an honor for me to be here today to add my wholehearted welcome to that of our Mayor, Nelson Wolff.

You know, what a fitting day it is to stand here on the Fourth of July to greet an organization which epitomizes the spirit of freedom and independence, upon which our nation was founded.

It seems that much of our national policy is revolving around what we can call the "Land of Re." For example, reinventing government, reinventing America. We hear about all of those "re's" and that says returning to that spirit of community values that existed a long time ago.

We in San Antonio know that for the Shriners organization there is no need to return. You are an organization that has always been there helping those in need, which is something that many, many American institutions need to return to.

I speak, of course, about what has often been called the heart and soul of the Shrine—the Shriners Hospitals for Crippled Children.

We in San Antonio know of your tremendous work as an organization and individuals to this philanthropy.

You have touched San Antonio time and time again in helping to heal its children. It is now our privilege to pay you back in such a small way by inviting you to make San Antonio your home for the next few days for your Convention.

San Antonio loves you and asks you to let us know how we can be of service to you.

Thank you very much. (Applause)

DIRECTOR GENERAL MCGUIRE: Thank you very much.

It makes life much easier when you have people such as that working with you.

At this time, I would like to introduce Nelson Wolff, Mayor of San Antonio, for his remarks.

HONORABLE NELSON WOLFF [Mayor, San Antonio]: First of all, Terry, let me thank you for all of your very, very hard work and in working with Rolondo Bono in making this a tremendous success in relation to some 25,000 Shriners that we have coming here from all over the country. Also from Canada and Mexico.

It is indeed a privilege for me to be here with you knowing the tradition of this organization, knowing of the beliefs of the Masons.

It seems that it is almost twenty-five years ago at this time that I joined the Blue Lodge and became a Mason and then subsequently went into the Shrine.

We have really a wonderful history, one that extends beyond this country.

When you look back to the Fifteenth and Sixteenth Centuries and you look at the Freemasons that were standing up against tyranny and stated that things needed to change and that we needed to move toward freedom and democracy and respect for people, those early voices were heard—they were heard when this country came into being.

Our first President, George Washington, was a Mason and stood for those principles and, in turn, today we stand here on July 4th reflecting on those. Golly knows, we need to reflect on those.

Somewhere along the line, many people lose the way, lose their values and understanding of what we stand for. It is the Shriners who are willing to stand out by showing in so many different ways those values and certainly, as Rolondo Bono stated, of the tremendous work you are doing with children across our nation.

We are also delighted to have the North American continent represented here—principally the countries of Mexico, the United States and Canada coming together and, of course, we hope that they come closer together with the Free Trade Agreement that is pending in the Congress today that would unite the 360 million people of North America and, in turn, to help bring all of us a better prosperity and a better life.

We are pleased to see these three flags standing right here on this stage representing that sort of spirit for North America.

Also, we hope you will enjoy yourselves while you are here. We are proud of our city; we are proud of the many different things that we have here.

We have a great multi-culture, multi-ethnicity here and we have strong exhibits of our past here. As you walk around our city and see the wonderful missions and the wonderful buildings, they are not there by accident—we have preserved them through tough laws.

We are an international city, one that has grown stronger and stronger both culturally and economically with Mexico and, further, we are a city that believes you need to invest in yourself.

We just voted to double the size of our Convention Center and I am sure you saw the dome across the street. Also, we are building a new library at the university downtown; we are remodeling our City Hall structure.

We always have to play for the future and, of course, we are likewise, in the process, planning for the future of our children and those that will follow us.

We hope that you will have a good, successful convention here.

We know that in San Antonio we like to play as hard as we like to work and we hope that you will be able to take advantage of both of those things while you are here. Get out and enjoy our wonderful city and enjoy the people that live here and that so openly open our arms to you.

Thank you for being here.

...Rising applause ensued ...

DIRECTOR GENERAL MCGUIRE: Thank you, Honorable Nelson Wolff.

You know, he is really just a great guy and he has done so much for this city that you would not believe and, of course, we are very privileged that he is a member of Alzarfar Temple and also being able to be with us today on this very busy weekend.

At this point, I would like to call on Imperial Sir Everett Evans for some brief remarks and also for the introduction of the Illustrious Potentate of Alzarfar Temple, who will then make a presentation.

IMPERIAL POTENTATE EVANS: Let me first ask you, how are you doing today?

It is a great pleasure for me to have an opportunity to be with you here in San Antonio. I thank so many of you for coming and also thank you for everything you have done in San Antonio.

We are delighted that all of you are here and I know that we are going to have a good time.

The Mayor and certainly Rolondo Bono have done everything that they can do to make your stay comfortable for you and everything is pretty well in line and I hope, again, that you are having a good time.

At this time, I would like to call on the Potentate of Alzarfar Temple to come forward for the purpose of presenting some remarks.

ILLUSTRIOUS SIR EMMETT GEORGE [Potentate, Alzarfar Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Ladies and Guests: If you think it is a privilege for people to be here, let me say that I cannot explain to you as to how proud I am to be here.

To the Honorable Nelson Wolff, Mayor of San Antonio, as Potentate of Alzarfar Temple it is a great honor and privilege to present to you this Fez, if you will present yourself here. I would also like to have our Imperial Sir join us up here.

...Whereupon, the presentation of a new Fez to the Honorable Nelson Wolff then ensued ...

HONORABLE NELSON WOLFF [Mayor, San Antonio]: Thank you very much, Imperial Sirs. The one I am presently wearing has twenty-five years of mileage on it and so I am ready for a new one. However, thank you very, very much. (Applause)

DIRECTOR GENERAL MCGUIRE: You have all honored us with your presence by taking time from your busy schedules to come to greet us. You are all welcome to stay for the balance of the ceremonies but if you must leave now, we certainly understand.

I would now like to introduce to you the Potentate of Sharon Temple, of which our Imperial Potentate is a member, Illustrious Sir Cecil B. Scruggs.

Well, Cecil, let me ask you, would you like to come up here and make some remarks or are you just content with being a spectator? (Laughter)

ILLUSTRIOUS SIR CECIL B. SCRUGGS [Potentate, Sharon Temple]: I only wish to thank all of you for being here today. Thank you very much. (Applause)

DIRECTOR GENERAL MCGUIRE: You know, Texas has a fierce rivalry among our thirteen Temples in relation to their various competitions and ceremonials.

Also, this past weekend, as some of you may know, we had our Texas Shrine Association ceremonial here and we are all very jealous of what we win, etc., and Cecil, by his brief comments, has reminded me that Sharon Temple won some fourteen or seventeen trophies yesterday and thanks for making my day. (Applause)

Gracing our platform today are outstanding leaders from the Masonic World. I would call upon our Imperial Potentate, Imperial Sir Everett M. Evans, for introduction of our Masonic guests. I would ask that you please hold your applause until they are all introduced.

IMPERIAL POTENTATE EVANS: Thank you so very, very much.

As you know, it is a great pleasure for me to make sure that we have all of our Grand Masters here. We have all had great visitations with them this year and I would like to present them to you at this time.

Please be advised that following those reports, other business matters of the Order and hospitals will be conducted, so be sure to bring your ballot books.

There are a great many wonderful things to do in your free time here, and all of us in San Antonio hope that you have a chance to enjoy them. We want you to leave your cares and your worries and your dollars right here with us. I promise we will take very good care of them.

Once again, I bid you welcome, and urge you to stay cool, and have a great time.

Ladies and gentlemen, it is my privilege and honor to present to you the number one Shriner in North America, a man who has given so much of himself to the Shrine and its magnificent philanthropy for so many years—the Imperial Potentate of the Shrine of North America, from Sharon Temple, Tyler, Texas, Imperial Sir Everett M. Evans.

...Rising applause ensued ...

IMPERIAL POTENTATE EVANS: Thank you all so very, very much.

Thank you, Mr. Director General and, certainly, all of my colleagues on the stage here, all of our guests and certainly all of you great ladies that came to be here today to celebrate this Session in San Antonio.

We know you are going to have a good time and we are also looking forward to it and, as a matter of fact, we have been looking forward to it for a long time, looking forward to being with all of you.

You know, there is another gentleman over there that wants my job and on Thursday afternoon I am going to let him have it. (Laughter) I know that he, too, is going to have a great Session next year in Denver, Colorado. However, we are going to have, between now and then, a wonderful time here in San Antonio.

I know that Alzarfar Temple has worked very hard to present this Session to you. That includes our Director General, Terry McGuire, and everybody from this area.

I hope that you have a great day today and I hope that everything goes fine for you. We will, before too long, be having a church service. We are going to have it within a little church that the Alamo heroes are buried under and we think it is going to be a very delightful and memorable time.

As you know, this is a great city and a great state and I would just close by saying, "Thank you all for being here to celebrate with us, to celebrate this great Session and to celebrate all of the things that the Shrine stands for and as to what it has done."

At this time I would like to again invite our Imperial Chaplain to give us the Benediction.

IMPERIAL CHAPLAIN LOFTIS: Be with us now, Heavenly Father, refreshed by the reports that have been made today; in remembrance of all the people that have done so much over the years that are seated on this stage; for all of the work of the Nobility because we are so grateful for how hard they work.

Heavenly Father, we ask You to continue to be with this great Session, guide and direct us and we pray that what we do and the things that we decide will be pleasing to Thee. It is in your precious name that we pray. Amen.

IMPERIAL POTENTATE EVANS: I now declare the Public Opening Ceremonies of this One Hundred Nineteenth Imperial Council Session in San Antonio, Texas, to be closed.

Once again, thank you all for coming.

...Whereupon, at two o'clock p.m., the Opening Ceremonies were closed...

I would now like to present to you the Imperial Potentate of the Shrine of North America, Imperial Sir Everett M. Evans.

...Rising applause ensued...

IMPERIAL POTENTATE EVANS: Thank you very much. Please be seated.

Before I open this Session, I want to thank you for everything that you have done and thank you for coming to San Antonio and also thank you for being a part of this great year.

I also want to tell you how the Session is going to be run, hopefully with your help.

You know, you may have made a mistake some eleven years ago because you did not elect a man such as a lawyer. Therefore, do not get on me as being a lawyer and being all that smart. (Laughter) I got that on the stage. At least that is what they tell me. (Laughter)

If I run into some difficulty, I am going to ask you to be patient with me and, at that time, I am going to turn around and I am going to find out what these guys know. (Laughter)

You have two types of delegates here. You have delegates that are elected from both the Iowa and the Colorado Corporations. You also have people that are registered in the Colorado Corporation.

Now, there is no doubt that I know all of you. However, I have been around here for a long time.

However, Colorado, just remember one thing. When it is your time to vote or when it is Iowa's time to vote, then you do not vote.

If you will remember that, we shall get along without any great difficulty.

You know, I had an opportunity to put all of you Colorado Representatives over here on one side of the hall but I believed that it should not be done that way.

You are a member of this Session and, of course, I want you to be. When you are entitled, as Colorado members to vote, I wish you would do that and nothing else and likewise you, in the Iowa Corporation, I would urge you to do the same thing and if we all work together, we can take care of all of this business in proper order and we will end up with a great Session.

Further, I am going to ask you to help me because this is the first time that I have done this and I doubt if I will ever do it again. (Laughter) Imperial Sir Bukey will be the one that will be doing it next year. (Laughter)

However, God bless all of you and thank you for being here and with that said, I just ask everybody's cooperation to make this the best Session that we have ever had.

Now, waiving all forms and ceremonies, I hereby declare the One Hundred Nineteenth Annual Session of the Imperial Council and the 1993 Annual Meeting of Shriners Hospitals for Crippled Children, and appendant entities, open for business. I further declare that this Annual Session and this Annual Meeting will remain open for business until adjourned.

I now recognize our Imperial Chaplain, Harry Loftis, for the Invocation.

IMPERIAL CHAPLAIN LOFTIS: Our most gracious Heavenly Father, we thank You for being with us at this moment, for the excitement of the Nobles of this Session, for the excitement of the fellowship and the love that has been exhibited these past few days; recognizing all of the contributions that the men and all of these Temples have made.

Further, Heavenly Father, we thank You for being with us at this Session and we ask that You continue to guide and direct us as you have in the past. We ask all of this in Your Name. Amen.

IMPERIAL POTENTATE EVANS: Please be seated.

It is with great pleasure that I, at this time, recognize our Director General, Illustrious Sir Terry McGuire of Alzafar Temple, who I think you will agree has done a tremendous job for this Session.

I know he has a few comments for you and as he is coming up here, will you please give him a hand and if you would do that, I would appreciate it.

...Applause ensued as Illustrious Sir Terry McGuire, Director General, approached the podium...

DIRECTOR GENERAL MCGUIRE: Well, you know, we got through another day and did not find anybody in the river and so we are thankful for that.

To those of you who were not here yesterday, let me indicate to you that I commented on the fact that people downtown this morning were kind of surprised nobody ended up in the river. (Laughter)

I hope that you enjoyed the parade. The weather was good for the parade and it lasted for approximately three and a half hours and from all of the reports that I have received from the city officials, it went off in very good style without any difficulty.

The Wednesday parade will start at the same place. There will be refreshments offered at the end of the parade and there will be things for you if you had no opportunity to have something to eat before the start of the parade.

Also, I want to remind you that tomorrow night will be the Imperial Potentate's Evening and it will be held just south of the Hilton Hotel. Also, make sure that you have your tickets with you because they will tear off the stubs, etc. Also, if you need to go out and come back in, they will do that by stamping your hand before you again go out, thus enabling you again to return to the party.

We have a German area, a Mexican area and a Western area. We likewise will have some small favors for you.

Also, there will be foods in the different areas—Mexican food, German food and then barbecue food and things like that.

Also, we will have some entertainment for you. As a matter of fact, it is a strictly move-around type of thing. There is no seating nor is there any special place for you to go. There is a big lounge over there which will contain within it tables and chairs and it is also air-conditioned and if you just need to quickly get in and out of it, you can do that. There will be a western band in there for your dancing pleasure. There will be another western band provided by Coors, which will be outside in the "Market."

The whole thing is designed for you to have a pleasurable evening. Dress is optional but I am sure that most people will be wearing western clothes. We hope you will all have a good time.

Again, I appreciate the fact that I got to see some of you wearing Fezzes around today. This is something that the merchants have commented about and they were glad to see this because, in my opinion, they are expecting their cash registers to ring more frequently.

Therefore, once again, thank you all for coming. Further, if there is anything we can do to make your stay pleasant, let me say that I am located in Conference Room 15, at the Marriott Rivercenter. If not, we will see you tomorrow night and, again, please have a good time while you are here.

IMPERIAL POTENTATE EVANS: Thank you very much. (Applause)

I now recognize Illustrious Sir Roger E. Murdock for the report of the Credentials Committee.

IMPERIAL POTENTATE EVANS: I will recognize Jack H. Jones for the purpose of receiving a motion to elect all Representatives as members of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I would move that all Representatives to the Imperial Council, an Iowa Corporation, including its Ad Vitam, At-Large, Emeriti, elected and appointed Representatives be elected to membership in the Colorado Corporation for the ensuing year.

...The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE EVANS: I will recognize the Imperial Recorder for the purpose of receiving a motion regarding parliamentary procedure.

IMPERIAL SIR JONES: Imperial Sir, the Bylaws of the Iowa and Colorado Corporations stated that, unless otherwise provided by resolution or Bylaws, parliamentary procedure shall be governed by Robert's Rules of Order. Occasions arise when the Annual Session or Annual Meeting goes into recess when ballots are being counted. This is consistent with Robert's Rules of Order which states that a recess may be taken to count ballots. I believe it is appropriate to allow the Presiding Officer to make the determination on a case by case basis, as to whether a recess should be declared when ballots are being counted. Therefore, I would propose the following resolution:

"RESOLVED, that during this Annual Session of the Iowa Corporation and the Annual Meeting of the Colorado Corporation, the rules be suspended and business be allowed to continue, uninterrupted, in the discretion of the Presiding Officer, while ballots are being counted."

I am advised that this resolution will require a two-thirds affirmative vote for passage.

IMPERIAL POTENTATE EVANS: Does somebody desire to make this motion?

...Whereupon, the motion was severally made and seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: I believe that our Imperial Recorder has some other announcements regarding meetings of various groups that he would like to present at this time.

...Various announcements concerning scheduled meetings involving various groups then ensued...

IMPERIAL SIR JONES: Thank you, Imperial Sir, those are all of the announcements that I have at the present time.

IMPERIAL POTENTATE EVANS: As you can see, that was a pretty good bunch of announcements there.

At this time, I would like to call your attention to my Annual Report which is contained in the Proceedings, copies of which you were given at the time of your registration.

It has been a good year for me and I have had a great time visiting all of the Temples.

I think you will find that there were 185 Temple visitations that were made out of some 280 visitations.

In relation to each and every one of them, I have been received tremendously and, further, it has given me an opportunity to meet and visit with many Shriners in your Temples that normally do not come to a Convention or that I normally see. Therefore, I want to thank you for that and also for all of your courtesies.

Through the efforts of our PR Department, we have prepared a little report for you which we would like to show you at this time and maybe you will recognize some of these places. Therefore, Mike, may we have that at this time, please.

...Whereupon a video presentation entitled "On the Road With Everett Evans, Imperial Potentate, 1992-1993" was shown to the Representatives...

(Applause)

IMPERIAL POTENTATE EVANS: Let me say that saves a lot of words and I hope that you will accept that in lieu of a long-worded report. I want you to know that I have been so very proud that I have been able to visit these various Temples as I did. (Applause)

At this time, I will recognize Imperial Sir Randolph R. Thomas for the report of the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE THOMAS: To the Representatives of the Imperial Council:

Your Committee on Transactions of Imperial Officers, as required by 208.7(b) of the Bylaws of the Iowa Corporation, has considered the reports of the Imperial Officers and find them comprehensive, well prepared and responsive to the subject matters being addressed. We recommend that these reports be presented verbally to the Representatives or incorporated into the records of these Proceedings.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. We find them to be comprehensive, well-prepared and in fulfillment of their responsibilities. It is our recommendation that these reports and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee, and any other committee designated by the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this Committee to express gratitude and appreciation to our Imperial Potentate Everett M. Evans, for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He and his lovely wife, Maxine, have never hesitated a moment in giving of their utmost in their visitations to our Shrine Temples, Hospitals and other organizations. They each deserve the sincere thanks and appreciation of all Nobles for their dedication to the Shrine work and ideals. They have endeared themselves to the hearts of all with whom they have come in contact. Their year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles but also the public as well.

We, the members of your Committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Nineteenth Session of the Imperial Council, and move for its adoption.

Respectfully submitted,
 COMMITTEE ON TRANSACTIONS OF

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: Are there any questions concerning this report?

If not, all in favor say aye; those opposed. It is so carried.

Thank you very much, Randy, for that report.

At this time, I would refer the following matters to be considered at this Annual Session and the Annual Meeting to the following committees:

To the Jurisprudence and Laws Committee: All proposed amendments, resolutions and requests.

To the Grievances and Appeals Committee: All matters of controversy, grievance, discipline or appeal.

To the Dispensations and Charters Committee: All proposals concerning petitions for dispensation, the work and records of Temples under dispensation and applications for Charters.

To the Jurisdictional Lines Committee: All proposals concerning the establishment and modification of jurisdictional lines between Temples.

Proposals to amendment of Article 78, Item 10 in the Call.

Then to Finance and Audit Committee: All matters concerning budgets of income and expenses for the current and succeeding year; and any departure from the previously adopted budgets and reasons therefor.

The following proposals to amend the Bylaws—Item 5 in the Call.

To the Transactions of Imperial Officers: The reports of the Imperial Officers.

To the Mileage and Per Diem Committee: All matters concerning the mileage and per diem expenses of this Session.

At this time, I will recognize Illustrious Sir Walter S. Pettit, Jr., to explain the legislative procedures of this Annual Session and Annual Meeting.

ILLUSTRIOUS SIR PETTIT: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives and Nobles: First of all let me tell you that I am Walt Pettit and I am honored to be the Chairman of your Legal Committee, your lawyers, as it were, on the Committee on Jurisprudence and Laws.

I appreciate the opportunity to explain the function of this committee and the functions that you are going to have with respect to the handling of your business.

For those of you who are present here for the first time and as a reminder to you veterans of past "wars," I will tell you what Jurisprudence and Laws does and the procedures which will be undertaken by this Convention for the next four days.

As in past Annual Sessions and meetings, the Jurisprudence and laws Committee will report to you on the form of each proposed amendment to the Bylaws and upon such proposal's consistency with

other provisions of the Bylaws and Articles of Incorporation in either the Iowa Corporation or the Colorado Corporation, as the case may be.

Likewise, we will report on resolutions and requests which are before the Imperial Council.

I would also remind you that we are meeting jointly as Representatives of the Iowa Corporation and as members of the Colorado Corporation and we of the Jurisprudence and Laws Committee will do our best to keep you advised regarding which Fez you are wearing as we move along with the proceedings.

Also, some of you are members of the Colorado Corporation and not Representatives of the Iowa Corporation. I would urge and admonish you who fit that category, that you may not participate or vote in Iowa matters, either by voice or by ballot. To do so would interfere with the business of the Iowa Corporation.

The reports of the Jurisprudence and Laws Committee are not to indicate to you that the Committee as such is either in favor of or against any proposal. In his capacity as a Representative, each of the members of the Committee may and probably does have strong feelings as to the merits of a particular proposal and any of us, just as you, may wish to participate in the debate concerning one or more of the proposed amendments.

If we wish to do so, however, we will retire from this podium and use a microphone on the floor for that purpose. Further, any individual involved with the Jurisprudence and Laws Committee, when he does so, speaks as an individual and not as a member of the Committee.

Again this year, when the Committee makes its report, it will refer you to the appropriate page of the Call where the proposal appears so that you can quickly identify the matter.

I would remind you that your Call is essential for your proper deliberations.

Further, I am confident that you have already studied the proposals and are prepared to consider them.

This year, for the first time in my tenure on J and L, there are no matters of a legislative nature to be considered by the Colorado Corporation—your Shriners Hospitals. There are, however, a number of business items to attend to.

For the Iowa business, pending proposals, resolutions and requests will be considered in this order: First, the report of the Committee on Jurisprudence and Laws; secondly, the report of any other committee to which the matter has been referred; thirdly, recognition of the sponsor for his motion to adopt and any explanation that he believes necessary for the proposal, thereafter, your consideration and action.

The Jurisprudence and Laws Committee will continue the procedure instituted in the past and coordinate its efforts with those reporting committees so that you do not have a repetition of the entire matter on two or more occasions.

Jurisprudence and Laws will not ask you to "receive" our reports inasmuch as you are listening to them, and thus you are receiving them. We may, however, answer any inquiries that you may have concerning the reports.

Once again, I solicit the courtesy that you have traditionally shown in these Imperial Council Sessions to the Chair and to your Fellow Nobles. If you wish to speak, and when it is your turn on the matter under consideration, please move to the nearest microphone to be recognized. You will not be recognized unless you are at a microphone where you can be seen and heard.

Let me also add that there are a number of matters of legislation which may require considerable debate and in those matters, the Chair will ask the proponent to move his proposal and then make whatever statement desired. Thereafter, he will call for a response from an opponent, if there are any, and then next a proponent, until all are heard and the debate is closed.

I would remind you that the Bylaws of the Imperial Council provide that debate may not be closed until two or more have spoken for and against the proposal, if there be that many wanting to speak.

When matters arise concerning debate, the Chair will first ask for the proponent to go to the microphone to your right and the opponent to go to your left. Now, it may be that it works out for an opponent to be here on stage and a proponent in the center, but you get together so that the Chair, in turn, will know that if he is recognizing this side, it is a proponent; if he is calling on the other side, it is an opponent.

I encourage you, Nobles, if you wish to speak on a matter, to please do it as briefly as possible and try your best not to cover the same ground that somebody else has traveled.

Also, the Chair has asked that we limit each speaker's time to five minutes, but I think that will probably be plenty for most of us. This includes speeches presented in nomination.

Also, let me remind you Representatives that amendments to the Imperial Bylaws require an affir-

mative vote of two-thirds for passage; resolutions require but a simple majority for passage.

Finally, we hope you understand that the Jurisprudence and Laws Committee is here to serve you.

The Committee is prepared to answer any questions concerning the legal effects of any proposal and to answer any other appropriate questions in their area of expertise.

Now, we are not always able to do that, as you Nobles who have been present here previously know, but we will do our best and if we do not have an immediate answer, I am sure that we will come to a consensus and bring it back to you as quickly as possible.

I ask that as each item of legislation is called for by the Imperial Potentate for presentation, the proposers of the amendment work their way toward the closest microphone or to the stage so that they may be able to move the adoption of the proposal, make any statements that they deem necessary and answer any of the questions of the Representatives.

With that, are there any questions? You will probably have some as we move along.

However, thank you, Imperial Sir, and thank you, Representatives, for your time.

IMPERIAL POTENTATE EVANS: Thank you very much, Walt.

At this time, I will recognize Illustrious Sir James C. Hathaway for the report of the Elections Committee.

ILLUSTRIOUS SIR HATHAWAY: Thank you very much.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Representatives All: It is a pleasure for me to again be able to serve as your Chairman of the Election and Tellers Committee. Thank you, Imperial Sir Evans.

Let me ask you, Nobles, do you all have your book with you? Does everybody have their ballot book with them? If not, you had better get it.

As we go along and the Imperial Sir calls for a ballot, we will select a color in the book and let you know as to what number and what color to use.

Do not write on any ballot other than that which we give you. We will try to expedite and get the results back to you as soon as possible.

As the Tellers are collecting the ballots, please remain in your seats and not go down the aisles so that our collectors can easily pick them up.

Thank you, Imperial Sir.

IMPERIAL POTENTATE EVANS: Thank you very much, Jim.

We are going to go into some legislative matters now and I believe the first one will involve Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir and Representatives, I have a report of the Committee on Jurisprudence and Laws of the Iowa Corporation, addressed to the Representatives of the Imperial Council.

The Imperial Potentate's General Orders (Series of 1992-93) were issued pursuant to Section 206.5(a)(4) of the Bylaws of the Imperial Council, an Iowa Corporation. Copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your Committee reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any of such General Orders.

Your Committee further advises that the Imperial Potentate's Report is in proper and legal form and that it is submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND

LAWS:

Walter S. Pettit, Jr., Chairman

Imperial Sir, I move that the Imperial Potentate's General Orders (Series of 1992-93) be approved,

and I recommend that you allow Deputy Imperial Potentate Tony Bukey to conduct the vote as this motion involves your Orders.

...The motion was duly seconded...

IMPERIAL SIR TONY BUKEY: You have before you a motion and a second to approve the Imperial Potentate's General Orders.

Is there any discussion?

There being no discussion, all in favor of the approval of the Imperial Potentate's General Orders as indicated please say aye; opposed no. It is unanimously carried.

(2) In connection with any proceeding by or in the right of the corporation in which he was adjudged liable to the corporation; or

July 3-7	1994	Denver, Colorado

SOVEREIGNTY, RIGHTS AND RESPONSIBILITIES

Pursuant to resolution of the Representatives, unanimously adopted at the Imperial Council Session on July 7, 1989, the following principles govern our Order:

1. The Shrine is a separate and distinct legal fraternal corporation; it must abide by its articles of incorporation and bylaws; and its officers must abide by their oath of office to

“strictly conform to the requirements of Shrine law.” The Shrine accepts that the various Grand Lodges all have different Masonic codes and bylaws that govern their organizations.

2. The Shrine believes in the sovereignty and integrity of each of the 64 Grand Lodges. The Shrine asks that the 64 Grand Lodges accept the sovereignty and integrity of The Imperial Council and that of The Imperial Council over its temples. The Shrine believes that it has no power to interfere in the internal affairs of a Grand Lodge. The Shrine asks that the Grand Lodges accept that they have no power to interfere in the internal affairs of The Imperial Council and its temples.

3. The Shrine acknowledges that the 64 Grand Lodges cannot cede their sovereignty, power and authority to The Imperial Council and thus be controlled and operated by an independent fraternal organization. The Shrine asks that the 64 Grand Lodges accept that the Shrine cannot cede its sovereignty, power and authority to the 64 Grand Lodges and thus be controlled and operated by 64 independent fraternal organizations.

4. Each Noble of the Mystic Shrine is entitled to equal Shrine rights and benefits regardless of his place of domicile. No person, organization or authority, other than the law of the land or The Imperial Council, can restrict or limit the Shrine rights and privileges of a Noble of the Mystic Shrine or those of a subordinate temple.

5. Neither the Imperial Potentate nor any officer of the Shrine can repeal, revise or ignore any bylaw of The Imperial Council. The Shrine is informed, and therefore believes, that the various Grand Lodges have different provisions in their Masonic codes and bylaws concerning this matter.

6. The Shrine believes that no Shrine fraternal charges can be brought against a Shriner unless the charges specify the details of the accusation. The Shrine hopes that the same principles apply in the various Grand Lodges.

7. The Shrine believes that no Shriner can be expelled from the Shrine without a fair hearing on specific charges. The Shrine further believes that there cannot be expulsion of all members of a Shrine temple because of the conduct of a few — when the remaining members are accused of no wrongdoing.

8. The Shrine believes that it has no authority to usurp the gavel of authority from the hand of the presiding officer of a Grand or Subordinate Masonic Lodge. The Shrine asks that the Grand Lodges accept that they have no authority to usurp the gavel of authority from the hand of the presiding officer of The Imperial Council or a subordinate temple.

9. The Shrine believes that the result of a secret ballot on a petition for membership in a Masonic Lodge cannot be overturned by The Imperial Council. The Shrine asks that the Grand Lodges accept that the result of a secret ballot on a petition for membership in a Shrine temple cannot be overturned by a Grand Lodge.

10. The Shrine believes in the sanctity of the ballot box in Freemasonry. The Shrine asks that the Grand Lodges accept the sanctity of the ballot box in The Imperial Council and in its subordinate temples.

LIFE MEMBER—PER CAPITA

ITEM NUMBER 9 OF THE CALL FOR THE 1992 IMPERIAL SESSION CALLED INTO QUESTION PRIOR RULINGS REGARDING PAYMENT ON EXEMPTIONS FROM PAYMENTS OF THE PER CAPITA TAX BY NOBLES HOLDING A LIFE MEMBERSHIP. §211.5(b) SPECIFICALLY PROVIDES THAT A TEMPLE ADD TO EACH MEMBER'S ANNUAL DUES THE FULL AMOUNT OF THE PER CAPITA TAX, WHICH MEANS THAT ALL LIFE MEMBERS ARE NOW LIABLE FOR PAYMENT OF THE PER CAPITA TAX.

NEW
ITEM

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE DIRECTOR, P.O. BOX 31356, TAMPA, FL 33631-3356.**

This practice will assure expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of the Imperial bylaws.

GENERAL COUNSEL NOTIFICATION—BEQUESTS FOR CRIPPLED CHILDREN

It appearing that the interests of all temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is ORDERED:

Potentates, Treasurers, and Records of temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, any of its units, or designate in some manner crippled children or similar charitable purpose.

Potentates of temples are further directed to inform all shrine clubs to follow this same procedure should the shrine club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children, any of its units, or designate in some manner crippled children or similar charitable purpose. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All temples and shrine clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a court receipt by a representative of the temple or shrine club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such court receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Records of temples are further directed to see that their temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

TITLES AND EMBLEMS FOR SUBORDINATE OFFICERS

WHEREAS, the bylaws of The Imperial Council make no provision for the wearing of stars by any officers of units, associations of units, or otherwise, except for Imperial officers;

WHEREAS, it has been brought to my attention that officers of certain units, associations of units, or others, may be wearing stars to designate the Shrine office that they hold;

WHEREAS, the Imperial Committee on Protection of Emblems, Regalia and Jewels and the board of directors of The Imperial Council have unanimously recommended and requested that I issue a General Order to assure uniformity in our Order, respect for the high office represented by stars, and to assure compliance with the bylaws of The Imperial Council;

NOW, THEREFORE, by the authority in me vested by §206.5(a) of the bylaws of The Imperial Council, IT IS HEREBY ORDERED that:

1. No Noble, other than authorized Imperial officers, may wear stars denoting rank as part of his Shrine uniform or attire, unless otherwise provided by the bylaws of The Imperial Council.

2. The rank of Colonel, or its equivalent, is the highest rank that may be held by an officer of any unit or association of units, or otherwise, without the express written consent of the board of directors of The Imperial Council.

1993 IMPERIAL COUNCIL SESSION SPECIAL CONVENTION NOTICE

The 1993 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the city of *San Antonio, Texas*, the week of July 4, 1993. The Director General is Terry McGuire, 11515 Whisper Dew, San Antonio, TX 78230; telephone (512) 698-7171.

Pursuant to §334.11 of the bylaws of The Imperial Council, each temple is to designate one of its official divan as the authorized agent of the temple to have full authority to make plans for attending this Session with the units of their temples, and this includes the authority for making contracts for rooms in the *San Antonio* area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans shall have been approved by a vote of the membership of the temple in accordance with the temple's bylaws.

The Imperial Potentate desires to bring to the attention of all temple officers the following:

HOUSING—Imperial Council Session in *San Antonio, Texas*, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1993 Session in *San Antonio, Texas*.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial representatives; (2) uniformed units; (3) the general Nobility; and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of The Imperial Council Session; the uniformed units are present to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the representatives there would be no business transacted to justify the Imperial Session; without the uniformed units there would be no parade.

Hotel room assignments at *San Antonio* are to be obtained through the Housing Chairman. The Chairman of the Housing Committee is James V. Gullette, 308 Montfort Drive, San Antonio, TX 78216; telephone (512) 344-5003.

The Executive Director will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the Representatives and other temple officers who are not Representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, temple or any Noble violating either the spirit or the letter of this Order.

ACCOMMODATIONS FOR FUTURE IMPERIAL COUNCIL SESSIONS

Pursuant to resolution of the Representatives, adopted at The Imperial Council Session on July 3, 1990, and by virtue of the authority in me vested by §206.5(a)(4) of the bylaws of The Imperial Council, IT IS HEREBY ORDERED:

WHEREAS, it is acknowledged that each convention corporation must make plans several years in advance of its Imperial Council Session in order to select a host city, and ensure the Nobility of the finest accommodations available for themselves and their units; and, to obtain the best competitive prices for rooms, facilities and space for the business and pageantry of a session; and,

WHEREAS, it is acknowledged that funds essential to the financial success of The Imperial Council Session must also be generated for the expenses that will be incurred in the operation of an Imperial Council Session, many of which are incurred in the years preceding the actual session; and,

WHEREAS, it is acknowledged that a fair and just non-refundable Binder/Registration Fee is the primary source for generating the revenues necessary to pay the foregoing expenses, which fee is determined by the number of rooms requested by the temples attending The Imperial Council Session; and,

WHEREAS, it is acknowledged that the Convention Corporation cannot give a commitment to the several hotels of the host city, nor to the Convention Bureau thereof, until it has determined an accurate count of the rooms and facilities required for the Session; and,

WHEREAS, it is further recognized that while the Binder/Registration Fee must be required in advance, the payment should not be required so far in advance as to cause an unreasonable financial burden upon the Nobles and the temples.

NOW, THEREFORE, BE IT RESOLVED, That:

1. Each Imperial Officer shall require his Director General and Housing Chairman to be responsible and accountable to make certain that each temple, its units and clubs, have an equal opportunity to obtain the lodging of their choice at The Imperial Council Session.

2. Commencing with The Imperial Council Session of 1994, and annually thereafter, each Director General and Housing Chairman shall establish rules for the allocation of rooms for the subject Imperial Council Session that will afford all temples an equal right of choice not less than twenty-four months prior to the affected Imperial Council Session.

3. The procedural rules for the allocation must be such that each temple or other body is treated equally, justly and fairly, without any favoritism shown to any participant.

4. No Binder/Registration Fee shall be due or accepted by the convention corporation prior to the established allocation date twenty-four months before the public opening of the subject session.

5. No lodging units shall be held, reserved or allocated for any temple or other body, except as provided herein (other than the requirements for the Imperial Potentate, the Deputy Imperial Potentate and the Host Temple).

6. The total amount of the Binder/Registration Fee shall be calculated by multiplying the number of lodging units by the Binder/Registration Fee for each lodging unit requested by the temple or other body; and it shall be paid in full prior to the allocation date held during each year (24 months prior to the opening date of The Imperial Council Session for which the allocation is held).

7. The first night's deposit on each lodging unit shall be due and payable on February 1 of the year of the session. Any temple or other body not paying the first night's deposit by March 1 of the year of the session shall lose all lodging units for which the first night's deposits have not been received and shall forfeit all Binder/Registration Fees paid. The convention corporation will be free to reassign forfeited lodging units to other temples or to other bodies requesting lodging.

8. This resolution takes effect with the 1994 Imperial Council Session.

SHRINE PARADE REGULATIONS

1. **Non-Shriners.** Other than the police escort, dignitaries and distinguished guests, only Shriners are permitted in Shrine parades.

2. **Cadence.** Marching cadence will be 110 steps to the minute, except for specialized units which may require a different cadence.

3. **Interval.** Intervals of not over 80 feet between temples and 40 feet between units are to be constantly maintained.

4. **No Impersonations.** No impersonations of ethnic groups, females, or political figures are allowed in parades.

5. **Vehicle Equipment.** No motorized vehicles shall engage their sirens, flashing lights or colored lights. They are to use their turn indicators and items required by law.

6. **Safety Laws.** Motorcycles, scooters, and other motorized vehicles shall obey local laws regarding speed, prudent operation and the use of hard helmets instead of fezes.

7. **Throwing Objects.** Neither candy nor other objects shall be thrown or handed to spectators along the parade route.

8. **Demeaning Displays.** No demeaning displays, or discharge of firearms of any type, or other items that may be considered in poor taste are permitted.

9. **Intoxicating Beverages.** Members of participating units shall not drink any intoxicating beverages before or during any parade, and they shall be circumspect in the use of soft drinks in public places so as not to give the impression they are drinking intoxicants.

10. **Reviewing Stand.** At the reviewing stand during Imperial parades, temple Divans will give the hand salute and will not stop to salaam. At association of temples parades, the temple Potentates may leave their cars and accept the salutes of their units.

11. **National Flag.** No national flag shall be lowered or dipped when passing the Reviewing Stand or elsewhere.

12. **Enforcement.** Parade marshals shall enforce all Shrine parade regulations and they shall report any violator to the Potentate of his temple. Failure on the part of a temple Potentate to cooperate with parade marshals shall be reported in writing.

13. **Potentate Responsibility.** Each Potentate is personally responsible and accountable for knowingly permitting any violation of parade regulations. Temple Potentates are required to review parade regulations with their temple marshal, the Parade Marshal, and their unit heads.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another temple, they will also need the permission of the Potentate of that temple. Practice good Shrine etiquette when parading in non-Shrine parades and follow the protocol set up by the host sponsor of the parade.

Non-Shriners are not permitted to participate in Shrine units in civic parades.

RESPONSIBILITY OF POTENTATES

The potentate of each temple is reminded of his individual official responsibility for the operation of his temple in accordance with the law of the land, the articles of incorporation, bylaws and Orders of The Imperial Council and Imperial Potentate, and the temple bylaws.

REMINDER TO CHAPLAINS

As the membership of the Shrine is made up of members of all denominations, chaplains are reminded that their prayers, invocations, etc., should not single out any particular denomination but be monotheistic in nature so as to include all.

IMPERIAL POTENTATE VISITATIONS

It is the desire of your Imperial Potentate to make as many official visitations as are possible. It is also his desire to fully cooperate with all temples requesting visitations. The temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your temple and Shrinedom.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Director) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether shriners only, shriners and their ladies, shriners and masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION OR FOR HOLDING A MEETING OR CEREMONIAL ON A SUNDAY, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE, WITH COPY TO THE EXECUTIVE DIRECTOR, AND BOTH ORIGINAL LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT IN CARE OF THE EXECUTIVE DIRECTOR.

SHRINE PROTOCOL

1. **Imperial Council Directory.** All temples are urged to use the provisions of Shrine Protocol which are found in the forward pages of your Imperial Council directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by The Imperial Council. If you have any questions, please contact the Executive Director at the General Offices. At Shrine activities, masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine officer speak last.

2. **Proper Display of 3 National Flags.** Each temple of the Order is instructed to provide and display at all shrine parades and shrine functions the three national flags under which shrine temples chartered by The Imperial Council operate (i.e., United States, Canada and Mexico).

These three national flags should also be properly displayed at all shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Director.

3. **Attention to Flag Bearers.** It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No national flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to national flags will be eliminated. All flags, other than national flags, may be dipped.

CHIEF RABBANS

In order to eliminate problems, it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities, including tours or cruises for their administration, to the temple membership at a stated meeting. They must comply with shrine law and proceed in accordance with the vote of the membership.

CEREMONIALS

1. **Parades and Outdoor Appearances.** It is ordered that candidates who appear in ceremonial parades or in front of the general public must do so in normal street dress. No ropes or demeaning clothing of any type will be allowed.

2. **Anti-Hazing.** §335.1 of the bylaws of The Imperial Council states that shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws. This matter has been considered by the Board of Directors. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all temples, officers, and Nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any temple, officer, or noble has any concern or question concerning the applicability of this Order, that the potentate or temple attorney immediately communicate with the General Counsel of The Imperial Council, A.A.O.N.M.S.

SHRINE CIRCUSES

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and to serve the best interests of the Order and Nobility, **IT IS HEREBY ORDERED** that any temple which sponsors or becomes associated with a circus must comply with the following:

1. **Review.** The proposed circus agreement and the proposed telemarketing agreement, if any, must be reviewed by the temple attorney and he must render his written opinion and advice thereon.

2. **Temple Action.** The proposed circus agreement, and the proposed telemarketing agreement, if any, and the written opinion of the temple attorney must be submitted to, and approved by, the temple at a stated meeting or at a special meeting which specifically states the purpose thereof.

The following language should be the last item of a circus contract with producers, telemarketers or others: *"This contract has been duly executed in accordance with Imperial Council General Order No. 1."*

3. **Hold Harmless.** Each circus agreement must contain a hold harmless agreement whereby the Circus agrees to indemnify and hold harmless the temple, Imperial Council, A.A.O.N.M.S., and Shriners Hospitals For Crippled Children from any and all liability, claims and causes of action as a result of the circus.

4. **Long-Term Agreements.** The circus agreement, and any telemarketing agreement, may not exceed one year unless specifically authorized by the temple at the stated meeting or at the special meeting. If it is for more than one year, it is to be executed by all temple officers who are scheduled to be temple potentates during any year that the agreements are in effect.

5. **No Excess Tickets.** Tickets may not be sold in excess of available space for each performance.

6. **Insurance.** Comprehensive general liability and property damage insurance must be in effect. The Imperial Council, A.A.O.N.M.S. and Shriners Hospitals For Crippled Children must be additional insureds on the policies, and there must be compliance with the *Insurance* provision of the existing General Order.

7. **Law Of The Land.** The circus must be operated in compliance with the law of the land including, but not limited to, *The Revenue Act of 1987*, as amended, if it is a U.S. temple.

8. **Fund Raising.** The circus must be operated in compliance with the *Fund Raising Activities* provision of the existing General Order.

TOURS AND CRUISES

1. The potentate of any temple which intends to sponsor a tour or cruise must:

(a) Give notice in writing to the Executive Director of such intent with the itinerary thereof and the proposed dates. This provision shall not apply to those pilgrimages which are limited to shrine association meetings and Imperial Council Sessions.

(b) Schedule the tour if its itinerary includes a point outside the continental United States, Canada or Mexico, for dates which will not conflict with either The Imperial Council Session or the Imperial Potentate's tours and cruises.

2. All tours and cruises, as well as pilgrimages, when sponsored by a Potentate or by a temple or otherwise identified with the Order, are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the potentate of the temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance. If the activity is to occur in the jurisdiction of another temple, prior written consent from the other temple must be obtained.

3. No tour or cruise may be sponsored by any temple unless the proposal therefor has first been approved by the members of the temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the temple. The temple potentate is required to obtain a legal opinion from the temple attorney that the tour or cruise is in compliance with the law of the land. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain. Further, inasmuch as complimentary or reduced fares, hotel accommodations,

or other such benefits may constitute taxable income to recipients thereof, such persons should consult their personal tax advisors thereon.

4. The potentate of any temple which intends to sponsor a tour or cruise has the personal responsibility:

(a) To see that the attorney for the temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

(b) To ascertain the fiscal integrity of the tour agent handling the tour or cruise. He may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control. Any escrow account which is maintained must be segregated from all other funds.

(c) To see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his temple no later than his second stated meeting next following the conclusion of the tour or cruise. A copy of such accounting must be furnished at the same time to the Executive Director.

(d) To see that it is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board, if the itinerary includes any point outside the continental United States, Canada or Mexico.

(e) To be responsible for seeing that the promotional material clearly states the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property, if the itinerary includes any point outside the continental United States. It is recommended that any disclaimers of liability by travel agent and/or carrier in the promotional material provided the public also include (in close proximity) name of the temple, shrine club or unit, if applicable.

5. Tours and cruises sponsored by shrine clubs, units, or other organizations affiliated with or appendant to any temple shall be considered as having been sponsored by such temple and shall be subject to all of the terms and provisions of this General Order.

6. Tours and cruises sponsored by associations of temples, national or international associations of units, and other organizations not affiliated with or appendant to any temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were temples; and the president or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibility as those of the potentate of a temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and in order to serve the best interests of the Order and Nobility, IT IS HEREBY ORDERED:

1. Insurance Advisory Committee

In compliance with §334.2(b)(1) of the bylaws of The Imperial Council, A.A.O.N.M.S., the potentate of every temple shall appoint an Insurance Advisory Committee which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty insurance matters, and the fourth member shall be the temple attorney. The Insurance Advisory Committee shall have the following duties and responsibilities.

(a) Review all temple, shrine club and unit operations and activities, including fundraising events.

(b) Review, analyze and, when appropriate, appraise all property, real or personal, of the temple, shrine clubs, units, holding companies and appendant and affiliated entities.

(c) Review and analyze the current temple insurance program and all insurance policies of the temple, shrine clubs, units, holding companies and appendant and affiliated entities, in order to determine the adequacy of the coverage and limits.

(d) Review and consider whether the temple, shrine clubs, units, holding companies and appendant and affiliated entities engage in activities or own property for which there should be:

- (1) Liquor law liability and host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages.
 - (2) Products liability and/or completed operations coverage.
 - (3) Blanket contractual liability for all written agreements and, if available, for oral agreements.
 - (4) Parade and/or spectators liability.
 - (5) Carnival, circus or athletic event liability.
 - (6) Owned and non-owned aircraft and watercraft liability insurance and physical damage on owned items,
 - (7) Property insurance.
 - (8) Boiler or machinery coverage for physical damage should be obtained if any exposure exists.
 - (9) Any other insurance coverages warranted by the operations and activities of the temple, shrine clubs, units, holding companies and appendant and affiliated entities, including, but not limited to, medical expense reimbursement insurance.
- (e) Annually prepare a written report to the potentate and official divan of the temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage. The report should also include recommendations in order to comply with this General Order to adequately protect the temple, shrine clubs, units, holding companies and appendant and affiliated entities, and include an estimate as to the cost thereof.
- (1) This annual report of the Insurance Advisory Committee shall be completed and submitted to the potentate and official divan of the temple in sufficient time for it to be used by the chief rabban in preparation of the proposed temple budget for the following year.
 - (2) Supplements to this report shall be made in writing during the year as events, activities and exposures change.

It shall be the responsibility of the potentate and recorder to send a copy of this annual Insurance Advisory Committee report and any supplements thereto to the Executive Director of The Imperial Council, A.A.O.N.M.S., by the first day of March of each year.

2. Mandatory Insurance

In compliance with §334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S., and, if appropriate, state law, every temple must procure for itself, its shrine clubs, units, holding companies and appendant and affiliated entities:

- (a) Comprehensive general liability insurance. The minimum limits (including umbrella coverages) shall be not less than \$1,000,000 per occurrence, and it shall include at least minimum limits for voluntary medical payments for injury to members and guests as well as fire and explosion legal liability for any leased premises.
- (b) Comprehensive motor vehicle liability insurance. The minimum limits (including umbrella coverages) shall be not less than \$1,000,000 per occurrence. It is recommended that where temple units and shrine clubs include member-owned vehicles used in temple activities, that certificates of the owners' current liability insurance coverage be permanently on file at the temple. The decision regarding the minimum amounts of insurance protection required for these member-owned vehicles rests with the potentate and temple. However, it is recommended that the highest feasible limits, up to the temple's non-owned insurance limit, be procured.
- (c) Fire and extended coverage or all risks insurance for real and personal property, whether owned or leased.
- (d) Workers compensation insurance. As required by state law, including coverage for both paid employees and "volunteer" workers.
- (e) Fidelity. Every temple, at its own expense, must procure a corporate fidelity bond indemnifying it against loss resulting from infidelity, defalcation or misappropriation by its officers, employees or nobles, of its funds or property.

3. Additional Insureds

In further compliance with §334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S.:

(a) In all liability insurance policies written for the temple, its shrine clubs, units, holding companies and appendant and affiliated entities, the following shall be included as additional insureds, with respect to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa corporation, and Shriners Hospitals for Crippled Children, a Colorado corporation, and all its affiliated corporations."

(b) The potentate and recorder of each temple shall be responsible that appropriate certificates of insurance on all workers compensation and liability policies showing compliance with (a) above shall be filed with the *Executive Director* within 30 days of the renewal date of all such policies, or each time there is a cancellation or material change therein, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of the temple.

(c) The certificate of insurance issued by the insurance company shall be "irrevocable" so that no coverage may be canceled or materially altered until notice is provided by the insurance company to the *Executive Director* at least 30 days prior to such action.

4. Miscellaneous

(a) A voluntary mass-marketed property and casualty insurance program is now available to each temple and association. The broad liability coverages (similar to umbrella coverages) are specifically designed for fraternities such as ours. The requirements of The Imperial Council, A.A.O.N.M.S., are automatically included and, in most cases, the premiums are lower because of the bulk discounts for liability and property insurance that are applied. Contact the *Executive Director* or the chairman of the Imperial Insurance Committee for further details.

(b) Liability limits in excess of the suggested minimum are recommended in most instances and, wherever feasible, consideration should be given to the purchase of "umbrella" or similar coverages for general and automobile liability coverage.

(c) Any temple sponsoring a fund-raising event for fraternal purposes, including, but not limited to, circuses, sporting events and other activities, should consider any potential exposure to the athletes, participants and public. Proper liability, including adequate medical and accident coverage for participants, should be purchased.

(d) Any fund-raising event which is for charitable purposes must have prior written permission therefor from the Imperial Potentate and the Chairman of the Board of Trustees. The temple potentate, by virtue of his written request to engage in the event, is certifying that his temple has liability, medical, participant's and other appropriate insurance in effect providing good and adequate coverage and limits for the event and that The Imperial Council, A.A.O.N.M.S., an Iowa corporation, and Shriners Hospitals for Crippled Children, a Colorado corporation, and all its affiliated corporations, are included as additional insureds thereon.

(e) "Named peril" (fire, E.C.E., theft), or "all risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (buildings, contents, uniforms, and the like) of the temple, shrine clubs, units, holding companies and appendant and affiliated entities.

5. Chairmen of Insurance Advisory Committees

On or before the first day of February of each year, each temple recorder shall notify the Director of Risk Management, International Shrine Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356, of the name of the chairman of the temple Insurance Advisory Committee, together with his address, telephone number and telecopier number.

FUND-RAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Crippled Children. Because of this, meticulous attention must be given to all fund-raising activities, including circuses, to make certain that a contributor is not led to believe that his money will be used for the Hospitals

when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§335.3 USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN." The use of the name "Shriners Hospitals for Crippled Children" or reference to the Hospitals in connection with any fund-raising activity by a temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§503.9 The use of the name "Shriners Hospitals for Crippled Children" or reference to the hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fund-Raising for Fraternal Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fund-raising activity without the express written consent of the potentate of the temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Crippled Children.

(c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with §335.3 and §503.6 of the fraternal and charitable bylaws.

(d) The temple potentate must approve the terms and provisions of any contract for a fund-raising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.

(e) A copy of the temple potentate's written consent shall be mailed to the Imperial Recorder. Further, such written material pertaining to the fund-raising activity, as requested by the Imperial Recorder, shall be promptly mailed to him.

2. Fund-Raising for Charitable Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any *charitable* fund-raising activity other than for Shriners Hospitals for Crippled Children. Permission therefor must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Imperial Potentate and the Chairman of the Board of Trustees. This request for written permission shall be sent to the Executive Director, International Shrine Headquarters, P.O. Box 31356, Tampa, FL 33631-3356.

(b) 100% of the net proceeds from charitable fund-raising must be given to Shriners Hospitals for Crippled Children except for such portion thereof as may be permitted to be retained for the Temple Shrine Hospital Patient Transportation fund pursuant to the Special Purpose Funds provisions of any existing General Order.

(c) The temple shall report the result of each charitable fund-raising activity within sixty (60) days of the activity to Shriners Hospitals for Crippled Children on forms provided to the temple.

(d) This section shall not apply to activities exempt under §335.4(b) of the bylaws of The Imperial Council.

(e) Each independent corporation or entity that receives the permission of the Imperial Potentate and the Chairman of the Board of Trustees to raise money for Shriners Hospitals for Crippled Children, and which does not have its financial accounts audited pursuant to §§334.5 & 337.8 of the bylaws of The Imperial Council, shall have its financial accounts audited by a certified, chartered or licensed public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose and Disclosure:

(a) Every fund-raising activity must contain factual information on its solicitation material, tickets, programs and documents regarding the use of the proceeds.

Examples: "Proceeds are for the benefit of (___ Temple) (___ shrine club) activities."

"Proceeds are for the benefit of Shriners Hospitals for Crippled Children."

(b) Every fund-raising activity which is not entirely for the benefit of Shriners Hospitals for Crippled Children shall prominently state on the solicitation material, tickets and documents that "payments are not deductible as charitable contributions."

(c) There must be compliance with the Revenue Act of 1987 provision of any existing general order by U.S. temples.

4. Compliance with Applicable Laws:

It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fund-raising activities.

5. Financial Records:

(a) The temple shall maintain detailed financial records pertaining to all fund-raising activities involving Nobles, clubs, units, organizations of Nobles or affiliated or appendant corporations. Details of all revenues and disbursements shall be maintained in such financial records.

(b) The temple must retain such detailed financial records for a period of seven (7) years.

(c) There must be compliance with Financial Reporting on Charitable Funds and Activities provision of any existing general order.

6. Notification to Nobility:

A copy of this section on "fund-raising activities" shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each Noble in the temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, Noble or temple which violates a provision of this section is subject to discipline pursuant to the bylaws of The Imperial Council.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that The Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some temples, either directly or through Special Purpose Funds, have accumulated charitable funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopaedic hospitals and burns institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

Now, therefore, by virtue of the authority in me vested by §206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. Neither the temples, their shrine clubs, their units, or their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children (except as may be allowed by §335.4(b) of the bylaws of The Imperial Council).
2. A temple shall maintain a restricted fund for payment of ordinary and necessary expenses incurred in arranging for and transporting patients, parents and guardians for hospital and medical care. These charges are limited to ordinary and necessary direct expenses such as fuel, oil, maintenance, signage, improvements, repairs, insurance, taxes and tags for vans; trip supplies, driver, parent, guardian and patient lodging and meals; air and bus fare; postage and long distance telephone; clerical salaries based upon the time devoted to transportation arrangements; office supplies based upon usage; and expenses in connection with conducting off-premise clinics, subject to the following provisions:
 - (a) All receipts and disbursements related to charitable activities shall be clearly designated and classified as such in the books of all temples, temple affiliated corporations, shrine clubs, committees, boards, or other entities subject to the supervision or control of any temple; and such books of accounts shall be audited

annually in a manner consistent with the requirements of §334.5 of the bylaws of The Imperial Council.

- (b) The custody and administration of all charitable funds and assets under the control of any temple, including those of temple affiliated corporations, shrine clubs, committees, boards, and other entities subject to the supervision or control of any temple, shall be the responsibility of the same temple officers, committees, or boards who are charged with the custody and administration of the general funds of the temple. The temple shall maintain a separate bank account entitled Shrine Hospital Patient Transportation Fund to make deposits and disbursements for the purposes herein authorized. Interest earned on the restricted fund balance must be credited to the hospital patient fund account.
- (c) Any temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under this paragraph after the temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
- (d) After a fund-raising event for the benefit of Shriners Hospitals has been held, and upon written request to, and written authorization by, the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half of the net profits of a designated fund-raising activity may be held by a temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient, parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the temple or one of its members. Such retained funds, including interest earned on the funds, shall be maintained pursuant to the Uniform Chart of Accounts for Shrine Temples, in a separate account designated as the "Shrine Hospital Patient Transportation Fund." The balance in the fund shall not exceed twice the amount of the expenditures made from such fund during the preceding year, unless the Imperial Potentate and the Chairman of the Board of Trustees so authorize. Any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason this fund should terminate, the entire balance in the fund shall revert to Shriners Hospitals for Crippled Children.
- (e) In the event a temple is experiencing an undue hardship in meeting the expenses enumerated in subparagraph (d), its written request should so specify. When such a request is received, it shall be reviewed by the Executive Director and the Director of Temple Accounting, and they shall issue their recommendation thereon. Thereafter, if the Imperial Potentate and the Chairman of the Board of Trustees, after a review of all of the circumstances, make a finding of undue hardship, they may authorize the temple to retain a percentage in excess of 50% of the net profits of the designated fund-raising activity, solely for the uses enumerated in subparagraph (d). This authorization shall apply only to a specific fund-raising event or activity, and that event or activity shall not have a duration of longer than one year.
- (f) Prior to the granting of authorization to retain a fund balance in excess of twice the amount of expenditures made from the fund during the preceding year, or to retain funds from fund-raising events, as outlined under subparagraphs (d) and (e) hereof, the temple must submit its request in writing and must have on file with The Imperial Council or attach to the request:
 - (1) Audited statements of its transportation fund for the past three years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - (2) A summary of the total receipts and disbursements for each month since the last audited statement and a current month end balance sheet.
- (g) No permission will be given for any fund-raising event or the use of the name Shriners Hospitals for Crippled Children or for the retention of funds if any activity report for a previous fund-raising event authorized to be held by the temple or any

of its shrine clubs or units is remaining outstanding for more than 120 days after the event was held at the time the request is made.

3. All fund-raising must comply with the Fund-Raising Activities provision of any existing General Order.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Charitable contributions for Shrine Hospital Patient Transportation, *interest earned on these charitable donations* and net proceeds from charitable fund-raisers as reported on the Shrine Charity Activity form must be reported as receipts to the restricted "Shrine Hospital Patient Transportation Fund".

Disbursements from this Fund are limited to ordinary and necessary direct expenses such as fuel, oil, maintenance, signage, improvements, repairs, insurance, taxes and tags for vans; trip supplies, driver, parent, guardian and patient lodging and meals; air and bus fare; postage and long distance telephone; clerical salaries based upon the time devoted to transportation arrangements; office supplies based upon usage; and expenses in connection with conducting off-premise clinics, and donations to Shriners Hospitals for Crippled Children.

The annual auditor's financial report for the temple shall include a Balance Sheet and a Statement of Changes in the Restricted Fund Balance for the current year. Sample copy of these Statements appear on pages 224-227 of The Imperial Council bylaws.

The financial results of a Shrine charitable fund-raiser must be reported on the Shrine Charity Activity form and submitted to the General Offices in Tampa within 60 days of the activity. Also gross receipts of \$200,000 or more must be audited by an independent public accountant.

THE REVENUE ACT OF 1987

The Revenue Act of 1987 is now the law of the land in the U.S.A. One of its provisions becomes effective for fund-raising solicitations of any sort occurring after January 31, 1988. Another provision is effective as to I.R.S. information returns (Form 990) filed after December 31, 1987. This will call your attention to the Act. It is your obligation to comply with it and to obtain guidance thereon from your temple attorney and temple accountants.

1. LABELING OF NONDEDUCTIBLE FUND-RAISING SOLICITATIONS.

(a) On and after February 1, 1988 every fraternal organization, having annual gross receipts in excess of \$100,000 per year, must label each fund-raising solicitation that contributions to the fraternal organization are *not* deductible as *charitable contributions* for federal income tax purposes. A fund-raising solicitation by a fraternal organization will not be subject to the nondeductible labeling rule if the entire net proceeds of a particular solicitation are to be used exclusively for charitable purposes. If the entire net proceeds are not to be used for exclusively charitable purposes, then the label must be applied to each format for each solicitation.

(b) The disclosure of nondeductibility of contributions applies to any solicitation of contributions that is made in written or printed form, by television or radio, or by telephone. It does not apply to oral solicitations for contributions. The nondeductibility disclosure label applies to a fund-raising solicitation whether the organization labels the requested support as contributions, donations, gifts, membership dues or fees, voluntary assessments, support or any other term and whether or not the solicitation is for cash, property or even for volunteer services. The disclosure requirement applies even if the solicitation for a contribution is directed to the organization's existing members.

(c) The disclosure label or billing requires the following statement: "Contributions, (or donations) (or gifts) (or membership dues) to (name of organization) are not tax deductible as charitable contributions."

(d) The nondeductibility label must be set forth in a conspicuous and easily recognized format. Thus, for example, it would have to be on the face of any tickets for a rate or ball game, or in any newspaper ad, and in a form which cannot be obscured by placement, color,

shading or other means. A nondeductibility statement cannot be "buried" in any part of the solicitation material where it would not ordinarily be read by the person being solicited.

(e) The labeling rule applies to every fund-raising event so that fund-raising dinners, fund-raising rallies, fund-raising football games, fund-raising membership drives, etc. must all contain nondeductibility language, unless the entire net proceeds are going to be used for exclusively charitable purposes.

(f) This new disclosure requirement is enforced by a penalty provision which authorized the Internal Revenue Service to assert a \$1,000.00 a day penalty for each day on which a failure to disclose nondeductibility occurs. The maximum amount which can be imposed on an organization (but see below) is \$10,000. No penalty will apply with respect to any failure to label if the organization shows that the failure was due to reasonable cause. Ignorance of the law, according to Congress, is not reasonable cause for failure to label.

(g) The \$10,000 limitation does not apply if the organization intentionally disregarded the disclosure label. If there is an intentional disregard of the new law, then the failure to comply, for the solicitation day involved, is a penalty of the greater of \$1,000 or 50 percent of the aggregate cost of all fund-raising solicitations that occurred on that day and did not contain the required disclosure statement.

(h) The penalty is imposed only on the organization. There is no personal liability on the fraternal organization's managers or administrators.

2. DISCLOSURE OF EXEMPTION APPLICATION AND FORM 990

(a) Under existing law, the central unit and all subordinate units of a fraternal society must file IRS Form 990 if gross receipts are in excess of \$25,000 annually. The failure to file a timely or complete return with the Internal Revenue Service makes the organization liable for a \$10 a day penalty for each day the failure continues with the maximum penalty being \$5,000 per year.

(b) Effective for returns to be filed for calendar 1987, or for fiscal years ending January 31, 1988 or later, all fraternal organizations required to file Form 990 (i.e., receipts over \$25,000) must make available for inspection, at their principal place of business, during regular business hours, a copy of each annual information return filed by the organization for the three year period beginning with the filing date for the 1987 (or fiscal 1988) return. This means that if a fraternal organization files its Form 990 on a calendar year basis (and assuming no extension is granted by I.R.S.) then as of May 16, 1988, it must have a copy of the entire 1987 return available for inspection by any individual who asks to see it.

(c) If the fraternal organization regularly maintains one or more district or regional offices which have three or more employees, a copy of the annual information return must be made available at each such district or regional office as well as the principal office.

(d) The fraternal society must make available a copy of any papers it submitted in connection with its original exemption application. This applies to any organization filing a new application (IRS Form 1024) after July 15, 1987 and to all organizations which in fact have copies of their original exemption application whenever they originally filed the papers. Apparently there is no penalty for an organization which failed to retain (or which lost) its original exemption application. The law does not cover the question of the availability of exemption application where the fraternal unit is part of a group ruling of a central organization. In that case, one assumes that access is only required at the central unit.

(e) A fraternal organization which is under duty to comply with the requirements of the legislation on public inspection of its annual return, or of its exemption application which fails to comply with the rules, is liable for a \$10 a day penalty for each day in which the failure continues. The maximum penalty payable by the organization for failure to disclose its return or exemption application is \$5,000 per year.

(f) If the Internal Revenue Service makes a written demand on the fraternal unit that it has failed to make available to the public its Form 990 or exemption application, the individual manager or managers responsible for the failure (I.R.S. selects responsible person) is personally liable for a \$10 a day penalty for each day in which failure to disclose continues. The maximum penalty is \$5,000 per year under joint and several liability rules.

(g) No penalty is imposed with respect to a failure if it is shown that the failure is due to reasonable cause. Ignorance of the law is not reasonable cause.

(h) In addition, the Internal Revenue Service is authorized to assess a penalty of \$1,000 on any person who willfully fails to disclose the information return or the exemption application.

(i) A person who willfully refuses to disclose the return or exemption application (or discloses false information) may also be prosecuted for his or her failure under Section 7207 as a misdemeanor (dealing with the prosecution of individuals for furnishing fraudulent information to the Internal Revenue Service).

3. GUIDANCE

§10701 of the Omnibus Budget Reconciliation Act of 1987 added new sections, §6113 and §6710 to the Internal Revenue Code. Section 6113 requires certain tax exempt organizations (such as our temples, units and clubs) that are ineligible to receive tax deductible charitable contributions to disclose in "an express statement (in a conspicuous and easily recognizable format)," the non-deductibility of contributions during fund-raising solicitations. Section 6710 provides penalties for failure to comply with §6113.

(a) **FORMAT OF DISCLOSURE STATEMENT—SAFE HARBOR.** For purposes of §6113, a fund-raising solicitation will be considered to include "an express statement (in a conspicuous and easily recognizable format) that contributions of gifts to such organizations are not deductible as charitable contributions for federal income tax purposes" if it satisfied the following requirements:

(1) **PRINT MEDIUM.** In the case of solicitation by mail, leaflet, or advertisement in a newspaper, magazine or other print medium, the following four requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is in at least the same size type as the primary message stated in the body of the letter, leaflet or ad;

(iii) The statement is included on the message side of any card or tear off section that the contributor returns with the contribution; and

(iv) The statement is either the first sentence in a paragraph or itself constitutes a paragraph.

(2) **TELEPHONE.** In the case of a solicitation by telephone the following three requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is made in close proximity to the request for contributions, during the same telephone call, by the telephone solicitor, and

(iii) Any written confirmation or billing sent to a person pledging to contribute during the telephone solicitation complies with the requirements under section (1) (Print Medium). Thus, for instance, any billing made to a contributor for advertising in a circus publication or for circus tickets must contain a statement on the invoice that:

"Contributions to (name of organization) are not tax deductible as charitable contributions."

(3) **TELEVISION.** In the case of a solicitation by television the following two requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to

(name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) If the statement is spoken, it is in close proximity to the request for contributions; if the statement appears on the television screen, it is in large easily readable type appearing on the screen for at least five seconds.

(4) RADIO. In the case of a solicitation by radio the following two requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is made in close proximity to the request for contributions during the same radio solicitation announcement.

Section 10702 of the Omnibus Budget Reconciliation Act of 1987 amended §6104 of the Internal Revenue Code by adding a new subsection (e) requiring organizations such as ours to make available for public inspection a copy of their annual information returns on Form 990, *Return of Organization Exempt from Tax*, for years beginning after December 31, 1986. The returns must be made available for a three year period beginning with a due date for the return (including any extension of time for filing). Section 6104(e) also requires exempt organizations to make available for public inspection a copy of their application for recognition of federal tax exemption. All U.S. temples need to have available for public inspection their Form 990, *Return of Organization Exempt from Tax*. This required disclosure does not include Form 990-T, *Exempt Organization Business Income Tax Return*.

Since our U.S. Temples come within a group tax exemption ruling in The Imperial Council, A.A.O.N.M.S., such temples will not have available a copy of The Imperial Council's Group Application for Recognition of Exemption under §501(c)(10) of the Internal Revenue Code, and any public inquiry should be directed to our International Headquarters in Tampa which initiated the group exemption application.

There are other important provisions of the Omnibus Budget Reconciliation Act of 1987 pertaining to tax exempt organizations. It is the obligation of the officers of each temple to consult with the temple attorney and temple accountant in order to be fully informed in this matter and to comply with the law.

COMPLIANCE WITH INTERNAL REVENUE CODE

Inasmuch as U.S. temples are required annually to file 990 informational forms, one for the temple and its units, one which consolidates the financial activities of all its shrine clubs, and, if applicable, one for the temple holding corporation; inasmuch as some U.S. temples and shrine clubs may be required to file a form 990-T if they have unrelated business income; and inasmuch as penalties may be assessed by the government against the *person or persons* in the temple or shrine club who may be responsible for failure to file a return.

Now, therefore, by virtue of the authority in me vested by §206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. FORM 990. By reason of the Treasury Department letter ruling dated October 12, 1973, which modified a group letter ruling to The Imperial Council, A.A.O.N.M.S. dated April 29, 1971 (copies of which have been previously furnished to U.S. shrine temples), informational tax returns (990 forms) are required from each U.S. shrine temple.

(a) The first 990 form required to be filed by each U.S. shrine temple covers the financial transactions of the temple and all of its units. This 990 form, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) The second 990 form required to be filed by each U.S. shrine temple consolidates the financial transactions of the temple's shrine clubs (inasmuch as, for informational tax return purposes, each temple also constitutes a "central organization" for purposes of §6033 of the Internal Revenue Code). Each U.S. temple is to file this second 990 form as described in Treasury Regulation §1.6033-2(d), consolidating in columnar form the financial transactions of the temple's shrine clubs.

2. FORM 990-T

(a) By reason of the said Treasury Department group letter ruling dated April 29, 1971 to The Imperial Council, A.A.O.N.M.S., if any U.S. Shrine temple or any of its units has the requisite amount of "unrelated business income" under §511 of the Internal Revenue Code, the temple must file a form 990-T. This return, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) Treasury Regulation §1.6012-2(e) requires that each shrine club, if it has the requisite amount of "unrelated business income" under §511 of the Internal Revenue Code, must file its own form 990-T. There is no provision under the U.S. tax laws which would permit a shrine temple to file a "group" form 990-T for the "unrelated business income," if any, of its shrine clubs.

3. ACCOUNTING RECORDS. All temples, units, shrine clubs, temple holding corporations, shrine club holding corporations, and appendant and affiliated corporations, shall maintain adequate and timely accounting records of all financial transactions.

4. TIMELY FILING. All temples, temple holding corporations, shrine club holding corporations and all appendant and affiliated corporations, which are required by law to file tax or informational returns, are to do so in a timely manner and with the advice and assistance of the temple attorney and the independent auditor who prepares the temple's tax and informational returns.

5. DEDUCTIBLE CONTRIBUTIONS. Each U.S. shrine temple shall keep and maintain a separate set of financial records and a separate bank account in the name of the temple for the receipt and disbursement of all contributions to the temple which qualify as deductible contributions under §170(c)(4), §2055(a)(3) or §2522(a)(3) of the Internal Revenue Code.

6. SHRINE CLUB CHANGES. Each U.S. shrine temple, as a "central organization," is required annually to report any changes of shrine clubs in its group to the Executive Director, International Shrine Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356.

7. COPIES TO EXECUTIVE DIRECTOR. Copies of all returns and tax Form 2758, Application for Extension of Time to File, if applicable, referred to in paragraphs 1 and 2, and returns of all temple related organizations, shall be sent to the Executive Director at the same time that they are filed with the Internal Revenue Service.

8. RESPONSIBILITY ACTION. The potentate and recorder of each U.S. temple shall immediately:

(a) Furnish the independent temple auditor and the temple attorney with a copy of this Order.

(b) Inform each of its shrine clubs that Treasury Regulation §1.6012-2(e) requires each shrine club, if it has the requisite amount of "unrelated business income" under §511 of the Internal Revenue Code, to file its own form 990-T.

(c) Require each shrine unit which is separately incorporated or which has its own separate federal tax-exempt status to dissolve such corporation and discontinue its separate federal tax-exempt status. Pursuant to §336.1 of the bylaws of The Imperial Council, A.A.O.N.M.S., a unit is a part of the working corps of the temple and it has no separate legal or tax existence.

9. RESPONSIBILITIES. The potentate, treasurer and recorder of each U.S. temple are charged with the duty and responsibility of personally determining that there is compliance with this Order.

Imperial Session Parade Regulations

In addition to Shrine Parade Regulations found in Part III of this section, the following regulations apply to Imperial Council Session parades:

1. Instructional Meeting. The Potentate of each participating temple shall designate an officer of his temple, and a person from each motorized unit participating in the parade, to meet with the Parade Marshal and the Imperial Marshal prior to the day parade. See Part I of this section for the time and place of the meeting.

- (a) A number of experienced Deputy Parade Marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route. They shall have authority to remove from the parade any unit which is in violation of Shrine parade regulations or which cause a delay of the parade by failing to maintain proper intervals.
- (b) Except with the express permission of the Imperial Potentate, no temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
- (c) No temple shall have more than one official automobile in the parade. No empty buses, trucks or trailers shall participate in the parade.
- (d) No late model automobiles other than the official automobiles will be allowed in the parade. This does not apply to temple units composed entirely of late model automobiles.

2. Temple Officers. No temple officers will be permitted in the parades without their temple uniformed units of at least 50 Nobles. Only one car shall be used by each temple. The car is to be occupied by the Potentate and Divan of the temple. No more than five temple officers, including the driver, will be permitted in a car. The temple Potentate is to remain in his vehicle and he may not mount the reviewing stand.

3. Number of Motor Vehicles. The use of large numbers of cars in smaller local communities is understandable. However, the Imperial Session parades require no unnecessary vehicles. These may cause an interruption of spectacular marching features for visiting officers and Divans and may add confusion and danger in the formation and spoil the pageantry from the viewpoint of the spectators.

4. Floats. No floats will be permitted in the parade without the prior approval of the Director General, Terry McGuire, P.O. Box 790996, San Antonio, Texas 78279; telephone (210) 698-7171.

5. Courtesy. The purpose of Shrine parades is to afford an opportunity for all participating temples to publicly display the pageantry and glamour of the Shrine. To effectuate this purpose, mutual courtesy needs to be extended among all temples. Over the years, many temples have expressed dissatisfaction over the lack of consideration by certain participating temples and their units. Splendid marching units, and temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which, in themselves, add much to the general picture, but which retard the forward movement of the parade as a whole. As a result, many of our newer units, located far back in the line of march, have had their forward movement repeatedly halted, have experienced exasperating delays, have been required to stand in line, have finished the parade weary and disgusted, and have found themselves marching down deserted streets.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by temples and Representatives be sent to the Executive Director at the General Offices in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of Imperial Council Law.

1

William G. Selsam, Potentate and Representative of Aladdin Temple, proposes the following:

Amend §203.5 of Article 3 of the bylaws of the Iowa corporation by adding and deleting certain language thereto so that such section, as amended, will read as follows, with the new language italicized and the deleted language bracketed:

In addition to any other Representatives it may have, each temple is entitled to one elected Representative, or 2 if its membership exceeds 300, or 3 if its membership exceeds 600, or 4 if its membership exceeds 1,000, *or 5 if its membership exceeds 2,000, or 6 if its membership exceeds 4,000, or 7 if its membership exceeds 8,000, or 8 if its membership exceeds 16,000.* For this purpose the membership of a temple is determined as of December 31st immediately preceding its annual meeting. A temple is entitled to no more than [4] 8 elected Representatives.

2

William G. Selsam, Potentate and Representative of Aladdin Temple, proposes the following:

Amend §205.1 of Article 5 of the bylaws of the Iowa corporation by deleting certain language from subsections (a) and (d), so that such subsections, as amended, will read as follows, with the deleted language bracketed:

ARTICLE 5

It shall be for a round-trip comparable to, but not in excess of, the lowest unrestricted discount airfare, or, if such is not available, the lowest coach or most economical airfare from the departure airport to the destination airport. The departure airport, except as provided in subsection (c), is the airport served by a regularly scheduled airline which is nearest to his temple. The destination airport is the airport served by a regularly scheduled airline which is nearest to the city of the session. Rates shall be obtained as of the sixteenth day prior to the opening of the session.

(d) **Form.** The Imperial Recorder shall mail a mileage allowance form to each Representative prior to the session. The Representative shall complete this form and he must present it at the time he registers for the session. He shall indicate on the form, under oath, what method of transportation he

If public transportation was used, the Representative must attach his receipt for the payment of the transportation [~~for himself and also for his spouse, if she accompanied him~~]. In the event the Imperial Potentate determines that a Representative knowingly misrepresented any of the information on the form, he shall forfeit all of his mileage allowance and per diem and he shall be subject to discipline for conduct unbecoming a Noble of the Mystic Shrine.

15	December 8, 1992 Request for ruling received from Illustrious Sir Rudolph A. Duncan, Potentate of Aloha Temple, regarding temple's practice of using prepaid dues for current year's expenses. Ruling: This practice violates Shrine law and the clear mandate granted in the Official Manual of the Imperial Council as it appears in the "Explanation of Accounts No. 235", which states that "(prepaid) dues should not be recorded as income until January 1" and are not, therefore, available for the payment of current expenses.	Aloha
16	January 5, 1993 Request for ruling received from Illustrious Sir Fred J. Dietrich, Sr., Potentate of Irem Temple, regarding eligibility of a Noble who is a temple employee for election to the Board of Governors. Shrine law does not prohibit a temple employee's election to an office on a Temple Divan or the Board of Governors. Irem Temple's bylaws have no such prohibition, therefore, such election is left to the good judgment of the nobility.	Irem
17	January 18, 1993 Request for ruling received from Illustrious Sir Robert E. Wright, Potentate of Nile Temple, regarding an election procedure involving Noble Don E. Balke as a candidate for trustee. The temple bylaws provide that membership of the Board of Trustees shall be distributed among three separate groups, members of units, Past Potentates, general membership. Noble Balke campaigned as a member of the "second section" and was not eligible to serve as "general membership". Ruling of the Chair sustained.	Nile
18	January 29, 1993 Request for ruling received from Illustrious Sir Larry Boggs, Potentate of Acca Temple, regarding eligibility of a member to serve on an elected temple advisory board, unit head or club president when the member's current temple dues have <i>not</i> been paid. Imperial Bylaws under §325.2 requires that candidates for elective office must be members in "good standing" of that temple and §323.10 requires that before a Noble may be issued a demit, he must also be in "good standing". Ruling: that only Nobles in "good standing" may hold elective or appointive offices in their temple.	Acca

19	February 1, 1993 Application was received from Kosair Temple requesting the approval of the amendment to the Articles of Incorporation of Kosair Charities Committee, Inc. as required by §334.9 of the Bylaws of the Imperial Council. 21	March 9, 1993 February 3, 1993 a written complaint of Noble Robert B. Furtado was received complaining of violations of §325.10 of the Bylaws of the Imperial Council regarding election regulations. The objections were to publication of photographs of the Aleppo Temple Divan in the January-February publication of Temple News as being "recommendations of proposed candidates for office". Also that a statement by Shrine Club secretary urging a "vote for continuance of good Divan line" constitutes violation for which the election should be voided. Ruling: while compliance with all Imperial Bylaws is most important to the orderly election and transfer of authority in Shrine Temples, the matters complained of did not constitute the type of electioneering sought to be prohibited. Request denied.	Aleppo
22	March 9, 1993 Complaint of Aaron Snyder, PP, Aahmes Temple, charging violation of §325.10(a) was received and reviewed. The objections were to a Shrine Club letter advising their nobles that it was "election time for Oriental Guide and Treasurer" and providing bus transportation for the Shrine Club members to the temple for the annual election. Request was to void the election of Oriental Guide as the Noble elected was a member of the Club. Ruling: While the Shrine Club letter may have been ill-advised, it did not contain the name of any proposed candidate and did not constitute a significant factor in the election. Request for new election denied.	Aahmes
23	March 23, 1993 Proposed amendments to the Bylaws of the Pacific Northwest Shrine Association adopted February 20, 1993 and received pursuant to §209.1(e) of the Bylaws of the Imperial Council were reviewed and approved.	Pacific Northwest Shrine Association
24	April 6, 1993 Complaint filed by Illustrious Sir Alex Richard, Potentate of Oriental Temple, concerning the actions of Cyprus Temple and its Potentate, Illustrious Sir Richard C. Barrell, in advertising a "joint venture" between the Valley of Albany's Scottish Rite and Cyprus Temple of Albany, New York, to undertake a one-day Scottish Rite reunion and Shrine ceremonial. The objection was to an advertisement of this reunion/ceremonial throughout the jurisdiction of the Scottish Rite Valley and to members in jurisdictions other than Cyprus. A number of procedural "faux pas" were also cited by the complainant. Heart of the complaint was possible initiation by Cyprus Temple of candidates without the residential requirements	Cyprus

	of §323.4. Imperial Potentate ruled that the reunion ceremonial could proceed, on a number of conditions which would correct the procedural matters and assure all Shrine Temples within the Scottish Rite Valley of Albany that Cyprus Temple candidates would be limited to those authorized by Imperial Law and by making other interested candidates available to those temples with proper jurisdictional and residential qualifications.	
25	April 8, 1993 Application of the Texas Shrine Association for the approval of Bylaw amendments of the Texas Association Legion of Honors, an association of units appendent to the Texas Shrine Association. IMPERIAL POTENTATE EVANS: Thank you, Tony.

At this time I would like you to get your Call out and turn to item 6 and I will ask Judge Cooper to present the report in behalf of the Jurisprudence and Laws Committee concerning this item.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 6 on the Call of the Annual Session of 1993, beginning on page 23 of the Call. It is a proposal to amend 323.3 of Article 23 of the Bylaws of the Iowa Corporation, by adding and deleting certain language, so that such section as modified would read as follows.

ARTICLE 23 Temple Membership

§323.3 Prerequisite For Membership

(a) PREREQUISITE. A Temple may not accept a petition from a candidate unless he is in good standing as a Master Mason in a Grand Lodge or, in amity with and recognized by, the Conference of Grand Masters of North America or a Grand Lodge of Mexico.

(b) SINGLE PREREQUISITE. A Temple may not add to or take from the qualifications for membership in Temples as fixed by these Bylaws.

Upon passage, any provision of the Bylaws of the Imperial Council which are inconsistent with such amendment are repealed and are to be administratively revised.

The Committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir James W. Wright, Past Potentate of Cairo Temple, for an appropriate motion and statement.

IMPERIAL POTENTATE EVANS: I will recognize Illustrious Sir Jim Wright.

ILLUSTRIOUS SIR JAMES WRIGHT [Cairo Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Jim Wright and I am a Past Potentate of Cairo Temple.

I move the adoption of the proposal and request a paper ballot.

IMPERIAL POTENTATE EVANS: Is there a second?

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: We are now ready for discussion and I will recognize Illustrious Sir Wright.

ILLUSTRIOUS SIR WRIGHT [Cairo Temple]: Thank you, Imperial Sir.

Fellow Representatives, I had an experience that I would like to relate to you briefly.

Yesterday I had the privilege of attending the open church service at the beautiful San Fernando Cathedral here in San Antonio. We received an inspiring message from the Imperial Chaplain, Harris Loftis. He spoke of the care and concern for our fellowman, for our children and the outstanding role played by the Shrine in providing help for children, for any child.

His wonderful message in that cathedral gave me renewed resolve to help find a way to preserve our beloved Fraternity and the world's greatest philanthropy.

Fellow Representatives, I thank you all for your courtesy in listening to my plea. I assure you that I will extend the same courtesy to all other Representatives who may speak on this proposal, whether for or against.

Nobles, the greatest fraternal organization known to man is facing a monumental membership crisis. I will not address this crisis with emotion or to vent emotion that has caused us to close our eyes to the crisis for the past two decades.

Instead, however, I will present you with facts and depend upon your judgment to make appropriate decision.

It is important to state that no one person is at fault for our current situation but yet, in large measure, we are all somewhat at fault. It is human nature to accept the positive and play down the negative. This postures veiled reality and leaves us with a sense of well being and with a sense of security. Yet, on the other hand, this posture carried to an extreme can be self-destructive.

I commend Imperial Sir Everett Evans for his splendid leadership this past year and also Jack Dean for his splendid leadership during the previous year. They are true gentlemen and have represented us well.

They created Imperial Membership Committees, which were vigorous and enthusiastic. Bob Bailey and Ralph Semb were outstanding Membership Chairmen. We had exciting seminars and were given the traditional recommendations for ending our precipitous membership decline.

We were also offered all sorts of prizes and awards for the record. However, despite these best intentions, the very outstanding intentions and performance of these two highly respected Nobles, we have the highest loss of the Shrine in membership in our history.

We lost 29,479 members in 1991 and 30,165 members in 1992. The Shrine of North America has been on a perilous slide since 1979.

I told you that there would be a lot of facts here because we have to deal with facts because emotion plays no role.

We have to determine where we are, how we deal with it and where we go from here.

That perilous slide during that period of time has caused us to sustain a membership loss of nearly 300,000 Nobles.

More importantly, however, is the percentage loss each year.

We used to lose one percent or less, often quite less, in membership each year. However, we are now losing more than four percent a year.

Now, I have just been told that I have one more minute in which to conclude and, of course, there is still a great deal of ground to be covered.

The facts, the data are not only the result of our study but also a study made by the Masonic Renewal Task Force.

Also, expenses will be higher and will be borne by fewer Nobles.

In a recent article in a national newspaper, we were praised, the Shrine was praised for our good work and that article voiced concern over the deteriorating state of Shrine membership and it urged us to do something so that we can survive.

The article said, and I quote, "America can ill afford to lose what the Shriners have built up." I am sure you all agree.

I urge you, my fellow Representatives, consider the facts and data, to consider the course, the age level, etc., and also to use your ballots wisely.

It is my considered judgment that this proposal will, at long last, end our membership decline and restore health and vitality to the Shrine of North America and, indeed, to Masonry itself and also in relation to the appendant bodies.

I thank you for your attention and, again, I move adoption of this proposal.

IMPERIAL POTENTATE EVANS: Would anyone like to speak in opposition?

Please state your name for the record, if you would.

ILLUSTRIOUS SIR THOMAS (Potentate, Al Malaikah Temple): Fellow Representatives, I strongly urge your vote against item 6 on the Call.

In the State of California, we have a good relationship with not only the Scottish Rite bodies but also the Grand Lodge.

Our Grand Master is here today and our Sovereign Grand Inspector General is likewise here today and they, in turn, have initiated what we needed in the way of changes, our Grand Lodge in the State of California.

Further, I feel that we are a Masonic family and should stay a Masonic family and if we are fighting for survival, then we should all work together.

Together we can make a difference within the Masonic family for a proud Fraternity.

Therefore, let us stay that way and I urge you to vote "no" in relation to item 6. (Applause)

IMPERIAL POTENTATE EVANS: Sir, are you a proponent? If you are, please state your name.

ILLUSTRIOUS SIR ROBIN GUTHRIE (Potentate, Bektash Temple): Imperial Sir, I am Robin Guthrie, Potentate of Bektash Temple in Concord, New Hampshire.

You know, nobody wants change—at least nobody wants change right away. In other words, when you lose what you have, it is time to change.

First of all, we have to analyze as to what is the purpose of Shrinedom.

The purpose of Shrinedom is fun and the philanthropy. That is shown in our parades. However, have you looked at your parade?

For example, ten years ago you had 100 marching in a patrol and now you have approximately ten.

However, Nobles, it was those parades that paid for our hospitals, not our dues, not our services. It is the parades that pay for the hospitals.

You know, it has been the little old ladies that have been watching these parades that, in turn, have been contributing to our endowments.

Also, we need young men to parade and young men exist in the Blue Lodges.

However, young men are not devoted to the Shrine and why? It is simply because we have a barrier here.

In the main, young men are short of money and time and so what do you have when they want to get to the Shrine? You have perhaps twenty extra degrees, another initiation fee and also another large annual fee. Therefore, it is no wonder that we cannot get them in the Shrine.

However, we have them in the Blue Lodge—as a matter of fact, they are there.

This motion would bring the Shrine at the same level as the York and Scottish Rites.

Also, I would add one further suggestion that is worth thinking about.

I want to remind you, for example, that all you gentlemen here are paid Representatives of the Shrine. You are not here to represent the other bodies.

I would suggest that you think very carefully about what is for the good of the Shrine and also what is good for the hospitals.

I put it to you, for example, that if this motion passes that you will get more men into the Shrine.

Also, I would give you a final suggestion here in that the ship of Shrinedom is rapidly approaching the rocks. If you do not grant this request, it will be too late.

With that, Imperial Sir, I would second the motion. (Applause)

IMPERIAL POTENTATE EVANS: Will you please state your name over here, please.

ILLUSTRIOUS SIR BLANKENSHIP [Potentate, Oasis Temple]: Imperial Sir, let me say that we have a good relationship with all of the bodies in North Carolina and ours is a Temple that gives over one and one-quarter million dollars to the hospitals.

Further, let me say that I do not see it is the York Rite, the Scottish Rite or any of the appendant bodies that are holding us back because it is you, Nobles, that are holding us back and I will say further that if you do not defeat this, what you will be doing is cutting our roots.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: Thank you very much.

I will now recognize the gentleman over here.

ILLUSTRIOUS SIR BARNEY BRYANT [Potentate, Al Amin Temple]: Imperial Sir, let me say that I have been a Shriner over thirty-three years.

I am very proud of the hospitals that we have developed. Our whole organization is a magnificent Order.

However, when we look back, we will remember that we started with thirteen men in one little restaurant in New York. Over the years, however, we have built a magnificent Order. Why cannot we continue to build this Order?

The 1960s and 1970s were a devastating thing to our Order because of all the protests. It worked its way into members who would have come into our Order at the right age. They are now approaching their forties and fifties.

My Divan and myself have been visiting our Lodges and the Lodges are growing.

We have seen young people. As a matter of fact, looking over here at the arena the other day at the Awards Ceremony, one whole segment of the group involved young couples with small children. Our organization is going to grow from the young people or die from the old ones.

Therefore, I vote against this resolution. (Applause)

IMPERIAL POTENTATE EVANS: I will now recognize a proponent for the resolution.

Will you please state your name.

ILLUSTRIOUS SIR D.V. HUDSON [Potentate, Mount Sinai Temple]: I come before you, Imperial Sir, to indicate that I never want to see our hospitals go down hill.

We need to support the entry of young men into the Blue Lodges and I can only say that these new people, coming into the Blue Lodges and then up to the Shrine, they will only benefit everybody as we continue to work together on putting everything on the level, as we should. Therefore, I am definitely supportive of item 6. (Applause)

IMPERIAL POTENTATE EVANS: Thank you.

I will recognize the Noble over here. Please state your name.

NOBLE THOMAS EMBREE [Chief Rabban, Bahia Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I rise in opposition to item 6 on the Call.

Nobles, this proposal, as I understand it, is proposed in an effort to turn around our membership decline. However, I cannot see where such a move will improve our membership. To the contrary, since the time when the Mystic Shrine was formed back in 1872, brotherhood in our Fraternity was conceived as an essential element by our founders and has endured for some 100-odd years, both in times when our Fraternity flourished and during times when it was at low ebb.

The battle cry now seems to be that we need to increase membership.

Nobles, membership in the Masonic Fraternity has risen and fallen over the years. In the past few years, since 1979, most all organizations have suffered from declining membership.

However, is this a reason to panic? I say "no." However, to be concerned, yes.

I understand the concerns and, believe me, we are all concerned for the support of our great philanthropy but, on the other hand, I submit to you that we should not split our Fraternity in a panic in order to attempt to fix something that is not broken.

What we need to do, Nobles, is to bring the operations of our Fraternity into the Twentieth Century.

What worked from 150 to 100 years ago is not as appealing to the young men of today.

There are too many things competing for the time of these young men, unlike previous times. We must be concerned with meeting both his and his family's needs in today's world.

Nobles joining fraternities was not in vogue in the 1960s and 1970s and even into the 1980s, thereby leaving a big void.

However, as we head into the 1990s, we are again beginning to see the young men joining our Fraternity. There have been some tough times out there and we must not be complacent.

We must make sure that we continue the changes in our Fraternity in order to bring it into the Twentieth Century and beyond; to create that desire in our communities for that young man to become a member of our Fraternity.

We do that, Nobles, by setting the example in each of our communities that they want to emulate. We, Nobles, must individually set that example.

There are good men out there who, if approached properly and we setting the example as we have done over the years, can and will become members of our Fraternity as it now stands.

Our challenge, Nobles, is to find them and bring them into the fold without strangling our Fraternity.

In the State of Florida, for the most part, we have a wonderful relationship with our Grand Lodge, with our Scottish and York Rite bodies. We have a spirit of cooperation, a spirit of closeness in working together.

Sure, we have our differences at times but nothing, Nobles, that would dictate action by Representatives of the Imperial Council Session as proposed in item 6 on the Call.

Nobles, not only will this proposal, if passed, be detrimental to the increases of our membership, it will certainly be very divisive and will pit member against member because of the strong beliefs of those who believe as I do, that we should remain as one.

In relation to those who have other beliefs, Nobles, we must work together as a team to stop our membership decline—in the Grand Lodge, the Scottish Rite, the York Rite and the Shrine.

Nobles, again, we must work to bring our Fraternity into the Twentieth Century. We must work to explore immediate innovative programs and, above all, we must make sure that we meet the need of today's members because, Nobles, if we work together as a team in solving our membership problem, which we can do as a team, all of our other problems will become secondary.

Nobles, this proposal will not help us to increase our membership—it will only cause us additional problems.

If we are serious about increasing membership, then each of us needs to go back and pledge to our respective Temples and put such effort into increasing our membership as has been exerted in attempting to separate our Fraternity and the building of our Temples as a team.

Nobles, if we can do this, I am certain we can come back here next year in Denver with a membership increase. All it takes is a team effort.

Go out there and ask your membership to each bring in at least one new member for each of your Ceremonials and you, as the leaders in your Temples, set the example. It will work. (Applause)

My Fellow Representatives, I appeal to each of you to defeat item 6 in the Call. (Applause)

IMPERIAL POTENTATE EVANS: Thank you very much.

I will now recognize another proponent.

ILLUSTRIOUS SIR CHARLES HENRY [Potentate, Palestine Temple]: I have something to add here, something which was given to me and which I was supposed to read.

I have been listening to some gentlemen over here talking about the wonderful cooperation that we have between the Scottish Rite and the York Rite bodies. However, I can tell you this, that we have no finer cooperation in the State of Rhode Island with the York Rite bodies but I can also tell you, my Fellow Representatives, it is not working.

For example, Palestine Temple is down to 1,700 members and, as a matter of fact, Palestine Temple has one heck of a job of getting fifty new members a year. We need young blood and we are not going to get it with the old ways.

I would suggest that if you want to live in the past, we will stay in the past and so I propose you vote "yes" for item 6 in the Call.

Thank you very much.

IMPERIAL POTENTATE EVANS: I will now hear from an opponent.

ILLUSTRIOUS SIR GEORGE NYE [Potentate, Egypt Temple]: I oppose this membership change primarily because to win is to divide and conquer. You know, we are all Masons at heart.

I think that the thing we need to do is to work together to promote Masonry and our principles and show to the public who are not Masons what our Fraternity stands for—not only in words but in actions and in our personal lives.

Let me add that our Temple supports at least eleven Masonic nights a year. This year we are having seventeen. This is where we go out into the community and invite non-Masons in and to come to a meeting where, for example, we have people that speak on the Masonic youth organizations, which are also critical to our organization—the Blue Lodge, the York Rite, the Scottish Rite and the Shrine.

However, Nobles, it is our fault for not making the public aware of what we stand for.

There are plenty of York Rite Masons and Scottish Rite Masons out there that are not Shriners but we have not asked them to be. Therefore, it is our fault and not their fault. I do not know how we can put fault on anyone except ourselves.

It is us who should set the example and win these Brothers over to our side by example.

Therefore, I would oppose this membership proposal.

IMPERIAL POTENTATE EVANS: I will next go to another proponent.

Will you please state your name.

ILLUSTRIOUS SIR HARLEY SOULIA [Potentate, Cairo Temple]: I work very hard for the Blue Lodges and the other bodies to gain members. You know, each year we have given a pep talk indicating that things are going to turn around but thus far they have not.

Nobles, we are in difficulty because in relation to today's Shriners, we are losing some 2,500 to 3,000 Shriners a month. What are we going to do about it? Are we going to be ostriches and stick our heads in the sand and forget it?

If this continues, how many Shriners will be left to work on our Endowments, Wills and Gifts to raise money for our hospitals? How many Shriners are going to be left next year and the year after to raise money to keep our hospital doors open?

Also, about half of our members are already in their sixties. How much longer can we ask them to keep up the pace?

Under our present conditions, I believe we need proposal 6 to save our Shrine and indeed our Fraternity.

Thank you.

IMPERIAL POTENTATE EVANS: Thank you, sir.

If you do not mind, I am going to interrupt because I have an Imperial Officer here who would like to present a discussion. Therefore, at this time, I will recognize Imperial Sir Burt Ravellette, mainly because I still have to live with him a little while longer. (Laughter)

IMPERIAL SIR RAVELLETTE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: I am Burton Ravellette, a Representative from Sahara Temple and I rise to speak in opposition to item 6 on the Call.

It is an inherent right of the Representatives to this Imperial Council to propose amendments and resolutions which may change the Bylaws of this corporation and, Nobles, I espouse that right and I will stand steadfast in support of that right as long as there is a breath left in this old body.

It is my belief that these Bylaws, which were enacted by the founders of this great organization, have been changed by amendments or resolutions over the years but, as they were originally presented, were meant to enhance the well being of this organization.

I can only assume that the proposer of item 6 in the Call believes that what they are proposing is good for the Order. However, I have taken a long, hard look at this proposition and I can find no merit, no benefit, no achievement or gain accruing to our Order by approving this proposal.

To the contrary, I find it to be divisionary and destructive.

Whether it was intended or not, it is the first step in the theory of "divide and conquer." (Applause) Even though that may not have been the intention of the proposer, it is already having that effect. I believe you are witnessing this even as we speak.

Should this proposal be enacted, it would immediately place us in a dreadful conflict within ourselves and the strife within the Fraternity. Without question, Nobles, "they are us" and "we are they."

Each is bound to the other by the time honored solemn oaths to protect our Brothers if harm be near, assist them in time of trouble, whisper good counsel into their ear and laugh with them when good fellowship prevails.

Nobles, the time is now, when many factions in this world seek to ravage, wreck and ruin the esteem, honor and character which our organizations have built over the years through the efforts of hundreds of thousands who have preceded us.

Nobles, now is the time to go forward in harmony and solidarity to meet the challenges before us in total unanimity—together Nobles, together Brothers.

We simply must not forget our heritage, for on Masonic principles is built the foundation of this great nation.

Nobles, I urge you to cast your vote in opposition to this proposal and send a strong message to those who would divide us from ourselves and to the detriment of our Fraternity and our great philanthropy.

Thank you, Nobles, for your kind attention. (Applause)

...At this point, cries of "question, question, question" ensued...

IMPERIAL POTENTATE EVANS: All of those in favor of the question please say aye; those opposed. I will declare that to be carried unanimously.

We will do this by a ballot vote. You will use the red colored ballot, No. 10 in your book for this vote. Again, it will be red ballot No. 10.

Let me ask, is there any question about that from any of the Representatives?

To repeat, it is the red ballot, No. 10. Is everybody okay?

NOBLE PETTIT: Imperial Sir, perhaps I can make clear what it is you are doing.

The proposal is to amend the Bylaws to make the changes shown in item No. 6. If you are in favor of that change, you vote "yes"; if you are opposed to that change, you vote "no." A two-thirds vote is required.

Are there any questions?

...At this point, balloting and collection of ballots ensued...

IMPERIAL POTENTATE EVANS: Let me ask, have all voted? Is there anyone who has voted as yet or has not had their ballots picked up—anyone?

I therefore declare the ballot closed and we will have the results of the ballot as soon as the Tellers return.

While we are waiting, I will recognize the Imperial Recorder for the purpose of receiving a motion to elect all Officers, except the Imperial Outer Guard, of the Imperial Council today.

IMPERIAL SIR JONES: Imperial Sir, the Bylaws provide that the election of the Imperial Potentate shall be the last order of business on the first day of the Annual Session, unless otherwise ordered by the Imperial Council.

I move that all Imperial Officers be elected today, except for the Imperial Outer Guard.

IMPERIAL POTENTATE EVANS: Is there a second?

...The motion was severally seconded...

IMPERIAL POTENTATE EVANS: Is there any discussion?

If not, all in favor say aye; opposed no. The motion is unanimously carried.

At this time, will all the nominators of Imperial Officers form a line a stage right, commencing with the nominator for the Office of Imperial Potentate.

At this time, I take great privilege in recognizing Dr. Harmon Harrison, the Potentate of Sabbar Temple, for a nomination.

ILLUSTRIOUS SIR HARMON HARRISON [Potentate, Sabbar Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives: I am Harmon Harrison, Potentate of Sabbar Temple.

It is my privilege, from the great State of Arizona, with 359 days a year of sunshine, to nominate Deputy Imperial Potentate Tony Bukey from Tucson, Arizona, for the Office of Imperial Potentate of the Shrine of North America.

Thank you.

IMPERIAL POTENTATE EVANS: Are there any further nominations? Are there other nominations? Are there other nominations?

If not, all in favor of this nomination please say aye; opposed no. The motion is unanimously carried.

Let me ask you, Tony, do you accept?

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Representatives: First of all, I want to take a point of personal privilege and ask you all to give Everett Evans a standing ovation in order to indicate to him how you all feel about him.

...Rising cheers and applause then ensued...

IMPERIAL POTENTATE EVANS: Thank you, Tony, it is very, very kind of you.

IMPERIAL SIR BUKEY: Let me indicate, Imperial Sir, that I do accept this nomination for the Office of Imperial Potentate.

Thank you. (Applause)

IMPERIAL POTENTATE EVANS: I will next recognize Illustrious Sir Johnnie Savage, Potentate of Sahara Temple.

ILLUSTRIOUS SIR JOHNNIE SAVAGE [Potentate, Sahara Temple]: Imperial Sir, Imperial Sirs and Representatives: It is indeed a privilege and a pleasure for me to place in nomination the name of Burton E. Ravellette, Jr., a distinguished member of Sahara Temple for the high Office of Deputy Imperial Potentate.

I know him to be a dedicated Mason.

Nobles, I had the privilege of serving as a Junior Officer during his tenure as Right Eminent Grand Commander of the Grand Commandery of Arkansas and he has served this Imperial Council well.

Imperial Sir, I would move that nominations be closed and that Imperial Sir Burton E. Ravellette, Jr., be unanimously elected to the high Office of Deputy Imperial Potentate.

IMPERIAL POTENTATE EVANS: Let me ask, are there any further nominations? Are there any further nominations? Are there any further nominations?

All in favor of electing Imperial Sir Burt Ravellette to the Office of Deputy Imperial Potentate indicate by saying aye; opposed no. The motion is unanimously carried.

Let me ask you, Burt, do you accept?

IMPERIAL SIR RAVELLETTE: Imperial Sir, I certainly do and I thank you Nobles for continuing to exhibit your faith in me and I promise you that I will continue to the best of my ability to serve you.

Thank you all so very much. (Applause)

IMPERIAL POTENTATE EVANS: I now recognize Illustrious Sir William Renn, Potentate of Orak Temple, for the purpose of presenting a nomination for the Office of Imperial Chief Rabban.

ILLUSTRIOUS SIR RENN [Potentate, Orak Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Representatives and Nobles: As Potentate of Orak Temple, it is a pleasure and honor for me to place into nomination the name of Robert B. Bailey for the Office of Imperial Chief Rabban.

IMPERIAL POTENTATE EVANS: Are there further nominations? Are there further nominations? Are there further nominations?

Seeing no further nominations, all in favor of the nomination of Imperial Sir Robert Bailey for the Office of Imperial Chief Rabban please say aye; opposed nay. It is unanimously carried.

Do you accept, Bob?

IMPERIAL SIR BAILEY: Imperial Sir, Imperial Sirs and Representatives: I wish to thank you all. I certainly do accept and likewise thank you very much for the confidence you have placed in me and, I do accept. (Applause)

IMPERIAL POTENTATE EVANS: Thank you, Bob.

I will now entertain a nomination for the Office of Imperial Assistant Rabban.

ILLUSTRIOUS SIR JACK LORENZEN [Potentate, Sesostri Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Fellow Representatives and Nobles All: It is an honor to be a Shrine Mason and an equal honor to have been elected as the Potentate of Sesostri Temple and I consider it a privilege to serve this great Fraternity.

Having said, that, it is with pride and a special personal privilege that I place in nomination a great Nebraskan, a dedicated Mason and great Shriner—Imperial Sir John D. VerMaas, for the Office of Imperial Assistant Rabban.

IMPERIAL POTENTATE EVANS: Let me say I have just found out that I do not have to ask for further nominations three times.

Therefore, I will ask, all in favor of the motion please indicate by saying aye; opposed no. The motion is unanimously carried.

Let me ask you, John, do you accept?

IMPERIAL SIR VERMAAS: Imperial Sir, Imperial Sirs and Representatives: Let me say that I appreciate your confidence in me. I have enjoyed serving during the past and I am looking forward to serving you for another year in the Office of Imperial Assistant Rabban. I do accept. Thank you. (Applause)

Nominations are now in order for the Office of Imperial Treasurer.

I will recognize Dr. Douglas Day, Potentate of Al Kader Temple.

ILLUSTRIOUS SIR DOUGLAS DAY [Potentate, Al Kader Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives and Guests: The man who I will be nominating has so many qualifications that I will not go into any of them.

However, I think you just need to know that he has been a Trustee for Shriners Hospitals for some twelve years; he has been our Imperial Treasurer for ten years. Also, he is a conservative man in relation to financial matters and I feel if he continues in this way, he certainly has the support of everyone present here.

I now place in nomination, without hesitation, our present Imperial Treasurer, Imperial Sir Webber C. Harrington. (Applause)

IMPERIAL SIR CLAYPOOL: You darn right I accept. (Laughter)

I also thank you for your confidence in me and God bless our Fraternity.

Thank you so very, very much. (Applause)

IMPERIAL POTENTATE EVANS: That completes that item of business. However, we are still waiting for the results of the ballot that you took some time ago. We will have an announcement on that, I am sure, very shortly.

However, let me say by way of announcement that tomorrow morning, at nine o'clock a.m., we will return here for a Public Session. Please bring your wives as well as the Nobles who are not Representatives. ...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: I think we have a report here now.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Representatives: It is a pleasure for me to give you the results in connection with item 6.

There were a possible 866 votes, 779 actually voted, there were eight spoiled ballots. Necessary for choice, 520.

The votes were distributed as follows: "Yes," 243; "no," 528.

...Cheers and applause ensued...

IMPERIAL POTENTATE EVANS: Proposition No. 6, as you have just heard from the report given, has failed. Thank you.

Now, let me ask, at this point, some of you wanted to report and give your checks presented in relation to the hospitals. Let me ask you, do you still desire to do that at this time or do you want to quit today and come back tomorrow or what?...Cries of "tomorrow, tomorrow"...

IMPERIAL POTENTATE EVANS: Well, okay.

Also, be sure that you are here with your lady in the morning for Tony Bukey's Pageant because I know he has looked forward to that office for a long, long time and he certainly deserves it.

In addition to that, let me say that upon the closing of the Pageant, we will take the ballot in relation to the Imperial Outer Guard and also the rest of the elections. Then we will break for lunch until one o'clock.

Do you have something, Jack?

...Imperial Sir Jones briefly again reminded the Representatives concerning some social functions to take place...

IMPERIAL POTENTATE EVANS: Thank you.

At this time I would like to call on our Imperial Chaplain for a Benediction.

IMPERIAL CHAPLAIN LOFTIS: Heavenly Father, we know that You have been present with us for this Session. We know of Your goodness and Your grace, Your love. We thank You for the Shrine of North America and we thank You for men who will stand up and state their positions in all honesty on both sides of an issue and then, in the democratic process, make a decision.

Heavenly Father, please stay with us for the balance of this week for it is in Your blessed name that we pray. Amen.

IMPERIAL POTENTATE EVANS: I declare this Annual Session Meeting adjourned until tomorrow at the time of the Imperial Potentate's Pageant.

Let it also serve to remind us and to remind you about our devotion to the principles of Freemasonry and Shrinedom in our commitment to serve mankind through the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

Imperial Sir, representing this Imperial Council and all Shriners everywhere, I present this Fraternal Flag to you with love, respect and best wishes for an enjoyable and productive year and may God bless you and Lady Juanita and protect you both during your travels.

...Presentation of Imperial Potentate's Flag and applause then ensued...

NOBLE MAYES: We will next have the presentation of the Imperial Potentate's Swagger Stick by Noble John Rice, Captain of the Al Malaikah Mounted Patrol. In the likely event that he was with Bill Clinton in San Francisco last night, we will move along with the program. (Laughter)

You know, I heard two lawyers talking awhile ago and one of them said, "You know, if Clinton's energy tax goes through, gasoline is going to be so high that us lawyers are going to have to start car pooling behind the ambulances." (Laughter) Again, I did not say that. (Laughter)

With that, I will recognize Noble John Rice.

NOBLE JOHN RICE: Imperial Sir Tony, it has been a custom of Al Malaikah Temple to make a presentation to you as Imperial Potentate. With me is the Commandant of Units of Al Malaikah Temple and the Captain of the Pyramid Patrol.

Imperial Sir, it is with a great deal of pleasure that I continue the tradition of Al Malaikah Patrol by presenting you with this swagger stick with all of your Masonic and Shrine accomplishments indicated thereon.

...Presentation of Imperial Potentate's Swagger Stick and applause then ensued...

NOBLE MAYES: Thank you, gentlemen.

Representing the Canadian Temples, Imperial Sir Kenneth Smith.

IMPERIAL SIR KENNETH SMITH: Imperial Sir Tony, it is my privilege this morning, on behalf of the Canadian Temples, to make a presentation to you.

At this time I would like to introduce Imperial Sir and Past Imperial Potentate Edward G. McMullan for a presentation.

PAST IMPERIAL POTENTATE MCMULLAN: Thank you very much, Ken.

Imperial Sir Tony and Lady Juanita, in 1980, the Canadian Temples started this presentation. If you will look around you today, you will find that there are twelve Temples from Canada. In 1980, however, we only had nine Temples.

These Potentates, who I am sure you are all familiar with, represent 27,000 Shriners in Canada.

It is my pleasure, in behalf of the twelve Potentates, representing their individual Temples from West Coast to the East Coast and on to the Island of Newfoundland, this beautiful tray, with all of the names of all of the Temples in Canada. It says here, "Presented to Imperial Sir Richard L. Bukey, Imperial Potentate, 1993- 1994 from your Canadian Temples and your friends."

...Presentation of silver tray to Imperial Sir Bukey and applause then ensued...

IMPERIAL SIR SMITH: And now, Imperial Sir Tony, I present to you Past Imperial Potentate Jack M. Streight for the purpose of making a presentation as well.

PAST IMPERIAL POTENTATE STREIGHT: Imperial Sir, in behalf of all the Canadian Temples here, I have the honor to present to you the Flag of Canada, our National Flag.

...Presentation of Canadian Flag and applause then ensued...

IMPERIAL SIR SMITH: Tony, on behalf of those Canadian Temples, from the Atlantic to the Pacific, we wish for you a very successful term of office in the coming year. (Applause)

NOBLE MAYES: Thank you gentlemen.

And now, Ladies and Nobles, representing Aloha Temple, from Hawaii, Illustrious Sir Robert L. Paris, Potentate.

ILLUSTRIOUS SIR PARIS [Potentate, Aloha Temple]: Imperial Sir Tony and Lady Juanita, I have two things.

The maile lei has traditionally been a gift and the artifact worn by royalty of the Hawaiian Islands. Today, you are going to become honorary royalty.

...Presentation of maile leis to both Imperial Sir Tony and Lady Juanita then ensued...(Applause)

ILLUSTRIOUS SIR PARIS: Also, Imperial Sir Tony and Lady Juanita, for those long hours that I know you are going to be sitting on that bus and wiling away your time, Aloha Temple and its members have brought before you from Hawaii an important artifact, made from the favorite woods of kings for the last several thousand years in Hawaii.

This is something that will grow in beauty, along with the two of you, over the years and will help you pass away those many hours on your bus.

...Presentation and applause ensued...

NOBLE MAYES: And now, Ladies and Nobles, I present to you, from Anezeh Temple in Mexico City, Illustrious Sir Dr. Enrique Domville, Potentate.

ILLUSTRIOUS SIR DOMVILLE [Potentate, Anezeh Temple]: Imperial Sir Tony, it is a privilege, in behalf of Anezeh Temple, to present to you this (indicating) hat.

...Presentation of Mexican sombrero and applause ensued...

ILLUSTRIOUS SIR DOMVILLE: Also, we wish to present to Lady Juanita a garment such as the women of Mexico wear.

...Presentation of Mexican garment to Lady Juanita ensued...(Applause)

NOBLE MAYES: I will next recognize Illustrious Sir Dr. Harmon Harrison, Potentate of Sabbar Shine Temple.

ILLUSTRIOUS SIR DR. HARMON HARRISON [Potentate, Sabbar Temple]: Imperial Sir, it is my honor and pleasure to present you with this Imperial Potentate's Fez. We ask that you wear it with honor and loyalty to the Imperial Shrine for the coming year.

...Presentation of Imperial Potentate's Fez and applause ensued...

NOBLE MAYES: I now present to you Juanita and Tony's grandsons, Matthew and Zachary Hodges, for a presentation.

...Whereupon, a gift from grandsons Matthew and Zachary was then presented...(Applause)

NOBLE MAYES: We will next have the presentation of the Imperial Potentate's Lapel Pin by Lady Juanita.

...Presentation of Imperial Potentate's Lapel Pin by Lady Juanita then ensued...(Applause)

NOBLE MAYES: At this time I would present to you Noble Royal Dana for a special presentation.

NOBLE ROYAL DANA [Al Malaikah Temple]: From the Wayne Enterprises to the Illustrious Tony Bukey, Imperial Potentate of North America, the family of John Wayne sends its congratulations and best wishes to Tony Bukey, the Gentleman from Arizona, as he takes the Office of Imperial Potentate of the Shrine of North America, may God's blessings be with you, Tony, and your lovely Juanita, as you assume the leadership of thousands of dedicated Nobles of the Mystic Shrine in their quest to relieve the pain and suffering of thousands of burned and crippled children throughout the world—a truly noble and important work.

...Whereupon, an engraved plaque, from the Wayne Enterprises, was presented to Imperial Sir Tony Bukey...(Applause)

NOBLE MAYES: Thank you, Royal Dana, one of the true heroes of motion pictures. It seems strange that I am older than he is but, nevertheless, he is still my hero.

Thank you very much, Royal. It was certainly a very wonderful presentation. (Applause)

Now, Ladies and Nobles, another presentation from the Chief Supreme Tialoc of the International Order of Quetzalcoatl, Truman Campbell.

NOBLE TRUMAN CAMPBELL: Imperial Sir Tony, again, on behalf of the members of the Order of Quetzalcoatl, I am pleased to present to you, as a token of our friendship, this gift. Congratulations and best wishes for a very successful Shrine Year.

...Presentation and applause ensued...

NOBLE MAYES: Thank you very much, Illustrious Sir.

And now I will recognize El Zaribah Shrine Temple for a presentation to be made by Illustrious Sir Otto Loven, Potentate.

ILLUSTRIOUS SIR LOVEN [Potentate, El Zaribah Temple]: Imperial Sir Tony, on behalf of El Zaribah Shriners, we are very pleased to present you with this token of our appreciation and our best wishes for a very successful year as Imperial Potentate of the Shrine of North America.

...Gift presentation and applause ensued...

NOBLE MAYES: Sabbar Shrine Temple Past Potentate Sebastian has a presentation for the Imperial Sir.

ILLUSTRIOUS SIR SEBASTIAN: Imperial Sir Tony, I enjoyed every year that I was on that Divan with you and I still enjoy seeing you.

Now, since time is the most important thing that you have, I have a little gift here to take care of that time.

...Presentation of a book ensued...(Applause)

NOBLE MAYES: And now the Sabbar Shrine Temple presentation to be made by Illustrious Sir Dr. Harmon Harrison, Potentate.

ILLUSTRIOUS SIR HARRISON [Potentate, Sabbar Temple]: We have had a tradition within the Imperial Shrine, sir, and we intend to carry it out—your transportation for the year, the keys to your car.

...Presentation of car keys and applause ensued...

NOBLE MAYES: And now, Ladies and Nobles, the presentation of the First Lady's bouquet by Sabbar Shrine Temple's First Lady, Mary Harrison.

...The presentation of a bouquet to First Lady Juanita and applause then ensued...

NOBLE MAYES: And now, Imperial Sir Tony, it is time for your to introduce—well you know what you are supposed to do next—(laughter)—time for you to introduce the Imperial Potentate-Elect's family and so I will ask you to take charge at this point. The microphone on the stage is yours and, as a matter of fact, you can now do whatever you would like. (Laughter) Also, no matter what you do, we will all obey you. (Laughter)

IMPERIAL POTENTATE-ELECT BUKEY: First of all, I would like to say that any honors that I received while up here were received in behalf of this great Fraternity. Of course, during the next year, I will endeavor to do my best to keep it in the tradition of the past.

At this point, it gives me a very great pleasure to be able to present to you the various members of my family.

...Whereupon, Imperial Sir Bukey individually introduced the various members of his family...(Applause)

IMPERIAL POTENTATE-ELECT BUKEY: Thank you so very much for being here with me this morning.

NOBLE MAYES: And now, Imperial Sir Tony Bukey, please do not go away because it is now time for you to present the Fezes by yourself to your various appointees.

IMPERIAL POTENTATE-ELECT BUKEY: While we are attempting to get ourselves organized and, let me add, very rarely do you see me disorganized, I would like to say that there are some very fine people at Sabbar Temple who have done a very, very fine job in my behalf.

First of all, I would like to have you give a great big round of applause to a great Sabbar Shrine Temple Band, directed by Paul Grimes, who have been winners in my book every time. Would you please arise.

...Applause ensued as the members of the Sabbar Shrine Temple Band arose...

IMPERIAL POTENTATE-ELECT BUKEY: Now, I have some Fezes that I would like to present to some very special people.

You have already met Imperial Chaplain Designate Jerrel L. Hudson, who opened this Pageant with an Invocation.

Let me say that Jerrel is a good friend of mine and two years ago when I asked him if he would accept the appointment as my Imperial Chaplain, he was so concerned that he represent this great Fraternity with the dignity and honor that it deserved, that he started school. About a month or so ago, Juanita and I went to his church, at which time he presented the sermon. He has done an excellent job and I am proud to say that he is my friend and, Jerrel, I am proud to present to you this Fez as the Imperial Chaplain-Designate of the Shrine of North America.

...Presentation of Imperial Chaplain's Fez and applause then ensued...

IMPERIAL POTENTATE-ELECT BUKEY: I believe that if things are done that they should be done in harmony. In Denver we have a great Temple, El Jebel Temple and I also have a great number of friends there, two of whom are very special to me.

One of those is the Director General, a Past Potentate of El Jebel Temple, Claire H. Cusick.

...A Director General Fez presentation to Claire H. Cusick then ensued...

(Applause)

IMPERIAL POTENTATE-ELECT BUKEY: Now, while Claire is going to do a great job for me, just as a matter of a little insurance, I have appointed a Deputy Director General, Jack Patten, Past Potentate of El Jebel Temple.

...Presentation of Deputy Director General Fez to Noble Patten then ensued...(Applause)

IMPERIAL POTENTATE-ELECT BUKEY: Let me say that as I embark on this Office of Imperial Potentate for the next twelve months, I hope that I will be able to turn over to the Representatives of the Shrine a healthier, better organized Shrine of North America than it is today. That is my pledge to you.

I will work tirelessly and call together all of the resources I can and that, Nobles and Ladies, is my pledge to you.

I would also like to say at this point that I owe a special debt of gratitude to my Lady Juanita. She has been beside me every step of the way and has been unwavering in her support for what I believe has to happen. Of course, we do not do it without a few arguments but she lets me win once in awhile. (Laughter and applause)

Now, also, most of you that know me also know that I am not gifted in the skills of speaking and so we are running a few minutes ahead of schedule. However, this Imperial Council Session has business to do and if we can get it done, maybe we can pick up with these few minutes and have a little better party time.

At this time, I am going to call on the Imperial Chaplain-Designate to give us the Benediction and then our band conductor, Paul Grimes, will have the band play as you all exit the auditorium.

IMPERIAL CHAPLAIN-DESIGNATE HUDSON: I do not want to take off this beautiful Fez but I know it is tradition. I will ask that you hold for an announcement right after the Benediction.

May the Lord bless us and keep us, make His face to shine upon us in our going out and in our coming in. Amen.

NOBLE MAYES: Congratulations to you, Imperial Sir Tony and thank you, Jerrel.

I do have an announcement concerning the photographs of the convention and also the parade.

The official photographers have informed me that all convention pictures, including the parade, will be on display in the Marketplace entrance. That is for your enjoyment and perusal and, of course, purchase.

And now, that great Sabbar Shrine Temple Band will kind of play us off the stage. Let us give them another big round of applause.

...Applause ensued...

NOBLE MAYES: Also, thanks to Bill Sisco for his help here today.

...Whereupon, at ten-thirty o'clock a.m., the Pageant Ceremony was concluded...

MORNING SESSION TUESDAY, JULY 6, 1993 ELEVEN-FIFTEEN O'CLOCK A.M.

The One Hundred Nineteenth Annual Session of the Imperial Council was reconvened at the San Antonio Convention Center, San Antonio, Texas, at eleven-fifteen o'clock a.m., Imperial Potentate Everett Evans presiding.

IMPERIAL POTENTATE EVANS: Nobles and Representatives, will you please take your seats.

I declare this Annual Session and Annual Meeting reconvened.

The Chair will recognize Imperial Sir Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I would move you that all of those Imperial Officers who were nominated yesterday be today elected by the Chairman of the Jurisprudence and Laws Committee casting one unanimous ballot for each of them.

...The motion was severally seconded...

IMPERIAL POTENTATE EVANS: You have heard the motion which has been seconded.

Is there any discussion?

All in favor say aye; opposed nay. It is so carried. Thank you.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: It is my pleasure to cast the unanimous ballot of this Convention for all of those Officers of the Iowa Corporation nominated to the Office to which they were nominated at yesterday's Session.

IMPERIAL POTENTATE EVANS: Thank you, Walt.

With that, I will ask the candidates for the Office of Imperial Outer Guard and their nominators to come to the stage.

Jack, our Imperial Recorder, can you get some numbers for the purpose of having them drawn by the various nominators? That will enable us to determine who will be nominated first.

Let me say to the nominators that you will be given no more than five minutes for your nominating speeches.

While they are doing that, let me say that we are going to do this as quickly as we can and following the nominations, we will take a ballot and endeavor to get that back as quickly as we can before we recess for luncheon. If we do not, then we will reconvene at one-fifteen o'clock p.m. and we will make the announcement at that time and then, following that, we will take care of the nominations for the Trustees. As you know, however, we must get our business attended to by about two forty-five p.m. because at that time, we will have the presentation of our PR Department and we also will have the report from the Chairman of our Board of Trustees.

...At this point, drawing by nominators for nominating position then ensued...

IMPERIAL POTENTATE EVANS: With that, I will recognize Larry Jefferson, Potentate of Murat Temple.

ILLUSTRIOUS SIR LARRY JEFFERSON [Potentate, Murat Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Grand Masters and My Fellow Representatives and Nobles All: My name is Larry Jefferson, Potentate of Murat Temple and it is now my privilege and great honor to place in nomination the name of M. Burton Oien for the Office of Imperial Outer Guard.

It is easy to nominate Illustrious Sir Burt because of the extensive campaign he has conducted during the last year. He has attended all the regional Association Meetings and the great majority of you have had the opportunity to meet with him in your home territories and have heard him discuss his views on the issues and challenges that face our great Fraternity and his dreams for our hospitals and our crippled and burned children.

You have all received the brochure Burt put out so I do not feel it is necessary to review all of his accomplishments and qualifications.

I do believe that I should point out the primary area of expertise that Burt would bring to the Office of Imperial Outer Guard. His specialty is in finance and accounting, and with the millions of dollars being spent each year on our hospital program, it is important that the Board have some personnel with particular expertise in finance. He would also be able to help out in the area of Temple finances which are very critical to so many of our Temples.

Burt was able to bring that expertise to the Imperial Finance and Audit Committee which he was appointed to chair for several years prior to announcing his decision to offer his talents and commitment to the Shrine of North America. Many important issues were brought before that Committee during those years that affected both hospital and Imperial Council issues.

Burt has been the Head of Accounting and Information Systems Department at the University of Alaska, Fairbanks, for the last ten years. His leadership role in the Department resulted in the Accounting Department receiving national Accounting Department accreditation. At that time there were only a few Accounting Departments nationwide to receive that recognition. Upon his retirement this summer, he was one of four faculty at the University of Alaska, Fairbanks, to receive the rank of Professor Emeritus.

He has also proven his dedication to the Shrine of North America. During the time he served on the Divan prior to becoming Potentate of Al Aska Temple in 1990, he missed only two Divan and stated meetings because he was out of state on business. This was accomplished while living almost 400 miles from the Temple in Anchorage. During 1990, while he was Potentate, he took a leave of absence from January 1st until September 1st in order to be in Anchorage. I believe that proves dedication to the Shrine of North America.

Burt has also continued to be active in Lodge and both Scottish and York Rite, after having been Master of his Lodge and the head of all three York Rite bodies. During the few months that those in Alaska call summer, you can usually find Burt and his wife, Sharon, out at the Shrine Club cabin on Harding Lake near Fairbanks. They spend the weekends working on improving the cabin and grounds.

Burt and Sharon have been married for twenty-eight years and she is his strongest supporter in this campaign. Their son Mike and his wife Jocelyn live in Denton, Texas and many of you have had the opportunity to meet them in the hospitality room these last few days. The entire family is supportive of the commitment that Burt is willing to give the Shrine of North America.

Yes, Nobles, I am indeed honored and privileged to nominate a man whom I feel is highly qualified for the Office of Imperial Outer Guard, a man who has proven his leadership ability and his dedication to his work, our Masonic Fraternity and, in particular, the Shrine of North America.

I believe it is very important that not only will Burt be able to help our Fraternity and hospitals, but will also be able to devote full time to the Office of Imperial Outer Guard.

I place into nomination for the Office of Imperial Outer Guard the name of Past Potentate M. Burton Oien of Al Aska Temple, Anchorage, Alaska. I ask you to join with me in placing your vote for Burton Oien. (Applause)

IMPERIAL POTENTATE EVANS: For another nomination, I now recognize Illustrious Sir Mahlon Hessey of Boumi Temple, an Emeritus Representative and Trustee.

ILLUSTRIOUS SIR MAHLON HESSEY: Imperial Sir, Imperial Sirs and Fellow Representatives: I am Mahlon Hessey of Boumi Temple and an Emeritus Representative and Trustee.

As you can see, I am temporarily suffering from a bit of a handicap. The patch is real, due to a

detached retina. So please forgive me for the lack of eye contact.

Some ships sail east, some sail west,
Under the self same winds that blow.
But 'tis not the gales,
'Tis the set of the sails,
That determines the way we go!

And that is what I want to talk to you about for the next few moments—The set of the sails. For in this election for Imperial Outer Guard between two first-year candidates, it is important that we elect a good captain and firm helmsman to sail our ship of state through some tempestuous seas and into the Twenty-First Century.

Raoul Frevel already skips his own ship as the President and Chief Executive Officer of his family's very successful catering business, Atlantic Caterers. It operates in the Baltimore-Washington corridor. As such, he wrestles daily with the vicissitudes which confront any small enterprise in a highly competitive arena and in a very soft economy.

He is Past President of his Lions Club in Baltimore

He is an active member of St. Matthews United Church of Christ and has served as a member of its governing council.

He stood on the podium of Boumi Temple in 1971 as the International Master Councilor of the DeMolay; two decades later he stood on the same stage as Boumi's youngest Potentate at the age of forty—a real testament to his ability, dedication and zeal. He was active in both the units and clubs of the Temple and was President of the Feedayes (which is the young men's group of our Temple). He remains active in the DeMolay to this very day as President of the DeMolay Foundation of Maryland and has chaired our Grand Lodge's Masonic Youth Day since 1983. He relates to young and old alike.

Raoul has been active in all facets of Masonry: his Blue Lodge, the Scottish Rite, the Tall Cedars, the ROJ and the Order of the Eastern Star. He comes from a Masonic family—his father and brothers are all Shriners.

He has been unflagging in his support of our hospitals. Twice he flew Tony Volpentest and Tony's parents to Baltimore to infect our Nobility and their wives and friends with fervor and support for our philanthropy. And he has been on the Executive Council of Boumi's Annual Golf Classic which has been a principal fund raiser for our hospitals.

I do not believe it is necessary to reiterate his litany of endorsements. He has more of them than all the Indy 500 cars on race day. You have all received them.

On a more personal note, he is an effective public speaker. If you have heard him speak about his programs, within the framework of Freemasonry, on the podiums, behind the lecterns, in front of the microphones and under the prosceniums of a hundred Masonic and Shrine stages throughout North America, whether you are ruled by the head or the heart, you know that he will present to the world a persona with which one can relate and which will reflect great credit upon our sister institutions.

He has—the charisma of a Gene Bracwell, the salesmanship of a Walker Kisselburgh, the business acumen of a Vic Thornton, the love of this Fraternity of a Bill Vaughan of Virginia or a Tom Yantis of Texas.

He listens—and has solicited your views in his travels around the country.

He gives more credit to others than he seeks for himself—a rare commodity indeed!

He is innovative and creative.

He is an independent candidate, beholden to no group or political action committee.

He is a man of vision who knows "You cannot discover new oceans unless you have the courage to lose sight of the shore," and that "The speed of the leader determines the rate of the pack."

My Fellow Representatives, if you want to set your sails for the future, to endure any conditions of the sea, I urge you to join me in voting for Raoul Frevel, whose name I now place in nomination for the Office of Imperial Outer Guard.

Vote for Raoul now! R-A-O-U-L!

Thank you for your attention. (Applause)

IMPERIAL POTENTATE EVANS: If there are no other nominations, I will declare nominations closed and we will proceed with the balloting.

We will use white ballot No. 2—white ballot No. 2. Save your stubs and we will pick them up immediately. I would also add that the use of both of their first names written on your ballot will be okay.

...Whereupon, voting and collection of ballots then ensued...

IMPERIAL POTENTATE EVANS: Have all voted? Is there anybody who has not voted?

Seeing no hands raised, I will now declare the ballot closed and ask the Tellers to retire for the purpose of counting the ballots and bringing us a report as quickly as possible.

While we are waiting and to conserve time, I will now call on Illustrious Sir I. Sewell Lamdin, Chairman of the Grievances and Appeals Committee, for a report from that Committee.

ILLUSTRIOUS SIR LAMDIN: Thank you, Imperial Sir.

First of all, Fellow Representatives, loosen up.

Let me first say that matters that are referred to the Grievances and Appeals Committee arise out of a dispute. That means that there are one or more parties or persons or associations involved.

Throughout the year, all correspondence comes to me and it generally is from one party but they have not contacted the other party. That, of course, is not fair.

As recent as last week, before I left home, I received some correspondence in relation to which the other side had not been copied at all. However, I was able to locate the person on the other side and FAXed the material to him and he FAXed us a reply that we received here on Saturday morning.

Now then, let me further add that we have a fair play paragraph in Article 30 and fair play would dictate that you copy the other side with everything that you send to the Committee. Please do that because my telephone bill is getting too large.

Before starting the reports, let me say that when we go home on Thursday afternoon, this Committee will start to work because we get problems presented to us all year long.

We are also very fortunate on this Committee to have people of character.

For example, we have two Emeriti members on this Committee who attend everything and work very hard with us—Past Imperial Sir Jack Streight, member of the Queen's Court in British, Vancouver. We also have as an Emeriti member Gerald Groat, Jr., who is an Assistant Prosecutor in Detroit, Michigan. You can read in the paper, for example, and find that Jerry has been quite busy.

Also, from Memphis, Tennessee, we have Bob Henderson on this Committee.

From the Capital, Washington, D.C., from Almas Temple and a Past Grand Master and a member of the Bar of the State of Maryland, we have Charlie Iversen.

From Charleston, West Virginia, we have a former United States Prosecutor, W. Warren Upton.

From British, Vancouver again, a gentleman who just retired as Chancellor of the University there, a member of the Queen's Court, Leslie Peterson.

Also, from down in Pensacola, Florida, we have J. B. Hopkins, a member of the Bar from Florida.

Also, from Georgia, we have Robert E. Hughes, a member of the Bar of the State of Georgia.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an Appeal filed by Noble Howard Hatfield from a ruling of no probable cause by a Grievance Committee of Moila Temple.

Said Appeal was timely filed and the matter was scheduled for a Hearing on July 3, 1993, in the Marriott Rivercenter Hotel, Salon B, San Antonio, Texas, beginning at nine forty-five a.m.

Due notice of the Hearing was given all parties concerned by first-class mail, postage prepaid.

The Hearing was held as scheduled. Noble Hatfield did not appear. Moila Temple was represented by Illustrious Sir Edward Lemmon, Potentate, and Noble Cliff Boyer, Recorder.

The facts are that while Noble Hatfield was sitting in a golf cart in Moila Temple parking lot, he was accosted by Noble Dennis Crouser. Further, as he, Noble Hatfield, stepped out of the golf cart, Noble Crouser struck him about the neck and chest area.

Noble Hatfield filed a complaint with the Potentate of Moila Temple who, in accordance with the Imperial Bylaws, Article 30, Section 330.4(a)(2), appointed a Temple Grievance Committee.

It appears from the documents submitted, that the Temple Grievance Committee held two (2) meetings at which the Complainant and the Accused were present.

At the second meeting held on August 3, 1992, Noble Crouser apologized for his actions and left the meeting. It is uncertain from the evidence before the Committee as to whether or not Hatfield accepted the apology. It was clear to the Committee that the assault was not aggravated but more in the nature of a push or shove.

Thereafter, the Temple Committee filed its report of no probable cause.

After a full consideration of all the documentary evidence submitted, oral testimony given by the Potentate and Recorder, your Committee is of the unanimous opinion that the decision of the Temple Grievance Committee finding No Probable Cause existed, should be sustained and that the appeal should be denied.

Respectfully submitted:

I. Sewell Lamdin, Chairman

Robert F. Henderson

Charles S. Iversen

W. Warren Upton

Leslie R. Peterson, QC

J. B. Hopkins

Robert E. Hughes

I would move for the adoption of this report.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: The motion has been duly made and seconded.

Is there any discussion?

If not, all in favor say aye; opposed nay. The motion is so carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by the Cape Coral Shrine Club from a finding of no probable cause by the Temple Grievance Committee regarding a complaint filed against Noble Edward C. Packer of Araba Temple.

Said appeal was timely filed and a Hearing was scheduled for July 3, 1993, in the Marriott Rivercenter Hotel, Salon B, San Antonio, Texas. Due notice of said Hearing was given all parties concerned by first-class mail, postage prepaid.

The Hearing was held as scheduled, and the Appellant, Cape Coral Shrine Club, was represented by Noble Joe Uttinger. Noble Kenneth A. Steuerer, Recorder, represented Araba Temple. The accused, Noble Edward C. Packer, did not appear.

The facts indicate that the Cape Coral Shrine Club was the named beneficiary of any annuity purchased by one Lady Mae von Rautenkranz. That upon her death the insurance company issued its check in the amount of \$58,071.15, payable to the Shrine Club, and delivered it to Noble Packer. Noble Packer proceeded to invest said check in an account with Dean Witter.

The Shrine Club learned of the bequest when Noble Packer made an announcement about it at their Christmas Party.

Thereafter, the Shrine Club began an investigation to ascertain the whereabouts of funds. Noble Packer would not in any way assist them, and after a long search, they were able to locate the source of the funds and the fact that they had been invested with Dean Witter.

Another long series of inquiries followed and finally, in June, 1992, Dean Witter issued its check payable to the Shrine Club for the funds in the account. They did not reimburse the Shrine Club for its expenses which, including attorney fees, amounted to about \$4,000.

The evidence revealed that the Shrine Club was not notified of the Temple Grievance Committee's meeting and, as a consequence, was not present or given an opportunity to be heard.

After a full consideration of all the evidence and oral arguments, your Committee is of the unanimous opinion that the Temple Grievance Committee did not comply with the Imperial Bylaws, Article 30, Section 330.4(a)(2), which reads as follows:

"The complaining Noble and the accused Noble 'SHALL' be afforded an opportunity to be heard before the Grievance Committee." The use of the word "SHALL" is mandatory and must be followed or complied with. Failure to do so deprived the aggrieved party of due process.

In view of the above, your Committee on Grievances and Appeals recommends that the appeal be granted and the matter be returned to Araba Temple with instructions to reconvene the original Temple Grievance Committee in order to permit the Shrine Club to appear before it and be heard in accordance with the Imperial Bylaws Section referred to above.

Respectfully submitted:

I. Sewell Lamdin, Chairman

Robert F. Henderson

Charles S. Iversen

W. Warren Upton

Leslie R. Peterson, QC

I would move for the adoption of the report.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: A motion has been moved and seconded.

Is there any discussion?

If not, all in favor of the motion to adopt the report please say aye; opposed. The motion is so carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an appeal filed by former Noble Bruce A. Dehlin of Kena Temple, from the action of Kena Temple in refusing to permit him to rescind his resignation and reinstate his membership in Kena Temple.

Said appeal was timely filed and a Hearing was scheduled for July 3, 1993, in the Marriott Rivercenter Hotel, Salon B, San Antonio, Texas. Due notice of said Hearing was given all parties by first-class mail, postage prepaid.

The Hearing was held as scheduled and the appellant appeared without Counsel. Kena Temple was represented by Illustrious Sir Darrell A. Hamilton, Potentate, and Joseph L. Wileman, High Priest and Prophet.

The facts are that on or about November 4, 1992, former Noble Dehlin was requested to appear at the Temple for a meeting with the Potentate, Chief Rabban, Assistant Rabban, High Priest and Prophet, Oriental Guide, Past Potentates Edward Buckley and Bruce Morris and Noble William E. Williams.

Dehlin was handed a sheaf of papers and permitted to go into an anteroom to read them. Upon returning to the meeting, he was requested to resign and the charges contained in the papers would be withdrawn. After considerable discussion, Dehlin agreed to resign. At that point the Potentate, Chief Rabban and Assistant Rabban went to the Potentate's office and contacted the complainant by phone who agreed to withdraw his charges if Dehlin resigned. Dehlin then submitted his resignation in writing.

Shortly thereafter Dehlin attempted to rescind his resignation which Kena Temple refused to accept.

Dehlin then filed his appeal with the Temple who refused to forward same to the Imperial Recorder since Dehlin was no longer a member of the Shrine.

Dehlin subsequently attempted to join Almas Temple and their (Almas Temple's) request for a waiver of jurisdiction was denied by Kena Temple.

Section 323.9(b)(2) provides for termination of membership by voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the Temple by a member in good standing and "free from charges."

The Imperial Bylaws make no provision for rescinding a resignation.

Robert's Rules of Order states that when a resignation has been acted upon (Section 34, page 259, Newly Revised Edition 1981) the only way to reverse such resignation is to follow whatever procedure is prescribed by the Bylaws for reinstatement.

Dehlin relies solely on the fact that Article 30, Section 330.4(2) was not complied with. However, this reliance is misplaced since this body has already ruled that a Noble against whom a complaint has been lodged but as to whom the formal written charges described in Article 30 have not been filed, is "free from charges" within the meaning of Section 323.9(g) and may resign his Temple membership. Proceedings 1978, page 78.

In view of the above, after full consideration of all the evidence and oral arguments, your Committee on Grievances and Appeals is of the unanimous opinion that the resignation cannot be rescinded and that Dehlin's relief can only come from a new petition for membership. We recommend that the appeal be denied.

Respectfully submitted:

I would move for the adoption of the report.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: You have a motion before you, made and seconded, to adopt the report as presented.

Is there any discussion?

Hearing none, all in favor say aye; opposed. The motion is so carried.

NOBLE LAMDIN: Imperial Sir, that concludes our work at the moment. Thank you very much.

IMPERIAL POTENTATE EVANS Thank you so very much.

...Various announcements ensued by the Imperial Recorder at this point...

IMPERIAL POTENTATE EVANS: I have a special request from Leopold Eddinger, Potentate of Mahi Temple in 1992, that I would like to honor. If you are somewhere around I would request that you come to the stage.

You know that they had a terrible hurricane down there and this Temple did a yeoman's job for everybody concerned with that area. As one big, happy family, all of you came to their aid. I think that the Potentate of that year would like to tell you all about it. It will only take a couple of minutes. He would like to thank you for all you did for him.

ILLUSTRIOUS SIR LEOPOLD EDDINGER [Past Potentate, Mahi Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I am sure that all of you are aware of the devastation that occurred in the wake of the recent hurricane that passed through Miami. I am sure all of you have read about this in the newspapers and heard about it over television.

Perhaps, if I may, I would just like to be permitted a few moments to tell you what actually happened down there insofar as the Temple was concerned.

When people from all over the country saw the devastation caused, they immediately started sending supplies down to us. Mahi Temple became the warehouse.

It was unbelievable because we had truck loads, we had trailer loads, things coming Federal Express and UPS and it just got stacked up and up.

We had Masons and their ladies help to coordinate all of this at Mahi Temple. From there it was transported by truck, car, trailers to Homestead where the greatest need was.

Imagine, for example, being at home and then, during the middle of the night, you have a big storm hit you. You get up in the morning and you find, for example, that half of the roof of your home is gone, you have no household water, you have no electricity and you have no telephone. Also, there are no restaurants open, there are no grocery stores open, there are no filling stations open—it is like a war zone. Also, there are no diapers for babies.

The Brotherhood of Masonry came into effect. It truly was unbelievable.

One of the Lodges in Homestead started cooking meals and they were serving anywhere from 1,600 to 1,800 meals per day. There was nowhere else to find food. There was no ice.

Imagine this happening to you in your town or in your home.

The Brotherhood of Masonry is alive. You cannot imagine the amount of food and everything else that came in—it just went on and on.

Our Temple ceased operations for approximately two months so that we could handle and they could use the Temple facilities to transport all of what was received. This involved food and almost everything else that was needed.

You know, in situations like this, sometimes strange things tend to happen. For example, Chicago sent down 5,000 new brooms, no handles, but we had 5,000 new brooms. (Laughter)

As Potentate for 1992, I would like to thank all of the Nobility and the Masons for the help that they gave us in South Florida. It truly made me feel good to be a Mason and see that Masonry really worked.

Nobles, I thank you for your time and I thank you for your help. (Applause)

IMPERIAL POTENTATE EVANS: Well, most certainly that was quite a disaster down there. Mahi Temple will long be remembered for the part that they played in it and those people from that area who were not Masons and were not Shriners asked me, you know, what made people do things like that? They wanted to be a part of it and, you know, sometimes something good comes out of something bad and I know that all of you fellows came to the front and we, in turn, have been very, very proud of what you did. We thank you so very, very much for what you did and we thank you for taking a little bit of time here to make your report to everybody present. We know that when our Brethren or Temples need help, there will be somebody there to render it to them.

God bless you. (Applause)

IMPERIAL POTENTATE EVANS: Now, I think we have a report for you here at this time.

NOBLE HATHAWAY: Imperial Sir and Fellow Representatives: It is a pleasure to give you the ballot for the position of Imperial Outer Guard.

There were a possible 866 votes; 831 voted, Raoul received 260 votes and Burt received 569 votes. ...Cheers and applause ensued...

NOBLE FREVEL: Imperial Sir, I would like to thank all of those who voted for me. I thank you for letting me participate in the election process. It has worked and now it is time for us to come together.

I would like to at this time make a motion that a unanimous ballot for M. Burton Oien for the Office of Imperial Outer Guard of the Shrine of North America be cast.

...Applause then ensued...

IMPERIAL POTENTATE EVANS: Thank you so very, very much for that statement.

Now, I will recognize Illustrious Sir Gary Dunwoody.

ILLUSTRIOUS SIR DUNWOODY: Imperial Sir, I would like to be given the microphone for a point of personal privilege, Imperial Sir?

IMPERIAL POTENTATE EVANS: Okay.

ILLUSTRIOUS SIR DUNWOODY: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Fellow Representatives and Nobles All: I am Gary Dunwoody, a Past Potentate of Scimitar Temple.

It is with great pride, enthusiasm and a great amount of anticipation that I stand before you today, along with various Representatives from our Temple, for the purpose of informing you that if I am reelected as a Representative of this Imperial Council at our Annual Temple Meeting and, Nobles, I have every reason to believe that I will be reelected, inasmuch as my Temple has reelected me six times to represent them to these Imperial Council Sessions, it is my intention to present myself to you as a candidate for the high Office of Imperial Outer Guard.

As I embark upon my third national campaign, I look forward to traveling across North America, establishing new friendships and renewing old acquaintances.

Once again, I will be asking for your vote and support. I will also be seeking your advice and look forward to hearing your concerns and especially mine for our great philanthropy and Fraternity.

Many of you, I am sure, are familiar with the saying, "You cannot tell the players without a program." Before you make a commitment in relation to the 1994 Imperial Outer Guard's race, would you please review my credentials and my qualifications.

As I complete the last year of my term as a member of the Board of Trustees, it is my desire to continue to be of service to you. This can only be possible with your vote and support.

Nobles, thank you for your kind attention. I sincerely believe that I can make a contribution. I ask that you please give serious consideration to my candidacy and join me in Denver, Colorado, at our One Hundred Twentieth Imperial Council Session to vote for Gary Dunwoody for the high Office of Imperial Outer Guard.

God bless you, God bless the Shrine and God bless North America. Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: Thank you, Gary.

If there is no further business to come before us, we will take a break now and I will see you at one-fifteen. Thank you so very much for your patience.

...Whereupon, the One Hundred Nineteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve o'clock noon to reconvene again at one-fifteen o'clock p.m....

AFTERNOON SESSION
TUESDAY, JULY 6, 1993
ONE-FIFTEEN O'CLOCK P.M.

The One Hundred Nineteenth Annual Session of the Imperial Council was reconvened at the Convention Center, San Antonio, Texas, at one-fifteen o'clock p.m., Imperial Potentate Everett Evans presiding.

IMPERIAL POTENTATE EVANS: Nobles and Representatives, will you please take your seats.

I declare the Annual Session and Annual Meeting reconvened.

Let me say, before proceeding, I think that most of you know that one thing that I attempt to do is to be fair to everybody. It is good to have all of the candidates in the race but, on the other hand, I think it is also wise and fair that everybody has their opportunity.

Therefore, I asked Noble Frevel if he would like to have an opportunity to also make his announcement so that, at that point, we will have had two announcements and, therefore, nobody can complain

that the announced candidates were not given an equal opportunity.

At this time, I would like to call on Noble Frevel.

NOBLE FREVEL: Imperial Sir, Imperial Sirs, Illustrious Sirs, My Fellow Representatives and Nobles All: I know that I did not jump right back up here as is customary but then I thought it was only fair that I go back to the hotel and speak with my wife and also talk to my brothers and other members of the family and also talk to the Potentate of the Temple to make sure that they would support me as a Representative next year and it would not break up the Temple in a battle back there for a Representative. They have said that they will do that.

If you will all get behind me, I will appreciate it. You know who I am and what I stand for. I am the one that put the word out to you that more members were quitting than were dying. Let us get into the people business. Let us start caring about all the Nobles in our Temples. Let us start talking about Temple finances. After all, there would not be our hospitals without our Temples.

Please, give me a vote in 1994 in Denver and, in turn, I will be a super Imperial Officer for you for eleven years.

Thank you very much.

...Cheers and applause ensued...

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: Perhaps while we are waiting the return in connection with the ballot now being counted, perhaps I can recognize Walt Pettit in relation to some pieces of legislation he may now wish to present to you.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: I have been asked by the proponents of items 10 and 14 on the Call to request your permission to withdraw. These are on pages 24 and 26 in the Call. Therefore, if I may, I will give you this report from the Committee on Jurisprudence and Laws.

To the Representatives of the Imperial Council: We hereby request the permission of this Imperial Council Session to withdraw Item Number 10 on the Call for the Annual Session of 1993.

This is signed by the proponent, Illustrious Sir D. L. Matthews, Potentate and Representative of Sudan Temple:

/S/ David L. Matthews

Imperial Sir, withdrawal requires the unanimous consent of the Representatives. Therefore, I would recommend to you that you ask the Representatives whether or not they will grant their unanimous consent, and if withdrawn, I would further move that the Jurisprudence and Laws Committee, and any other committee to which this proposal has been referred, be discharged from further report.

I would so move.

IMPERIAL POTENTATE EVANS: Is there a second?

...The motion was severally seconded...

IMPERIAL POTENTATE EVANS: Are there any questions?

Now, I am sure you heard what was said. In order for this to pass, you have to have a unanimous vote.

All those in favor of withdrawal of item No. 10 please say aye; opposed nay. It is unanimously carried.

NOBLE PETTIT: Thank you, Representatives.

Now, the next piece of legislation concerns withdrawal of item No. 14 on the Call.

To the Representatives of the Imperial Council: We hereby request the permission of this Imperial Council Session to withdraw Item Number 14, page 26 on the Call for the Annual Session of 1993.

This is signed by the proponents:

/S/ Herbert L. Blankenship

/S/ David L. Matthews

/S/ James C. Moore

/S/ Billy Ray Schumpert

/S/ Dewey Crutchfield

Imperial Sir, withdrawal requires the unanimous consent of the Representatives. Therefore, I would recommend to you that you ask the Representatives whether or not they will grant their unanimous con-

sent, and if withdrawn, I would further move that the Jurisprudence and Laws Committee, and any other committee to which this proposal has been referred, be discharged from further report.

I would so move.

IMPERIAL POTENTATE EVANS: Is there a second?

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: The motion has been duly made and seconded and please remember, again, that it will take unanimous vote of the Representatives to have item No. 14 withdrawn.

...The question was severally called for...

IMPERIAL POTENTATE EVANS: The question has been called for.

All in favor of withdrawal of item No. 14 please indicate by saying aye; opposed nay. It is unanimously carried.

While we are waiting here, I believe that the Imperial Marshal has a brief announcement about the activities planned for this evening.

...Whereupon, Imperial Sir Turnipseed, Imperial Marshal, gave a brief explanation concerning the planned activities for the evening...

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: Let me ask you, Imperial Sir, Jack, do you have a guest that you would like to introduce at this time?

IMPERIAL SIR JONES: Imperial Sir, it certainly is an honor for me at this time to ask if he would come to the podium to say a few words, Illustrious Sir and Past Potentate of Acacia Temple and now the Grand Master of the Order of DeMolay, William J. Mollere.

...Applause ensued as Noble William J. Mollere approached the podium...

NOBLE WILLIAM J. MOLLERE [Grand Master, International Supreme Council, Order of DeMolay]: Imperial Sir, Imperial Sirs, Right Worshipful and Most Worshipful Sirs, Illustrious Sirs, Representatives, Nobles and My Brothers All: I want to thank you very much for your hospitality and for the opportunity to be here during this Imperial Session and to share with all of you just a few thoughts regarding the Order of DeMolay and its relationship with the Shrine of North America.

Of all of the organizations that I am associated with or hold membership in, DeMolay and the Shrine are by far the most important to me personally.

When looking at our two organizations, at first glance, you may conclude that our groups are very, very different but, in fact, that our only tie seems to be our relationship with Freemasonry. However, that would be an inaccurate conclusion to reach.

Our organizations are, in fact, very much alike. Both DeMolay and the Shrine have a complete and undying commitment to youth. The Shrine, through its resources, heals young people and gives them hope for a better life, a future where dreams can be conceived, sought after and achieved.

Although the DeMolay program does not quite "heal," it does indeed teach the art of dreaming for the future and also teaches the prerequisite skills necessary for success.

Another way that we are similar can be found in our leadership ranks.

In 1961, I joined Istrouma Chapter, Order of the DeMolay, in Baton Rouge, Louisiana, and began the process of building my Masonic career and my family membership.

The Nobility elected me to serve as Potentate of Acacia Temple in Baton Rouge, Louisiana, in 1990. Last week I was installed as Grand Master of the International Supreme Council, Order of DeMolay.

This has been an interesting path to travel; however, it is not a unique one.

You see, the founder of the Order of DeMolay, Frank S. Land, was Potentate of Ararat Temple in Kansas City, Missouri, in 1931 and he served the Shrine of North America as Imperial Potentate in 1955.

The Shrine hosts, to this day, each year, at the Conference of Grand Masters, a breakfast honoring this great Shriner.

Shrine leaders who are also DeMolay leaders, as members of the International Supreme Council, John W. Dean, III; Burton E. Ravellette, Jr.; Gene Bracewell; George Powell and our own Jack Jones. Jack is currently serving as my Chairman of Fraternal Relations, which brings together all of our Masonic Family and all of our International DeMolay organizations.

Last week, at the meeting of the International Supreme Council, we elected to membership several other Shriners to be members—Nobles John D. VerMaas, John C. Nobles and Robert N. Turnipseed. I congratulate each of these who have been elected. We feel that their leadership in our International Supreme Council will bring about a greater glory.

I recently asked that our DeMolay organizations survey some of our Shrine Temples and we were

only able to get to fifty of them before I came here this week. However, we found out that eleven of our Potentates are Senior DeMolays in those fifty Temples and also an additional fifty-four Divan members are also Senior DeMolays. I believe this shows we do produce a few leaders.

DeMolay benefits from the leadership in the Shrine of North America and the Shrine of North America certainly benefits from the leadership training in the Order of DeMolay.

You must agree that it is a wonderful relationship that the Shrine and the Order of DeMolay experience. However, I believe that this relationship should be ever stronger and more beneficial.

At our recent International Supreme Council meeting, I directed the International Policy and Purpose Committee of DeMolay to explore what our young men could do to further the Shrine of North America and in talks here with the leadership, we have decided that it would be very beneficial for our young men to help in the hospital program.

This great philanthropy has also become the philanthropy that our young men work with. It would be young people helping young people. With this direction and with the implementation, I believe that our tradition of working together will grow even stronger.

By working together in the past, we have made a difference in the lives of countless young people. By working together in the future, we can continue those same good works.

Thank you, my Noble Brothers and may God bless the Order of DeMolay and may God bless the Shrine of North America. (Applause)

IMPERIAL POTENTATE EVANS: Thank you very much.

Is the Grand Master of Texas, Bob Snell, in the audience? I do not see him.

How about Illustrious Sir Mitchell, Grand Master of Rhode Island?

I have had a recommendation to call on the Grand Master of Tennessee, is he present? If so, I would have you come up here and say a few words to all of us.

MOST WORSHIPFUL BROTHER ROBERT HENDERSON [Grand Master Tennessee]: Imperial Sir, My Brethren, other Grand Masters: It is certainly a privilege to have Imperial Potentate Evans call on me for a few comments. This is the first time for me and I therefore want to indicate I appreciate it.

I just want to express Tennessee's appreciation to our Imperial Potentate for allowing us to participate in the visit to the Alamo. It was a momentous occasion, well received and we certainly all appreciated it.

Thank you, Brother Evans, and thank you, my Brethren, for this opportunity. (Applause)

IMPERIAL POTENTATE EVANS: Let me, at this time, introduce to you Imperial Sir Ralph Semb, who has been working out in the vineyards all year concerning Membership. He indicated to me that he had some things he desired to talk to you about.

I know you are tired of hearing Ralph, too, but here he is. (Applause)

IMPERIAL SIR SEMB: Actually, what I was doing was waiting for Mike Andrews to go find some material because we have a few awards to give to some of the Temples who did have a positive gain. Now, I am not going to get into my Membership Report today but as soon as Mike can come up with these plaques, we will announce and present a plaque to the Temples that had a membership gain during the past twelve months.

Of course, as you know, membership is very important to us in relation to our future and we wanted to honor those that did have a positive gain.

You know, before we used to honor those who had the least amount of losses and so on and so forth. Well, Mike has arrived with the plaques and so we are ready to go.

Let me say that these plaques are all presented for the same reasons to these various Temples that are going to receive them—in other words, for their membership efforts and to ensure the future of our great Fraternity.

...Whereupon, Membership Gain Plaques were presented to the Temples as follows...

	1992	1993	
TEMPLE	POTENTATE	POTENTATE	% GAIN
Al Amin	C. A. "Bud" Francis	Barney B. Bryant	1.2%
Al Bahr	Chuck Baldridge	C. G. "Con" Dahl	1.6%
Al Shamal	Bernie R. Hiron	Bill Donhou	5.6%
Anezeh	Adrian D. Schor	Enrique Domville, M.D.	19.1%
Cairo	James W. Wright	Harley A. Soulia	2%
Marzuq	W. Elvyn Land	Roland C. Miller	.8%

Masada	John M. Keltch	Robert R. Bruce	4.7%
Mazol	Herman W. Starkes	Albert G. Notfall	.7%
Osiris	Marlyn Cunningham	W. Kirk Boughner	.3%
Philae	Philip Beeler	Cyril Thomas	2.6%
Zelzah	John T. "Tom" Gailey	Robert E. Cook	.6%

IMPERIAL SIR SEMB: That completes it, Imperial Sir and, again, I wish to thank all of you for your efforts this last year toward increasing our membership.

The balance of my report will be presented to you later.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: I will now recognize Imperial Sir Bob Bailey to present his report on Shrine Rooms East.

IMPERIAL SIR BOB BAILEY: Shrine Rooms East, at the George Washington Masonic Memorial, is one of the attractions that every one of you should see.

The George Washington Masonic Memorial stands over the City of Washington and from it you can view the Capitol and all of the other great places in the capital of our country.

However, we need to do some refurbishing of our Rooms. Many of the displays concerning the hospitals are not in the new building.

While I was there a month or so ago, I counted sixteen of the models of the old hospitals that are still being shown. We need to update that for those people going through there in order to let them know that we are aggressive and we are building new hospitals and that we stand in the forefront of medical science and that we are not using old buildings that have long been outdated.

The Room where the altar and the chairs are set up to look like a Temple ready for a meeting, had flags that were falling apart and if, for example, someone were to touch the cloth of those flags, they would fall to shreds. Therefore, we have now replaced all those old flags with new flags in that room.

Also, we have taken some of the artifacts from the case because we have had a theft or two within the last couple of years and so we have taken some of those things out and sent them to be put into the safe at Tampa for keeping until we have the opportunity to tighten up the security in relation to those rooms.

Also, we do not have all of the pictures of the Past Imperial Potentates up because we have run out of room until we do a little bit of remodeling.

Also, all of the Fezes of the various Temples are not in the case because we have run out of room in the case. Again, we need to make a little more room.

Also, we do not have there all the pictures of the Past Chairmen of the Board of Trustees or even a picture of the present Chairman because the pictures are so large that they have taken up considerable space. We will be redoing those and bringing newer or more modern pictures in.

Also, we have a lot of people that flow through there.

Now, I do not know whether you have ever seen the "Parade to Glory"—which involves a mechanical Shrine parade, which is approximately some eight to ten feet wide and about sixteen to eighteen feet long and when it is activated, this parade moves around the table and people, kids in particular, just want to go and see the Shrine parade.

We are doing a little cleaning in relation to that, with the help of Wayne Warfield of Kena Temple and Robert Wulbern, who is an architect from Washington, D.C. For the first time, he has given us a detailed blue print of the room where everything is located. Also, Wayne has gone in and helped to rearrange some areas that needed to be rearranged—in other words, they have taken some of the obsolete showcases down into the basement so that, in turn, we can have room which we can use to upgrade and update the Shrine Rooms East so that you will be proud of them and the people that desire to go through there to observe the historic facts concerning the Shrine of North America will be just as pleased with being able to view these artifacts as you are.

Now, I do not know whether or not I will be reappointed to this Committee but it is now set up to go and if I am reappointed, I think you will be pleased with your visits to the George Washington Masonic Memorial, Alexandria, Virginia.

If you have a class, a Masonic class that is going to Washington, D.C., please make sure that they have an opportunity to visit that building. It is one of the grandest monuments, not only to George Washington, the Father of our Country, but also all of the Masonic Fathers.

The historic Masonic Room, I might add, is still being used by one of the Blue Lodges, and I think it is Alexandria Lodge No. 1, also by the Scottish Rite, the York Rite and also the Grotto.

All of the bodies have rooms that they keep up as show places for those who visit our nation's Capital. If you have anyone that is going in that direction, please have them stop and see this exhibit. They will certainly be impressed by the beauty of this.

Thank you. (Applause)

...Business was transacted in the Colorado Corporation at this time...

PAST IMPERIAL POTENTATE BRACEWELL: Now, for what I know will be the most exciting and enjoyable part of this afternoon's program.

Previously, I had an opportunity to serve as Chairman of Public Relations and I thought we had a pretty good time and also had a few accomplishments. Then our Imperial Potentate, Everett Evans, followed me as Chairman and he did a fantastic job and I thought that nobody was ever going to be able to do a better job than that as PR Chairman and then this next Noble and Imperial Sir was appointed as Chairman of Public Relations and he has exceeded everyone's wildest expectations. He has done a fantastic job as Chairman of the Public Relations Committee.

I know he has a wonderful show for you this afternoon and a wonderful story to tell that all of you will enjoy.

Therefore, at this time, please bring on with a round of applause our Imperial Chairman of the Public Relations Committee, Imperial Sir John VerMaas.

...Applause ensued as Imperial Sir VerMaas approached the podium...

IMPERIAL SIR JOHN VERMAAS: Thank you, Imperial Sir Gene.

Imperial Potentate Evans, Imperials, Grand Masters, Illustrious Sirs, Members and Representatives of the Imperial Council, Ladies and Special Guests: Good afternoon and welcome to what we believe will be one of the most memorable presentations of this One Hundred Nineteenth Imperial Council Session.

I do not plan on standing up here for thirty minutes and giving you a report on PR activities that all of you can read for yourselves in the annual report.

But I do want to mention that this past Imperial Year was characterized by a highly successful Public Relations Program which earned the Public Relations Department a total of no less than twelve awards in a number of prestigious award competitions including the New York Film Festival and the U.S. International Film and Video Festival, among others. This is a list of the competitions in which the special recognitions were earned.

And, by the way, I mention this to you not so I can stand up here and boast as Chairman of the Imperial Public Relations Committee—but because competitions like these give us a chance to see how our efforts stack up against those of other organizations and companies from throughout North America and, in some cases, around the world.

And I think what we have seen this past year bears out what we have been saying for years now—which is namely that the materials coming out of the Public Relations Department in Tampa are on a par or better than those of any other organization or company around.

Before I introduce the premier of our special patient success film for this year, I want to tell you about the success of a campaign which is now in its second year, and with your help, has become the most successful campaign of its kind in the history of the Shrine and Shrine Hospitals.

[Slide]: It was two years ago in San Francisco at the Imperial Council Session that the "Shriners Help Kids" campaign was unveiled featuring the largest number of campaign elements utilizing a single theme of any campaign in our history. Everything from billboards and truck decals to mall dioramas and newspapers rack stand cards. And, thanks to all of you—thanks to Shrine Temples, Shrine Clubs and Shriners Hospitals everywhere—over 30,000 different items have been distributed bearing this recognizable "Shriners Help Kids" campaign theme.

[Slide]: The hustle and determination of Nobles all across North America have made the "Shriners Help Kids" campaign the most visible and successful of any similar campaign in our history and, believe me, it would not have been possible without you.

We say it all the time—in Seminars, at Association Meetings—and we "preach it" in our publications. We say we can produce award winning materials day in and day out, but if they do not get used, we might as well just throw them in the trash—they will not do anybody any good.

Well, thanks to you Nobles and the Nobility in your hometowns, the campaign is helping to get the word out as never before. More and more people are learning that we may be a fun loving Fraternity—but we are a Fraternity with a mission—and that mission is to help kids.

Nobles, give yourselves a hand for your hard work and dedication over the past twelve months—you

are the ones who have really made it possible. (Applause)

That is the best hand anybody has gotten all week—but you deserve it.

One more thing before we get to the reason you came this afternoon. I believe you should see a public service campaign before we send the tapes out to radio and TV stations—instead of after—and I think you are going to like what we have to show you.

...Public Service Campaign video ensued... (Applause)

IMPERIAL SIR VERMAAS: In the past we have used a lot of celebrities as what they call in the industry “Host Presenters”—basically people who help us tell the story of Shriners Hospitals. But we started thinking about a new campaign that would use some people who know us better than Burt Reynolds, Delta Burke, William Shatner, Barbara Mandrell or any of the other celebrities we have used in the past could ever know us—the parents of the kids we have helped.

So even-though these public service announcements will not be distributed until this coming fall, we wanted you to have an opportunity to see the three new PSAs which represent what we believe is a powerful testimonial to the work of our Shriners Hospitals.

... Video of public service announcements to be used then ensued...

IMPERIAL SIR VERMAAS: How did you like them? (Applause)

As I said, these PSAs are not available yet—we just completed producing them. But they will be distributed this coming fall.

The gentleman in that second PSA—the police officer—is from right here in San Antonio. He is one of “San Antonio’s finest” and we produced that public service announcement from a much longer interview that was done with Officer Ortiz and I am not quite sure you get the full sense of just how he feels about the Shrine and Shriners from the sixty seconds you saw. Let us take a look at a little of the interview we did with Officer Ortiz.

...Video of interview with Officer Ortiz ensued...

IMPERIAL SIR VERMAAS: I think all of you will agree helping folks like Officer Ortiz and his young son is what it is all about and Officer Ortiz feels so strongly about the help that he and his family received that he wanted to be here today to personally thank all of you.

Please help me welcome Officer Alex Ortiz and his son, Alex, Jr.

...Applause ensued as Officer Ortiz and his son approached the podium...

OFFICER ALEX ORTIZ: Ladies and gentlemen, you have touched my heart.

A few months ago, Alex could hardly walk but, I ask you, does he not walk nice now. (Applause) You did this.

I want to share something with you so please bear with me.

I want to take this opportunity to thank the Shriners for the wonderful help that they provided to my son. My family and I wish all of the blessings of the Lord on you and your great cause.

I also know that there will be a lot of delegates hitting the streets of this nation and also Canada and Mexico to help keep these hospitals afloat. To you I say, “Continue to knock on that door and it will open—‘seek and you shall find and it shall be given to you’.”

I also feel very strongly in my heart that when these words were uttered they had Shriners in mind. “Blessed are the people, for they shall be called children of God.” I know that you Shriners are doing the work of the Lord.

You go forward and bring peace and meaning to a child and his family.

Also, “When you did this for the least of my brethren, you did it for me.” You are doing the Lord’s work.

Also, I want to ask you people for one big favor. When you leave this Convention and you leave my city and you go out into the United States of America, to Canada and to Mexico, and you meet those people that help you, I want you to meet them with a big heart and a kiss. Say to them, “Alex Ortiz asked me thank you.”

God bless the Shrine. (Applause)

ALEX ORTIZ, JR.: Ladies and gentlemen, I would like to also take this time to express my gratitude to you for all of the wonderful things that Shriners have done for me.

I was scared as a child, knowing that I was going to have surgery, that they were going to cut me open but then just going to that hospital and seeing those children made me realize that what I had was nothing. Those children were so happy that I could not help also be happy with them.

Throughout my stay at Shriners Hospitals, I was so happy with all of the children—we played together, talked to each other, told each other different stories about what had happened to us and, by

doing that, there was no way that I could feel bad.

I would like to thank you from the bottom of my heart. Thank you very, very much. (Applause)

IMPERIAL SIR VERMAAS: I would just like to say basically, I guess, life is not fair but God is good. Things do change, there does come a change of perspective through faith in God, as Officer Ortiz and his son have found out.

I would also like to say for myself that when the doctor comes in and sees a patient and says, "You have cancer," it changes your perspective of life. The sun looks a little bit brighter and the light looks a little bit different.

I am sure that when the phone rang for Everett and Maxine Evans, indicating that their daughter had lost her leg, that certainly they felt, in turn, that life was not fair.

Also, for some of the other children that we have here, our special guests, I am sure that when they were born without a part of their bodies, that their thoughts also were that life was not fair. This was the same way with others and when Darla Hansen was burned over eighty-five percent of her body, that her parents likewise felt that life was not fair.

Also, you will see in our movie today that the parents of Diane Auman also felt that life was not fair—that sometimes the Lord has other things in mind and, in turn, good things come from that and so, to each of you, let me say that we have to look at that better perspective.

I had a good number of people come up to me in Orlando last year after we presented the Darla Hansen story and say to me, "How are you going to top this next year?" And our Imperial Potentate, Everett Evans, told me he had the same thing happen to him the year before when he was Chairman of the Imperial Public Relations Committee. They came up to him and wanted to know what he was going to do to top Beth Cole and Tony Volpentest's story.

But I have to tell you, and I am sure Imperial Sir Everett would agree, we are not up here trying to "top" the previous year when we introduce you to the special youngsters we highlight every year at this Imperial Council Session. And I do not think it is fair to compare these youngsters because they are all special and they prove two things—first, that having a disability does not disable a person and, second, that all of our hospitals produce winners.

As we have said before, if our success as Shriners is measured in the success of those we help, then we have probably succeeded beyond the wildest expectations of those Nobles who, back in 1920, charted a course for what has become the finest network of children's hospitals in the world.

I do not think the Founding Fathers could have envisioned a network of hospitals that would produce young people like Tony Volpentest, Beth Cole, Michelle Holdorf, Darla Hansen or the subject of this year's patient film, Diane Auman. Diane comes from just outside my hometown of Lincoln, Nebraska and she has become sort of a folk hero in those parts. As one of the people we interviewed for the film told us, Diane is the kind of a young woman you would like your daughter to grow up to be. She is an inspiration and serves as a shining example of what we would hope all kids we help at Shriners Hospitals could turn out to be.

...At this point, a video entitled "The Diane Auman Story" ensued...

IMPERIAL SIR VERMAAS: And with that, Nobles, ladies and Gentlemen, please help me welcome Diane Auman.

... At this point, Miss Auman was wheeled to the front of the stage playing a baby grand piano and rendering a musical selection... (Applause)

IMPERIAL SIR VERMAAS: Let me say that we think that Diane is very special back home, too.

Now, at this time we do have with us two special guests and at this time I would like to introduce to you Merle and Marilyn Auman, the parents of Diane and perhaps they would like to come up on the stage and say a few words and, while they are coming up, let me say that it gets kind of tough when you are this close to the parents and to Diane because we come from the same hometown and Merle is in the same kind of business as I am but, in reality, we are just poor old husbands. (Laughter)

Perhaps, Marilyn, you might like to use this microphone over here.

MRS. MARILYN AUMAN: Thank you very much, Shriners, for all you have done. I know that you have gone through a lot of work to raise these funds for a lot of different kids and, on the part of my family, it likewise is very much appreciated.

You know, when Diane was little, we wondered whether or not she would ever be able to do anything. We knew that she was interested in sports and so when it came time to ask the Shriners if there were any attachments that can be used, we were surprised at their reply. They were always willing to give all of the help they could.

With that, I just want to thank you so very, very much for everything you have done.

I also want to thank you for this trip to San Antonio. It is my first time here and it has been really great. Also, a special thanks to John VerMaas, to Mike Andrews and all of the staff for working with us. I am sure it took a lot of patience on their part. Everyone has been so nice to us and so, again, we thank you.

I would also like to say that my faith is very important to me. We have always tried to do what is right. We tried to teach Diane about the Lord and help her to believe in Him.

We thank all of you once again for caring about Diane's problems and helping her as you have. Thank you very much. (Applause)

MR. MERLE AUMAN: You know, I think that Marilyn has said about almost everything I could have said and, as you know, women usually tend to do that. (Laughter)

There are, I suppose, a lot of things that can be said in relation to just the idea of people like you helping out, stretching forth your arms to us and helping out in any way that you can.

There were times when it got a little rough for Diane, especially when she was at a younger age, when she hit the stairs and things like that but eventually you tend to overcome some of these frustrations. Diane, as a matter of fact, has learned to overcome a lot of things.

I thank you for what you have done for us, also for bringing us down here to San Antonio and, also, our thanks once again to John VerMaas, Mike Andrews and the other staff people that have made it a great time for us. For all of this we thank you. (Applause)

IMPERIAL SIR VERMAAS: At this time we would like to again have Diane, our special guest, come out here once again.

...Whereupon, Diane returned to the stage dressed in a volleyball uniform...(Applause)

IMPERIAL SIR VERMAAS: Diane, the microphone is yours.

MS. DIANE AUMAN: I guess the only thing that I can say to you is "thank you." Also, let me say that I did not know there were so many people here. (Laughter)

Without your support, the support of others as well, I would not be standing here right on your stage at this moment.

Therefore, once again, I thank you for everything that you have done for me. (Applause)

IMPERIAL SIR VERMAAS: You know, we practiced this previously but we are not sure whether or not it will work at this point in time. However, we are going to see if we can give somebody in the audience a souvenir.

...Whereupon, Imperial Sir VerMaas tossed a volleyball to Diane who, in turn, with both hands, hit it into the audience...(Applause)

IMPERIAL SIR VERMAAS: Imperial Sir Everett, I know that Diane would love to present this autographed volleyball to you.

...Presentation of autographed volleyball and applause ensued...

IMPERIAL SIR VERMAAS: Let me also announce that there is going to be a video copy of Diane's story for each of the various Potentates of the various Temples. It will be back at the Public Relations Office waiting for you to pick up and take home with you.

At this point, Imperial Sir, we would hope that you would accept our report.

...Laughter and applause ensued...

IMPERIAL POTENTATE EVANS: Congratulations, John and Mike, and thank you so very much for everything you have done. Of course, our Chairman of the Board of Trustees likewise worked hard on this program.

If there is anybody out there who does not like this report, come and see me. (Laughter)

Thank you so very much for your attendance and I know for those of you who wish to talk with Diane, you will have the opportunity to come up to the stage after this meeting is adjourned.

God bless all of you and thank you for being here.

I am sure, John, that this indication of applause was also an indication for the acceptance of your report.

Again, we invite any of you to come up here on the stage and talk to these fine people who are up here.

This meeting is now adjourned.

...Whereupon, the One Hundred Nineteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-forty-five o'clock p.m....

MORNING SESSION
WEDNESDAY, JULY 7, 1993
NINE O'CLOCK A.M.

The One Hundred Nineteenth Annual Session of the Imperial Council was reconvened in the Convention Center, San Antonio, Texas, at nine o'clock a.m., Imperial Potentate Everett M. Evans presiding.

IMPERIAL POTENTATE EVANS: Will you all please take your seats. I would like to call this Session to order at this time.

Let me indicate to you we have a long day ahead of us today in order to get our business over with on time and I know you are as excited about getting done as I am. However, if you will cooperate with us, we will attempt to get you out of here as quickly as possible.

At this time, I would like to recognize our Imperial Chaplain for the Invocation.

IMPERIAL CHAPLAIN LOFTIS: Our most precious Heavenly Father, as we wind down this wonderful Session of this Meeting of the Nobility, as we look at all of the good things that have happened in the past, let us, at this time, have in our minds that wonderful service of our Imperial Potentate-Elect, Tony Bukey.

Heavenly Father, You are the only one that knows of all of the thoughts, the actions, the plans, the service, the sacrifice. Let us all be grateful to him and others like him in the past that made us the wonderful Fraternity that we are.

Also, Heavenly Father, we ask Your blessings on every person in this meeting today. Bless their homes and their loved ones.

Also, guide and direct our activities that the decisions we make today will be pleasing to Thee, for it is in Your precious name we pray. Amen.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: At this time, I would like to call on Bob Turnipseed to present the report of the Insurance Committee. I do not know who he all has here with him but I am sure he will present them.

With that, will you please proceed, Bob.

IMPERIAL SIR TURNIPSEED: Imperial Sir, Imperial Sirs, Fellow Delegates, I am Bob Turnipseed, Chairman of the Insurance Committee.

Two of the Imperial Officers, Imperial Sir Burt Ravellette and Imperial Sir Bob Bailey, serve on this Committee along with me.

Now, over the past year, we have been asked at every association meeting and received numerous letters concerning insurance for the Nobility and insurance for the employees of the various Shrine Temples.

We commenced an investigation in order to find out the types of insurance that might be needed and also to provide for these insurance services.

We have had a twenty-five-year affiliation with Alexander and Alexander through our hospital corporation. They have a solely owned subsidiary called Paul Burke and Associates out of the Twin Cities in Minnesota, whom we have interviewed with and we have put a program together with and, further, it has been approved by the Joint Boards, whereby the Shrine and also the Nobility, their spouses, bona fide Temple employees and their spouses for an insurance policy involving supplemental health—cancer, accidental death and so on.

We need to give our Nobility some relief in relation to insurance.

You know, with the changing times in relation to the new Administration, we do not know what the new healthcare service will be like.

We do, however, believe that a lot of the Nobility, and our average age is sixty-six years, if they have retired from a corporation that had insurance benefits, that a lot of these will be cut out. What we are offering is an insurance program, a direct mailing service and at no cost to the Shrine of North America.

It is a type of service that will say to these individuals, "If you like it, if the premiums are good, buy it. If your local insurance broker in your hometown can provide you with a better service and better benefits at a lower price, purchase that. In other words, purchase it from him.

This is strictly an offer to the Nobility who do not have a mass purchasing power with lower premiums.

I am having passed out through the audience now a brochure that we had prepared explaining some of the benefits.

Now, Imperial Sir, at this time, I have two insurance people from the insurance agency and, Imperial Sir, at this time I would request unanimous consent of the Representatives that we allow David Vrieze, a non-Representative, to present information in the form of a slide presentation about this matter to the Imperial Council Session.

IMPERIAL POTENTATE EVANS: You have heard the request, are there any questions? Let me ask you, was there a second to that request?

...The request was then severally seconded...

IMPERIAL POTENTATE EVANS: The request has been seconded.

Is there any discussion?

If not, all in favor of granting this permission please say aye; opposed nay. The request is unanimously granted.

Carry on, Bob.

IMPERIAL SIR TURNPISEED: At this time I would like to present David Vrieze from Paul Burke and Associates and also John Veale, our Insurance Risk Manager.

Let me say that Mr. Vrieze is the Senior Vice President of Paul Burke and Associates out of Twin Cities and he will make a presentation, a slide presentation and then, following that, we will entertain a question and answer period.

We are asking you to look at this and then support item No. 11 as contained in the Call so that we can enhance this program through direct mail by using the signs and symbols of the Order.

With that, I will now call on David.

MR. DAVID VRIEZE: Good morning, everybody.

Just a moment, I am attempting to get our slides to work properly here.

Now, the first thing that I want to do is that we want to move quickly along here.

I want to thank you. It is a privilege and an honor for me to be before you today.

I would be remiss, however, if I did not tell you that I have spent five days here in San Antonio with you and they have been five wonderful days. Your hospitality has been phenomenal.

I went home last night, called my wife and she found it very difficult when I attempted to explain to her that I had just come home from a party with several thousand close friends. However, let us get on with the insurance program.

Now, we want to talk about a benefit program for the Nobility of the Shrine.

[Slide]: Today I want to talk about as to what this program encompasses, what it can do, how we became involved and how we propose to help you with it.

Gail represents Paul Burke and Associates and we are a wholly owned subsidiary of Alexander and Alexander, which is the world's largest retail insurance brokerage and the second largest insurance and financial service firm in the country. Our business is providing membership insurance programs for affinity groups of all sizes—groups from several million to groups of merely several thousand.

Now, what can a sponsored Membership Benefits Program do for you?

Let me start out by saying that several months ago, the Imperial Council came to us, along with the Insurance Committee and John Veale and asked us if we could help put together a Member Benefit Program.

The question was asked—"Can a Membership Benefit Program help us attract new members and also help us retain our existing members?" We responded with an unequivocal "Yes, it can."

A Membership Benefit Program, as you might know from perhaps your associations in other organizations, does exactly that or otherwise people in other organizations would not have them.

It gives another reason for an individual at the appropriate time in his path through Masonry to make the appropriate Shrine decision.

Now, people will not necessarily do it just because of a sponsored Benefit Program but it is one additional reason.

It is also, once a member is a Shriner, as Imperial Sir Turnipseed pointed out, it gives one additional reason for remaining a Shriner to make the decision to spend those discretionary dollars on membership dues.

It does aid membership attraction and, further, it does aid membership renewal rates.

There is an interesting slide that I have, and I wish that you could see it, that says "risk." There is a red circle around it with a line through it. There is no risk to the Shrine, there is no financial risk, there is no insurance risk. Also, there is no risk to the Temple. As a matter of fact, everything is totally vol-

untary. For example, if an individual member desires to raise his hand and say, "I like that," then they can raise their hand and say, "I would like that."

All the financial risk is borne by the appropriate insurance companies that we recommend and that your insurance group ends up selecting.

The types of programs that we are offering initially and which we propose to you are supplemental programs. They are made up of programs such as accidental death, cancer, Medicare supplement and supplemental hospital projections.

[Slide]: Now, you may not be able to see this slide from in the back of the room but essentially we do have some typical costs in relation to those kinds of programs ranging from \$75 a year to \$1,350 a year for the Medicare supplement program.

We have also proposed—well, last Sunday I proposed at a meeting I had with the Recorders Association, we proposed a program for Temple employees, a comprehensive major medical program with a choice of various insurance programs and insurance companies that will benefit those employees of the Temple.

Generally speaking, a sponsored insurance program harnesses the buying power of a large organization like you, resulting in generally cost savings and tailored benefits that we can adapt specifically to Shrine members.

Now, why should the Shrine do this?

Obviously, of course, there is the aspect of membership attraction and retention, but also there is the aspect of your membership asking for these kinds of programs.

You should now or you soon will have a brochure and on the front is a letter from a gentleman, it is a real letter sent to the Benefits Manager of the Shrine of North America at Tampa.

Our proposal and the proposal of the Insurance Committee is really in response to that letter.

Further, I want to emphasize that this program again is strictly voluntary.

A member can raise his hand and say, "Yes, I want it, I will apply for that."

It involves easy enrollment, privacy of the member's own home, toll-free customer service, all services provided by PBA.

We administer the programs on your behalf and for the various insurance companies that we may select or recommend for various programs. Further, even though we may have five programs with five insurance companies, there will be one single toll-free number for the Nobility to call with their questions.

It is convenient. We will bill the members, they can pay by credit card, they can pay by preauthorized check or even electronic funds transfer and, finally, everything is strictly confidential.

Further, the execution of this program is done by us.

We use basically direct mail as well as developing advertisements, brochures, news articles, etc., for individual Temple Newsletters.

Direct mail is really the most cost effective method of reaching the membership.

There will be no telemarketing. It will only be in-bound—the member initiates any personal contact with regard to the program.

Further, with regard to mailing lists, all mailing lists are protected. They are not our property. They are maintained under very secure conditions and we use them only with your permission.

Also, in terms of getting this thing going directly, let me say that it offers one more advantage. It allows you the opportunity to test the waters before any program is made available across the country.

We may select a random number of the Nobility to receive a test package with a product. We will be able to gauge the response. If the response is positive, it then goes to the entire membership. On the other hand, if it is not, we will not embarrass the individual Temples nor the Shrine of North America by having a product that really is not desired or needed in the marketplace.

PBA, as I said, is a wholly owned subsidiary of Alexander and Alexander. We were asked by the Imperial Council last February to meet with the Insurance Committee at Tampa, Florida, and since that time, there have been an incredible number of hours spent working with several people and most specifically your Imperial Sir, Bob Turnipseed, Burt Ravellette and Bob Bailey. An incredible amount of time has been put in with us working with these individuals in the development of a program.

We have over twenty-five years of affiliation with the Shrine. We are extremely proud of that. We have no other Masonic or other fraternal conflicts of interest, have no other clients in that regard.

Now then, let me talk for a moment as to how the program is implemented and how we go to work.

First of all, we have to do more research. It has been great, the five days that we have spent being

here, getting to know you people and knowing what you want and also knowing of your concerns. However, on the other hand, we need to do a little bit more formal research to find out what it is your members really, really desire.

The next thing that we will do is that we will propose to the Insurance Committee several insurance products. Right now I have on my desk some twenty-eight insurance proposals for about five different products, preliminary, from about eight different insurance companies. We have begun our analysis but whatever we recommend, we will be competitive in the marketplace. It must be, if it is going to be effective.

We will develop a marketing plan, we will present that to the Insurance Committee, we will implement some test mailings, we will report the results to the Insurance Committee and then we will get to work in rolling out the program for the membership across the country.

Also, in conclusion, I would like to remind you that your leadership advocates this type of program, this type of Membership Benefit Program, which will hopefully allow your members to get maybe a better deal on insurance. However, more importantly it will give them the motivation to make the decision to be a Shriner and stay a Shriner.

This is a simple process, there is no risk, it is strictly voluntary and we at PBA and Alexander and Alexander are very proud and happy to be working with you folks on it.

Thank you again for everything. (Applause)

IMPERIAL SIR TURNIPSEED: Thank you, Bob.

Also, Fellow Representatives, thank you for your time in listening to our program. We urge you to give consideration to this matter when item No. 11 comes up.

We do have present here our Insurance Manager, John Veale, from Tampa. He will be out in the lobby, along with the two representatives from Paul Burke and Associates and so if you have any personal questions that you might want an answer to, you can get together with these individuals and they will be more than happy to meet with you.

Again, thank you very much, Imperial Sir.

IMPERIAL POTENTATE EVANS: Thank you so very much, Bob. That is a good report and we appreciate these individuals being here to explain it to us and, further, I know it is something that a number of Representatives have been interested in for quite awhile.

At this time I will call on Roger Scott from J and L to give the report on this issue.

NOBLE SCOTT: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 11 on the Call of the Annual Session of 1993, beginning on page 25 of the Call. It is a resolution of the Imperial Insurance Committee regarding group insurance.

The reason reads as follows:

RESOLUTION

WHEREAS, the Imperial Insurance Committee is satisfied that it would be in the best interests of the Order to determine whether insurance for various risks including, but not limited to, accident, life, cancer, Medicare supplement, supplemental hospital, auto, homeowners, long term care and home health care, can be offered to the Nobility at reasonable and competitive premiums;

WHEREAS, if any such insurance can be offered to the Nobility at reasonable and competitive premiums that it would be an additional incentive for maintaining membership in the Order and an additional incentive for becoming a member of the Order.

WHEREAS, the use of the word "Noble" or "Shriner" and terms, signs and symbols of the Order would enhance the potential of such a program;

NOW, THEREFORE, BE IT RESOLVED, that the use of the foregoing words, terms, sign, symbols and membership lists of the Order in association with such an insurance program, if offered to the Nobility, is hereby approved.

The Committee reports that the resolution is in proper and legal form and its passage will not conflict with any provision of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS:

Walter S. Pettit, Jr., Chairman
 Roger Scott
 Robert E. Cooper
 Theodore Corsones
 Leonard W. Smith
 Alex L. Rogers
 James M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Imperial Sir Robert N. Turnipseed, Chairman of the Imperial Insurance Committee, for an appropriate motion and statement.

IMPERIAL POTENTATE EVANS: The Chair recognizes Imperial Sir Bob Turnipseed.

IMPERIAL SIR TURNIPSEED: Imperial Sir, I would make a motion that item No. 11 in the Call be approved as stated.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: The motion has been made and seconded that this item be adopted.

Is there discussion?

NOBLE C. E. LEESON [Aladdin Temple]: The question I have is this—that with this type of a program and considering the age of a number of members that we have, have they also considered the fact that this plan should also guarantee insurability which, I am sure you will agree, should be the key concern of all of us.

Any program that we put together might, in a way, provide us with perhaps lower premiums but then the major concern with most of us, most of our older people, will be guaranteed insurability and I request that that particular aspect of it be directed.

Thank you.

IMPERIAL POTENTATE EVANS: You know, that is such a simple question, I am going to ask Imperial Sir Turnipseed to answer it. (Laughter)

IMPERIAL SIR TURNIPSEED: Thank you, Imperial Sir.

I can assure you that it is lonesome at the bottom of the Line. (Laughter)

However, yes, you will have guaranteed insurability. They will come out with question areas, as all insurance companies do, and there are also certain risks and clauses contained within it but, as we understand it, insurability will be guaranteed.

IMPERIAL SIR RAVELLETT: I might add to that that it will be done in accordance with actuarial tables and when you put a guarantee on it, and you kind of have to work that way, it would reflect what the market is and also the hope that we would be competitive through our mass purchasing of this type of insurance in relation to whatever category it is.

IMPERIAL POTENTATE EVANS: Are there any further comments?

ILLUSTRIOUS SIR ED MAAG [Ainad Temple]: Imperial Sir, I would like to speak to Imperial Sir Turnipseed, please, if I may.

I do not rise in opposition nor in favor of this because I do not know enough about it as yet but, with your permission, I would like to ask you a few questions.

IMPERIAL SIR TURNIPSEED: Be my guest.

ILLUSTRIOUS SIR MAAG: First, is it contemplated that the Imperial Council, the Iowa Corporation, shall in any way benefit financially by way of commissions from Alexander and Alexander or the insurance underwriters who are underwriting this program?

Also, secondly, do you anticipate or expect as a part of this plan that individual Shrine Temples shall benefit financially by rebate of commissions from these policies?

IMPERIAL SIR TURNIPSEED: To answer your question, sir.

No benefit to the Imperial Shrine of North America nor will any of the 191 Temples will receive a benefit. All expected premium commissions will be rolled back into lower premiums.

ILLUSTRIOUS SIR MAAG: Sir, I am assured and I thank you.

IMPERIAL SIR TURNIPSEED: Thank you very much, Illustrious Sir.

...At this point, the question was severally called for...

IMPERIAL POTENTATE EVANS: There has been a call for the question.

I believe you are ready to vote. However, again, I would like to inform you that this only involves a simple majority vote.

All in favor of this item please say aye; those opposed. It is so carried. Thank you very much.

IMPERIAL SIR TURNIPSEED: Thank you, Nobles.

IMPERIAL POTENTATE EVANS: We will next proceed to item No. 12 on the Call and I will recognize Noble Rogers from the J and L Committee for the purpose of presenting a report.

NOBLE ROGERS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 12 on the Call of the Annual Session of 1993, beginning on page 25 of the Call. It is a resolution of Islam Temple to change its location.

The resolution reads as follows:

RESOLUTION

WHEREAS, Islam Temple, San Francisco, California, has requested that its location be changed from San Francisco, California to San Mateo, California;

AND WHEREAS, it appears that Islam Temple has complied with §322.5 of the Imperial Bylaws;

AND WHEREAS, it appears to the Imperial Council that the move would be in the best interest of the Order;

NOW, THEREFORE, BE IT RESOLVED, that the proposal to move Islam Temple from San Francisco, California to San Mateo, California be approved and that the charter of Islam Temple be amended accordingly.

The Committee reports that the resolution is in proper and legal form and does not conflict with any provision of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir George H. Follett, a member of the Dispensations and Charters Committee, for its report.

IMPERIAL POTENTATE EVANS: The Chair will recognize Illustrious Sir George Follett.

ILLUSTRIOUS SIR FOLLETT: To the Representatives of the Imperial Council: Item Number 12, located on pages 25 and 26 of the Call to this Imperial Session, was referred to your Committee on Dispensations and Charters. Item Number 12 is a proposal to change the location of Islam Temple from San Francisco, California to San Mateo, California.

A hearing on this proposal was held by your Committee on Saturday, July 3, 1993. No Noble appeared in opposition to the proposed Temple move.

Your Committee concluded that Islam Temple followed the proper procedure in adopting a resolution to change its location; that more than two-thirds of the Temple members voting were in favor of the change; that the result of the election was certified to the Imperial Recorder at least sixty days before this Session; and that the move would be in the best interest of the Order and the Temple.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir Terence A. Quedens, Potentate and Representative of Islam Temple, the proponent of this resolution, for an appropriate motion.

IMPERIAL POTENTATE EVANS: I will call upon Illustrious Sir Terence A. Quedens.

ILLUSTRIOUS SIR QUEDENS [Potentate, Islam Temple]: Imperial Sir, Imperial Sirs and Representatives, I respectfully request that the resolution submitted in relation to item No. 12 regarding our relocation from San Francisco to San Mateo, California, be approved by the Imperial Council and the Representatives of this Session.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: You have heard the motion and the second.

Is there any discussion?

If not, all in favor please say aye; those opposed. It is unanimously carried.

I will next refer to Buddy Tingle of the Committee on Jurisprudence and Laws.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 13 on the Call of the Annual Session of 1993, beginning on page 26 of the Call. It is a resolution of Syria Temple to change its location.

The resolution reads as follows:

RESOLUTION

WHEREAS, Syria Temple, Pittsburgh, Pennsylvania, has requested that its location be changed from Pittsburgh, Pennsylvania to Harmer Township, Pennsylvania;

AND WHEREAS, it appears that Syria Temple has complied with §322.5 of the Imperial Bylaws;

NOW, THEREFORE, BE IT RESOLVED, that the proposal to move Syria Temple from Pittsburgh, Pennsylvania to Harmer Township, Pennsylvania be approved and that the charter of Syria Temple be amended accordingly.

Your Committee concluded that Syria Temple followed the proper procedure in adopting a resolution to change its location; that more than two-thirds of the Temple members voting were in favor of the change; that the result of the election was certified to the Imperial Recorder at least sixty days before this Session; and that the move would be in the best interest of the Order and the Temple.

NOBLE ROGERS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 18 on the Call of the Annual Session of 1993, beginning on page 27 of the Call. It is a resolution of the South Central Shrine Association to add Acacia Temple of Baton Rouge, Louisiana to the Association. Such resolution reads as follows:

RESOLUTION

BE IT RESOLVED, that the Imperial Council, pursuant to §209.1(b) of the Bylaws of the Iowa Corporation approve the proposal of Acacia Temple and the South Central Shrine Association to change its membership by adding Acacia Temple of Baton Rouge, Louisiana, to its jurisdiction and that the charter of such association be amended accordingly.

IMPERIAL POTENTATE EVANS: The Chair will recognize Illustrious Sir Vance Reed.

ILLUSTRIOUS SIR VANCE REED: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Resolution 18, which is located on page 27 of the Call for the Annual Session of 1993. It is a proposal requesting an amendment to the Charter of the South Central Shrine Association by adding Acacia Temple thereto. This association of Temples was originally organized in 1978. Acacia Temple had adopted a resolution at its April stated meeting to join

the association, subject to the approval of the Imperial Council.

Your Committee found that this association has abided by its Charter by limiting its activities to holding conventions for purely fraternal purposes; that Acacia is a nearby Temple; that Acacia Temple would add to the vitality of this association; that Acacia Temple would abide by the purposes of this association; and that the proposal has complied Section 209.1 (b) of the Bylaws of the Imperial Council.

It is our unanimous opinion that this change in membership would be in the best interest of the Order and this association of Temples.

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir Harold J. Lassabe, Potentate and Representative of Acacia Temple, the proponent of this resolution, for an appropriate motion.

IMPERIAL POTENTATE EVANS: The Chair will recognize Illustrious Sir Lassabe, Potentate and Representative of Acacia Temple.

ILLUSTRIOUS SIR HAROLD J. LASSABE [Potentate, Acacia Temple]: Imperial Sir, Imperial Sirs and Representatives: I make a motion that this resolution be adopted.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: It has been moved and seconded that this item be adopted.

Is there any discussion?

If not, all those in favor indicate by saying aye; those opposed nay. It is unanimously carried. Thank you.

At this point, perhaps you should take an opportunity to briefly stretch your legs a second while I make this presentation to you.

You know, there was a time when our bands were really not very good and they were falling apart and this Noble took it upon himself to attempt to put them back together and did a wonderful job. At any rate, I think you will have to agree that they are a lot stronger than they used to be.

Therefore, at this time, we wanted to take this opportunity at this time to honor him for all of his hard work. This plaque is being presented to Noble Robert C. Richards and it reads as follows.

...Whereupon, the words of commendation and appreciation indicated on the plaque were read to the Representatives...

IMPERIAL POTENTATE EVANS: You know, there is not a parade that would really be a parade without a Shrine Band in participation and we thank you so much for everything that you have done.

...Presentation of plaque and rising applause ensued...

NOBLE RICHARDS: Imperial Sir, Imperial Sirs and Representatives, I want to thank you so very, very much for presenting me with this plaque. It certainly was a great honor, an unexpected honor and I might also add, we are just getting started with this project. Again, thank you so very, very much. (Applause)

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: At this time I would like to call on Walter Pettit.

ILLUSTRIOUS SIR PETTIT: Imperial Sir, Imperial Sirs and Representatives, my congratulations to you for resolving the resolutions indicated in your Call so rapidly but with the appropriate considerations.

I have at this point in time another withdrawal which concerns item No. 4. This is for your consideration.

To the Representatives of the Imperial Council: We hereby request the permission of this Imperial Council Session to withdraw Item Number 4 of the Call for the Annual Session of 1993.

This is signed by the proponent Illustrious Sir Donald R. Hollingbery, Past Potentate and Representative of Masada Temple:

/S/ Donald R. Hollingbery

Imperial Sir, withdrawal requires the unanimous consent of the Representatives. Therefore, I would recommend to you that you ask the Representatives whether or not they will grant their unanimous consent, and if withdrawn, I would further move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred, be discharged from further report. I would so move. ...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: You have before you the motion and a second to withdraw item No. 4 from the Call. Also, again to remind you, to effect this request, it requires the unanimous consent of all the Representatives.

All in favor of withdrawal indicate by saying aye; opposed nay. It is unanimously carried and the item will be withdrawn.

ILLUSTRIOUS SIR PETTIT: I would now like to ask you to get your Call out. You will need it because of the nature of this report which concerns item No. 9.

You have been considering resolutions which required a majority and all of those resolutions now going into the Call have been concluded. Now, the remainder of the matters on the Call concern themselves with amendments to the Bylaws of the Iowa Corporation, which will require a two-thirds vote.

This is a report of the Committee on Jurisprudence and Laws of the Iowa Corporation.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 9 on the Call of the Annual Session of 1993, beginning on page 24 of the Call. It is a proposal to amend §335.2 of Article 35 of the Bylaws of the Iowa Corporation, by adding certain language so that such section as modified would read as follows:

ARTICLE 35 Prohibited Practices

335.2 Improper Advertising

(a) Prior Approval. The use of the word "Noble" or "Shriner" or any variation thereof, or any term, sign or symbol of the Order, for commercial or other business enterprises, is prohibited unless specifically approved by:

(1) A majority vote of the Representatives present during the Annual Session of the Imperial Council; and any proposal to allow the use for such purpose shall first be sent by a Representative to the Imperial Recorder, in writing, and in the form to be proposed, at least sixty days before the session of the Imperial Council at which it is to be submitted; and every such proposal shall be published with the notice of the session: or

(2) A majority vote of the Board of Directors if the proposal involves a charitable fund raising activity.

(b) Exemption. This section does not apply to those who are regularly engaged in dealing in standard Shrine supplies, uniforms, regalia and emblems.

Let me say at this point that the Committee and the proponent of this legislation have been having discussions and the proponent is in agreement that in item (2) to delete the words "if the proposal involves a charitable fund raising activity."

Your Committee has met with the proponent of the proposal and he has given his consent to striking, in paragraph (2) the words "if the proposal involves a charitable fund raising activity." Therefore, if you will get your pencils out and run a line through the last one-half of paragraph (2) by running a line through the words "if the proposal involves a charitable fund raising activity." The Committee reports that the proposal, as amended, is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Imperial Sir, if there are no questions or comments on this report, I recommend that the proposal be amended without objection and that you call upon the proponent, Illustrious Sir, Theodore Corsones, Past Potentate and Emeritus Representative of Cairo Temple, for an appropriate motion.

IMPERIAL POTENTATE EVANS: The Chair will recognize Illustrious Sir Ted Corsones.

ILLUSTRIOUS SIR TED CORSONES: Imperial Sir, I would move adoption of item No. 9 as amended.

...The motion was duly seconded...

ILLUSTRIOUS SIR CORSONES: Imperial Sir, Imperial Sirs and Representatives All: The Bylaws of the Iowa Corporation in Section 207.6 give the following powers to the Boards of Directors—that is, your elected Imperial Officers:

“The Board of Directors has all the powers usually vested in the Directors of a business corporation, except as otherwise provided in the Articles of Incorporation, these Bylaws or the laws of the State of Iowa.”

Now, this is somewhat in conflict with Section 332.2, the Section now under consideration, which informs us that this corporation can make certain decisions concerning the conduct of its affairs involving the use of the words “Noble” or “Shriner” and symbols only once a year—that is, when we meet each summer for the Annual Imperial Council Session. We know, however, that no active corporation can function effectively if it is restricted in the conduct of its affairs to but one week out of fifty-two weeks a year.

Extremely important matters affecting the well-being of your Iowa Corporation and your Colorado Corporation occur almost every day of the year. They need to be promptly attended to by the persons you elect annually to conduct the affairs of your corporations.

It is not necessary for me to discuss the critical nature of the finances of the Iowa Corporation. We all know the situation. I submit that we must, at all times, be alert to rational opportunities to raise revenues for the Imperial Council as well as our hospitals.

Item No. 9 allows your Board of Directors to review and analyze all opportunities that are presented during the period of time when this Imperial Council is not in Session for its one week in the summer. If your elected officials determine that an opportunity is in the best interest of the corporation, then they can seize the opportunity while it is available and implement it.

By your adoption of item No. 9, our Bylaws will be consistent with Section 207.6, which grants the general authority to conduct the affairs of your corporation, when you are not in Session, to the Board of Directors.

This obviously does not in any way restrict the ability of elected Representatives to continue to present any proposals they have because the previous paragraph is not deleted whatsoever. It provides an alternative with either/or.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: I will recognize the Chairman of our Board of Trustees.

IMPERIAL SIR BRACEWELL: Imperial Sir, My Fellow Representatives: I speak in support of item No. 9 as amended.

Nobles, there have been many, many times when we have had programs presented to us which we felt were very, very good to help us raise funds for our hospitals and also as Temple fund raisers. However, that window of opportunity has long past because we had to wait until the following year to put it into the Call.

Therefore, I will certainly appreciate your support in approving item No. 9 as amended.

Thank you very much.

...The question was severally called for...

IMPERIAL POTENTATE EVANS: The question has been called for.

All in favor of adoption of the proposal as amended please indicate by saying aye; opposed. It is unanimously carried.

At this time I will call on Illustrious Sir Leonard Smith for a presentation concerning item No. 7.

ILLUSTRIOUS SIR SMITH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 7 on the Call of the Annual Session of 1993, beginning on page 23 of the Call. It is a proposal to amend §325.8 of Article 25 of the Bylaws of the Iowa Corporation, by deleting certain language, so that such section as amended would read as follows:

ARTICLE 25
Officers; Their Election or Appointment

§325.8 Nomination. Candidates for office and Representatives must be placed in nomination from the floor.

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir Harold J. Lemmon, Past Potentate and Representative of Hella Temple, for an appropriate motion.

IMPERIAL POTENTATE EVANS: The Chair will recognize Illustrious Sir Lemmon.

ILLUSTRIOUS SIR LEMMON [Past Potentate, Hella Temple]: Imperial Sir, Imperial Sirs, Elected Representatives and Nobles: My name is Harold J. Lemmon, a Past Potentate of Hella Temple and an elected Representative to this Convention.

Imperial Sir, I would make a motion that the last four words of Section 325.7, "Nominating Committees are prohibited" be deleted.

IMPERIAL POTENTATE EVANS: Is there a second?

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: Noble Lemmon, do you wish to discuss?

ILLUSTRIOUS SIR LEMMON: Yes, Imperial Sir.

Whereas the Temples of this Fraternity continue to lose an aging membership and with the aging qualifications of a small membership at this time, it makes it more difficult to believe that qualified candidates will volunteer for election to the offices of the Temple. Therefore, it is desirable that the Temples have the authority to establish a Nominating Committee for the purpose of assuring a candidate for elective Office.

Other nominations, as in the past, will continue to be made from the floor.

If this motion passes, no Temple is required to act to form a Nominating Committee. This motion makes it possible to form a Nominating Committee under such rules and regulations as the individual Temple would adopt that are not contrary to the Imperial Bylaws.

Again, I repeat, this motion does not provide for a Nominating Committee. It only makes it possible if a Temple desires to have a Nominating Committee that the Temple has the freedom of choice.

I would so move.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: You have heard the motion and the second.

Are there any questions?

...The question was severally called for...

IMPERIAL POTENTATE EVANS: The question has been called for. Remember, once again, all of these have to pass by a two-thirds vote.

All in favor of the motion indicate by saying aye; those opposed. Well, I am a little bit in doubt and so I am going to ask for the help of my legal beagles up here to work with me on this.

Well, first of all, let us take a standing vote.

All in favor of this amendment please rise; be seated. Now those who just stood voted for the amendment. Now, all opposed please rise. I will say that it is carried by the necessary two-thirds majority. (Applause)

At this time I will call on Illustrious Sir Tingle for a presentation of item No. 3 on the Call.

ILLUSTRIOUS SIR TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 3 on the Call of the Annual Session of 1993, beginning on page 22 of the Call. It is a proposal to amend Subsection (b) of 211.5 of Article 11 of the Bylaws of the Iowa Corporation, by adding certain language so that the Subsection (b) as amended will read as follows:

ARTICLE 11
Budget and Revenues

Section 211.5 Per Capita Tax.

...
(b) Added to dues. The full amount of the per capita tax shall be passed on to each member as a part of his annual dues, unless the Temple, by affirmative vote at a stated meeting, elects to absorb all or part of the per capita tax due from life members created by dues prepayment §332.6(a)(2)).

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir Walter S. Pettit, Jr., Past Potentate and Representative of Abou Ben Adhem Temple, the proponent of this amendment, for an appropriate motion.

IMPERIAL POTENTATE EVANS: I will recognize Illustrious Sir Walter S. Pettit.

ILLUSTRIOUS SIR WALTER S. PETTIT: If I may, Imperial Sir.

Nobles and Representatives, this is simply an attempt to return to you the language that was taken

from you in the amendment of 1991.

What has occurred is that amendment is a tremendous amount of confusion and misunderstanding with respect to the ability of the separate Temples to determine whether or not they may pay per capita tax for especially those paid life members who have been sold life membership on the basis that forever they may not be required to pay dues or per capita.

To make your peace with those members especially was the purpose for which this language was returned for your consideration.

IMPERIAL POTENTATE EVANS: Is there any discussion?

The motion has been made and seconded.

All in favor say aye; those opposed. It is carried by the necessary two-thirds majority. Now, item No. 4 has been withdrawn.

I will now call on Past Potentate Leonard Smith for a presentation concerning item No. 1 in the Call.

ILLUSTRIOUS SIR SMITH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 1 on the Call of the Annual Session of 1993, beginning on page 21 of the Call. It is a proposal to amend §203.5 of Article 3 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding and deleting certain language so that the new section as amended will read as follows:

ARTICLE 3 Representatives

Section 203.5 Elected Representatives.

In addition to any other Representatives it may have, each Temple is entitled to one elected Representative, or 2 if its membership exceeds 300, or 3 if its membership exceeds 600, or 4 if its membership exceeds 1,000, or 5 if its membership exceeds 2,000 or 6 if its membership exceeds 4,000, or 7 if its membership exceeds 8,000, or 8 if its membership exceeds 16,000. For this purpose the membership of a Temple is determined as of December 31st immediately preceding its annual meeting. A Temple is entitled to no more than 8 elected Representatives.

The Committee reports that the proposal is in proper and legal form and does not conflict with any provision of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir James L. McConnell, Chairman of the Finance and Audit Committee, for its report.

IMPERIAL POTENTATE EVANS: The Chair recognizes Illustrious Sir McConnell.

ILLUSTRIOUS SIR MCCONNELL: To the Representatives of the Imperial Council: There has been referred to your Committee on Finance and Audit, Item Number 1 on the Call of the Annual Session of 1993, found on page 21 of the Call.

Your Committee met in a scheduled meeting on Saturday, July 3, 1993, and reconvened Tuesday, July 6, 1993, San Antonio, Texas and considered the proposal. Item Number 1 concerns an amendment to §203.5 to increase the number of elected Representatives of the Imperial Council. Your Committee has examined this proposal to determine the economic effect, if any, to the Imperial Council if the proposal is approved.

The proposal would increase the number of Representatives by approximately 199.

Using 1993 costs of air travel and per diem expense, your Committee has estimated that passage of this proposal would increase the annual expenditure to the Imperial Council in the amount of \$345,000.

If this cost were added to the Annual Session, it would result in a deficit of approximately \$200,000 in the 1994 budget rather than the \$139,000 surplus now projected.

To cover the additional expenditures, additional revenues would have to be generated through an increase in per capita tax. Without such an increase your Committee does not recommend adoption of Item Number 1.

This report was unanimously adopted.

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir William G. Selsam, Potentate and Representative of Aladdin Temple, the proponent of this amendment, for an appropriate motion.

IMPERIAL POTENTATE EVANS: The Chair will recognize Illustrious Sir William Selsam.

ILLUSTRIOUS SIR WILLIAM SELSAM [Potentate, Aladdin Temple]: Imperial Sir, Imperial Sirs and Representatives: I am William G. Selsam, Potentate and Representative of Aladdin Temple, Columbus, Ohio.

I propose to you that the concept of one man, one vote is well recognized and established in representative assemblies throughout this great country. I propose to you that what I am bringing to you today will extend that concept of one man, one vote to representation in the Imperial Council of the Shrine of North America.

The proposal before you would permit 128 Temples to acquire additional Representatives—as Illustrious Sir Jim said, 199 new Representatives to this Imperial Council session.

Some seventy-one Temples would receive one new Representative; forty-four Temples would receive two new Representatives; twelve Temples would receive three new Representatives, one Temple would be entitled to four new Representatives.

Nobles, I would suggest to you that this is not an attempt for large Temples to take control. (Laughter)

I would assure you that control of the Imperial Council, if you looked at the number of Temples at the rate of 4,000 and under, who would receive additional Representatives, the majority of Representatives added to this proposal are in those Temples under 4,000. There are very few added to the large Temples but then it does give the large Temples this added activity or added ability.

It will permit the large Temple to offer the opportunity of participation to more of their Nobility.

I assure you, and I have looked into this and talked about this with the Nobles throughout our area, young men today do not want to wait ten or fifteen years to become actively involved in the leadership of the organizations that they join.

They have experienced instant gratification throughout their lives and they are now seeking, if they are going to join, the opportunity to become involved in leadership.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives, I ask you, please give us the opportunity to involve our Nobility.

...Whereupon, various calls for the question then ensued...

IMPERIAL POTENTATE EVANS: The question has been called for.
Is there any further discussion?

As you know, this will take a two-thirds majority vote.

All in favor say aye; opposed nay. It is defeated by a more than two-thirds majority. Thank you.

Let me say that I am instructed by the Jurisprudence and Laws Committee to say that that was defeated by the necessary two-thirds majority. (Laughter)

Now, for item No. 2, I will call on Roger Scott.

NOBLE ROGER SCOTT: To the Representatives of the Imperial Council: There has been referred to your

Committee on Jurisprudence and Laws, Item Number 2 on the Call of the Annual Session of 1993, beginning on page 21 of the Call. It is a proposal to amend subsections (a) and (d) of §205.1 of Article 5 of the Bylaws of the Imperial Council, an Iowa Corporation, by deleting certain language so that the new subsections (a) and (d) as amended will read as follows:

ARTICLE 5
 Mileage and Per diem

§205.1 Mileage Allowance.

Amount. Each Representative who attends a session of the Imperial Council shall be paid a mileage allowance. It shall be for a round-trip comparable to, but not in excess of, the lowest unrestricted discount airfare or, if such is not available, the lowest coach or most economical airfare from the departure airport to the destination airport. The departure airport, except as provided in subsection (c), is the airport served by a regularly scheduled airline which is nearest to his Temple. The destination airport is the airport served by a regularly scheduled airline which is nearest to the city of the session. Rates shall be obtained as of the sixteenth day prior to the opening of the session.

(d) Form. The Imperial Recorder shall mail a mileage allowance form to each Representatives prior to the session. The Representative shall complete this form and he must present it at the time he registers for the session. He shall indicate on the form, under oath, what method of transportation he used to travel to the session and such other information as may be requested by the Imperial Recorder. If public transportation was used, the Representative must attach his receipt for the payment of the transportation. In the event the Imperial Potentate determines that a Representative knowingly misrepresented any of the information on the form, he shall forfeit all of his mileage allowance and per diem and he shall be subject to discipline for conduct unbecoming a Noble of the Mystic Shrine.

The Committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir James L. McConnell, Chairman of the Finance and Audit Committee, for its report.

IMPERIAL POTENTATE EVANS: I will call on the Chairman of the Finance and Audit Committee, Jim McConnell.

ILLUSTRIOUS SIR MCCONNELL: To the Representatives of the Imperial Council: There has been referred to your Committee on Finance and Audit, Item Number 2 on the Call of the Annual Session of 1993, found on page 21 of the Call.

Your Committee met in a scheduled meeting on Saturday, July 3, 1993, and reconvened Tuesday, July 6, 1993, in San Antonio, Texas and considered the proposal.

Your Committee has examined the proposal to determine the effect, if any, on the Imperial Council if this proposal is adopted. Using 1993 costs of airfare and per diem expense, and expenses directly related to spousal attendance, the Committee estimated there will be a reduction in annual Imperial Session expenses in the approximate amount of \$483,000. Your Committee expresses no opinion on the non-financial effect of this proposal.

This report was unanimously adopted.

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir William G. Selsam, Potentate and Representative of Aladdin Temple, the proponent of this amendment, for an appropriate motion.

IMPERIAL POTENTATE EVANS: The Chair again recognizes Illustrious Sir William Selsam.

ILLUSTRIOUS SIR WILLIAM SELSAM [Potentate, Aladdin Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives, I move the adoption of item No. 2 on the Call.

...The motion was severally seconded...

IMPERIAL POTENTATE EVANS: You have a motion and a second before you to adopt item No. 2 of the Call.

I will recognize the proponent of this amendment for appropriate discussion.

ILLUSTRIOUS SIR SELSAM: Imperial Sirs, Illustrious Sirs and My Fellow Representatives: I know what you are going to do with this also. (Laughter)

However, let me tell you, as you have just heard Illustrious Sir Jim say, this would save the Imperial Council in the neighborhood of \$400,000 a year.

I suggest to you, as I have looked at the budget and also the proposed budget for next year and if we estimate that and carry it out for a couple more years, that if we do not find a way to reduce expenditures of the Imperial Council, that we will have no alternative, probably as soon as the Imperial Council Session to be held in Indianapolis, to increase the per capita tax.

Now, while that was not necessarily dues as we related to it, to our Nobility back home, when we ask them to pay more, they say it is more dues and they do not care where it is coming from or what title it has on it. It is money out of their pocket.

This proposal would eliminate spouse travel only. Each Representative will continue to get the per diem allowance which includes the hotel room at a double rate; which means that his wife could stay in his hotel room and still receive that benefit.

I ask you this—how many other organizations pay even their own delegates to attend national conventions?

I will tell you, Nobles, that I am in the association business. There are few that pay delegates to attend from the national organizations. There are many, however, that pay delegates to attend by the local organization that they are representing at that national organization. Further, I know of none that pay for spouses to attend from the national level.

Again I remind you, Representatives, that we must find a way to reduce expenditures.

The expenditure in relation to the Imperial Council Session is the largest single expenditure of the Imperial Council. It represents in the neighborhood of from thirty to thirty-three percent of the total budget.

I would suggest to you that this is a way to avoid another per capita tax increase as early as Indianapolis.

Thank you. (Applause)

...At this point, the question was severally called for...

IMPERIAL POTENTATE EVANS: The question has been called for.

All in favor of this amendment indicate by saying aye; those opposed nay. I will declare that the proposal is defeated by the necessary two-thirds majority.

At this time I will call on Illustrious Sir Ted Corsones for the presentation by the J and L Committee of item No. 5 on the Call.

ILLUSTRIOUS SIR CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 5 on the Call of the Annual Session of 1993, beginning on page 22 of the Call. It is a proposal to amend §211.5 of Article 11 of the Bylaws of the Iowa Corporation, by adding thereto a new subsection (h) which would read as follows:

ARTICLE 11
Budget and Revenues

§211.5 Per Capita Tax.

(h) Hardship. A Temple that remits the Temple dues of a member for hardship, and such remission, is for one hundred percent (100%) of the Temple dues, may also remit the per capita tax of such member for the year or years that his Temple dues have been remitted, and so advise the Imperial Treasurer.

The Committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir James L. McConnell, Chairman of the Finance and Audit Committee, for its report.

IMPERIAL POTENTATE EVANS: The Chair will call upon Illustrious Sir McConnell.

ILLUSTRIOUS SIR MCCONNELL: To the Representatives of the Imperial Council: There has been referred to your Committee on Finance and Audit, Item Number 5 on the Call of the Annual Session of 1993, found on page 22 of the Call.

Your Committee met in a scheduled meeting on Saturday, July 3, 1993, and reconvened Tuesday, July 6, 1993, in San Antonio, Texas and considered the proposal. Your Committee is cognizant of and sympathetic with the problem of our members suffering financial hardship. However, the Committee is also cognizant of the continuing revenue needs of the Imperial Council. We estimate this proposal would cause a \$250,000 annual loss in revenue to the Imperial Council if adopted. We feel such a loss would, of necessity, accelerate the date at which an increase in per capita tax would be required.

The Committee does not recommend passage of Item Number 5.

This report was unanimously adopted.

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Illustrious Sir William G. Selsam, Potentate and Representative of Aladdin Temple, the proponent of this amendment, for an appropriate motion.

IMPERIAL POTENTATE EVANS: The Chairman calls on Illustrious Sir William Selsam.

ILLUSTRIOUS SIR WILLIAM SELSAM [Potentate, Aladdin Temple]: Imperial Sir, I would move for the adoption of item No. 5 in the Call.

...The motion was duly seconded...

ILLUSTRIOUS SIR SELSAM: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: This is for the benefit of the Temples and, believe me, this is justly needed, it is great.

Imperial Sir, as I have traveled around the country, I have found a real interest in our Nobility in encouraging them to retain their membership in the Shrine and it is a suggestion to them that there are programs available from the Temples to help them in solving their hardship problems. This is outstanding and I commend the Imperial Sir for his efforts in that area.

However, there is a point where we must say, "What can we as Temples afford? How many members can we afford to remit dues on and continue to submit the present per capita tax to the Imperial Council?"

This proposal would say that if the Temples remitted 100 percent of the dues of the member for hardship reasons, it may remit the per capita tax for that member.

It is similar in language to Section 332.3 of the Imperial Code that permits the Temple to remit the hospital assessment for hardship reasons.

As a matter of fact, it carries even a stronger requirement that before such remissions on Imperial per capita tax could be applied, the Temple would have to remit 100 percent of the Temple's dues.

I would suggest to you that with an aging membership, with growing financial problems, the Temples need relief. We cannot afford to bear the entire burden of helping members to retain their membership in the Shrine.

I urge your adoption of the proposal.

IMPERIAL POTENTATE EVANS: Is there any discussion?

...The question was severally called for...

IMPERIAL POTENTATE EVANS: The question has been called for.

Again, this will take a two-thirds vote for passage.

All in favor of the proposal please say aye; opposed nay. It does not appear to me to have received the two-thirds necessary vote.

I am going to call for a ballot vote. We will take that and then go to lunch.

Well, wait a moment, we will do something else before we do that.

Going back to the motion that we were just acting on, those that are in favor of that motion please stand and hold up your ballot book; now be seated and those in opposition please stand. Now, it looks like that failed by a majority of two-thirds. Therefore, you have voted that down.

With that, if there is no objection, we will now go to lunch and also since you have been working hard at this Session, I am going to let you have a little bit longer period for lunch and so I will announce that we are going to reconvene this Session again at one-thirty this afternoon.

...Whereupon, the One Hundred Nineteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at eleven-twenty-five o'clock a.m. to reconvene at one-thirty o'clock p.m....

AFTERNOON SESSION WEDNESDAY, JULY 7, 1993 ONE-THIRTY O'CLOCK P.M.

The One Hundred Nineteenth Annual Session of the Imperial Council was reconvened at the Convention Center, San Antonio, Texas, at one-thirty o'clock p.m., Imperial Potentate Everett M. Evans presiding.

IMPERIAL POTENTATE EVANS: Will the Representatives please take their seats. I will ask that this Session please come to order.

At this time, I would recognize Imperial Sir Ken Smith for the report concerning Mileage and Per Diem.

IMPERIAL SIR SMITH: To the Imperial Potentate, Officers and Members of the 1993 Imperial Council: As provided in Article No. 5, Sections 205.1 and 205.5 of the Bylaws for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economic air fare, from the departure airport to the destination airport for himself and his spouse if she accompanied him, or the sum of twenty-eight cents (U.S. currency) per mile round-trip, whether or not his spouse accompanied him, if he used ground transportation (public or private), but not to exceed the amount indicated in §205.1(a); or an amount not to exceed that indicated in §205.1(a) for himself, and for his spouse if she accompanied him, if he used private air transportation. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest

his place of residence. He shall also be paid per diem expenses of \$129.50 for the hotel, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive \$129.50 for the hotel, plus twenty dollars (\$20) per day for three extra days. All members of the Committee on Finance and Audit, the Committee on Dispensations and Charters, the Committee on Jurisdictional Lines, and the Committee on Grievances and Appeals shall receive \$129.50 for the hotel, plus twenty dollars (\$20) per day for two extra days.

Your Committee recommends the adoption of this report, and I so move.

I will now recognize Illustrious Sir James L. McConnell, Chairman, Finance and Audit Committee, Iowa Corporation.

ILLUSTRIOUS SIR MCCONNELL: To the Representatives of the Imperial Council: Your Committee on Finance and Audit submits to you for your approval the following calendar year reports with respect to operating revenues and expenses for the Iowa Corporation.

1. Report of operating revenues and expenses, including departures from budget, for the year 1992.
2. Adjustments to the 1993 operating budget since its adoption at the Imperial Council Session held in Orlando.
3. Proposed operating budget for 1994.

Report for the Year 1992

The report of operating revenues and expenses of the Iowa Corporation for the year 1992 is included in the Book of Reports which you have already received. The only adjustment to the budget was a \$200,000 reduction in the Imperial Council Session. No inquiries having been received concerning departures from the budget, your Committee recommends ratification and approval of this report.

Imperial Sir, I move the approval and adoption of this report for the year 1992, as reflected in the Book of Reports.

...The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

ILLUSTRIOUS SIR MCCONNELL: We go next to the report for the year 1993.

Included with your registration packet was a statement detailing the opening revenues and expenses reflecting amounts appropriated for the year 1993, including adjustments made by the Board of Directors. Since the approval of the 1993 budget during the Imperial Council Session at Orlando, there have been no adjustments to total revenues. Total budgeted revenues remain at \$4,353,000. Expenses increased by \$77,000 for total expenses of \$4,188,000. This budget presently reflects an excess of revenues over expenses in the amount of \$165,000.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1993.

...The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

ILLUSTRIOUS SIR MCCONNELL: We next proceed with the report for the year 1994.

Also included with your registration packet was a budget statement covering the operating revenues and expenses of the Iowa Corporation for the year 1994, which reflects revenue of \$4,385,000, expenses of \$4,246,000 resulting in an excess of revenue of \$139,000. It is necessary to adopt this tentative budget for 1994, as this Imperial Council will not meet again until mid-1994.

Imperial Sir, if there are no questions, I move the adoption of the proposed budget for 1994 as submitted.

...The motion was duly seconded and, there being no discussion, was voted upon and carried...

Respectfully submitted,

COMMITTEE ON FINANCE
AND AUDIT

IMPERIAL POTENTATE EVANS: At this time, I would like to recognize Noble Vernon Bell for the purpose of making Emeritus Members of the great Nobles who have attended these Sessions for fifteen years.

NOBLE VERNON BELL: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives:

I stand before you today as Chairman of the Committee on Emeriti Members. Standing with me are the members of my Committee. I now ask that all those Representatives who have been notified of their eligibility for Emeritus Membership come forward.

In prior years, your Representatives requested that the biographical data submitted on each one of these outstanding Representatives not be read but, rather, placed in the record. If that is your desire today, your Committee will honor that request.

As you know, Imperial Council Law, Section 203.4 reads as follows:

§203.4 Emeriti Representatives:

Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years, including that Session.

I will now call on individual members of my Committee to place in nomination the name of one or more Representatives for Emeritus status.

...At this point, the following Nobles received their Emeriti Representative Certificates from various members of the Committee...

IMPERIAL POTENTATE EVANS: Representatives, you have standing before you a group of men who have given dedicated services to the Shrine for the past fifteen years, whom we now choose to honor by affording them Emeritus Membership status.

What is your pleasure?

...Whereupon, it was severally moved, seconded and unanimously carried that these Nobles be afforded Emeritus status...

IMPERIAL POTENTATE EVANS: At this time I would like to call on your Membership Chairman who has done a tremendous job this year. He has been dressed in cowboy clothes most of the year and tried to even act like one and everybody thought he probably was until he said something. (Laughter)

I am happy to present to you Imperial Sir Ralph Semb. (Applause)

IMPERIAL SIR RALPH SEMB: Thank you very much.

Are we ready? You know, at eleven o'clock they said, "Be ready." Now, at ten minutes of two, we have made it.

...Cry of "You are lucky"...

IMPERIAL SIR SEMB: Yes, you are right, I am lucky. It is exciting, I will tell you that.

Incidentally, Imperial Sir Everett, before you go get comfortable off the stage and I get into this Membership report, let me say that Illustrious Sir Nofall from Mazol Temple in Newfoundland, while we were at the Officers' Seminar in New Orleans, he took a break and he took the opportunity to go outside and have a cigarette next to the bus of Everett Evans and it was not long before a couple of young kids walked by, they looked at the bus and they looked and saw the Fez on Albert here and they reached into their pockets. Now, he said that they did not look like they could afford a penny but they gave a couple of dollars and Illustrious Sir Albert gave me the \$2 to present to Everett Evans because he did not have a chance to get to him.

Therefore, I have here \$2 from two people who saw the bus and it really means something to see that bus travel around the country.

...Applause ensued as the \$2 was tendered to Imperial Sir Evans...

IMPERIAL SIR SEMB: Let me ask, how are you all doing up there in the sky seats?

...Cries of "great"...

IMPERIAL SIR SEMB: Well, all right. I hope you do not have any nose bleeds and if you do, if you need any oxygen, the aviators are meeting out at Maggie's and maybe we can get some oxygen for you. (Laughter)

But, at any rate, I did have a quick lunch and then we went out to install the Shrine Aviators Association and that also worked quite well.

Imperial Sir Everett, Imperial Sirs, Illustrious Sirs, Representatives, Most Worshipful and Right Worshipful Grand Masters and Nobles: This is your Membership Committee's report.

I want to take a moment to thank Imperial Sir Everett Evans for giving me the opportunity to serve the Nobility of the Shrine of North America as its Membership Chairman.

On the Committee, and I would like to have them stand, please, are Imperial Sir Jack Jones, Imperial Sir John VerMaas, Imperial Sir Tad Claypool and Illustrious Sir Raoul Frevel. Give them a hand, please, because they did one heck of a job. (Applause)

This was indeed an enthusiastic Committee. We were charged with making a program work and not to point a finger at anyone but ourselves. And, I might add, we did that. We went around the country trying to tell you that we needed to bring people into the Shrine, right from the basic Blue Lodge. We were not going to point a finger at anyone and if we failed, it was our fault.

Let me say that we did that all year and I want to compliment all of you for doing that.

We were not going to blame anyone—this was going to be a team effort.

Now, we hit the road at full speed. As you may recall, last year at the close of the Imperial Council Session, we were given permission by Imperial Sir Jack Dean to announce what the program was going to be. I will tell you that we were on the road right away.

We visited some seventy-two Temples and talked about the Top Gun Program. During the year we passed out some 9,137 Top Gun pins. As a matter of fact, Imperial Sir Everett did it at every stop that he was at. When we visited some of the Temples or the Associations, we likewise passed them out.

The program was well received in all but eleven Temples. One hundred eighty Temples took part and I commend you and I thank you for that. Give yourselves a hand. (Applause) It certainly was great.

We had a few Temples, and I do want to mention them because I want them to come to me afterwards and tell me what it was that we did wrong in relation to them and also ascertain as to why they did not take part. These Temples were Aad, Abou Saad, Abu Bekr, Al Bedoo, Kena, Kora, Mecca, Media, Mocha, Rameses and Tigris. I want you to come to me later on, fellows. I want to know what we can do to get you involved in relation to what we are attempting to do here at the Imperial level. We need the help of everybody.

Further, I even went on and visited some of these Temples and put on a seminar and yet we did not get any information from them and, therefore, I would like to know as to why. We want to know because if it is something that we did wrong, we want to correct it.

You know, Tommy Lasorda said this, "In baseball and in business, there are three types of people—those who make it happen, those who watch it happen and those who wonder what happened." This Committee wanted to make it happen. We have a few Temples that are wondering what is happening, even after a visit from a member of this Committee or the Imperial Potentate.

To all of you, let me say, we have a mission. It was to create enthusiasm, new ideas, to promote a new wave of thinking and, finally, to see growth without seeing fault with other prerequisites. We need to work as a team, think like a team and perform like a championship team.

Some of our Temples have done just that. For example, Jaffa Temple in Altoona, Pennsylvania, has created 254 Shriners and expects an additional 200.

For example, Illustrious Sir Dale Woormer has been inviting the ladies and has had special activities for them. Al Malaikah Temple in Los Angeles has learned to do what is current. They have been engaged in doing country and Western line dancing. They have had a great success and are now doing it again.

In relation to Ben Ali Temple, they had over 300 initiates and I think that what we are doing is working.

At Philae Temple, Potentate Cy Thomas has been enthused by everything that we have been doing.

He has been so enthused not only with membership, and I know you cannot see these pictures on the screen here, but he has big signs on the highways where over 36,000 to 40,000 cars pass by on a daily basis. Of course, this has to do with public relations but then, in reality, it all works together.

Not only that, but he works at selling PCMs as a Temple activity. He is working at selling Permanent Contributing Memberships and, I might add, Mazol Temple in Newfoundland is also doing a fantastic job with PCMs. Last year, believe it or not, they exceeded a figure of twenty-two and have surpassed that mark this year.

Also, Orak Temple has dedicated itself to bringing fun and family back to their Temple and the success stories go on.

We are working as a team asking these Temples, "What is it that we can do for you?"

Now then, we have a couple of slides to show you up here.

[Slides]: Our Top Gun Program certainly was very well received and in an effort to go around and pin that Top Gun on, and I hope you will wear it with pride, but a lot of people are beginning to ask—"What is it, we want one of those."

And, of course, we changed the slides. We had, for example, the "Ten Most Wanted" not only for the Temples but for each of the various clubs and units and it worked because we were attempting to get people who are not yet into the Fraternity in any way, shape or form—we wanted them so that, in turn, we could take somebody who might be in the insurance business—take someone from our Temples into that business and have those individuals go and talk to these other individuals—in other words, give them an application to the Shrine, have them fill that out and then when he got either to the Consistory or the Commandery, he would then receive another application which obviously he could not fill out at that particular time. However, when he did get those filled out, he would ask about the Blue Lodge and, in relation to that type of a procedure, he would eventually ask more questions about everything.

It was our goal to bring people in starting right down there with the Blue Lodge and then right up through the Shrine. Further, that mission has to continue. We have to do that.

In relation to the "Most Wanted" posters, we had those everywhere. We had them on bulletin boards and signs and anywhere else we could put them. These were not just inside of our various Temples but we wanted the public to know that we were going to do these things.

[Slide]: Now, as you can see, we were dressed up in western outfits all of the time. You know, I was thinking about bringing my six-shooter in but after thinking about the danger I might create, I decided to leave it back home.

We have had fun dressing up with the ropes and the six-shooters, marching in parades and just having a great time.

As a matter of fact, many Potentates, when they saw me walking through the airport with saddle bags—walking through with those on, they would say, "Golly, what have you created here?" However, it turned out that everybody was enthused about it.

When we met with Grand Masters, for example, they would say, "What is this guy, what is he doing?" However, after they got the message that, you know, it has been tradition to walk around with a tuxedo on, etc., and then here comes a guy with spurs on and dressed in cowboy boots, we are putting fun back into the system.

You know, there is no more of a boring report than either Membership or EWG and we are thus trying to make it exciting. I think we are doing that.

We paraded Monday in the parade and, if you were there, you saw your Imperial Officers walking and marching in the parade. Did you see them? If not, I would suggest that you look for them tonight because they want to reach out—they want to touch the public and let them know that we are concerned about our future.

We are marching in an effort to get everybody off of the streets and into the marching units. We need more marchers in our parades. We want to lasso anyone we felt should be a Shriner.

For example, we are encouraging more Ceremonials, we are encouraging more Temple meetings, for very obvious reasons. If you have a candidate who needs to be elected, then you should have a stated meeting in order to do that.

If you can bring him in, give him the Obligation, you will find that he is the most active, the most enthused Shriner that you have at the time. You need to get him in—please do not make him wait six months or a year because in some Temples they really only have one Ceremonial a year. However, you have to have them whenever you have a candidate who needs it.

Also, we hope that the Temples will include the women in more of their functions. Changes have to be made in our usual way of doing things. And, as a matter of fact, the Top Gun Program did just that for us—it gave us an opportunity to make some changes that we have not made in many years—in other words, to ask the Nobility again, “What is it that the Temple can do for you?” That is because today’s society is not like it was in the forties and the fifties, when men were knocking on the doors to get into this Fraternity. As a matter of fact, at that time, we could tell the candidates what we wanted them to do and where they had to go. However, today society has changed—there are many more reasons to stay home, to be with the wife, who has been working all day. There are sixty percent more women working in corporate positions today than there were thirty years ago.

We are becoming more family oriented.

You know, the other day I went with Ted Corsones to the Moony Factory and I was just amazed at the number of ladies that were working there. You know, everybody is working and so there is less time to spend together. As I said, we are becoming more family oriented. After all, with men and women working together, there is less time to spend together and if you, the Shriner, wish to go to a meeting, you had better have something planned for the wife and it should be the “in thing” in your community.

With regard to the “in thing” in your community, what is happening today? For example, it could be line dancing and, again, I would like to have you look at Al Malaikah Temple and the success story that they had in connection with line dancing.

Also, look at last night—did you not have a great time last night when we were over there with the country western band and the line dancing and everything? (Applause) You know, the Nobility and their ladies were all there enjoying themselves and it was just fantastic. They were all there for a good time and were certainly having one.

You have to be involved in relation to what is current in this day and age or you are not going to get any new candidates.

Also, one of our goals this year was to get more creations. Wow, guess what? You did it! We had more creations this year than we did the year before and I congratulate you for the work that you are doing.

This Committee is excited about that goal being reached. As I said earlier, we passed out 9,137 Top Gun Awards. However, as you can understand, the Shrine Year and the Membership Year, well, they all seem to be going in different directions.

[Slide]: For example, we reported to you what the membership was on December 31 of the preceding year. With that, let us look at a few of these slides. I hope you can see these.

First of all, let me say that we created from December to the following December 14,620 new Nobles. Congratulations. You did a great job.

We affiliated 2,550. We restored 3,366 for a total gain of 20,536. That, of course, is positive thinking. We need to continue on that and I will tell you later on as to what your goals are going to be for the forthcoming year.

[Slide]: The deductions were, for example, that we demitted 8,414. We suspended, Nobles, 21,282. Again, that figure was 21,282 and that is the first time that we have ever suspended more than passed away. Some 21,005 passed away.

[Slide]: Here you see your total. We now, as of December 31, 1992, have 687,296 in our membership. Our estimates are that you are losing some 1,500 per month unless we go out and do something about it.

Suspensions were our main concern.

Our concerns are about those suspensions and what we can do about it.

First of all, however, I want to thank the office staff down at Tampa Headquarters because they have done a magnificent job. They worked overtime so that we could get letters out to some of these individuals who were going to be suspended. They tracked the returns and, I might add, some of them are quite interesting.

For example, we sent letters to many of the individuals that were going to be suspended by December 31st. This was a part of the Imperial Potentate’s suspension program.

Even with the number of letters that we sent out, the disappointment came when so many were suspended.

Now then, our next project was to find out why. Why did these people elect to be suspended? Why would an organization that does so much good have so many people suspended?

So your Committee, along with a very dedicated staff at Headquarters, attempted to send out thousands of questionnaires to many of these suspended Nobles. We also had an independent company do a survey of suspended Nobles that we did not write to.

In the survey, the one that we did at Headquarters regarding the suspensions, you must understand that we sent out questions regarding what this Committee thought were going to be important. Inasmuch as we were the ones requesting the information, it could have been shaded to our favor. However, this is what we learned.

Of those that we contacted, fifty-seven percent were not contacted by their Temple prior to being suspended. Some fifty-seven percent of those who returned their questionnaire sheets indicated that they were not contacted prior to being suspended. Also, only five percent were contacted in person. Telephones or mail is not the answer. These people commented to the effect, "If you want me in the Shrine, then come and talk to me." In a lot of cases, you might have upset the lady and, in turn, that letter or whatever will just go into the circular file.

Also, some fifty-eight percent of those who had responded indicated they had not paid their dues in the Rites and had been suspended for non-payment of dues there also.

Further, they were asked if they would reinstate if any changes were made in the Shrine.

Seventy percent said "no." They were very upset, according to some of the comments, in relation to what was happening.

Also, some fifty-eight percent had financial difficulties, twenty-five percent had poor health, twenty percent lost interest, twenty percent had no time and nineteen percent had to travel too far.

Now, if we are beginning to lose members because of traveling too far, think about those people in today's society that would like to join but will not do so for the same reason.

Next they were asked as to why they joined the Shrine. Now, interestingly and completely opposite from what we learned at the Membership Seminar, seventy percent indicated they had joined to help Shriners Hospitals for Crippled Children. However, all along we thought they were joining for fun.

Also, the average length of membership of those returning the questionnaire was 19.66 years.

As you can see by the report, financial hardships is the number one problem we have. We need to keep these people happy, for reasons that are very simple.

For example, the sons or grandsons of future members of these individuals may someday like to join an organization like the Shrine. The individuals that we suspend will be unhappy and will not recommend anyone for this Fraternity. Think about that seriously.

You suspend somebody and they are upset with us. If we just offer the individual a demit for the present year's dues or less, he will then, in turn, be a happy individual. Then if he is asked about joining the Shrine at a later date or this Fraternity of ours, he will be very positive in his response.

Let us work on those upset Nobles at any cost. If you work with that individual, chances are that at a later date it will pay many dividends for all of us.

Now I would like to comment a little bit on the survey conducted by the independent firm. There are going to be some overheads put on the screen and if you cannot read them, I will attempt to read them for you.

With that, we will go the transparencies first. Well, it is going to be difficult for all of you to see this and so I will read it to you.

This is an executive summary of the service that was done by the Davis Consulting Firm and the critical part of it is this.

Item No. 1. By a very significant degree, the membership records and information on members who have been suspended are inaccurate, outdated, incomplete and misleading. That is one thing that we really need to do in our Temples and that is to get our membership list up to date.

We had given this consulting firm some 2,100 names to call in relation to a fourteen-minute conversation. There were some 683 of those whom we could not contact because of the wrong telephone number. Further, the telephone numbers came from our Temples. Therefore, this is an area that we are going to work on and where we at Headquarters, eventually, will be able to have a complete listing of the Nobility of the Shrine of North America and, further, we are going to attempt to recommend to you people that you get your membership list up to date at the Temple level.

2. The levels of dissatisfaction reported in the survey are significantly understated and the average age of respondents appears more youthful because of the refusal of so many older members to participate.

For example, when a member of this list was asked if he was current in his dues in the Shrine or they understood that he was suspended, many of them got upset and hung up the telephone. This involved many of the older members.

Incidentally, when the results of this survey were presented to the Joint Boards, it was agreed that we were going to make a tape of the exact presentation and we, in turn, will have this tape sent to each one of the Temples so that you will be able to review it in its entirety.

3. Suspensions appear to be the result of dissatisfaction with the delivery of the fundamental and promised benefits of the organization—Fraternity, new friendships, fun and social intercourse and, to a lesser degree, charity.

In other words, they do not receive the benefits that we have promised them and we will show you that in the form of a graph a little later on.

4. Finances, while an issue, are not the root cause. Lower costs would not be a recommended pathway to solving problems with non-payment of dues. A staggered payment plan and more attention to the finances of giving (charities) would be more beneficial than reducing or forgiving dues or assessments.

I will also say a little bit about that later on but basically what they are saying is think about credit cards, think about monthly installment payment plans because it might help some of these individuals who are being or have been suspended.

5. Much greater attention must be paid to youthful, recent youthful satisfied and dissatisfied Shriners than is currently being done.

Here I am not talking about youthful in age but I am talking about youthful in number of years being in the Shrine. Those are the people that are our future. We need to listen to what they want to say.

6. Unmarried Shriners, while in the minority, appear to have greater opportunities for satisfaction, are more satisfied and more active. There appears to be a stronger than imagined influence by the spouses on matters related to activity, satisfaction and suspensions.

Again, this is another good idea as to why we need to get the ladies involved.

7. There are no major geographical differences. Income is not an important factor in relation to the entire survey.

8. Senior, long-standing members are among the most inactive and least satisfied, unlikely to be influenced, unlikely to renew and unhappy with many aspects of membership.

Now, that may even be understated.

9. There is conflicting information about recent activity in Shrine (attending an event) and other membership and activity data about members.

10. Leadership in the Shrine, personal health and charity are all issues that affect and contribute to dissatisfaction or satisfaction.

[Graph]: Now then, I have a graph up here now. This graph, for example, shows the levels of satisfaction with Shrine membership of those that were suspended.

Now then, let me add that this is a 100 percent graph and you can see, for example, that those who were very satisfied of those suspended took up only about twenty-six percent; those that were sort of satisfied were a little bit less; those that we were neutral, just a little bit over twenty percent and those that were really dissatisfied and very dissatisfied went down to below ten percent. That is the levels of satisfaction with the Shrine membership.

[Graph]: Here we see the next graph. These are the expected benefits of membership by age.

Let me explain to you and indicate to you that they were asked in relation to this particular question, "Give to me in order those that you feel are most important."

Now, it indicated in the order that they gave, that fellowship always came first, friends always came second, fun and social always came third and charity always came fourth. Now, while it shows that more people might have responded to charity, that was the order in which they presented it.

Also, you can tell, in relation to those who were young, which involves the first ten years of membership, they expected a certain benefit from the Shrine; those that were middle-aged expected a little more and those that were old did not expect as much. That continued to go down.

[Graph]: Here we have the next graph. This was the benefits of membership expected versus received.

For example, here is a good graph that shows you why a lot of people are becoming dissatisfied. In other words, we talked them into joining and, in turn, they are expecting a lot of benefits.

For example, you did a great thing today by bringing in that insurance proposal because that is going to give us a great benefit so that the Shrine, when they bring candidates in, will have an option to say, "Hey, we can get you health insurance or life insurance." It will be a benefit that is real.

They are expecting benefits, for example, like going to a Ceremonial and maybe having dinner. However, they are not getting that. Therefore, in relation to expected versus received indicates that there is a great difference there and, further, you can see that we have a lot of work to go to the Nobility and

ask, "What is it that you really want that we, in turn, can get your expectations up again?"

[Graph]: "Could the leadership have convinced you to stay?" Now, those that said "yes" were some sixteen percent. However, you cannot find them. You would have a tough time finding that sixteen percent. Not only that, but if the older people had not hung up the telephone, that number would have gone down even lower. That sixteen percent would have gone down to ten or eleven percent or somewhere in there.

Therefore, you can see that in relation to the majority of those, the leadership could not have convinced them to stay. They were gone. Further, we shall come to some conclusions about this later on.

[Graph]: This one is really difficult to see but those that had less than ten years in the Shrine were some forty-one percent of the total that were asked about this survey. They were the largest group of suspended members. Those that had been in the Shrine for ten years or less were the largest group of suspended members. Also, most of them were married. That is something that is very important here.

Now for some recommendations and suggestions.

[Slide]: Initiate a major effort to get existing member records into a computerized membership management system.

Develop important direct mail program to update the records of all members.

Take immediate steps to get every new member into a system even while the membership information system is developing.

Change the type and quality of information on new members while enrolling them in the system.

Plan and announce a two-three day seminar in some city for all Recorders in association with a hardware and software manufacturer to train these Recorders. Make a major effort to get all to attend and establish national accounts.

Develop Central Headquarters polling capabilities to oversee membership records and change management criteria.

2. Initiate a staggered monthly or quarterly remittance payment system whereby members can elect, or be asked, to make payment of dues on a monthly or quarterly payment system.

Determine if alliances with major credit or debit card is possible to easy payment methodology.

Determine if flexibility of a system is required.

Recognize the value of additional communications opportunities even as costs are increased.

Make charity assessments a part of this system.

Recognize that all Shrine fund raising and communications and member retention will improve as a result of this new payment methodology.

3. Identify specific ways in which the basic products of fellowship, fraternity, making new friends and fun can be rebuilt into Temple activities.

Evidence supports the conclusion that leadership at all levels has lost touch with the real purpose of the Shrine and this has affected the quality of benefits members receive. This needs to change.

Temple leaders need to know or relearn that they are in the business of having fun and making men feel good about membership.

As a strategy or effort, this is at least as important as new member development as a means of stemming losses due to suspension.

Assessing membership satisfaction—particularly among the more recent, more youthful members needs to be immediate and ongoing.

A subscriber based how-to-program needs to be developed for all Temple leaders.

Now, a glimpse of the future. What are going to be the future determinants of joining and satisfaction with organizations like the Shrine?

Number one is how the organization relates to work. A decade or longer recession, a generation growing up less well off than parents, rising costs of education and loss of job security are going to place work ahead of the family and well ahead of leisure and fun as a contributor to human behavior.

2. How the organization relates to family. Time required to extend the work day, two income households and longer drive times will put real pressures on decisions to join clubs or organizations that do not have real benefits or contribute to society in real terms.

3. What the organization stands for. Increasingly, the quality of men that the Shrine and other organizations want will reject silly, secretive and inconsequential organizations. More people are joining recycling clubs than are joining the Shrine. The environment, youth, health and security are future drivers.

4. How the organization delivers quality. The demand for total customer satisfaction, quality benefits, quality products and quality experiences will not apply only to products. Total quality is a standard by which all of the above will be measured.

5. How the organization meets its challenges. Organizations like the NRA, Pepsi, Boy Scouts and Freemasonry will be constantly pressured by demands by people, government, special interest groups and the legal community. Issues of exclusivity, fraternity, racial bias, sexual bias, secretiveness and irrelevance go hand in hand with lack of awareness. Total understanding may become a standard for total quality.

You know, as I walked through the parking lot, I did not see any Noble who came to this Session in a horse and buggy. You were all up to date and current with modern times.

Now then, again, we need to change some of the things that we do.

Yes, they changed many years ago, some of the things in relation to transportation but, for many reasons, many of our leaders want to keep things in the same antiquated way. We do need to change and, in the process, can make our members happy by the way our Bylaws are stated.

Remember, in relation to the Davis Survey, we talked about the credit card or monthly payments. Maybe, for example we should offer our seniors over a certain age a discount when they pay their dues. I would urge that you give that idea some serious thought.

Further, we do believe that by increasing our dues at the Temple level we will be able to give more benefits to our members. If our survey shows that they are not getting those benefits, then we need to increase those dues because the only way we can give them benefits is to have more dollars available. They expect much more than they get and these suggestions will help in keeping our members within our ranks and greatly encourage others who want to join.

Listen to these figures. For every three men over the age of seventy-five years of age in the Shrine, there are only two who are under forty-five. Yes, for every three men over the age of seventy-five in the Shrine of North America, there are only two that are under forty-five.

Further, I looked at our elected Divans in relation to our 191 Temples. I found that 494 of them are retired. This is 494 Officers out of 1,337 who are retired—better than one-third.

There are 346, plus or take a couple, of our voting Representatives that are retired out of 860—just short of one-half. We really need to concentrate not only on the youthful Shriner, as we said earlier, but on the youthful in turn to think about some new ways and to listen to some of these people.

At the Grand Masters' Conference, I believe it was a Deputy Grand Master from Indiana, and I am not going to swear to that but I think it was, he got up, he was in his early forties and told the Grand Masters, "It is time you listened and elected some younger guys in the Grand Lodge Line so that, in turn, we can come up with ideas that are current with today's society." I believe him.

Now, once again, I would like to show you a couple of slides.

[Slide]: For example, in relation to Masons, in 1941 there were 2.4 million. Masons estimated in the year 2010, 700,000. If we continue to decline at the present rate, we will be down to 700,000 Masons and if we decline according to live actuarial tables, we will be down to 600,000.

Now, we know that there are some 900,000 Scottish Rite Masons and we also know that there are some 250,000 York Rite Masons and we need to get in and work with our Scottish and York Rite bodies to bring more people into our Fraternity.

However, let me present this for your consideration.

Of the members who are both Scottish and York Rite Masons combined, which is somewhere around one million, and I am going to use myself as an example and indicate to you that I belong to two Valleys and I also belong to two York Rite bodies. My name is included in that number four times. Also, I know that there are many Imperial Officers who belong to two Jurisdictions or two Valleys. I do not know what the actual number is but I am going to guess maybe we have some 800,000 people that we can have in the Shrine as members.

We already have some 680,000 and so that leaves us some 120,000. Now, on the other hand, if the records show that the majority of these people are over sixty-six years of age, if you look at reality, you will see that we need to work hard because there are a lot of people out there that we can get into the Shrine, people who are going to be young, energetic and really want to go on.

Therefore, it is going to behoove each and every one of us to get back in there and work with our Blue Lodges and also to work with our Grand Lodges to get them also to realize the significance of change.

Many of the Grand Lodges have already made that change. For example, they have eliminated the learning of some of the major Ritual by sitting down and understanding and that is a great step forward.

As a matter of fact, in this connection, the State of Michigan is doing real well. Nebraska is also doing well. Also, California has come very far. There are so many great things happening out there. Please believe me when we say that.

[Slide]: Here are some projections on a graph and it shows membership in 1980, where it was 940,000 and where it is projected to be by the year 2010 and, again, it has not stopped declining. Therefore, we need to change that.

Your Membership Committee is dedicated to getting out and working with each one of you enthusiastically to make it happen.

[Slide]: Here we have membership projected trends among Grand Lodges in North America. Look where it is going, fellows. It means that we have to work—2.4 million and by the year 2010, some 600,000.

[Slide]: Now, look at this one. Here is the creations and suspensions chart. Please note how the creations are continuing to go down and then also the suspensions. For example, in 1992 we had more suspensions than we did creations. That, of course, is terrible—more suspensions than creations. That was back from 1989.

[Slide]: “If it ain’t broke, break it!” Do you remember that from a few years ago? You bet you do. However, we found a better one. I have always said, “If it ain’t broke, break it and make it better.” If it is bright, make it glisten. It is better this way, however, because it sounds a lot better.

[Slide]: “It was not broke but we fixed it anyway.” I saw that on a sign at the football game last year at San Francisco—it was not broke, but we fixed it anyway. It is not broke but you can fix it. However, let us work together with these people and, further, let us convince them that we are there to help them and not to hinder them.

[Slide]: I am not sure what this one is.

Oh, yes. Every rule here can be challenged except this one and that goes for the Blue Lodge, too. Every rule in the Bylaws can be challenged but this one. Just think about it.

I believe that completes all of the slides and graphs.

Now, again, we need to impress upon these individuals that there is a need to break that terrible thing called “tradition.”

For example, I went to a Temple and they said, “Hey, we wanted to bring the ladies to have another party this summer but the Potentate said ‘That is not tradition.’ ” Well, as you know, ladies are very important and therefore do not take them for granted. Society has changed and we are not just a male organization. The ladies are raising millions of dollars yearly for our hospitals and help at every opportunity they get with fund raising, particularly, again, if they are asked.

Now you may have some Past Potentates or other Nobles who may not like this. Let them know, however, that you are trying new programs, putting new efforts into having fun and it must include our ladies.

Heck, have mixed dinners at the Temple or at a restaurant and while you meet, give them a speaker from the hospital or from a civic club. Make the meetings exciting.

Also, Ceremonials are very important and should be fun. More important, however, is the lack of contact with the new candidate after the Ceremonial. The lack of contact with that candidate once he has been given the Fez is important.

Letters should go to each one of these members not from just the Potentate but from the entire Divan for months on end or years on end. Again, not just from the Potentate if, in fact, he ever sends any.

Every member of the Divan should take an active part in sending mail to these candidates including their lady’s name in that letter at every opportunity.

I think that many of you remember here today when I ran for the position of Imperial Outer Guard and in the letters that I sent to you, they always included your lady’s name and I will tell you this, that to this day, people still come to me and say “That was very nice.” They really enjoy it because they need to know that they are important. Just like that new member, he also needs to know that he is very important.

Of course, it also takes a lot of money to do this and now many of our Temples are having difficulties financially.

Well, your Membership Committee recommends that every Membership Committee should have at least twenty percent of your Temple’s budget into membership. Chief Rabbans, take note and include it now. I say that because at the next seminar you should start including that into your budget.

Public relations is also important. We are very excited about what we are doing.

Now, another thing that is important, fellows, is that the Shrine is involved with the Masonic Task

Force and if you have not heard about it, you should. We contribute \$25,000 per year into this effort because we said, "Please believe in your goals because they are worthy of our support."

It is quite clear to your committee that everyone wants to continue to be a member of the Masonic Family and with that in mind, it is important that we continue to support the Task Force and help them in educating our Lodges and giving them new ideas.

By your vote the other day, this Committee will continue to work very hard with every Valley and I can only urge each and every one of you, if you have a problem with a Valley, please let me know and I will write to the officials and, as a matter of fact, I will work with you. We just need to have this.

There are some very important leadership things coming out that you will certainly be very proud of in relation to this Masonic Renewal Task Force.

Continuity is also very important. We need to make sure that the Potentate today will allow the Chief Rabbani to do his thing and get prepared for the following year.

How many of you use the new Marketing for Membership film that we sent out? How many have seen it? Well, I want you to know that your Membership Chairman has it and if you have not seen this, it will help you in relation to your telephone commitments to these people.

The new soccer program that Imperial Sir Ken Smith is running is very important to membership and to our communities. We realize, of course, that change is hard to accomplish but then we need to make these new commitments to our people out there today, that we will, in fact, help them to get things going.

Also, we are a very important part to universal healthcare.

Shriners Hospitals makes the largest single contribution to the care of disabled children in the United States on a continuing basis. The annual operating budget of Shriners Hospitals has exceeded the entire federal contribution to children with special healthcare needs over the last five years. In fact, the total budget for Shriners Hospitals is roughly equivalent to one-half of the annual budget for the entire budget for the Bureau of Maternal and Child Healthcare.

Do you agree that we need more members? Let me hear you, do you agree?

...Cries of "yes, yes"...

IMPERIAL SIR SEMB: You bet we do and we have to get out and work on it.

I would encourage you to read the books by John Robinson because they are all very important.

Now, the good news is this—that we are going to continue the Top Gun Program. However, it is going to be called the Silver Bullet Award and we are not only going to give you the Top Gun but if you get another candidate, you are going to have the Silver Bullet Award. We are going to use the cactus to reach out and grab you.

[Slide]: Here you have the Silver Bullet Award and we are going to pin that on to you. You have two candidates, you get this one.

[Slide]: Also, for top line signers, two more candidates, you are eligible for the Imperial Potentate's prestigious Silver Bullet Award.

[Slide]: Also, in relation to the Ten Most Wanted, we have something going on in that and you will receive the details concerning that later.

There you go, that is the deal.

Now, I also will conclude by showing you another film. I want to show you a video entitled "The Paradigm Pioneers." With that, that will be the finale concerning this Membership report and I thank you for your kind attention.

...Cheers and applause ensued...

IMPERIAL POTENTATE EVANS: Thank you, Ralph.

Now, he may have given you a little bit much but I know it is important and I do not know of anyone who has worked any harder than Ralph and I wish you would give him a hand of appreciation because, in relation to all of his efforts, he has really tried.

...Sustained applause ensued...

IMPERIAL POTENTATE EVANS: Before we have the presentation of the film, I would like to recognize Imperial Sir Jack Dean.

PAST IMPERIAL POTENTATE DEAN: Imperial Sir, I just would like to tell you that I attended the meeting of the International Horse Patrol that was held this morning as you directed and installed their officers this afternoon.

Thank you very much.

IMPERIAL POTENTATE EVANS: Thank you, Imperial Sir Jack. That was certainly a big deal. (Laughter and applause)

However, let me say that Jack and I have been friends for a very long, long time and he did the same

thing to me. You know, I went to a Motor Corps luncheon awhile ago and they filled this cardboard box up with their lunches for the hospitals. There is some \$800-odd dollars contained within this box. When you see the Motor Corps members, please thank them. (Applause)

Now, with that, we will entertain the showing of the film that Ralph mentioned entitled "Paradigm Pioneers."

...Whereupon, the video presentation called "Paradigm Pioneers" then ensued...(Applause)

IMPERIAL SIR SEMB: Imperial Sir, this concludes the Membership report and I would move for its acceptance.

...The motion was duly seconded, was voted upon and declared to be carried...

IMPERIAL POTENTATE EVANS: Now, we have one or two more things to do and then I will let you go until tomorrow morning, is that all right?

...Cheers and applause ensued...

IMPERIAL POTENTATE EVANS: Of course, as you know, we have a parade this evening.

With that, I would like to recognize Imperial Sir John VerMaas.

IMPERIAL SIR VERMAAS: Imperial Sir Everett, in behalf of the Public Relations Department, I would like to present to you your scrapbook for 1992-1993. It has all of your pictures in it.

...Presentation of scrapbook to Imperial Potentate Evans ensued...

IMPERIAL POTENTATE EVANS: Thank you very much. However, let me say that I do not have time to look at it right now. (Laughter)

IMPERIAL SIR VERMAAS: However, please make sure that you do not go away and leave it lay. Last year they went off and left it lay.

IMPERIAL POTENTATE EVANS: Well, you know, I would not do that. (Laughter)

IMPERIAL SIR VERMAAS: Imperial Sir, I just want to go over the 1993 Dromedary Awards with you at this time.

In this year's Dromedary Award competition, we had over 100 entries, which means that more than fifty percent of the Temple Editors participated.

According to the judges who critiqued the Temple publications, the Editors are making great strides in improving the design, layout and content of your publications.

As Chairman of the Imperial Public Relations Committee, I would like to extend a big thank you to every Temple Editor for a job well done. You know, very often our Temple Editors do not receive the recognition they deserve but, believe me, they are doing a great "behind the scenes" job.

In this year's Dromedary Awards competition, we had twelve top winners based on Temple membership—four each in the Newspaper, Magazine and Newsletter categories and we had fifty-seven Honorable Mention winners—publications that the judges considered "above average" and deserving of special recognition.

Here are our top publications for 1993.

In the Temple Newspaper category, the winners are:

"Camel Tales"—El Zagal Temple

"Temple Topics"—Sabbar Temple

"The Tattler"—Tripoli Temple

"The Desert Dust"—Oasis Temple

In the Temple Magazine category we had the following:

"Tunis Shereef"—Tunis Temple

"Araba Palms"—Araba Temple

"Kora Sands"—Kora Temple

"Papyrus"—Rameses Temple, a repeat winner from last year's competition.

In the Temple Newspaper category the first three were also winning entries a year ago:

"Cairo Courier"—Cairo Temple

"Kosair Columns"—Kosair Temple

"Ainad Bulletin"—Ainad Temple

"Desert Dust"—El Korah Temple

If the Potentates and Editors from any of the Temples are present, please come up front to the side of the stage. We will see that you get your picture taken with your respective Dromedary Award.

Also, congratulations to all of the winners, including the "Honorable Mention" winners. All of our "Honorable Mention" winners were notified by mail a few weeks ago, but if you are not sure and want

to know which Temple publications won "Honorable Mention" awards, a list of all winning entries is posted in the Public Relations Headquarters located in Conference Room No. 5 at the Marriott Rivercenter.

I hope to see more of your publications entered in next year's Dromedary Awards competition. Good luck to all of the Temple Editors.

Thank you, Imperial Sir.

IMPERIAL POTENTATE EVANS: Thank you very much, John.

Let us give John a big hand. (Applause)

Let me say that both he and Mike Andrews have done a good job and also certainly these Temples that have been announced as the winners have likewise done a good job.

At this time, I would like to recognize Imperial Sir Ken Smith.

IMPERIAL SIR SMITH: Thank you, Imperial Sir.

I bring to you a report concerning Shrine Soccer and a report, at the same time, concerning your Imperial Athletic Committee.

You know, they are giving me the needle up here pretty good but then how do you feel to be the closer of an Imperial Session? I think it is great.

Nobles, in March, at our Educational Seminar, we launched a program with your support concerning Shrine Soccer.

We had the United States Soccer Federation and Association back our program.

Of course, it takes a little while to get the mechanics in relation to everything to work. However, we have done that now.

This afternoon, as you leave, outside of the doorway you are going to be given the official publication of the United States Soccer Federation. In it, on page 5 there is a tremendous article about your Shrine Philanthropy.

Now, in that article it alludes to what is going to happen.

The United States Soccer Federation has associations in each state totaling fifty-four, because some states have more than one.

They will be told, at their annual convention on the 15th of July, as to how Shrine Soccer will work. Here, for example, is a letter that I just received today from the Georgia State Soccer Association:

"Greetings from the Georgia Soccer Association."

They are the state association in Georgia but also a member of the United States Soccer Federation.

"We would like to arrange for an appointment with your local/state representatives in Georgia to further explore and implement your generous plans to sponsor our soccer program, Shrine Soccer."

Nobles, that is what it is called. That is what the jersey says—"Shrine Soccer."

I know that some of you have embarked upon the program already and I compliment you for doing that.

I know sometimes it is tough to say, "Well, we do not know if we want to put that on the jersey." Well, you will find out that will be very welcome after the 15th of July.

Also, Shrine Soccer will begin officially on September 1st because the Shrine Soccer year runs from September 1 to August 31.

Some leagues are three leagues—fall, winter, spring—others are fall, no winter, spring and summer—but then it goes around for the whole year.

Further, what is coming up next year, with the World Cup being held here in the United States, I can assure you that, in turn, it is going to be a tremendous boost to us.

Also, please remember that those parents take those little children to that game. Also, for those Canadian Potentates, I would like to have them come up here after the Session closes today and receive all of their information from the Canadian Association.

Now, in closing, I would just like to give you a word and a report from your East-West Game.

Today, there are some 132 Temples that have signed up to support the Daddy Program, our great East-West Game.

The largest support we get from our own Fraternity, the greater that game will become. It is truly our window in sports in North America.

We had 84,000 at the game last year and we had over a quarter of a million dollars net.

Thank you, fellows, because that is a heck of a job well done. (Applause)

Thank you, Imperial Sir.

IMPERIAL POTENTATE EVANS: You and your Committee, Ken, are both to be thanked for your tremendous efforts in this regard.

Now, last year we had the absence of one of our greatest people who has worked so diligently and he has asked for Jack Dean to read a little thing for you and I would like to ask Imperial Sir Jack to do it at this time.

PAST IMPERIAL POTENTATE DEAN: Nobles, you will recall last year that Judge Sewell Lamdin, the Chairman of our Grievances and Appeals Committee, was absent from our Session and this Imperial Council adopted a resolution of appreciation to him for all of his services and the loss of his wife and so he asked me if I would read this to you.

"The Lamdin family wishes to express their appreciation for the wonderful resolution adopted by the body at its 1992 Session and for the great out-pouring of expressions of sympathy on the loss of Dottie and more particularly the amount of money in donations to our hospitals in her memory which resulted in her name being entered in the Gold Book of the Philadelphia Unit. Thank you very much" (Applause)

IMPERIAL POTENTATE EVANS: Please remember that tomorrow our Session will be held in the Marriott Rivercenter Hotel. That will be held in the Grand Ball Room.

At this time, I would like to ask our Imperial Chaplain to dismiss us.

IMPERIAL CHAPLAIN LOFTIS: Heavenly Father, we are so grateful for the wonderful reports that we have had this day. We ask You to fix our minds and our hearts in going back to our individual Temples and attempting to carry out this wonderful program of working for our crippled kids. It is in Your precious name we pray. Amen.

...Whereupon, the One Hundred Nineteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at three-twenty-five o'clock p.m....

MORNING SESSION
THURSDAY, JULY 8, 1993
NINE O'CLOCK A.M.

The One Hundred Nineteenth Annual Session of the Imperial Council was reconvened in the Grand Ball Room, Marriott Rivercenter Hotel, San Antonio, Texas, at nine o'clock a.m., Imperial Potentate Everett M. Evans presiding.

IMPERIAL POTENTATE EVANS: Will you please take your seats.

I will recognize our Imperial Chaplain.

IMPERIAL CHAPLAIN LOFTIS: Heavenly Father, as we come near the close of this One Hundred Nineteenth Imperial Council Session, we cannot help but express our appreciation and our love and our thanks to You for Your servant everyday.

Of course, we know that You have a big smile for the love of Shrinedom, for its goodness to crippled children and to mankind.

We ask that Thou be with the new administration coming in. Guide them and direct them in the coming year. Also, guide and direct our Imperial Sir, Everett Evans, as he nears the completion of his term.

All of this, in Your precious name, we pray. Amen.

IMPERIAL POTENTATE EVANS: You know, it has been my pleasure to have our Imperial Chaplain travel around the country with me. Let us give him a round of applause. (Applause)

At this time I will call on Imperial Sir Ralph Semb to report for the Ritual Committee.

IMPERIAL SIR SEMB: I will not be long. (Laughter) I guarantee you that because we want to go home also.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles: This is the report of your Special Committee on the Ritual.

The Committee consists of Imperial Sir Robert B. Bailey, Imperial Sir Robert J. Turley and me. It was created by our Imperial Potentate, Everett M. Evans. The Committee's assignment was to review, consider and evaluate the existing Ritual of the Shrine of North America and propose such revisions as may be appropriate so that the Ritual will be in compliance with the law of the land, Shrine Law and today's mission of our Order and hospitals, yet retain the beauty and pageantry of our ceremonies.

The Ritual, as we revised, was placed in the registration packets of all Representatives to this Imperial Council Session. We hope that you had an opportunity to review it.

The new Ritual of the Shrine of North America has been expanded to include needed new material, such as Installation Ceremony, an Appendix and an Index. As a result, if you want to find a particular

topic, such as the "Inspired Charge," you can readily locate it by referring to the index.

Imperial Sir, we have talked to several Representatives since our arrival at San Antonio. These Representatives have been kind enough to give us the benefit of their recommendations. We appreciate and respect their opinions.

Therefore, after having discussed the revised Ritual handout with these interested Nobles, your Committee has unanimously agreed to amend the revised Ritual in two particulars.

The first is on page 32 and to those of you who have the revised Ritual in your possession, you can follow along with me. Again, on page 32 is the Inspired Charge.

Six lines down where it says "but all mankind's religions should respect," after the word "respect," then strike the entire next line which says "as good and worthy—even believing none."

Now, in our discussion with some of you Representatives, you suggested that we take that line out and we agreed with that.

That is the change that we have made in the Ritual.

With that in mind, Imperial Sir, I would move the adoption of the report and the revision to the Ritual.

IMPERIAL POTENTATE EVANS: Is there a second to the motion?

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: The motion has been duly made and seconded.

Is there discussion?

IMPERIAL SIR SEMB: Let me say, with regard to Bylaw changes, what we presently have we passed in 1945. It has been some forty-eight years since we changed this particular Ritual in relation to each of these, the current social molds.

For example, going to page 11, "holy books," holy books are really not Masonic property and so we changed that.

On page 17, we took out the twenty and twenty-one. Our methodology here was to get away from those individuals who thought that we were a cult, that we were religious and that we needed to think about the Shrine and keep it in that respect.

We took out where it said "prerequisites to take the Obligation" and, in that connection, we felt this way—that inasmuch as we were fully away from the Obligation, where you would be violated, we changed the wording there so that we would be in tune with today's society. Now, also, in that connection, we felt that some of the prerequisites had not as yet done that. However, when they do it, we would have no objection to putting it back in.

In addition to that, there is the "Installation of Officers," Also, "Stage Directors" are now put in there—where, for example, they salaam and give the Order of the sign.

Also, we now refer to Robert's Rules of Order for Shrine Law which was not done before.

Also, we have brought in the Shriner's Creed, which many of us need to have heard—both at the installation ceremony as well as in the Ritual.

The Shrine Pledge of Allegiance has been changed to read as it should read in connection with the Shrine Pledge.

Those are some of the changes that we made.

Further, your Committee worked for many, many hours on this and I think we have come up with something constructive. However, I would certainly elicit any further comment or any questions that you might have because, at the present time, we feel very comfortable with it the way it is.

Thank you very much.

IMPERIAL POTENTATE EVANS: Yes, sir. You speak in opposition?

ILLUSTRIOUS SIR LESLIE PETERSON [Gizeh Temple]: Imperial Sir, Imperial Sirs and Representatives: I think that I am in agreement with the majority of the recommendations that the Committee has made. However, I only have one general objection and that is that they have removed any reference to Brethren or Masonic Masons.

For example, specifically on page 18, you will note that the first introduction a candidate has to the Shrine is in that prologue. It relates to being linked with the Masonic Order and they are always referred to as "Brethren."

Now, why should we be forbidden in the future to refer to someone that is not a Noble as a "Brother"?

Therefore, I would move that that be deleted and "Novices" be deleted or, on the other hand, let us refer to them as "Brethren."

This appears to be drafted on the basis of the resolution that was defeated the other day about the prerequisite bodies.

Again, for example, in the Obligation, when they stand before the Altar and they repeat after the Potentate, "Now upon this sacred book, I register my solemn vow binding myself thereto and also to the prerequisite of this membership." Now then, you have deleted that and I take strong objection to the deletion of the Obligation where it says that there are obligations also in the prerequisites for membership. (Applause)

Therefore, Imperial Sir, I would move that that be reinstated and those are my two amendments.

ILLUSTRIOUS SIR RANDAZZO [Potentate, Jerusalem Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Nicholas Randazzo and I am Potentate of Jerusalem Temple.

IMPERIAL POTENTATE EVANS: Hold it just a second. I did not hear a second to the motion made. Was there a second?

...The motion was then duly seconded...

IMPERIAL POTENTATE EVANS: All in favor of that please say aye; opposed nay.

...Cries of "What are we voting on"...

IMPERIAL POTENTATE EVANS: Well, excuse me, there appears to be some problem here as to what we are voting on and so I will call on Sewell Lamdin to give us an explanation as to where we presently are.

ILLUSTRIOUS SIR LAMDIN: Well, by way of explanation, let me say that Imperial Sir Ravellette was entitled to the floor, Bob Turley was entitled to the floor.

Now then, as some further explanation here in the way of clarification, when you have an amendment and the amendment is seconded that, in turn, puts that amendment before the body. Also, any amendment, at that point, is open to discussion.

Now, Imperial Sir Ravellette desired to discuss the amendment and I also understand that Imperial Sir Turley likewise desired to discuss the amendment. They have that right.

Therefore, on the basis of what has taken place, we will, at least for the moment, erase that vote and then come back to it.

IMPERIAL POTENTATE EVANS: Thank you very much.

I presume that clarifies that.

If everybody is clear, I will next recognize Imperial Sir Ravellette. Before I do that, let me ask you, Burt, what is your position on this—are you either "for" or "against"?

IMPERIAL SIR RAVELLETTE: Well, Imperial Sir, I think I know what I want to do—I want to speak on the amendment. I think that is the way to proceed.

Now, my friend from Gizeh Temple has just said that he wanted to see, I believe on page 26, the words there remain the same and those words are, "and now, upon this sacred book I register my solemn vow, binding myself thereto and also of the Obligation of the prerequisites of this membership as long as my life shall last."

I want to make sure that is what we are talking about.

Also, I want to say another word or two and that is this—that you may hear that it is covered in the Bylaws or that it is covered somewhere else in our organization but, on the other hand, I maintain to you that when a candidate is being inducted into this Order he has no knowledge of our Bylaws and he needs to know it right here in this Ritual.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: I will next recognize Imperial Sir Bob Turley.

IMPERIAL SIR TURLEY: Let me say, Imperial Sir, that I am not going to leave the Chairman of my Committee out here hanging because what he told you is not his judgment but it is the judgment of the Committee.

...At his point there were several exclamations of "Cannot hear, cannot hear"...

IMPERIAL POTENTATE EVANS: Will you please start over again, Bob, and perhaps get a little closer to the microphone.

IMPERIAL SIR TURLEY: I just said that I am not going to leave the Chairman of this Committee hanging. I served on this Committee and what he told you is not just his judgment, it is the judgment of the Committee.

Now then, let me tell you why.

For example, in my state, when the Governor takes his oath of office, or when any elected or appointed official takes an oath, clear down to a Notary Public, they and even these little secretaries that are normally covered, have to swear that they have never fought a duel with deadly weapons nor given or accepted a challenge, nor acted as a second nor assisted anyone else of less opinion.

Now, when people are made aware of that, they snicker, they giggle and they laugh. However, that

is something that goes back to our 1891 Constitution. It is required that that oath be given.

Now, somebody once said that we are really being blessed if we can see ourselves as others see us.

Recently, I am sure, you have read in the newspapers that people who are ignorant of the history of Freemasonry who know nothing of the past, who do not know as to why we have certain things in the Obligation of the prerequisites, are very critical of both Obligations.

I will not repeat them on the record here because I cannot do that and, further, I am sure that you know them all. Also, I am sure you know that they have been published in the public press.

Now then, the people on the outside scoff at those. We take them as symbolic and that is all right, but what this Committee is attempting to do here is to try to remove a cause for the outside world to criticize us for something that the Shrine does not mean.

If these Obligations are essential and if they are believed, then it is sufficient that they be taken into prerequisite degrees. They do not need to be repeated here.

Any man who takes his Obligations in the preceding degrees serious, should not be compelled to repeat them in some other Order.

Now, we can do two things and that is what the Committee proposes to do.

The two things are (1) to take seriously in the preceding degrees the Obligation we have taken there and we do not have to repeat it elsewhere and (2) remove the cause of people on the outside giving us a bad name, so that they do not have to do that.

Now then, that is your Committee's proposal. Further, it is a serious proposal. It is not meant to denigrate the preceding degrees or the Obligations taken there by any means.

The way that you can do what we suggest to you is to defeat the amendment.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: Is there further discussion on the amendment?

ILLUSTRIOUS SIR THOMAS C. YANTIS [Suez Temple]: There are several items concerned with this.

First of all, I would like to answer Bob Turley.

For example, I do not know, in relation to the outside world, as to why they have to be instructed in our Obligation in the first place. They are not a party. (Applause)

They have all heard and taken that vow already.

Now, I agree that our Ritual may be a little bit antiquated in the things in there that they are suggesting be taken out. On the other hand, there are some things left out which I think should be put in.

IMPERIAL POTENTATE EVANS: Tom, please limit your remarks to what we are talking about at this point.

ILLUSTRIOUS SIR YANTIS: Well, Imperial Sir, I am talking about the revision.

This has not come to us until this Session and there are a lot of changes in here.

There are a lot of factors that need further discussion here and, needless to say, I think this whole thing needs a lot of study. Also, I think each Temple should have a copy of this, be able to study it within the Temple and then suggest implementations for other changes to the Committee. (Applause)

IMPERIAL POTENTATE EVANS: Is there any further discussion? This is on the first amendment.

Restate the amendment, if you will.

ILLUSTRIOUS SIR LAMDIS: Ask the proposer to come back to the microphone and restate the amendment as offered.

ILLUSTRIOUS SIR PETERSON: Imperial Sir, there are two amendments.

The first was on page 18, I believe, where there was a change in the wording—leaving “Brethren” in and removing “Novices.”

The other is on page 26, which has to do with the Obligation. The wording there that was initially mentioned was stated by me from the Ritual as it exists today. I will read it again, if I may.

It says, “I now, upon this sacred book, register my solemn vow, binding myself and also to the Obligations of the prerequisites and its membership as long as my life shall last.”

Those were my amendments, Imperial Sir.

REPRESENTATIVE: Imperial Sir, I think this is important enough and I think this is going to take a lot of time and, further, I think there should be a lot of discussion between the various Temples in relation to all of this and so I think we should table this issue until our meeting of next year. (Applause)

IMPERIAL POTENTATE EVANS: Do you all understand what he has done? If there is no further discussion, then we will vote on that. Essentially, the motion is to table. Is there a second?

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: All those in favor of tabling this item until next year please indicate by

saying aye; opposed nay. I will declare it to be tabled.

Thank you very much.

IMPERIAL SIR RAVELLETT: If I might ask, I have a point of order.

You know, we were talking on the amendment and, therefore, was the motion to table the original motion?

REPRESENTATIVE: Imperial Sir, I would like to move that if it is resubmitted, that a final draft be mailed to the Representatives in advance of the next meeting of the Imperial Council—that it be mailed to all Imperial Council members and the Potentate of each Shrine Temple so that it can be properly reviewed by those committees on the local level who are involved with the Ritual.

IMPERIAL POTENTATE EVANS: Well, you know, I do not think that motion is out of order. Is there a second to the motion?

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: The motion is that this material be sent to you a little bit ahead of time so that you, in turn, will have an opportunity to review it. I am not speaking either for it or against it but I think it is in order.

All in favor say aye; opposed nay. It is unanimously carried.

I will next call on our Imperial Treasurer, Webb Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a real pleasure for me to report to you at this time the Treasurer's reports for the year 1992 for both the Iowa and Colorado Corporations.

When you registered for this Convention, in your packet were these (indicating) two little blue books which are a Book of Reports.

I know that you have all been busy this year and it is difficult to read all the material that you need to understand in order as to what is going on with respect to your finances, as well as many other things. However, I would urge you to study this Book of Reports and if you have not already done so, please do so, so that when you get back to your own Temples, you will be more informed about your organization and, in turn, it will be of a great deal more value to you.

Now, just let me tell you briefly that what I have tried to do in these Treasurer's reports is to give you information which you will not find elsewhere in the Audit reports or the reports of the Finance and Audit Committee.

Specifically, one of the things that I have attempted to do is to give you comparative information between years and you will find in relation to both of these that we now have ten years of comparative data, not only of comparative data but you have a breakdown of what constitutes our different funds. I think, if you read it, you will find that very enlightening.

I know that many of you have been concerned, with respect to the Colorado Corporation, about the fact that we have had to use a lot more realized capital gains in the last year or so than we had originally thought we might have to.

However, I will tell you this—that since interest rates have declined, what we have found is that realized capital gains have gone up and we hope that we are keeping a fairly level approach to the financing of the Colorado Corporation. Therefore, keep that in mind as you read that report.

With respect to the Iowa Corporation, you will remember that we amended the Bylaws to increase the per capita tax and we now have the Iowa Corporation in a very good financial position, at least for now.

So here again, if you will refer to your Book of Reports on the Iowa Corporation, I think you will find that data very helpful to you.

Also, I have some very good news for you and that is that just before I arrived this morning at this meeting, we had gotten some printouts in relation to the mileage for this Session and you fellows deserve a great deal of credit for the responsible way in which you arranged for your transportation to this Session and it looks like we have saved some \$450,000. (Applause)

With that, I want to thank all of you and if you have any questions, I will certainly be happy to meet with you in private.

Thank you very much, Imperial Sir. (Applause)

IMPERIAL POTENTATE EVANS: I will recognize Illustrious Sir Walter Pettit at this time.

ILLUSTROUS SIR PETTIT: Imperial Sir, Imperial Sirs and Representatives: I have one announcement, this being the last item on the legislative calendar.

I have been advised that there was a typographical error in the matters of New and Amended Bylaws

approved that were in your packet with regard to Amara Temple.

There was a typographical error under Amara Temple which stated the provisions of the Temple Bylaws which were amended and approved were:

"Article V, Section 1, Initiation Fee."

The report in your packet under Amara Temple should have stated the provision of the Temple Bylaws which were amended and approved were:

"Changing the date for presenting the Temple budget to November and the date for adopting the Temple budget to December."

Imperial Sir, I would move that the New and Amended Temple Bylaws Approved, Series of 1992-1993, be amended to correct this typographical error.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: You have before you the correction of an error in relation to the Amara Temple Bylaws as presented by Illustrious Sir Pettit.

Is there any discussion?

There being no discussion, all in favor of approval indicate by saying aye; opposed. It is unanimous-ly carried.

I will next call on Illustrious Sir Pettit for the presentation of item No. 8 in the Call.

ILLUSTRIOUS SIR PETTIT: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 8 on the Call of the Annual Session of 1993, beginning on page 23 of the Call. It is a proposal to amend §328.6 of Article 28 of the Bylaws of the Iowa Corporation, by deleting the present §328.6(a) in its entirety and substituting in its place a new §328.6(a); by deleting the present §328.6(e) and §328.6(f) entirely, so that such §328.6, as amended, will read as follows:

ARTICLE 28

Temple Jurisdiction and Waivers §328.6 Where Petitioner Must Apply.

(a) Waiver—When. A petitioner must apply for membership to that Temple in whose jurisdiction he has been an actual resident for at least six months, or to that Temple nearest to his actual place of residence, or he must have a waiver.

(b) No change.

(c) No change.

(d) No change

(e) Deleted.

(f) Deleted.

If approved by the Imperial Council, the following language is to be inserted at the beginning of §328.4(a): "Except as provided in §328.6(a)."

The Committee reports that the proposal is in proper and legal form and does not conflict with any provision of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Walter S. Pettit, Jr., Chairman

Roger Scott

Robert E. Cooper

Theodore Corsones

Leonard W. Smith

Alex L. Rogers

James M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend you call upon Imperial Sir Ralph Semb, Chairman of the Imperial Membership Committee, for an appropriate motion.

IMPERIAL POTENTATE EVANS: The Chair will recognize Imperial Sir Ralph Semb.

IMPERIAL SIR SEMB: Imperial Sir, I would move that the item as contained on the Call be referred to the Jurisdictional Lines Committee for consideration and review and that this Committee has the authority to present a report to the 1994 Imperial Council Session.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: You have heard the motion and the second.

Is there discussion?

All in favor indicate by saying aye; opposed nay.

Well, wait a moment. Let me tell you what we are voting on.

I think the motion before you is that he wants to delay this until next year until you can be presented with further information. I believe that is the intent of the motion.

ILLUSTRIOUS SIR LAMDIN: Let me ask, Imperial Sir, do the Representatives need an explanation as to what has been voted on?

...Cries of "yes, yes"...

ILLUSTRIOUS SIR LAMDIN: If I may, Imperial Sir, let me say that the proposer of the legislation has moved that it be referred to the Jurisdictional Lines Committee. As of the moment, it has not been presented to the Jurisdictional Lines Committee and they have not reported it out and there is no report from them.

He moved it go to the Jurisdictional Lines Committee for further study and a report at the next Session of this Imperial Council. That is what you voted on.

REPRESENTATIVE: According to our Rules, page 30, item 4, that is what has to be done.

ILLUSTRIOUS SIR LAMDIN: That is what you have voted in favor of doing.

REPRESENTATIVE: However, that is what I am saying—that it absolutely has to go to the Jurisdictional Lines Committee.

IMPERIAL POTENTATE EVANS: In other words, if you vote in the affirmative, then it goes back to the Jurisdictional Lines Committee. If you vote "no," you consider it here.

...The question was severally called for...

IMPERIAL POTENTATE EVANS: All in favor of the motion indicate by saying aye; opposed nay. It has been carried to go back to the Jurisdictional Lines Committee.

Thank you very much. (Applause)

At this point I would like to call on a Noble and Imperial Officer who has been after my job all year long and I guess I am going to have to give it to him here very shortly. However, he is coming to the microphone for the purpose of indicating to you what you are going to be doing next year.

Tony.

IMPERIAL POTENTATE-ELECT BUKEY: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Imperial Council of the Shrine of North America: I would just like to briefly state my position and what my intended actions will be over the next twelve months.

My position is that I, as an elected officer of the Shrine of North America, have a responsibility to the organization to do everything I can, based on good information research and through the ballot, if necessary, and chart a course that will hopefully ensure the future of this great Fraternity.

I do not pretend to have all of the answers. However, I do pledge to you that I will do a good study, that I will use the resources within this Association because we do have a lot of talent here. We have a lot of people who can help to solve the problems of this Fraternity and what it faces in the future.

I intend to use and direct the committees that are to be appointed and to use every resource available in order to search for solutions to the problems that we face.

You know, we do have problems on membership which, in my opinion, is a very serious problem and the most underlying problem that we have. However, there are likewise other serious problems in existence within the structure and in the framework.

Further, I intend to start traveling on the 16th of July. I intend to travel to as many Temples as I can, prior to my arrival asking them to allow for me approximately an hour to an hour and a half or even two hours to sit down with the Divans and Representatives of that particular Temple and have some serious discussions to identify and to listen to proposals that you may have toward solving some of these problems that we are presently facing.

I will suggest to you that there will be an opportunity, in a national way, for you to sit down and discuss the problems and to discuss the options available in order to bring those particular problems to resolution.

If during the course of the year we find that some of our problems have good solutions that will pass the test of the ballot, I am sure that people will come forth and make those recommendations in the form of an item for the Call for 1994.

That is essentially the basis upon which I assume the responsibility for this organization.

Further, I come to you with an open mind, I come to you with some ideas of my own and I would like to hear your ideas and I would like to have you listen to mine.

Further, I have the right to disagree with your ideas and you certainly have a right to disagree with mine.

I will give you the conclusions that I have gained based on the factual facts that I will be prepared to present to you. Further, I hope that you will give me the same courtesy as you adopt a position or I hope you would give simple evidence of support in relation to whatever conclusion you offer as a solution.

I think that is fair and I think that probably you think it is fair.

That briefly is a summary of what this Imperial Potentate is going to attempt to try to serve during this next term.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: Thank you, Imperial Sir.

I would now like to recognize Walt Pettit.

ILLUSTRIOUS SIR PETTIT: Imperial Sir, Imperial Sirs and Representatives: I am sure you have noticed that we are finished with legislation. I want to express my thanks to you from the Committee on Jurisprudence and Laws and to your Imperial Potentate.

You know, he announced in the beginning that he was a trucker but then I think he did an excellent job of presiding over this organization during this Session.

...Rising applause ensued...

ILLUSTRIOUS SIR PETTIT: Again, thank you very much, Representatives. I think that was indeed a spontaneous response in relation to what you have been hearing all week—both in relation to what you have seen and what you have heard all week and the epitome of what he has done during the year has been indicated in the manner in which he used the gavel in relation to everybody.

I would like to take a moment of special privilege to again thank the members of your Jurisprudence and Laws Committee whom I am sure you all recognize came in here a day early. They sacrificed a great deal of time with their wives and their families and they do not get the luncheon breaks and breakfast time opportunities that most of you Representatives do but they do it fairly and wisely and with your best interest in their hearts.

They are an exceptional bunch of lawyers. Also, they are a great bunch of Masons and Shriners and I would be privileged to take this group and sit them down in every community which you represent and I would guarantee that they would make one hell of an impact on your legal profession, upon your Masonic organization and upon society as a whole.

At this point, I would like to see you give them your sound thanks. (Applause)

And for me personally, thank you all. I consider you all my dearest friends and will do anything for you.

If I can be of any service to any of you, you will find my name in the Directory, give me a call.

Thank you all so very, very much. (Applause)

IMPERIAL POTENTATE EVANS: I would also like to extend my personal thanks to this Committee for all of their efforts. They are a great bunch of lawyers, as Walt said.

I would again like to recognize our Director General, will you please stand. (Applause)

Also, just everybody that has had some function in putting this whole show together. I hope, as a result of all of the efforts of all those involved, you have all had a good time while you have been here.

Further, I cannot adequately tell you of the thanks that I have in my heart for all of you. (Applause)

At this point I would like to recognize Illustrious Sir Ed Maag.

ILLUSTRIOUS SIR ED MAAG [Ainad Temple]: Imperial Sir and My Fellow Representatives: You probably realize by now that this is the first time I have been here in about two and a half years. My wife passed away and for that reason I lost touch. I was not here for the various campaigns. I did not meet with the candidates.

Now, while it is a pleasure to be back, because I was away, I began to hear things. People called me and talked to me and, through that means of communication, I began to hear things about the campaigns which were disturbing to me and apparently disturbing to some of the other Representatives.

As a consequence of this, I listened to certain Representatives on the floor, Emeritus people and, as a result of all of this, I have drafted this resolution, Imperial Sir, which I offer and we offer in complete good faith and we ask, Imperial Sir, the adoption of the following resolution:

"WHEREAS, the election process currently being used to elect our Imperial Officers is becoming a matter of concern to certain of our Representatives; and

"WHEREAS, the Imperial Council seems to have tolerated or permitted to be developed political agents, as well as extensive Political Action Committees; and

"WHEREAS, large sums of money are being expended for travel, telephone, postage and other related expenses; and

"WHEREAS, current practices are deemed by some to discourage some well-qualified candidates from seeking office; and

"WHEREAS, our current Bylaws do not appear to regulate the election processes adequately; and

"NOW, THEREFORE BE IT

"RESOLVED, that the incoming Imperial Potentate, Imperial Sir, "Tony" Bukey, be and he is hereby, requested to appoint promptly a Special Committee of nine, consisting of three Imperial Officers, three Emeriti Members and three Annual Representatives to study the election processes used by candidates for election to the Imperial Line, which such Committee shall report back not later than the third day of the next Imperial Council Session; and be it further

"RESOLVED, that such Committee make specific recommendations to the Imperial Council, including but not limited to the following:

(1) Whether or not restrictions or conditions on election funding and expenditures by candidates should be imposed; and, if so, the terms and conditions of any such restrictions or conditions; and

(2) Whether or not candidates for office to the Imperial Line should be required to file reports of monies raised and expended by any such candidate, and the time limits for filing such reports, if any; and

(3) Upon such other matters pertaining to the election processes as such Committee deems appropriate."

This resolution is co-sponsored by myself, a Representative of Ainad Temple; Past Imperial Potentate Walker Kisselburgh; Past Imperial Potentate Dr. H'Doubler; Illustrious Sir John Tyson, a Representative of Abba Temple; J. B. Hopkins; and Past Imperial Potentate Warren Weck.

Imperial Sir, I move you the adoption of this resolution.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: The motion has been made and seconded.

Is there any discussion?

...The question was severally called for...

IMPERIAL POTENTATE EVANS: The question has been called for.

All in favor of the adoption of this resolution please say aye; opposed. The resolution is declared to be adopted.

Now, if I may, I would like to comment with regard to Ralph and his Membership presentation made yesterday.

As we all know, Ralph is certainly a very wonderful guy and, in relation to his Membership Committee, he has so much material to offer and which he wants you to have that I, in turn, take the responsibility for his program being a little bit long yesterday. Now, I could not have done without him this year and, of course, I am glad he was here. I believe he wants a little bit of recognition at this time.

IMPERIAL SIR RALPH SEMB: Thank you very much, Imperial Sir.

As has been previously indicated, I am certainly enthused with this position of Membership Chairman. However, I cannot do it alone—I need your help.

We have set a goal, and I did not get to it yesterday, of some 19,000 creations. Can I get your help?

...Cries of "yes, yes" and applause ensued...

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: Now, once again, Tony, let me ask you, do you want this job or not? (Laughter)

IMPERIAL POTENTATE-ELECT BUKEY: I certainly do.

Further, I would like to take this opportunity, before I perform some other official duties, to say to you, Representatives, that every Imperial Officer up here is anxious in the pursuit of the responsibilities that have been assigned to them in relation to the committees that they will be responsible for.

You know, the committee system is a great system. It certainly works.

Now, in relation to everything that goes on concerning these committees during the next year, you can depend on one thing and that is that the chairman of the respective committee will be thoroughly informed and he, in turn, will inform the Representatives as to the work of that committee.

All of this, I am sure, will be done by Board resolution with a recommendation to the Representatives based on fairness, good judgment and a sincere desire to serve this Fraternity. I believe that. I know it is true and I think you also know that it is true.

I would like to suggest now that for all of their work, if you would give the Imperial Divan, the various committee chairmen and the staff your thanks for pursuing this task with diligence and dedication and for a single-minded purpose in trying to solve the problems of this Fraternity. (Applause)

Also, Imperial Sir, with your permission, I would now like to ask that all Imperial Officers, through the Imperial High Priest and Prophet, form a line at stage right for the purpose of presenting the Representatives with their plans to date relative to the forthcoming Imperial Council Sessions.

At this point, I will ask Imperial Sir Ravellette to come to the microphone.

IMPERIAL SIR RAVELLETTE: Imperial Sir, Imperial Sirs, Distinguished Guests, Fellow Representatives: It is my pleasure to report concerning the 1995 Session.

It will be held at Indianapolis, Indiana. We are looking forward to your visit and we promise to extend to you that great Hoosier hospitality and to take care of both you and your lady while you are there.

There will be two parades, with a day parade on July 4th and an evening parade on the evening of July 5th.

I would like to thank all of the Assistant Rabbans who attended our reception and we are looking forward to a great year.

We are receiving excellent response in relation to the rooms and in relation to deposits, etc., and we are very pleased with that.

I do have a little tape to run here in order to give you a little bit of an idea as to what will be available for you at Indianapolis.

...Whereupon, a videotape relative to what will be available for the Indianapolis, Indiana Session then ensued...

IMPERIAL SIR RAVELLETTE: That will be my report, Imperial Sir.

IMPERIAL POTENTATE-ELECT BUKEY: I would next like to call on Imperial Sir Bob Bailey.

IMPERIAL SIR BOB BAILEY: Imperial Sir, Imperial Sirs and Representatives: After you have been to Indianapolis, Indiana, we would be thrilled to have you come to New Orleans, Louisiana from June 30th through July 4th, 1996.

Most of you have had an opportunity to visit New Orleans, visit properties and see the places where you might desire to be when you were present there for the Imperial Seminar School of Instruction.

We have been to New Orleans in 1981 and again in 1988 and we are going there again in 1996.

Joe Vita will again be the Director General and most of you, if not all of you, know Joe and the great job that he does in putting on an Imperial Council Session.

Therefore, we invite you to New Orleans, the Mardi Gras, the parade and indeed to join us in a lot of fun in 1996. Therefore, in 1996, please plan your itinerary for being present in New Orleans.

Thank you very, very much. (Applause)

IMPERIAL POTENTATE-ELECT BUKEY: That was Imperial Sir Bailey and I would now like to call on Imperial Sir John VerMaas.

IMPERIAL SIR VERMAAS: Imperial Sir Tony and Delegates and Representatives: As you know, we will be going to St. Louis in 1997. My intent in picking a convention city was to attempt to get to the heart of the United States and I did that and I would, at this time, like our Director General for that Convention, Art Haack, to tell you all about it. As you know, good things often tend to come in little packages.

NOBLE ART HAACK: Thank you very much.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: From June 29th to July 3rd the Imperial Session will be held in St. Louis, Missouri.

Although that old Mississippi River is giving us a hard time right now with all of that flooding, we also feel that we are going to have fun in relation to the Moolah Temple Nobles doing what they can to make that trip a remarkable trip for you.

We have a "flood" of great restaurants, five-star restaurants down to the usual fast food restaurants. We also have a number of great hotels. We also have great shopping centers and shopping malls and we also have a world of entertainment activity waiting for you, all of them within distance of the great Arch

of St. Louis, which I am sure all of you will want to take a little trip up into.

We are looking forward to 1997 and we certainly do invite each and every Noble from each and every Temple to participate in the Imperial Council Session to be held at St. Louis in 1997.

Thank you very much. (Applause)

IMPERIAL POTENTATE-ELECT BUKEY: Thank you very much, Imperial Sir.

I would now like to call on Imperial Sir Lew Brantley to share his plans for 1998 with us.

IMPERIAL SIR BRANTLEY: Thank you very much, Imperial Sir Tony.

We have had a survey done among the newly elected people on the Line this year. We received back a lot of good advice.

I have to tell you, however, that we have not as yet made a decision as to where that year's Convention is going to be but we had several options that we were looking at.

Atlanta, of course, was very much interested in it. That is a popular city and there is a lot to do there.

Now, inasmuch as 1985, the last time we were there, was a very, very successful year, we thought it would be a good factor for all of you.

However, the real desire that I particularly had in the beginning and those that responded to our survey were very favorable to is we would like to have gone into the Tampa/ St. Petersburg area, because there are a number of you present yet who have not seen your Headquarters. Therefore, we would like to have you be able to see your Headquarters and, of course, also see one of your hospitals and, of course, it is close enough for you to take a vacation trip for several days to Disney World. The rooms there, however, are not up to the requirements of the Imperial Council. We are told, however, that they are in the talking process and they look forward to the building of a new Headquarters hotel downtown.

However, our problem is that even if they started today that we probably would not have it ready by the time we needed it. If, however, they do not get started by next week, then we are going to be in deep trouble with rooms. So that one is in trouble.

Also, Miami has received some attention but, in view of its present status, it is now in the process of attempting to rebuild its image. It has a bad reputation in relation to crime and those sorts of problems.

Of course, we would be happy to also discuss that location for the future but, right at the moment, it is not in very strong contention.

I have a sympathy for them in a way because they took that hurricane pretty bluntly and it knocked the heck out of them but then that is not enough to take our Nobles down there and their families down there where they would not feel comfortable.

Also, another condition in relation to coming down to Florida is, concerning the overall planning, you have to keep in mind as a major decision, Disney World at Orlando.

Now, if we do that—were we to go into Orlando, we would also go on Disney property and there is no safer place in the world than being on Disney property.

However, whatever the final decision ends up to be, let me promise you that we are going to have fun in 1997-1998.

Did you know that John VerMaas and I were born on the same day of the same year? However, I am just bigger than he is and prettier than he is. However, I am going to follow right behind him and give you a good Convention.

Thank you very much, Imperial Sir.

...Brief joviality ensued at this point. ... (Laughter)

IMPERIAL POTENTATE-ELECT BUKEY: And now I would like to take a point of personal privilege and have Claire Cusick come up. I will be very grateful to him if he will tell us a little bit about Denver for next year.

NOBLE CLAIRE CUSICK: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles: Many of you have been very enthusiastic in supporting Denver as the host city for the Imperial Council Session in 1994 and we thank you for the support.

Our plans are progressing on schedule and we anticipate a successful Imperial Session.

If you do need to increase the number of your room registrations or need to add some rooms or if at this point you have not secured rooms, please contact our Housing Chairman as soon as possible.

In 1983 we hosted the Imperial Session and today we still receive comments on an outstanding Session.

Look to Denver as the ultimate Convention destination as well as a place to take your families for their vacation in 1994.

We want you to come and have fun and enjoy the city and help Imperial Sir Tony to conduct the busi-

ness that will come before the One Hundred Twentieth Annual Imperial Council Session.

Thank you very much and we hope to see you in Denver in 1994. (Applause)

Somebody asked me the dates and they will be from July 3rd through the 7th of July of 1994.

Again, thank you very much.

IMPERIAL POTENTATE-ELECT BUKEY: Imperial Sir, that completes the report of the Time and Place Committee and I would move we approve the times and places for the Annual Sessions not previously approved as recited in this report.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: is there discussion?

If not, all of those in favor of the motion indicate by saying aye; opposed. It is unanimously carried.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: I would recognize the Imperial Recorder for the purpose of receiving a motion to ratify the acts of the Officers and Directors of your Iowa Corporation.

IMPERIAL SIR JONES: Imperial Sir, I move that all the acts and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year, and those taken at this Annual Session, be ratified and approved.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: Is there discussion?

There being none, all in favor please say aye; opposed nay. It is unanimously carried.

...Business was transacted in the Colorado Corporation at this time...

IMPERIAL POTENTATE EVANS: At this time it is a great pleasure for me to bring forward to you a Noble and the individual who is most responsible for everything you have had in San Antonio. He has worked very diligently for a long time.

He is a Past Potentate of Alzarar Temple and a very qualified individual. He has worked diligently for a long time and so, Terry, would you please come up and say a few words.

ILLUSTRIOUS SIR TERRY MCGUIRE [Past Potentate, Alzarar Temple]: Imperial Sir, Imperial Sirs, Representatives and Nobles: We have enjoyed having you here. Also, as I told you last year when the Fez of Director General was placed on my head, I said that if we lived through this year and did not kill one another, we will have a good Convention. I would have to say, in that respect, that our relationship has been super and I also hope that you all have enjoyed your time here in San Antonio and I hope that in the future we will have the opportunity to host the Convention again.

The City of San Antonio really enjoyed having you here. They worked so well with us to make your stay pleasant.

I hope you all enjoyed the hospitality of the members of Alzarar Temple, which they put out for a year and a half. We enjoyed working with you and we also enjoyed having you here and again, thank you very, very much and have a safe trip home and we will see you next year in Denver.

...Rising applause ensued...

IMPERIAL POTENTATE EVANS: At this time I would like to recognize Past Imperial Potentate C. Victor Thornton for a report of the Resolutions Committee.

You know, I think that the greatest Imperial Session that I have ever attended was the one that we had in Dallas/Fort Worth when Imperial Sir Vic was the Imperial Potentate. You know, if I can come anywhere close to follow his standard, I will be happy.

At this time, I would like to recognize Past Imperial Potentate C. Victor Thornton

...Whereupon, those to be installed were assembled in proper protocol order...

IMPERIAL SIR TURLEY: Thank you very much.

I now recognize our Imperial ChaplainDesignate, Jerrel Hudson, for the purpose of offering a prayer for our newly elected Officers, Directors and Trustees of the Colorado Corporation, and Officers and Directors of the Iowa Corporation.

IMPERIAL CHAPLAIN-DESIGNATE HUDSON: Will you all please rise.

Almighty God, a new era is about to begin.

Invest us with the wisdom, patience and courage and love for our fellowman to keep this wonderful Fraternity moving forward that we may be sure of the greatest philanthropy on earth, Shriners Hospitals for Crippled Children, remains healthy and wealthy and wise. IMPERIAL SIR TURLEY: Now, Imperial Potentate-Elect Bukey, if you will approach the podium, it is necessary that I ask you some questions.

...Gavel presentation and applause ensued at this point...

IMPERIAL SIR TURLEY: I now declare the Officers, Directors and Trustees of the Colorado Corporation and the Officers and Directors of the Iowa Corporation duly installed in the stations to which they were appointed or elected and entitled to all honor and obedience provided by custom and law.

Nobles, please join me in a standing ovation.

...Rising applause ensued...

IMPERIAL POTENTATE BUKEY: Thank you so very much, Imperial Sir Bob Turley.

I think I expressed to you earlier in this meeting what I think are important matters for this Imperial Potentate to pursue and I reaffirm what I have already said. I will endeavor to lead this Fraternity with a fair and even temper.

I would just like to say this about my good friend Bill Vaughan, something which you may not know, and that is that some ten years ago, Bill Vaughan nominated me for the Office of Imperial Outer Guard and I thought it would be appropriate that he perform the duty he did here this morning.

However, I might also add that Bill Vaughan and I differ on several issues and, with regard to that, I respect Bill Vaughan and I think he also respects me. We have come to our conclusions regarding these issues based on research that we ourselves have done and drawn our conclusions on that basis.

I bear no malice. I respect every man's opinion and I expect that everyone, while they may disagree with me at times, I would expect no different from any other man.

Now, Nobles, in compliance with the Bylaws of the Iowa Corporation, the following appointments have been made to our standing committees by your Imperial Potentate, as the Bylaws require:

...Whereupon, Imperial Potentate Bukey read the list of committee appointments made by him...

IMPERIAL POTENTATE BUKEY: Also, Nobles, I hereby reissue the provisions of General Order No. 1, Series of 1992-1993, relating to the government of the Order. They are to remain in effect until superseded by General Order No. 1, Series of 1993-1994.

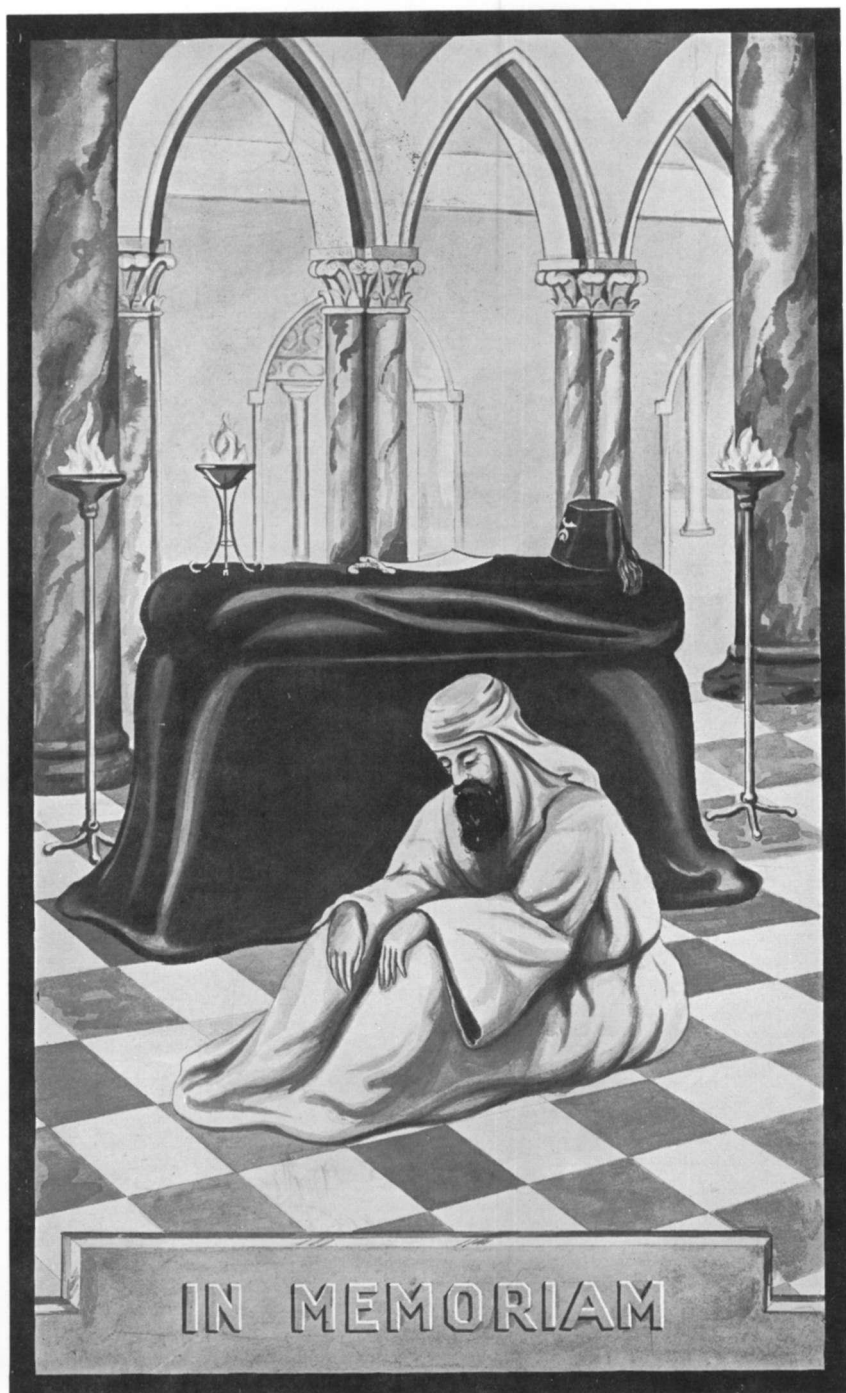

Now, I would recognize our Imperial Chaplain, Jerrel Hudson, for the Benediction.

IMPERIAL CHAPLAIN HUDSON: May the Lord bless us and keep us, may He make His face to shine upon us in our going out and coming in. Amen.

IMPERIAL POTENTATE BUKEY: Nobles, until we meet again, may God bless each of you. Have a safe journey home.

I now declare this One Hundred Nineteenth Annual Session of the Imperial Council and the 1993 Annual Meeting of Shriners Hospitals for Crippled Children adjourned sine die.

...Whereupon, at ten forty-seven o'clock a.m., the One Hundred Nineteenth Annual Session of the Imperial Council, A.A.O.N.M.S., was adjourned sine die...

IN MEMORIAM

ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER
IMPERIAL COUNCIL, A.A.O.N.M.S.

January 1–December 31, 1992

Imperial Potentate Everett M. Evans, Officers and Members of the Imperial Council, A.A.O.N.M.S.
in meeting assembled at San Antonio, Texas, July 1993.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

Supplementing the report of our independent auditors, KPMG Peat Marwick, which is included in this Book of Reports, I have prepared and am appending hereto for the use of our officers, staff and representatives a summary of the revenues, expenses and changes in unrestricted fund balance of the Imperial Council for the ten years beginning January 1, 1983 and ending December 31, 1992.

The increase in per capita tax from \$3 to \$6, approved by the representatives at the 1991 session, effective January 1, 1992, has currently placed the Imperial Council on a sound financial footing. The 1993 budget, which will be reported by the Finance and Audit Committee, reflects an excess of revenues over expenses for the year 1993, however, with the continuing loss of membership this will decrease over the next few years.

The financial condition of the Imperial Council was enhanced by a refund of unused per capita tax by the Orlando Convention Corporation of \$106,000. As stated in Note 3 of the financial statements of the Imperial Council, the Imperial Council incurred \$41,000 of expenses on behalf of the San Francisco Convention Corporation and received no per capita tax refund from that Convention Corporation.

I want to particularly call to your attention Note 6 to the financial statements which explains the financial details with respect to the notecard program. The fund balance from this program has been reflected as a restricted fund, and is not included in the summary statement of revenues, expenses and changes in unrestricted fund balance appended hereto. Note 7 to the financial statements explains the calendar program for the benefit of the temples and their fraternal activities.

A comparison of actual vs. budgeted amounts for each category of revenue and expense for the year 1992 may be found in the report of the Finance and Audit Committee in this Book of Reports. That committee will report on both the 1992 and proposed 1993 Iowa Corporation budgets at the Imperial session.

Respectfully submitted,
Yours in the Faith,
Webber C. Harrington
Imperial Treasurer
Imperial Council, A.A.O.N.M.S.

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER, A.A.O.N.M.S.

To: Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.:

Greetings:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1992 to December 31, 1992 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer, together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1993 Election Returns for the 191 temples reflect that there are Representatives to the 1993 Imperial Council as follows:

	Total Number	Total Votes
At Large.....	13	13
Ad Vitam.....	19	19
Emeritus.....	121	101
Elected.....	753	753
Appointed.....	1	1
Total.....		887

At the end of 1992, the temple's annual report showed a total of 687,296 Nobles plus 5,695 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 48,434 Nobles, which relieves them from paying the annual Shriners Hospital assessment.

The net loss in Shrine membership for the year 1992 was 30,165. There continues to be two major problems confronting us — the small number of creations and a large number of suspensions. Last year, we created only 14,620 and suspended 21,282, the highest number of suspensions since 1934.

The membership details reflected in the annual temple reports are printed as a part of this report. It should be noted that only 11 temples reported a net gain in membership while 180 had net losses.

Every Potentate must make membership the number one priority in his temple. He should analyze his temple's past programs, closely scrutinize its present operation, and develop innovative programs that will enhance membership. A quarterly strategic planning meeting with his Divan and Membership Chairman could provide great dividends. Statistics indicate that temples with a lot of activities for its members and their families have been the most successful in membership. It is very important to have a good, active membership committee with a well qualified chairman. The Membership Development Manual is an excellent guide to structuring that committee and contains some good information to assist temples with their membership campaigns.

It is also very important that all temple officers work in close harmony with our prerequisite bodies and craft lodges to develop programs that will benefit the entire Masonic family. Once again, the Membership Development Manual contains some recommendations in this area.

During this Shrine year, the Imperial Potentate sent letters to all temples urging their support of the Order of DeMolay. They need our help. Please contact the DeMolay Executive Officer in your state or province to find out how your temple can help. These young men are potential future members.

Imperial Potentate Everett Evans has done a tremendous job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership on behalf of all Shriners, and for this I commend him for an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your fine cooperation during the past year.

The following pages contain statistics that have been compiled for your use. Please study them and compare the history of membership in your temple with that of others.

Let's all put forth our best efforts to reverse this unacceptable membership trend.

ES SALAMU ALEIKUM
Respectfully submitted,
JACK H. JONES
Imperial Recorder

Independent Auditors' Report

Everett M. Evans, Imperial Potentate
and Board of Directors
The Imperial Council of the Ancient Arabic Order of
the Nobles of the Mystic Shrine for North America:

We have audited the accompanying balance sheets of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America as of December 31, 1992 and 1991, and the related statements of revenues, expenses, and changes in fund balances, and of cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America as of December 31, 1992 and 1991, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 1992 and 1991

(In thousands)

(1) Summary of Significant Accounting Policies(a) Organization

The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council) is a nonstock, nonprofit corporation incorporated under the laws of the State of Iowa. The organization is exempt from U.S. Federal income tax under Section 501(c) (10) of the Internal Revenue Code.

The Imperial Council is the supreme authority of the Shrine temples of North America. The Shrine is an international fraternity of approximately 693,000 members who belong to 191 temples throughout the United States, Canada, Mexico, and the Republic of Panama. Each temple is a separate unincorporated association with its own governing body and finances.

(b) Dues and Fees

The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Per capita dues are assessed effective January 1 of each year. Included in the annual dues of \$6.00 per capita (\$3.00 in 1991) is \$.20 which is designated for the annual Imperial Council Session.

(c) Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with maturities of three months or less to be cash equivalents.

(d) Investments

Investments in U.S. Treasury notes are stated at the lower of cost or market, adjusted for amortization of premiums. Investments maturing in the following year are classified as current assets.

(e) Property and Equipment

Property and equipment is stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

(f) Fund Balance — Restricted

Contributions received from a notecard program are restricted for use in a membership campaign to enhance Shrine membership recruitment and retention.

(2) Property and Equipment

Property and equipment at December 31, 1992 and 1991 consists of:

	<u>1992</u>	<u>1991</u>
Bus	\$234	—
Equipment	63	34
	<u>\$297</u>	<u>34</u>

In January 1992, the Imperial Council purchased a bus for a total cost of \$169 and subsequently paid \$65 to refurbish the bus. The vehicle was placed in service in July 1992 to meet the travel needs of the Imperial Potentates over the next two imperial years. Depreciation is being computed, using the straight-line method, over a two-year life with a residual value estimated at \$184. All expenses and depreciation are being allocated equally to the Imperial Council and the Shriners Hospitals for Crippled Children.

(3) Due from Imperial Council Session Corporations

A separate corporation is formed for each of the annual Imperial Council Sessions (Sessions). Per capita tax amounts are advanced to the Convention Corporations to assist in defraying the expenses of the Sessions, including the reimbursement of travel costs of the Headquarters office staff. Any unused per capita tax advances are required to be refunded to the Imperial Council. Unused per capita tax refunds from the 1992 Orlando Convention Corporation totaled \$106, of which \$102 was received by the Organization prior to December 31, 1992 and the remaining \$4 is included in other accounts receivable.

In 1991, the Imperial Council incurred \$41 of expenses on behalf of the San Francisco Convention Corporation which were not reimbursed. Additionally, no per capita tax refunds were received from the San Francisco Convention Corporation.

NOTES TO FINANCIAL STATEMENTS

(Continued)

(4) Transactions With Shriners Hospitals for Crippled Children

Shriners Hospitals for Crippled Children, a separate charitable organization(s) was founded by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to Shriners Hospitals by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by Shriners Hospitals. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$199 and \$258 were due to Shriners Hospitals at December 31, 1992 and 1991.

(5) Retirement Plans

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council was \$48 and \$43 in 1992 and 1991, respectively.

In addition, employees are covered under either a deferred compensation plan or the Voluntary Individual Retirement Annuity Savings Plan. Voluntary contributions by employees, up to 6% of eligible compensation, are matched by the Imperial Council up to 1.5% of eligible compensation. The total expense incurred by the Imperial Council under the retirement savings plan was \$10 in 1992 and 1991.

The deferred compensation plan consists of an annuity payable of \$78 and \$60 at December 31, 1992 and 1991, respectively, to an employee of the Imperial Council. An asset equal to the liability is included in the balance sheet.

(6) Membership Campaign

In 1988, the Imperial Council entered into a notecard program to raise monies for a membership campaign designed to enhance Shrine membership recruitment and retention.

In this regard, the Imperial Council entered into an agreement with Famous Artists' Corp. (an unrelated organization) to administer the notecard program. The agreement provided for the Imperial Council to receive a minimum of \$1.00 per notecard package mailed plus any additional net proceeds after payment to Famous Artists' Corp. (Famous) for cards, services, and expenses in administering the program. The notecard program was completed in 1992. The net proceeds to the Imperial Council from this program through December 31, 1992 were \$909.

During 1992, the Imperial Council received \$273 from mailings of notecard packages all of which was paid to Famous for cards, services and expenses in administering the program. Additional amounts have been billed by Famous amounting to \$430 for cards, services and expenses in administering the program which, under the terms of their agreement with the Imperial Council, will be paid out of any additional proceeds.

In October 1992, the Imperial Council was named as the defendant in a lawsuit with Famous Hospitality, Inc. (Famous Artists' Corp.). Famous Artists' asserts that the Imperial Council is liable for unrecovered expenses from the 1991-1992 notecard program. The allegations are based on the fact that the Imperial Council administered the calendar program (see note 7) simultaneously with the notecard program, therefore, limiting sales of the notecard program. No provision has been made in the Organization's financial statements with respect to this matter. In the opinion of management, the ultimate resolution of this claim will not have a material adverse effect on the Organization's financial position or results of operations.

(7) Calendar Program

In the fall of 1991, the Imperial Council entered into an agreement with Trans National Group Services (Trans National) to administer a fund raising calendar program for the benefit of the temples and their fraternal activities. The agreement provided for initial payments to the temples of \$.25 for each calendar mailed. The total receipts paid to the Temples amounted to \$173 in 1992. Contributions received from members are deposited into a bank account in the name of the Imperial Council from which payments are made to Trans National as funds become available. After Trans National recoups the initial payments and expenses of \$934 relating to the administration of the program, the balance of the contributions received shall be divided equally between the temples and Trans National. Proceeds of \$918 were received and paid to Trans National during the year ended December 31, 1992. No future proceeds are expected to be received or paid to Trans National. Since the Imperial Council is administering this program in a fiduciary capacity on behalf of the Shrine temples, neither the bank account nor the related liability is reflected in the accompanying financial statements.

SHRINE PROTOCOL

*For the Use and Guidance of
Illustrious Potentates and Divan Members
of the Subordinate Temples,
Shrine Clubs and
Shrine Associations*

Revised
January, 1993

This protocol publication is primarily based on customs of the United States of America. Not all customs are relevant in those countries comprising the Shrine of North America. The recommendations in this printing are designed to make all nobles comfortable with the protocol of all the countries. Variations will be necessary where national laws comprising the Shrine of North America and/or customs differ from those stipulated in this publication.

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many temples improperly display one or more of the three national flags primarily in parades and at meetings.

Most nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings, the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position).

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine temple or club building, they should be flown from separate staffs of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by temples and representatives be sent to the Executive Director at the General Offices in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host temple Potentate, Director General, association president or their official representatives should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their uniformed units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated and should any additional information be required, please contact the Executive Director at the International Headquarters in Tampa.

The host temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

WHEN AN IMPERIAL OFFICER IS ASSIGNED BY THE IMPERIAL POTENTATE AS HIS OFFICIAL REPRESENTATIVE, THAT IMPERIAL OFFICER IS ACCORDED THE SAME PROTOCOL PATTERN APPROPRIATE FOR THE IMPERIAL POTENTATE. THESE SAME COURTESIES APPLY TO ALL VISITING IMPERIAL OFFICERS.

Should your temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

Order of Parade Formation for Temples and Associations

1. Police escort.
2. Dignitaries other than Masonic.
3. Parade Marshal.
4. Colors, singly or massed.
5. Musical unit (if possible).
6. Director General.
7. Imperial Potentate or other ranking Imperial Officer present. The Imperial Potentate will ride alone, or may invite any distinguished male guest passenger.

ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

8. Imperial Officers other than the Imperial Potentate (by rank). (One Officer to a car—no guests.)
9. Past Imperial Officers (by seniority in rank).
10. Association Officers.
11. Distinguished guests (Grand Master and heads of other Masonic organizations).
12. Host temple Potentate and his Divan.
13. Visiting Potentates, Divans, and Past Potentates.
14. Uniformed units of Host temple followed by other temples in the order determined by the association.

Automobiles other than antique cars requiring special display, used for the purpose of transporting dignitaries, divan members or association officers, with the exception of the Potentate or association President, must be not less than two abreast. The general public's interest is in parade units, not automobiles. This will make the parade more interesting to those who have come to watch it.

SHRINE PARADE REGULATIONS

1. **NON-SHRINERS.** Other than the police escort, dignitaries and distinguished guests, only Shriners are permitted in Shrine parades.
2. **CADENCE.** Marching cadence will be 110 steps to the minute, except for specialized units which may require a different cadence.
3. **INTERVAL.** Intervals of not over 80 feet between temples and 40 feet between units are to be constantly maintained.
4. **NO IMPERSONATIONS.** No impersonations of ethnic groups, females, or political figures are allowed in parades.
5. **VEHICLE EQUIPMENT.** No motorized vehicles shall engage their sirens, flashing lights or colored lights. They are to use their turn indicators and items required by law.
6. **SAFETY LAWS.** Motorcycles, scooters, and other motorized vehicles

shall obey local laws regarding speed, prudent operation and the use of hard helmets instead of fezes.

7. **THROWING OBJECTS.** Neither candy nor other objects shall be thrown or handed to spectators along the parade route.

8. **DEMEANING DISPLAYS.** No demeaning displays, or discharge of firearms of any type, or other items that may be considered in poor taste are permitted.

9. **INTOXICATING BEVERAGES.** Members of participating units shall not drink any intoxicating beverages before or during any parade, and they shall be circumspect in the use of soft drinks in public places so as not to give the impression they are drinking intoxicants.

10. **REVIEWING STAND.** At the reviewing stand during Imperial parades, temple Divans will give the hand salute and will not stop to salaam. At association of temples parades, the temple Potentates may leave their cars and accept the salutes of their units.

11. **NATIONAL FLAG.** No national flag shall be lowered or dipped when passing the Reviewing Stand or elsewhere.

12. **ENFORCEMENT.** Parade marshals shall enforce all Shrine parade regulations and they shall report any violator to the Potentate of his temple. Failure on the part of a temple Potentate to cooperate with parade marshals shall be reported in writing.

13. **POTENTATE RESPONSIBILITY.** Each Potentate is personally responsible and accountable for knowingly permitting any violation of parade regulations. Temple Potentates are required to review parade regulations with their temple marshal, the Parade Marshal, and their unit heads.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another temple, they will also need the permission of the Potentate of that temple. Practice good Shrine etiquette when parading in non-Shrine parades and follow the protocol set up by the host sponsor of the parade.

Non-Shriners are not permitted to participate in Shrine Units in civic parades.

IMPERIAL SESSION PARADES

Order of Parade Formation

1. Police escort.
2. Dignitaries other than Masonic.
3. Parade Marshal and his aides.
4. Colors, singly or massed.
5. Musical unit.
6. Director General.
7. Automobiles of Imperial Officers (present and past).

8. Members, Board of Trustees, Shriners Hospitals for Crippled Children.
9. Masonic dignitaries.
10. Uniformed units of host temple.
(Uniformed units of other temples in the state or Shrine association will take their place elsewhere in the parade formation according to charter date only.)
11. Uniformed units of Imperial Potentate's temple.
12. Uniformed units of all temples, except host temple, will form in order of Charter date—oldest date first. Night parade will follow the same formation, except that the uniformed units of the temple of the Imperial Potentate-elect will immediately follow (10) uniformed units of Imperial Potentate's temple.

IMPERIAL SESSION PARADE REGULATIONS

In addition to Shrine Parade Regulations found on page 5, the following regulations apply to Imperial Council Session parades:

1. **INSTRUCTIONAL MEETING.** The Potentate of each participating temple shall designate an officer of his temple, and a person from each motorized unit participating in the parade, to meet with the Parade Marshal and the Imperial Marshal prior to the day parade. The time and place of the meeting will be announced at an appropriate time.

(a) A number of experienced Deputy Parade Marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route. They shall have authority to remove from the parade any unit which is in violation of Shrine parade regulations or which cause a delay of the parade by failing to maintain proper intervals.

(b) Except with the express permission of the Imperial Potentate, no temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.

(c) No temple shall have more than one official automobile in the parade. No empty buses, trucks or trailers shall participate in the parade.

(d) No late model automobiles other than the official automobiles will be allowed in the parade. This does not apply to temple units composed entirely of late model automobiles.

2. **TEMPLE OFFICERS.** No temple officers will be permitted in the parades without their temple uniformed units of at least 50 Nobles. Only one car shall be used by each temple. The car is to be occupied by the Potentate and Divan of the temple. No more than five temple officers, including the driver, will be permitted in a car. The temple Potentate is to remain in his vehicle and he may not mount the reviewing stand.

3. **NUMBER OF MOTOR VEHICLES.** The use of large numbers of cars in smaller local communities is understandable. However, the Imperial Session parades require no unnecessary vehicles. These may cause an interruption of spectacular marching features for visiting officers and Divans and may add confusion and danger in the formation and spoil the pageantry from the viewpoint of the spectators.

4. **FLOATS.** No floats will be permitted in the parade without the prior approval of the Director General.

5. **COURTESY.** The purpose of Shrine parades is to afford an opportunity

for all participating temples to publicly display the pageantry and glamour of the Shrine. To effectuate this purpose, mutual courtesy needs to be extended among all temples. Over the years, many temples have expressed dissatisfaction over the lack of consideration by certain participating temples and their units. Splendid marching units, and temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which, in themselves, add much to the general picture, but which retard the forward movement of the parade as a whole. As a result, many of our newer units, located far back in the line of march, have had their forward movement repeatedly halted, have experienced exasperating delays, have been required to stand in line, have finished the parade weary and disgusted, and have found themselves marching down deserted streets.

NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (present and past). An aide designated by the Potentate should be available at all times.

When a temple desires the presence of one or more Imperial Officers at a special activity of that temple, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a receiving line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting civic dignitaries and celebrities.
2. Grand Masters and/or other distinguished Masonic guests.
3. Visiting Divans, Past Potentates, Potentates, Shrine Association and Unit Association officers.
4. Board of Trustees, Shriners Hospitals for Crippled Children.
5. Past Imperial Officers (in reverse order of the seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that distinguished guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonials or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the honor aisle should, at the command of the officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir of Temple,(City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir of Temple, of (City),(State or Province), the Imperial Potentate of the Shrine of North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir"

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHILE THE IMPERIAL POTENTATE'S ADDRESS MUST BE THE LAST SPEECH OF THE EVENT, ALL OTHER NORMAL BUSINESS OR ACTIVITIES MAY TAKE PLACE AFTER THE IMPERIAL POTENTATE'S ADDRESS. THE IMPERIAL POTENTATE'S ADDRESS SHOULD BE PLACED AT A TIME IN THE PROGRAM SO AS TO REACH THE LARGEST POSSIBLE AUDIENCE.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet

The Potentate should personally escort the Imperial Potentate to the banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets, the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their Ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Placecards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine association banquets, the Shrine association President will take the place of the Potentate, as listed above, and the other officers of the Shrine association, and their Ladies, will follow by rank, immediately after Imperial Officers.

At a uniformed unit or Shrine club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

When the Master of Ceremonies is not an officer of the temple, association, club or unit holding the function and would not normally be seated at the head table, he may either be seated at the furthest end of the head table or at a table close to the head table so he may perform his duties without undue delay.

Seating at Ceremonials and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; the Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present, they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the temple Divan, seated alternately at the right and left of the Potentate of the local temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all temples. When temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these temples with the Imperial Potentate.

At association or temple parades, the ranking Imperial Officer along with the association President or Potentate (as appropriate) receives the Salute of all temples. Other Imperial and association officers will follow the same procedure as above.

QUESTIONS ON SEATING

SHOULD YOU HAVE QUESTIONS ON SEATING, PLEASE CALL THE EXECUTIVE DIRECTOR AT THE GENERAL OFFICES IN TAMPA, FLORIDA.

CANADIAN PROTOCOL*The Queen*

It must be realized that Canadians do not pledge allegiance to their flag, but rather the crown. The country is the crown. The crown stands enshrined in the Canadian Constitution as the emblem of the head of state, meaning, "The Queen".

Banquets:

In Canada, a toast is always given to Her Majesty, The Queen:

"Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

And then a toast to The President of the United States.

Salute to The President of Mexico (when appropriate).

In Canada, smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer(s), the Potentate or his representative, after he has requested all to be seated, will raise his glass to the Piper who will return the greeting (slang avough) by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all temples and Shrine associations, there is only one protocol procedure that can be followed by a Shrine association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine associations will participate in protocol procedure throughout this entire protocol as outlined. The Officers of the Imperial Council will take precedence over the Officers of Shrine associations at all times. At any meeting of a Shrine association at which there is not in attendance any of the Imperial Officers, then and in that event, the Officers of the Shrine association will take their place as ranking officers in accordance with Imperial Council protocol.

When an association desires the presence of one or more Imperial Officers at a special activity of that association, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. In accordance with the above, Shrine association officers will occupy position No. 10 in association/temple parades and position No. 3 in "Introduction and Reception of Guests". In Shrine association parades, units of temples will form in the order determined by that association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering temple. Invitations to Imperial Officers, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such. This means any Noble must wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment.

The fez shall be worn in its proper shape without crushing, creasing or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's office. This allows the temple officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sport coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sport coat or blazer. The occasions for wearing the Shrine pin may or may not be Shrine-related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a uniformed unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed "Imperial Sir". A Potentate or Past Potentate is always addressed as "Illustrious Sir". The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an elective Divan of a temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir

(Imperial Potentate), Imperial Sirs, Illustrious Sir (Potentate), Most Worshipful Grand Master, Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem of the United States, Canada and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a uniformed unit when passing in review, and the reviewing officer returns the salute.*

Salute to the Flag

Auditorium

A Noble who is wearing his fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his fez. After the Colors have passed, he should drop his right hand. In an auditorium he should hold the salute until the Colors are posted after the Pledge and/or playing of the National Anthems.

When not wearing the fez, the right hand should be held over the heart.

In Parades

Only the Color party of each temple is saluted when passing in review.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, indivisible, with liberty and justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling,
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make
the Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.

With glowing hearts we see thee rise
 The true North, strong and free!
 From far and wide, O Canada,
 We stand on guard for thee.
 God keep our land glorious and free!
 O Canada, we stand on guard for thee.
 O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
 By the dawn's early light,
 What so proudly we hail
 At the twilight's last gleaming,
 Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be non-denominational in content.

How to Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine Protocol. The following are some examples:

MEMORIAL—BURIAL SERVICE

A Shrine memorial or funeral service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither service should preferably be held in place of the traditional Blue Lodge or other Masonic service or religious rites. It may supplement the Blue Lodge service but, except under unusual circumstances, should not take the place thereof. Both services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate temple, and the Shrine in particular.

The following protocol is suggested.

Upon arrival at the Church or graveside where the memorial or funeral service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
2. Visiting Potentates, Past Potentates and Divans
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial

Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at ceremonials or receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their fez upon entering the church edifice, undertaking establishment, or memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic services or religious rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the service. Shrine musical organizations and soloists can be used to good effect.

The following order of service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by minister, rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Recessional.

Principles of the Order

§ **210.1 Brotherhood.** Shriners are brothers. We share a common creed and common goals and values.

Add. 1991

§ **210.2 Creed.**

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name.

We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and

courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

Add. 1991

§ **210.3 Goals.** The goals of the Order are purely fraternal and philanthropic.

Add. 1991

§ **210.4 Values.**

- (d) Their temples are not to be operated for profit.
- (e) Membership in the Order may not be used to further business, political or sectarian ends.

Add. 1991

(a) **Favorable.** Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) **Adverse.** If the ballot reveals 4 or more black balls, the candidate

(c) **Written Objection.** A written objection, signed by at least 3 members of the temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) **Written Objection Deadline.** In temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

He may not be charged with dues to the temple while deprived of membership.

(d) **Ballot.** The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his temple does not restore him to good standing in the temple, but he may be restored by ballot pursuant to § 323.5.

(e) **Appeal.** If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in

his temple is effective when it becomes final in the prerequisite body unless he shall file an appeal with the Imperial Recorder within 30 days after the loss of his membership in the prerequisite body. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeals Committee and it shall proceed, insofar as practical, as provided in § 208.9. The committee shall determine whether the loss of membership was for conduct in violation of Shrine law and make a report thereon to The Imperial Council with its decision. If the appeal is sustained by The Imperial Council then the loss of membership in the prerequisite body will not result in the Noble's loss of membership in his temple. (This subsection is retroactive to 1980.)

Amend. 1987

(f) **Imperial Potentate Certification.** In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members, or one of its temples, the Imperial Potentate shall so certify. § 328.2 Territory.

(a) **Extent.** Unless otherwise determined in Part IV of these bylaws, the territorial jurisdiction of each temple extends in all directions to $\frac{1}{2}$ the distance by direct line between itself and the nearest temple.

(b) **Limitation.** In no case can jurisdiction extend beyond the limits of the state in which the temple is located unless there is an agreement between it and the other temples affected, or for the limited purpose authorized by § 328.6(e), or upon the vote of The Imperial Council in accordance with § 328.3(d).

Amend. 1976

(c) **Agreement.** Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) **Exclusive.** Unless otherwise determined every temple has exclusive jurisdiction in the city and county in which the temple is located, except that a second temple may exist in the same county in any city, not having a temple, having a population of not less than 200,000 as determined by the official statement of the state Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) **Filing Agreement.** A signed copy of any agreement between temples affecting or fixing territorial jurisdiction must be filed with The Imperial Recorder.

§ 328.3 Change in Jurisdictional Lines.

(a) **Application.** Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least sixty days prior to the session of The Imperial Council at which it is to be submitted. Every such proposal shall be published with the notice of the session.

Amend. 1984

(b) **Notification.** The Imperial Recorder must notify the temples affected and give full information on the application so that objections to the change may be presented to The Imperial Council.

(c) **Refusal.** If the application for the establishment or change of jurisdictional lines is refused by The Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) **Imperial Council Declaration.** By appropriate amendment to Part IV of these bylaws, The Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all temples, if it appears for the best interests of the Order to do so.

Amend. 1976

§ 328.4 Initiation Waivers.

(a) **Restriction.** A temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another temple, without first obtaining a waiver from that temple. If that temple refuses to grant a waiver, an appeal may be filed, as provided in § 208.9 (b)(1).

(b) **Waiver.** A temple may waive its jurisdiction and permit another temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the temple granting a waiver is greater than the fee of the temple requesting a waiver, the candidate must pay to the requesting temple a fee equivalent to that he would have paid to the temple granting the waiver.

(2) The requesting temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) **Required Temples.** Where 2 or more temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a temple in any other jurisdiction.

(d) **Temple Action.** The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the temple granting it.

(e) **Blanket.** A temple may not grant a blanket waiver.

§ 328.5 Another Temple May Initiate.

(a) **Courtesy.** A temple may request, under seal, another temple to initiate an elected candidate as a favor to the requesting temple.

(b) **Certification.** The temple initiating the candidate must certify that fact, under seal, to the temple in which the candidate was elected.

(c) **Recording.** The temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that temple.

§ 328.6 Where Petitioner Must Apply.

(a) **Waiver.** A petitioner, actually residing within a temple jurisdiction, may not petition elsewhere for initiation without a waiver from the temple.

(b) **Elected Petitioner.** A temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently moves from its territorial jurisdiction.

(c) **Election Expiration.** A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) **Notification of Rejection.** Temples in concurrent jurisdiction

must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

(e) **Open Jurisdiction.** Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no temple is located and when no temple is located within 50 miles of petitioner's residence in petitioner's state of residence, may petition for membership in the nearest temple located in an adjoining state to his state of residence, if the location of that temple is within 25 miles of his residence; and no waiver from any temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the temple to which the petition is presented.

Amend. 1976, 1979

(f) **Temple Notification.** A temple which initiates a petitioner under § 328.6(e) shall notify the temple in the petitioner's state of residence and nearest such residence within 30 days after the initiation.

Amend. 1979

§ **328.7 Affiliation by Demit.** The holder of a demit from a temple is governed by the following:

(a) **Residence.** He may affiliate with a temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) **Consent In Concurrent Jurisdiction.** If he resides in concurrent jurisdiction, he cannot demit from one temple and affiliate with another temple holding the same jurisdiction without the consent of the temple granting the demit.

(c) **Open Jurisdiction.** He may affiliate with any temple if the temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver. If that temple refuses to grant a waiver, an appeal may be filed, as provided in § 208.9(b)(2).

(d) **Reaffiliation.** If for the preceding 6 months he has been a resident of the jurisdiction of the temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be returned to membership without a vote of the temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the temple at its next stated meeting and recorded in the minutes.

ARTICLE 29***Dispensation and Charter for New Temple***

§ **329.1 Petition for Dispensation.** Dispensation for a new temple may only be granted by The Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time the petition is filed with the Imperial Recorder, and who reside in the proposed territory of the new temple.

Amend. 1984, 1985

§ **329.2 Meeting Place.** The petitioners must give satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new temple.

Amend. 1984

§ **329.3 Required Signatures and Effect on Other Temples.**

(a) **General.** The petition must be signed by 1,000 Nobles, and the membership of any temple in the same jurisdiction or the nearest temple in another jurisdiction must not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation.

(b) **Exceptions.** Notwithstanding the requirements of subsection (a), dispensation may be granted:

(1) In any state in which there is no temple or in the capital city of Canada or in unoccupied territory, upon a petition signed by 300 Nobles; or

(2) In any state in which the petition is approved and supported by all other temples in the state and the Dispensations and Charters Committee, upon a petition signed by 500 Nobles.

Amend. 1987

§ **329.4 Application, Form and Procedure.**

(a) **Application.** The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.6. However, the Imperial Recorder may not issue the prescribed form to requesting Nobles unless he determines that there can be compliance with the requirements of § 329.3.

Amend. 1983

(b) **Duplicate.** It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) **Void Date.** The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24

months from that date, unless specifically extended by appropriate action of The Imperial Council.

(d) **Signature Withdrawal.** Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) **False Representations.** A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefor must be attached to the application for the dispensation when presented to The Imperial Council, otherwise the original signature must stand.

(f) **Withdrawal Procedure.** If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to The Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new temple.

(g) **Filing.** The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of The Imperial Council, and notice of the application must be published in the official call for The Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of The Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of The Imperial Council.

Amend. 1980, 1984

(h) **Subsequent Application.** When an application for a dispensation becomes void, no further application may be issued until the expiration of one year thereafter. If a second or further application for a dispensation becomes void, no further application may be issued until the expiration of two years thereafter.

Amend. 1981

§ 329.5 Action By Imperial Council.

(a) Dispensation

(1) When the application for dispensation is received by the Imperial Recorder, he must notify the temples which might reasonably

be affected, at least 30 days prior to the session of The Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to The Imperial Council.

(2) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new temple must contain a specific recommendation as to the disposition of the assets and liabilities of the affected clubs and appendant and affiliated entities in the territorial jurisdiction of the new temple. The report must also contain a specific designation of the territorial jurisdiction of the new temple. This jurisdiction is determined on recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected temples an opportunity to be heard on the matter at a joint meeting of the committees.

Amend. 1989

(b) Charter

(1) A charter may not be granted to any temple under dispensation until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of The Imperial Council.

Amend. 1974, 1984

(2) If the temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has shown a satisfactory increase in membership, then The Imperial Council, at the first annual session following the grant of the dispensation, may grant it a charter.

Amend. 1974, 1982, 1984

(c) Spokesman

The applicants for a dispensation or charter may designate one of their number as their spokesman, and he shall have the privileges of the floor at the Imperial Council Session, but not the right to vote.

Amend. 1981

§ 329.6 Effect if Dispensation is Granted.

(a) **Fiscal.** If the dispensation is granted, the members of the temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the temple is liable in full to The Imperial Council for the hospital levy and fees for new members created.

(b) **Membership Date.** A Noble who signs an application for a dispensation becomes a member of the temple under dispensation on the date the dispensation is granted, and is amendable only to it thereafter for

dues, hospital levy and assessments. The temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.7 Status of Temple under Dispensation.

(a) **Legal Existence.** A temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of The Imperial Council.

(b) **Bylaws.** It cannot adopt bylaws until a charter is granted and it is regularly constituted.

(c) **Shrine Law.** It is governed by Shrine law to the extent applicable.

(d) **Officers.** It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) **Representation.** The provisional potentate of a temple under dispensation is not entitled to the rank of past potentate, nor is the temple entitled to representation in The Imperial Council.

(f) **Vacancy.** Any vacancy in an office of a temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) **Election of Officers.** When a charter is granted, the members of the new temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the temple is constituted.

§ 329.8 Effect if Dispensation is Refused.

(a) **Effect.** When a dispensation for a new temple is refused by The Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter. Notwithstanding the foregoing provisions of this subsection, if the application is refused despite recommendations by the Dispensations and Charters Committee and the Jurisdictional Lines Committee that it be granted, then the life of the application shall be extended and it may be again presented at the next annual session of The Imperial Council.

Amend. 1974, 1981

(b) **Retention of Membership.** All Nobles who signed the petition remain members of their respective temples.

§ 329.9 Effect if Charter is Granted.

A Noble who is a member of a temple under dispensation becomes a charter member of that temple when such temple receives its charter.

§ 329.10 **Effect if Charter is Refused.**

All Nobles who signed the petition for dispensation are thereby restored to membership in the temples in which they were members prior to the dispensation. All members created by the temple under dispensation are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

Amend. 1983

ARTICLE 30

Discipline by Temple

§ 330.1 **Jurisdiction.** A Noble is subject to discipline by the temple of which he is a member, or by the temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 **Fair Play and Substantial Justice.** This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All temple records concerning the complaint or charges shall be made available to the foregoing for copying.

§ 330.3 **Definitions.** In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) **“Complaining Noble”** is the Noble or Nobles who file a complaint with the Potentate of a temple pursuant to this Article.

(b) **“Complaint”** is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) **“Accused Noble”** is the Noble or Nobles against whom a complaint is filed.

(d) **“Grievance Committee”** is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) **“Trial Panel”** is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) **“Trial Committee”** consists of the five (5) members of a trial

panel who are selected to try the charges brought against the accused Noble.

(g) **“Charges”** is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the temple.

(h) **“Prosecutor”** is the Noble representing the temple in the trial of the accused Noble.

(i) **“Impartial”** is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble’s judgment.

(j) **“Notice, notify, provide, deliver or file”** means to mail, first-class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given temple membership.

(k) **“Witness”** is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ **330.4 Procedure.** Proceedings for the discipline of any Noble by a temple are as follows:

(a) **Before trial.**

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the temple. The complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint

is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the temple against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the temple, and to designate a date for the trial, which shall be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the temple. Neither the complaining Noble, the accused Noble, the temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who willfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good-

cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the temple, to prosecute the charges, and the temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a sum-

mons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the temple is permitted to attend the trial; however, notice of the trial date to temple membership is not required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf of the temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to The Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the temple, the accused Noble or the complaining Noble

has the right within 30 days to appeal to The Imperial Council from any judgment rendered.

Amend. 1991

(2) The complaining Noble has the right within 30 days to appeal to The Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of The Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of The Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If 2/3rds of the members present vote for his restoration, he is restored. If a less number than 2/3rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other temple, he must obtain a waiver from the expelling temple before the temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of the expelling temple and it must be approved by a majority vote of the members present and voting.

Amend. 1967, 1983, 1985

ARTICLE 31***Temple Bylaws***

§ **331.2 Procedure.**

(a) **Presentation.** Proposed bylaws or amendments must be presented in writing in the form of a resolution at a stated meeting.

(b) **Laid Over.** The resolution must be laid over to the next stated meeting or to a special meeting called for action thereon. The notice of the meeting must be sent to every member of the temple and must recite the text or substance of the proposed bylaws or amendments.

(c) **Adoption.** The temple then may adopt the proposed bylaws or amendments.

(d) **Filing.** Upon the adoption of bylaws or amendments there must be sent to the Imperial Recorder:

(1) 3 copies thereof, together with a certificate of their adoption signed by the Potentate, attested by the Recorder, with the seal of the temple affixed;

(When applying for Imperial approval, use Certificate at page 185, Form #13.)

(2) A copy of the notice given; and

(3) A copy of the temple's current bylaws.

(e) **Approval.** He shall forthwith send them to the Committee on Jurisprudence and Laws. If the committee approves them, they are so endorsed. One copy shall be retained by the committee and 2 copies shall be sent to the Imperial Potentate for his approval. If approved by him, they at once become effective.

(f) **Recording.** Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of The Imperial Council, and shall forward the other copy to the temple.

§ **331.3 Time for Filing.** All proposed temple bylaws and amendments must be in the office of the Imperial Recorder at least 30 days before the session of The Imperial Council.

§ **331.4 Action by Imperial Council.**

(a) **Bylaws Approved.** At each session of The Imperial Council the Imperial Recorder must present a list of all new or amended bylaws which have been approved by the Committee on Jurisprudence and Laws and approved by the Imperial Potentate during the recess of The Imperial Council.

(b) **Bylaws Rejected.** The Imperial Recorder also must submit a list of any bylaws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(c) **Appeal.** Any temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its bylaws or amendments thereto, has the right to appeal to The Imperial Council, and the decision of that body is final.

§ 331.5 Change in Imperial Council Laws; Effect on Temple Bylaws.

(a) **Automatic Change.** When a change is made by The Imperial Council affecting Shrine law, and the change affects the bylaws of any temple, the bylaws of the temple are changed, ipso facto, to conform with those of The Imperial Council.

(b) **Temple Action.** It is the duty of every temple to make this change in its bylaws immediately upon receiving the printed copy of the proceedings of The Imperial Council from the Imperial Recorder.

(c) **Recorder Certification.** Thereupon the Recorder of the temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation.

1967 Proceedings, p. 83. *Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.*

1972 Proceedings, p. 154. *Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.*

1979 Proceedings, p. 169. *The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.*

§ 323.5

1975 Proceedings, p. 20, § 323.5 *requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine Law.*

§ 323.7

1973 Proceedings, p. 97. *Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.*

1975 Proceedings, p. 19. *§ 323.7 does not prohibit the holding of associate membership in more than one temple.*

1976 Proceedings, p. 177. *Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.*

1976 Proceedings, p. 177. *One who holds associate membership in a temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" temple and make an application for regular membership by affiliation in the second temple under § 328.7.*

1979 Proceedings, p. 169. *Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.*

§ 323.8

1967 Proceedings, p. 82. *A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.*

1979 Proceedings, p. 169. *The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.*

1983 Proceedings, p. 212. *When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.*

§ 323.9

1967 Proceedings, p. 83. *Conviction of a crime, in the absence of temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.*

1972 Proceedings, p. 154. *By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under Article 30.*

1975 Proceedings, p. 21. *The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which*

issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in Article 30 have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under § 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

1989 Proceedings, p. 209. A Noble requesting a demit prior to investigation by the Grievance Committee, under § 330.4(a)(2), is free from charges" and his request must be honored.

§ 323.11

1978 Proceedings, p. 88. Under § 323.11(d) a Noble who has been suspended for non-payment of dues may be restored upon terms authorized by the temple, and such terms may be expressed either by the temple bylaws or otherwise in accordance with § 324.8.

§ 323.12

1967 Proceedings, p. 84. A life member of a temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial bylaw §§ 323.12 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.12 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 323.13

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of temple.

§ 324.1

1972 Proceedings, p. 152. So long as the temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, temple bylaws may include a provision which permits the Potentate to dispense with other stated meetings.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum. Proxies are not permitted.

§ 324.2

1972 Proceedings, p. 154. By virtue of § 328.1 a temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 324.2 that another Temple may hold a ceremonial within its jurisdiction.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 324.2 for a ceremonial to be held aboard ship in the Caribbean during a temple cruise.

§ 324.5

1985 Proceedings, p. 111. Section 324.5 does not require first class mailing of notice.

Neither is receipt of notice required. Only certificate of mailing not less than one week in advance.

1987 Proceedings, p. 117. This section of the Imperial bylaws requires a notice of each stated meeting not less than one week in advance. Blanket notice in the first issue of a temple publication is not sufficient compliance.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a temple bylaw delegating to some officer or committee the authority to dispose of temple assets, § 324.8 requires specific authorization by the temple itself to sell an asset belonging to the temple.

1979 Proceedings, p. 171. In the absence of temple bylaw provisions delegating powers and fixing responsibilities of the temple trustees, such trustees simply hold the bare legal title of property for the benefit of the temple, and § 324.8 empowers the members of the temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 325.1

1971 Proceedings, p. 95. A Noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1980 Proceedings, p. 28. A candidate for temple office need not reside within the jurisdiction of the temple, but only within the jurisdiction of The Imperial Council, as required by § 325.12.

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his temple is eligible to serve his temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a temple" as required by § 325.2(c) of the bylaws.

1985 Proceedings, p. 112. Matters concerning election procedures not specifically governed by the Imperial bylaws are to be governed by Roberts Rules of Order pursuant to § 101.4 and by the concept of due notice to all of the Nobility, common sense, and fair play.

1986 Proceedings, p. 152. § 325.2(a) establishes qualifications for elective office as members in good standing. Additional qualifications may only be imposed by appropriate amendments to this Imperial bylaw.

§ 325.2

1990 Proceedings, p. 135. Temple bylaws may not restrict the number of years a treasurer or recorder may hold office nor limit his maximum age.

§ 325.3

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a

motion for casting a unanimous ballot for an unopposed candidate for temple office.

1975 Proceedings, p. 20. Under § 325.5 temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a temple election is not a violation of § 325.6 if no action of the temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a temple has made provision in its bylaws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.

1974 Proceedings, p. 27. Neither the Potentate nor the Board of directors of a temple may create additional temple offices, for which provision may be made only by the temple bylaws pursuant to § 325.7.

1993 Proceedings, p. _____. Employment of a Noble by the temple does not disqualify such employee from seeking an elective office in the temple. In the event a conflict or duality of interest arises, action, as may be appropriate under the circumstances, must be taken.

§ 325.8

1978 Proceedings, p. 88. The practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in § 101.4. Roberts Rules of Order, Newly Revised.

1993 Proceedings, p. _____. The provision that "nominating committees are prohibited" was deleted by vote of the Representatives at the 1993 annual session.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to The Imperial Council by virtue of his office is in conflict with the bylaws of The Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of § 325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for temple office.

1972 Proceedings, p. 153. A temple bylaw provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. A temple is free to regulate campaigns for temple office so long as the regulations are consistent with Article 25 of the Imperial bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1981 Proceedings, p. 165. Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10(c) is improper, and a new election with proper notice is required.

1983 Proceedings, p. 212. *The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, inter alia, that "it's time for a change" is a violation of § 335.10(a).*

1987 Proceedings, p. 119. *"Distribution and circulation of pin-on button containing the name of a candidate, violates this section."*

1988 Proceedings, p. 238. *"Organizational meeting" of Divan, and Unit Heads prior to temple election based upon "presumption of election" does not constitute a violation of this article.*

1988 Proceedings, p. 238. *Pre-preparation and distribution of "sample ballot" containing suggestions of proper choice for various offices is in violation of this section.*

§ 325.12

1977 Proceedings, p. 162. *A temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of The Imperial Council.*

1977 Proceedings, p. 163. *A Temple bylaw which restricts eligibility for temple office to certain counties of residence is inconsistent with § 325.12 and void.*

1984 Proceedings, p. 110. *Question of "physical incompetence" of temple office to a degree creating a vacancy in such office is an issue which must be decided by the membership following due notice under § 324.5.*

§ 325.13

1967 Proceedings, p. 83. *Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.*

1970 Proceedings, p. 96. *A special election should be held to fill a vacancy created by the suspension of a Representative to The Imperial Council.*

1972 Proceedings, p. 152. *The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.*

§ 325.14

1976 Proceedings, p. 176. *A vacancy in the office of Representative to The Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).*

§ 326.1

1968 Proceedings, p. 121. *The obligation of a temple officer cannot be taken by proxy.*

§ 326.3

1966 Proceedings, p. 211. *Elected temple officer continues to hold office until his successor is both elected and installed.*

§ 327.1

1966 Proceedings, p. 212. *Failure of officers having custody of temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.*

1974 Proceedings, p. 27. *The Potentate has no authority to suspend a member of his temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.*

1979 Proceedings, p. 171. *The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.*

1979 Proceedings, p. 169. *A temple bylaw provision which requires appointment of temple committees by an Executive Committee is contrary to § 327.1(d) and void.*

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provision of temple bylaws or direct action of the temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a temple bylaws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial bylaws do not prohibit the employment by a temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the temple bylaws under § 327.3(b), because he is not an officer of the temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the temple bylaws to the contrary, employees of the temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21, while under § 327.1 the Potentate has the right to appoint officers and committees of his temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the temple bylaws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among temple officers or employees must be accomplished in accordance with or by amendment to the temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1993 Proceedings, p. ____ . It is the responsibility of the recorder to keep the books of account and records of the temple, unless the temple bylaws specifically assign this responsibility to another officer. A potentate should not remove the books of account or records of the temple to his place of residence, except as may be reasonably necessary to discharge his responsibilities, and then only for the limited time required to promptly discharge his responsibilities, and only during such time as reasonably convenient to the recorder.

§ 327.4

1965 Proceedings, p. 42. Temple bylaws valid which provide for both Potentate and Treasurer to sign checks.

1975 Proceedings, p. 20. Under § 327.4 and § 327.5 both the Treasurer and the temple Trustees must account to the temple for the expenditure of temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on temple funds; and, where the temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among temple officers or employees must be accomplished in accordance with or by amendment to the temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

§ 327.5

1966 Proceedings, p. 209. Bylaws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over temple funds.

1972 Proceedings, p. 152. In the absence of a temple bylaw otherwise providing, the Potentate as an ex-officio member of the temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the temple Trustees must account to the temple for the expenditure of temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a temple may not be vested exclusively in temple Trustees, and any temple bylaw having relation to the temple's financial affairs must be read in light of § 327.5.

1979 Proceedings, p. 171. In the absence of temple bylaw provisions delegating powers and fixing responsibilities of the temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the temple, and § 324.8 empowers the members of the temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All temple funds, including those of its circus, are subject to the control of the temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 99. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1988 Proceedings, p. 237. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

§ 327.7

1980 Proceedings, p. 29. While members of the temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a temple meeting; and a temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the temple directs, pursuant to § 327.7.

§ 328.1

1972 Proceedings, p. 153. By virtue of § 328.1, the Potentate of one temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his temple by or for the benefits of another temple.

§ 328.2

1970 Proceedings, p. 93. Measurement of distance is by direct line, rather than by either rail or highway mileage.

1972 Proceedings, p. 152. Agreements made pursuant to § 328.2(a) may be rescinded by any of the temples involved unless an amendment to the appropriate sections of Part IV has been adopted by The Imperial Council.

§ 328.6

1977 Proceedings, p. 161. Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.

§ 328.7

1975 Proceedings, p. 20. A vote of the temple is not required for the reaffiliation of one who meets the requirements of § 328.7.

1976 Proceedings, p. 177. According to § 328.7(b) one who lives in concurrent jurisdiction may not demit and affiliate with another temple holding the same concurrent jurisdiction without the consent of the temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" temple and make an application for regular membership by affiliation in the second temple under § 328.7.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another temple holding the same concurrent jurisdiction without consent of the temple from which he demits in accordance with § 328.7(b).

1980 Proceedings, p. 29. One who holds a demit may reaffiliate with the temple which issued his demit, without a vote of the temple, if he meets the requirements of § 328.7(b).

§ 329.3

1989 Proceedings, p. 208. It is acceptable if the membership of the temple in the same jurisdiction or the nearest temple in another jurisdiction is reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation, if such temples gave their written consent to solicitation of their members.

§ 329.4

1989 Proceedings, p. 211. Signer may not withdraw his name from petition when he "changes his mind." It can be withdrawn only if his signature was obtained by false representations.

§ 329.6

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under § 329.6(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

1979 Proceedings, p. 169. By the provisions of § 329.6(b), a Noble who signs an application for a dispensation for a new temple becomes a member of that temple when its dispensation is granted; and he need not apply for affiliation to that temple.

1971 Proceedings, p. 94. Pursuant to §§ 337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his temple; but if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

§ 330.2

1985 Proceedings, p. 112. Procedure for handling temple level grievances are provided in Article 30 of The Imperial Council bylaws.

§ 330.4

1984 Proceedings, p. 109. A Noble may present a complaint against any other Noble directly to the temple.

1986 Proceedings, p. 151. Section 330.4(a)(7) requires where Potentate has been disqualified, "Highest ranking qualified officer" shall act. Such ranking is determined by § 325.1.

1989 Proceedings, p. 209. Absent appropriate order of state court, transcripts of Shrine trial "family matters" to be used in Shrine appeal only.

1992 Proceedings, page 126 § 330.4(c). Although he is not "free from charges," an "accused" Noble retains all rights of membership, including his right to stand for election, until the conclusion of his right to appeal.

§ 331.1

1982 Proceedings, p. 169. To approve an amendment to a temple bylaw, the proposal must be approved by at least 2/3rds of the members present and voting, as required by § 331.1 and cannot be approved when 95 members are present and voting and there are 62 votes in favor, 31 votes against and 2 ballots disqualified as not legible.

1989 Proceedings, p. 211. Temple bylaws must yield to the bylaws of The Imperial Council when they are in conflict therewith.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

1974 Proceedings, p. 26. A revision of temple bylaws having been disapproved pursuant to § 331.2(e), the temple continues to operate under the bylaws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any temple bylaws, which become effective only upon his approval, a Board of Trustees constituted by temple bylaws may not act prior to such approval.

1985 Proceedings, p. 111. Notice under this section and § 324.5 is one week. Unless provided by temple bylaws, first class mailing is not required.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, p. 176. Offering candidates for initiation reduced fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the temple's jurisdiction is a violation of § 332.1(e).

1980 Proceedings, p. 29. Payment by a temple for the meals and lodging of candidates attending a ceremonial outside the jurisdiction of that temple is prohibited by § 332.1(e).

1983 Proceedings, p. 212. The inclusion of a free fez and free dues for the first year cannot be included in the initiation fee of a candidate.

§ 332.2

1993 Proceedings, p. ____ . Dues paid prior to the first of January are "prepaid dues" and, therefore, they may not be recorded as income or used for current expenses. They remain in escrow in temple account number 235 (of the Uniform Chart of Accounts For Shrine Temples) until the First of January.

§ 332.6

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.12 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the temple except life members, who are exempt unless specifically included under § 332.7.

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the temple, and may not be transferred to the general funds of the temple.

1977 Proceedings, p. 162. A Noble who joins a temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7 makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7 precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

§ 332.8

1982 Proceedings, p. 171. A Noble is free of assessments if he applies for a demit prior to the adoption of an assessment by his temple.

1982 Proceedings, p. 171. If assessment is payable in installments, a Noble is current if he has paid the installment due for the year and he is entitled to a certificate of demit.

§ 334.4

1967 Proceedings, p. 83. A temple bylaw provision that the Potentate and Finance Committee can depart from the temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. Bylaws of a temple cannot authorize departures from the budget adopted by the temple membership.

1970 Proceedings, p. 96. A temple budget may be amended only by action of the temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the temple may insist that he be given an opportunity to review the budget in written form before the temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A temple budget may be amended only by action of the temple itself under § 334.4(e), and temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the temple bylaws vesting con-

trol of all temple funds other than those budgeted for operating expenses in the temple trustees, under § 334.4(e) the temple may amend its budget at any meeting of the temple and may increase the amount budgeted for operating expenses without consent of the temple trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All temple funds, including those of its circus, are subject to the control of the temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

1984 Proceedings, p. 110. The nobility, at a regularly stated meeting of the temple are authorized to amend the temple budget under § 334.4(e).

1985 Proceedings, p. 112. Under provisions of § 334.4, contracts entered into by temple officers when appropriations are made by the temple, contracts requiring additional expenditures require temple approval and appropriation of funds therefor by amendment to the budget.

1987 Proceedings, p. 119. Temple specific project authorization and budgeting granting the Board of Trustees supervisory control, is exclusive in nature and no other committees or temple officers may interfere with the fulfillment of the Board's responsibility.

1989 Proceedings, p. 207. There shall be no expenditure of funds except as authorized by the budget.

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

§ 334.6

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members of the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple finan-

cial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1988 Proceedings, p. 237. Members of temples are entitled to see and review fiscal reports required of temple officers under § 334.6. They are also entitled to copies thereof at the Noble's expense.

§ 334.6

1990 Proceedings, p. 134. Business and financial records must be maintained at the official location of the temple in order to ensure reasonable access by the temple members.

§ 334.7

1967 Proceedings, p. 83. Construction by a temple of a Mosque, without financing, does not require approval at the Imperial level.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1976 Proceedings, p. 177. The purchase of golf carts for a temple affiliated country club on a three-year loan requires the approval of the Imperial Potentate pursuant to § 334.7.

1988 Proceedings, p. 237. Neither the Potentate nor any other representative of any temple has power to execute any "borrowing agreement" without specific direction from the membership pursuant to this section.

§ 334.9

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1989 Proceedings, p. 208. Corporations organized before 1966 are "grandfathered" under this section only if its articles and bylaws contain provisions (a)(1)-(4) or similar provisions.

§ 335.2

1966 Proceedings, p. 209. Noble using emblem on article or material for commercial or business purposes subject to discipline.

1966 Proceedings, p. 211. Identification of photograph in commercial advertisement as a former temple Potentate violates Shrine Law.

1968 Proceedings, p. 121. Ownership name or address on vehicles or equipment in a Shrine parade is commercialism and not permitted under Shrine law.

1975 Proceedings, p. 20. The use of a business card showing a photograph of a Noble in his Fez is a violation of § 335.2(a).

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the temple, is a violation of § 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1980 Proceedings, p. 28. Placement of a sign on a Unit vehicle indicating that it was furnished by a lending institution is prohibited by § 335.2.

1989 Proceedings, p. 208. Placement of beer logo on mosque marquee in connection with Shrine events is prohibited.

§ 335.3

1971 Proceedings, p. 94. Although § 335.1 does not prohibit lotteries in states or provinces in which lotteries are licensed by the government, a "Shriners Hospitals Sweepstakes" may not be conducted without the written consent of the Chairman of the

Board of Trustees under § 335.3.

1976 Proceedings, p. 177. Use of the term "unfortunate children" in connection with a temple fund-raising activity would violate § 335.3 unless the activity has the approval of the Chairman of the Board of Trustees.

§ 335.4

1974 Proceedings, p. 26. Unless permission is first obtained under § 335.4(a), the formation of a foundation for the purpose of maintaining a burns treatment ward in a local hospital is forbidden.

1975 Proceedings, p. 20. Shrine Club bylaws which provide for fund-raising programs in support of "exceptional children" as well as Shriners Hospitals for Crippled Children are inconsistent with § 335.4 of the Imperial Bylaws and in direct conflict with General Order No. 1 (Series of 1974-1975).

§ 335.6

1965 Proceedings, p. 42. Permission to print temple roster denied.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a temple for business purposes, and it does not forbid the use of temple mailing lists for promotional purposes by the Scottish Rite.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the temple, is a violation of § 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

§ 335.9

1987 Proceedings, p. 118. Temple bylaws setting aside certain part of annual fees for replacement of unit uniforms, violates this section.

§ 335.10

1970 Proceedings, p. 95. Articles concerning ladies' organizations in temple publications are no longer forbidden.

1979 Proceedings, p. 170. A Shrine Club which provides a meeting place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates § 335.10(b) by sponsoring a women's organization.

§ 335.14

1982 Proceedings, p. 171. Abou Saad Temple and its Nobles are to abide by the laws of the Republic of Panama when they are within its jurisdiction, and its flag is to be accorded the "position of honor."

1986 Proceedings, p. 121. Use of plaques memorializing gifts of equipment or other property by Shrine clubs or units are not prohibited.

§ 335.16

1972 Proceedings, p. 153. Application to Congress for a federal charter of a proposed corporation, the purpose of which is related to Shrine activities, may not be made without permission of the Imperial Potentate in accordance with § 335.16.

1972 Proceedings, p. 153. Formation of a corporation for the purpose of operating a Shrine circus must have the prior written consent of the Imperial Potentate under § 335.16.

1976 Proceedings, p. 175. § 335.16 is not to be applied retroactively to corporations formed before its adoption in 1970.

1992 Proceedings, p. 125. The written consent to form a corporation under § 335.16 shall not be granted unless unique and compelling reasons are advanced and the entity making the request cannot reasonably carry on its intended activity without a corporate structure.

§ 336.1

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a temple unit is not permitted under Shrine law.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the temple.

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a temple Unit to the discretion of the Potentate.

1982 Proceedings, p. 170. Incorporation of a temple unit is not permitted under the Imperial bylaws.

§ 336.2

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such Parade from the Potentate of its own temple under § 336.2(b) and from the Potentate of the temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another temple without the consent of the Potentate of the temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2(c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for temples, and should not be a part of the names of Shrine clubs or holding companies.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single temple constitutes a Shrine club under § 337.1 and may not be organized within the exclusive jurisdiction of another temple without the permission of the Potentate of such temple in accordance with §§ 337.4 and 337.5.

1984 Proceedings, p. 109. Imperial bylaws do not authorize a Shrine club to be a member of a corporation with other non-Shrine fraternal organizations.

1989 Proceedings, p. 210. The formation of a "social club" composed of members of various Shrine temples living within the exclusive or concurrent jurisdiction of another temple is in violation of § 337.1 unless authority is obtained from the Potentate of the temple in the jurisdiction of which the club is formed or from The Imperial Council.

§ 337.2

1988 Proceedings, p. 237. Shrine club members are subject to the control of the Potentate of the authorizing temple, regardless of the members temple affiliation.

§ 337.3

1966 Proceedings, p. 212. Shrine club has no independent existence. It is under complete control of the temple, acting through its Potentate, having jurisdiction over it.

1967 Proceedings, p. 83. A Shrine club at the seat of the temple with a membership including all members of the temple is not authorized by Shrine law.

1967 Proceedings, p. 84. The formation of a Shrine Club Council by and under the control of the Potentate is not prohibited.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his temple pursuant to § 337.3, and he may require changes in the bylaws of such Shrine clubs even though such bylaws were approved by his predecessors in office.

1986 Proceedings, p. 153. Temple Potentate has absolute control over a Shrine club's existence. He may suspend all rules and/or suspend the club from activity during his term as Potentate.

1990 Proceedings, p. 133. Shrine club fiscal matters are, in the final analysis, under the control of the potentate of the authorizing temple. Shrine clubs have no independent right to govern their funds contrary to the bylaws of The Imperial Council and the controlling temple.

§ 337.5

1972 Proceedings, p. 152. § 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the temple by the authority of which it was formed, even though it is closer to a new temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the temple which claims such agreement to exist.

§ 337.6

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 337.6(b); so that such activities may be continued on an annual basis after the adoption of § 337.6(b).

1987 Proceedings, p. 117. Unauthorized and wrongful solicitation in concurrent jurisdiction by a temple's Shrine club requires repayment of all receipts from solicitation and apology to offended temple.

§ 337.7

1967 Proceedings, pp. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.7(c)(3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.7 or § 335.16.

1990 Proceedings, p. 134. Temples shall use the official form when seeking approval for the incorporation of a Shrine club holding company. The authority for organizing a Shrine club holding company is contained in the bylaws of The Imperial Council.

**IMPERIAL COUNCIL A.A.O.N.M.S.
ACCOUNTING AND FINANCIAL REPORTING
REQUIREMENTS FOR SHRINE TEMPLES**

The bylaws of The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the bylaws requirements. Because of their numerous and diverse activities, many questions confront temples concerning accounting requirements. The American Institute of Certified Public Accountants Industry Audit Guide "Audits of Certain Non-Profit Organizations" which incorporates Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Non-profit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

All funds under the control of the temple, charitable or otherwise, and all activities, including circuses, and all funds and activities of the units of the temples, should be included in the temples' financial statements. When the corporation is a separate legal entity, such as a temple holding corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total.

Temple units are not permitted to maintain funds which are not under the control of their temples. In certain cases, such as where the units maintain records and do not keep them at the temple office, the auditor may not believe, from a practical standpoint, that he is in a position to audit the funds. In such cases, the temple's financial statements should be prepared without the units' funds. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. Even though such funds may be excluded from the temple's audited financial statements, such funds must be included in the temple's annual reports to the Internal Revenue Service.

The accrual basis or modified accrual (wherein certain items would be handled in a cash basis rather than being recorded as a receivable or as a liability) of accounting is required for all temples. Financial statement formats with sample notes to financial statements and examples of supplementary financial information are attached (see Form #21). These are guidelines which are required to be followed by all temples. More important aspects of these guidelines are as follows:

1. The financial statements and notes should be comparative and present financial information for two years.
2. The financial statements should be presented in a combined format to reflect all of the financial activities of the temple including all fund raising activities, charitable funds, and financial information of separately incorporated entities such as temple holding corporations.
3. Supplementary financial information should reflect all activity of individual restricted funds (including the Hospital Patient Transportation Fund) if not separately presented in the primary financial statements.
4. Supplementary financial information should include details of all fund raising activities segregated into charitable and fraternal categories listing each fund raising event.
5. All transactions with related parties which include payments to members of the divan, commissions to Shrine clubs and units, checks drawn to the temple from restricted funds for administrative expense reimbursements, etc. are required to be disclosed in the notes to the financial statements.
6. Audited (or reviewed in the case of temples with less than 3,000 members) financial statements must be filed with The Imperial Council by May 1.

An engagement letter is required to be signed with the temples' auditors prior to the beginning of the audit, which establishes the responsibility of the auditor and of the temples' divan as regards the audit of the financial statements of the temple. An example (see Form #22) is included that acknowledges, among other things, the requirement of the auditor to comply with these financial and reporting requirements. Any engagement letter entered into with an auditor must include the items identified in the example.

A representation letter should be furnished to the auditor at the completion of his examination. An example is included with this addendum (see Form #22). The actual representation letter furnished the auditor must, at a minimum, be signed by all members of the divan and include all items identified in the example.

Included with this addendum is a uniform chart of accounts for Shrine temples. This chart is designed to assist the temples in conforming to more modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the temple to maintain all of the detail expense accounts that are set out in the chart. The temple may also add accounts as necessary.

Other receivables should be recorded in Accounts 121 through 128 as appropriate. From time to time, it may be necessary to advance funds to various organizations, such as uniformed units, etc. Account 122 should be charged with the amount that has been advanced, and credited as payments are received.

Account 129—Allowance for Doubtful Receivables is credited at year end with an estimated amount of uncollectible dues and other receivables. The contra entry for uncollectible dues is Account 420—Suspended Members and for other receivables is Account 625—Bad Debt.

LIABILITIES

ACCOUNT 210: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL ASSESSMENT

The Imperial Council will bill the temples a \$5 hospital assessment for each Noble on the membership roll as of January 1 who are not permanent contributing members of the hospital. The total amount billed is credited to this account with the contra entry to Account 120—Dues Receivable. Account 210 will be charged at the time payment is made to The Imperial Council. As new members are created and assessed the hospital levy, a charge to dues receivable and a credit to this account is recorded. Bylaw section 332.3(h) states that the hospital levy is a trust fund and the temple must segregate it in a separate account and remit it to the Imperial Council. If a member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 211: ACCOUNTS PAYABLE—IMPERIAL COUNCIL—OTHER

Since the hospital levy is a trust fund, hospital assessments received in advance must be segregated and should be credited to Account 237. Dues should not be recorded as income until January 1. Effective January 1, this account should be reversed by crediting Account 120—Receivable for the per capita tax portion and Account 401—Dues for the remaining balance.

ACCOUNT 236: INITIATION FEES PAID IN ADVANCE

SAMPLE AUDIT ENGAGEMENT LETTER

(Date) _____

ABC Temple _____

(Address) _____

Dear ABC Temple:

We are confirming our understanding of the services to be provided in connection with our planned examination of the balance sheet of ABC Temple (the Organization) at December 31, 19____ and the related statements of revenues, expenses and changes in members' equity and of cash flows for the year then ended.

The purpose and scope of our examination will be to express an opinion on the financial statements. Our examination will be made in accordance with generally accepted auditing standards. Accordingly, we will selectively test the accounting records of the Organization and related data, and will perform other auditing procedures by methods and to the extent we deem appropriate.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

As part of our examination, a letter of representation will be requested from the Divan confirming (a) certain representations made orally during our examination that are not reflected in the Organization's books of account and other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as the Divan's acknowledgement of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying value or classification of assets and liabilities, and similar matters.

We will advise you promptly if we discover conditions which cause us to believe that material errors or defalcations or other irregularities may exist or if we encounter other circumstances that require us to extend our work significantly. However, an examination based on selective testing is subject to the inherent risk that material errors or irregularities, if they exist, will not be detected.

At the conclusion of our examination we will submit our report with respect to the financial statements. We will separately advise you of any material weaknesses in internal accounting control that come to our attention during our examination and make any recommendations we may have for strengthening those controls. We will also make recommendations for improving operational procedures to the extent that such matters come to our attention.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19____. We will not prepare any other tax returns unless specifically requested to do so.

We shall be pleased to discuss this letter with you at any time. If the above arrangements are acceptable to you, and the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided and return it to us.

Very truly yours,

SAMPLE REVIEW ENGAGEMENT LETTER

ABC Temple _____
(Address) _____

Date) _____

Dear ABC Temple:

We are confirming our understanding of the terms and objectives of our arrangement to review the balance sheet of ABC Temple as of December 31, 19____, and related statements of revenues, expenses and changes in members' equity and of cash flows for the year then ended. We understand that all books and records will be prepared by temple employees or volunteers.

It is also understood that the nature of our work and related report on the financial statements intended here shall be in accordance with professional standards established by the American Institute of Certified Public Accountants. These financial statements, which will include the reference "See accompanying notes to the financial statements and accountants' review report" on each page, will be accompanied by our report which is expected to be in the following form:

We have reviewed the accompanying balance sheet of ABC Temple as of December 31, 19____, and the related statements of revenues, expenses and changes in members' equity and of cash flows for the year then ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of ABC Temple.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the Expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

NOTE: Reviewed Financial Statements are only permitted for temples with less than 3,000 Nobles.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

Our report may need to be modified for circumstances such as a departure from generally accepted accounting principles. Also, material uncertainties of which we become aware would be set forth in a separate explanatory paragraph.

If for any reason, we are unable to complete our review of your financial statements, we will be unable to issue a report on such statements as a result of this engagement.

The financial statements are the representations and the responsibility of temple management. However, if any questions should come to our attention regarding the accuracy or completeness of the statements, we will, of course, bring them to your attention promptly.

It is understood that our assignment is limited to an accounting service and, therefore, does not constitute an audit of your financial statements in accordance with generally accepted auditing standards. Further, the services involved in this engagement are not designed and cannot be relied upon to disclose errors, irregularities, or illegal acts, including fraud or defalcations, should any exist. We will inform you, however, of any matters that come to our attention which cause us to believe that such a condition exists. We request that you do not record this service as an "audit" engagement in your minutes nor describe our services as "auditing" in your books of account.

As part of our review, a letter of representation will be requested from management confirming (a) certain representations made orally during our review that are not recognized in the Organization's books of account or other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as management's acknowledgment of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying amount or classification of assets and liabilities, and similar matters.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19____. We will not prepare any other tax returns unless specifically requested to do so.

We shall be pleased to discuss this letter with you at any time. If the above terms are acceptable to you, and the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided below and return it to us.

Very truly yours,

13. We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

Evans, presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE EVANS: Will you all please be seated.

Waiving all forms and ceremonies, I hereby declare this One Hundred Nineteenth Annual Session of the Imperial Council and the 1993 Annual Meeting of Shriners Hospitals for Crippled Children and Appendant entities, open for business. I further declare that this Annual Session and this Annual Meeting will remain open for business until adjourned.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I will recognize Jack H. Jones for the purpose of receiving a motion to elect all Representatives as members of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I would move that all Representatives to the Imperial Council, an Iowa Corporation, including its Ad Vitam, At-Large, Emeriti, elected and appointed Representatives be elected to membership in the Colorado Corporation for the ensuing year.

...The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

IMPERIAL POTENTATE EVANS: I will recognize the Imperial Recorder for the purpose of receiving a motion regarding parliamentary procedure.

IMPERIAL SIR JACK JONES: Imperial Sir, the Bylaws of the Iowa and Colorado Corporations state that,

unless otherwise provided by resolution or Bylaws, parliamentary procedure shall be governed by Robert's Rules of Order. Occasions arise when the Annual Session or Annual Meeting goes into recess when ballots are being counted. This is consistent with Robert's Rules of Order which states that a recess may be taken to count ballots. I believe it is appropriate to allow the Presiding Officer to make the determination on a case by case basis, as to whether a recess should be declared when ballots are being counted. Therefore, I would propose the following resolution:

"RESOLVED, that during this Annual Session of the Iowa Corporation and the Annual Meeting of the Colorado Corporation, the rules be suspended and business be allowed to continue, uninterrupted, in the discretion of the Presiding Officer, while ballots are being counted."

...The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried...

IMPERIAL POTENTATE EVANS: I recognize the Imperial Recorder for the purpose of an announcement concerning the presentation of checks and donations to our hospitals and any other announcements that he may have.

IMPERIAL SIR JONES: Imperial Sir, all Nobles intending to present checks and donations to our hospitals at this Annual Meeting should stand ready for presentation just prior to the close of today's Session. ...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: Let me ask, is the representative of Alaska Airlines here, Noble Jim Johnson?

I will recognize Imperial Sir Gene Bracewell, the Chairman of the Board of Trustees.

IMPERIAL SIR GENE BRACEWELL [Chairman, Board of Trustees, Shriners Hospitals for Crippled Children]: Thank you, Imperial Sir.

My fellow Nobles, this afternoon we have the distinct pleasure of presenting two plaques, one to Noble Jim Johnson and the other one to his organization, Alaska Airlines, which has done so much for our Shrine Temples in the Pacific Northwest and certainly for our hospitals.

At this time, I would like to present to Noble Jim Johnson, who is with me on my right and who is the Senior Executive Vice President of Alaska Airlines, a plaque. For the last ten years, both he and his airline have done so very, very much to fly our children to and from our hospitals. As a matter of fact, they have flown over 2.5 million free miles.

...Cheers and rising applause ensued...

CHAIRMAN BRACEWELL: Well, you know, that says it all. I might just add that this amounts to well over a million dollars in savings.

Jim, before I present this plaque to you, I would like to read what is contained on the plaque.

...Whereupon, the words of commendation and appreciation as expressed on the plaque were read by Chairman Bracewell...

CHAIRMAN BRACEWELL: This is signed by Imperial Sir Everett Evans, Imperial Potentate and myself as Chairman of the Board of Trustees. I am delighted to have the privilege of presenting you with this plaque.

...Presentation of plaque and applause then ensued...

CHAIRMAN BRACEWELL: Also, Jim, before you leave here, let me say that I have another plaque here to take back to your airline and tender it to the appropriate people. I would also, before giving this to you, like to read the inscription thereon.

...Whereupon, the words of commendation and appreciation as expressed on the plaque presented to Alaska Airlines were read by Chairman Bracewell...

CHAIRMAN BRACEWELL: Again, Jim, this is signed by our Imperial Potentate, Everett E. Evans and myself as Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children.

...Presentation of this plaque to Mr. Johnson and applause then ensued...

CHAIRMAN BRACEWELL: Congratulations to both you, Jim, and Alaska Airlines because this is the type of support we need and something we greatly appreciate. Thank you again very, very much. (Applause)

MR. JIM JOHNSON: I would just like to say, in behalf of Alaska Airlines, how appreciative we are of the support of Nile Temple and Al Aska Temple for working with us so closely and enabling us to perform this service for the Shrine. We have certainly enjoyed working with the Shrine over these past ten years and certainly have appreciated this opportunity of performing this service. Thank you.

CHAIRMAN BRACEWELL: We certainly have appreciated it more than you know. You have been a mainstay there for a long time and we really do appreciate it.

...Business was transacted in the Iowa Corporation at this time...

...Whereupon, the Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four-fifty-five o'clock p.m....

AFTERNOON SESSION
TUESDAY, JULY 6, 1993
ONE-FIFTEEN O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened at the Convention Center, San Antonio, Texas, on Tuesday, July 6, 1993, at one-fifteen o'clock p.m., Imperial Potentate Everett Evans presiding, pursuant to Notice of Annual Meeting.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I now recognize Imperial Sir Jack H. Jones for the purpose of nominating designated Imperial Officers as members of the Board of Trustees of Shriners Hospitals for Crippled Children.

IMPERIAL SIR JACK JONES: Imperial Sir, I nominate the following persons by virtue of their Offices as Imperial Officers to be members of the Board of Trustees, Shriners Hospitals for Crippled Children, for a term of one year:

Imperial Potentate-Elect Richard L. "Tony" Bukey
Deputy Imperial Potentate-Elect Burton E. Ravellette, Jr.
Imperial Chief Rabban-Elect Robert B. Bailey
Imperial Treasurer Webber C. Harrington
Soon to be Junior Past Imperial Potentate Everett M. Evans

Imperial Sir, I would move that they be elected by acclamation.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: All in favor of their election please say aye; opposed nay. They are unanimously declared to be elected.

At this time, will the candidates for the Board of Trustee of Shriners Hospitals for Crippled Children and their nominators please come to the stage. I understand that the candidates are Walker S. Kisselburgh; James W. Hendrix; John W. Dean III; and John S. Miller, Jr.

At this point, I will ask Imperial Sir Jack Jones to conduct a drawing for the position in which these candidates are going to be nominated.

...Whereupon, a drawing for nominating position then ensued...

IMPERIAL POTENTATE EVANS: We will proceed with nominator No. 1, who is Phil Johnson, Recorder of Al Bahr Temple, who will nominate John W. Dean III.

NOBLE PHIL JOHNSON: We have the opportunity to elect three members to serve on our Shrine Hospital Board of Trustees and I would like to offer Imperial Sir John W. Dean III as one of your selections.

Each of these candidates for this important position is qualified and have experience that would benefit our great hospital system but I believe that Past Imperial Potentate John Dean has that special knowledge that can best serve our hospitals.

Almost all of us know our Junior Past Imperial Potentate for his many years on the Imperial Line and from his 1992 successful Imperial Council Session at Orlando, Florida, where he was able to return to

our Iowa Corporation a profit in excess of \$100,000.

Our Imperial Sir was made a Mason in 1950 and joined Lu Lu Temple in 1952, eventually serving as Potentate in 1976.

Jack is also a Thirty-Third Degree Scottish Rite Mason and a member of the York Rite bodies.

If I were to list his involvement, membership participation and honors in relation to the many organizations in which he has taken part, I would take far too much time. However, there is one honor that should be mentioned and that is the presentation of the Benjamin Franklin Meritorious Medal, awarded by the Grand Lodge of Pennsylvania at last year's Imperial Council Session. Imperial Sir Jack should be especially proud of this honor as it has never been presented outside of his Grand Lodge until last year. This award is given for distinguished and continued service to Freemasonry.

From 1962 to 1981, Jack was actively involved in his Temple Endowments, Wills and Gifts Program and has served as both Deputy Director and Director of Region 22 of the EWG Committee.

While on the Imperial Divan, he served as Chairman of the EWG Committee. During his term on that important Committee, he was responsible for instituting several successful, worthwhile programs. These programs, in turn, helped to raise new money for the continued growth of our Endowment Fund, which is now approaching \$4 billion.

Jack also served as Chairman of the Congressional Liaison Committee, which works with national legislators on such important matters as taxes and health items.

He also served as Chairman of the Investment Committee, during which time he established a master custody account which brought all of our many investments under the control of one central account. This allows our Investment Committee, Imperial Divan and Trustees to review investments and performances on almost a daily basis. By this they are able to receive an accurate performance report on the banks and firms holding hospital investments.

He likewise arranged for a system to be established that allows for our unallocated funds to be swept into an interest-bearing account at the close of each business day, thus earning additional funds for our hospitals.

Further, he was on the initial Interview Committee that was responsible for the employment of our current Director of Medical Affairs and our Executive Hospital Administrator.

He likewise was on the Priority Review Committee, which was charged with the responsibility of establishing priority of our hospital rebuilding and renovation program which has brought this organization into an aggressive building program for state-of-the-art hospitals that will allow us to continue to provide the best in medical care well into the next century.

He likewise chaired the Insurance Committee that not only brought our Shrine Temples into 100 percent compliance with the proper insurance endorsements but also previewed the self-insurance program that the Shrine Hospitals now enjoy.

Imperial Sir Jack has also served on the Board of Governors of the Philadelphia Unit, serving from 1972 until his election to the position of Imperial Outer Guard in 1981.

This, coupled with his many hospital liaison assignments while on the Imperial Line, has given him a first-hand look at the problems that our hospitals encounter on a daily basis.

I have tried to list just a few of the areas that Jack has served this Imperial Council in and we should be thankful for the work and dedication that he has provided in our behalf and also that he is willing to continue working for us and the children that we serve. Jack is able to spend whatever amount of time is needed to accomplish the tasks that will be assigned to him as a member of the Board of Trustees.

As we approach leaner times and increased competition for the charitable dollar, we need leaders who have experience to guide this organization and who are willing to make the tough decisions, to let you, the Representatives, know where they stand on the issues.

Imperial Sir Jack is that type of leader. He is not afraid to make the tough decisions. He is not afraid to take on a difficult assignment. He is not afraid to voice his opinion and his opinions are based on intelligent, thoughtful considerations.

Nobles, he has accomplished much on your behalf but there is still much to be done.

When you cast your vote for three Nobles to serve on this Board of Trustees, I hope that you will save one vote for Imperial Sir John W. Dean.

Imperial Potentate, I nominate John W. Dean for the Board of Trustees of Shriners Hospitals for Crippled Children.

Thank you for your kind attention. (Applause)

IMPERIAL POTENTATE EVANS: As nominator No. 2, I will recognize Bob Turley, Past Potentate of

Oleika Temple, for the purpose of nominating James W. Hendrix.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives of the Colorado Corporation: We must bear in mind that we are about to elect members of the governing Board of a major, international corporation. This is a corporation with a net worth of approximately \$4 billion and also an annual operating budget fast approaching \$300 million.

Three years ago I told you that Jim Hendrix is well qualified to sit on the Board of a major corporation. Indeed, he has been Vice Chairman of Administration of Peat Marwick, the largest accounting firm in the world, where he sat on the Board of Directors and Operating Committee.

You elected him to the Board of Trustees of Shriners Hospitals for Crippled Children and the representation that I made three years ago to you was proven to be true.

His expertise has been recognized and for the past two years he has been Chairman of both the Budget Committee and the Financial Study Committee of Shriners Hospitals for Crippled Children.

In these times of skyrocketing healthcare costs, worldwide fiscal uncertainty and stringent cost constraints, our Hospital Boards have looked to Jim Hendrix for leadership in these vital areas.

He has also served on the Affiliation Committee, the Long Range Planning Committee and other committees.

Jim is a certified public accountant.

In 1988, he retired from Peat Marwick to move back to his native Texas, where he has been a long time member of Hella Temple.

He was Imperial Auditor for twenty-two years, appointed and reappointed from year to year by every Imperial Potentate during that time and confirmed in every case by the Boards of Directors of both the Iowa and Colorado Corporations.

Also, he is one of a dozen or so Shriners with the most intimate knowledge of our financial affairs.

Imperial Sir, I take great pride in expressing my own opinion and that of many others today that Shriners Hospitals for Crippled Children needs Jim Hendrix on the Board of Trustees. I nominate him for another three-year term on that Board and I respectfully urge each and every one of you to vote for and support him.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: I will next recognize Past Potentate Bruce Boyette of Sudan Temple.

ILLUSTRIOUS SIR BOYETTE [Sudan Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and Fellow Representatives: I am Bruce Boyette, Representative from Sudan Temple and an Emeritus Member of this body.

It is my distinct privilege and pleasure to place in nomination for Trustee of Shriners Hospitals for Crippled Children, Illustrious Sir John S. Miller, Jr., Past Potentate of Oasis Temple.

You have seen John Miller's brochure briefly highlighting his accomplishments in business, Masonry, Shrinedom, civic leadership and his church.

Now, I want to tell you more about this man who grew up on a farm in North Carolina. John Miller knew what it was to plow a mule all day and to pick beans from daylight to dark. John's father, a Mason and a Shriner, believed in hard work and taught John about the dignity and respect that comes from a hard day's work.

John was educated in the public schools of Charlotte and Mecklenburg County. He is an alumnus of both North Carolina State University and Wingate University in North Carolina.

During his senior year at North Carolina State, he took his first Masonic Degree in Joppa Lodge No. 530 in Charlotte. Upon leaving the university, John joined the Army and continued his work in Masonry. He raised his commanding officer and has proven over the years to be a great salesman. Completing his military obligation, he returned to private business and entered the real estate field. He has been a designated realtor for over forty years. Also, in 1960, John became the Administrator of a 200-bed rest home facility focusing on the care of the indigent. For the next twenty-five years, he learned good management practices and procedures and knew what it was to meet a payroll and negotiate with nurses and doctors.

John was instrumental in founding an Association of Rest Home Operators in North Carolina and served on the Board of the President's Commission on Aging in North Carolina.

After twenty-three years, John retired from the healthcare field and turned his attention to real estate and investments. Today he is the President of three corporations and real estate holding companies.

However, John Miller, as a busy businessman, has always found time in his life to help others. At the age of twenty-seven, he became the second statewide President of the Multiple Sclerosis Society. He has

also served as President of the Civic Club of Charlotte and was designated one of the ten top businessmen of the Charlotte area.

Also, John has served as Chairman of the Board of his church, as a Sunday School teacher, a lay speaker and for the past twenty years, a Trustee. In 1975, John's church chose him as Fund Raising Chairman and in 1986 the church named him Building Chairman. John and his committee completed a \$3.5 million building program on time and \$62,000 under budget.

Created a Noble in Oasis Temple in 1955, John Miller was appointed Outer Guard in 1983. Two years later, he was given the responsibility of heading up the relocation, building and financing of the new Shrine Mosque of Oasis Temple, a \$5 million project. It was completed within two years.

In 1991, John Miller was elected Potentate of Oasis Temple. The Temple membership soon learned it was headed for its first \$1 million-plus fund raising year for Shriners Hospitals. He also convinced the membership that the \$300,000 debt the new Temple was carrying must be paid off and that debt was paid off in July, with a surplus of \$30,000. Also, that same year, Oasis Temple additionally raised \$1,171,000 for Shriners Hospitals.

He is an ex-officio Board member of the Greenville Unit of Shriners Hospitals. Also, he has served on the Imperial Planning Committee and the Imperial Credentials Committee. He is now serving his fourth year as an Imperial Representative.

Also, in North Carolina, he serves on the Board of the Masonic Orphanage in Oxford, North Carolina and on the Finance Committee of the Masonic Eastern Star Home in Greensboro, North Carolina.

He is married to the former Doris Brown of Charlotte, a full-time Shrine wife and they have two sons who are both engaged in real estate and banking.

A member of the York and Scottish Rite bodies and a Past Director of Court No. 109 of the Royal Order of Jesters, John Miller is eager to continue his service to the Shrine of North America and more especially the Shriners Hospitals for Crippled Children.

John Miller can do the job that must be done for our hospitals. He knows real estate, he knows investments, he knows how to manage money.

If you want a Trustee who has the experience, the dedication, the desire and the ability to get the job done, then I earnestly solicit your vote for John Miller for Trustee.

Thank you. (Applause)

IMPERIAL POTENTATE EVANS: I will next call on Illustrious Sir Edward Maag, Past Potentate, of Ainad Temple, for the purpose of placing in nomination for the Board of Trustees, Imperial Sir Walker S. Kisselburgh.

ILLUSTRIOUS SIR EDWARD MAAG [Past Potentate, Ainad Temple]: I am here this afternoon to place in nomination a man that I respect and admire, and I know you do, too, for the position of a three-year term as a Trustee of Shriners Hospitals for Crippled Children.

You have demonstrated your confidence in this man by electing him not only in times past down through the years and who ultimately became your Imperial Potentate, but also to two successive three-year terms on the Board of Trustees. If you believe him and believe in him and what he stands for, he will not betray your trust. He is the epitome of what a Trustee of Shriners Hospitals for Crippled Children ought to be.

He is a distinguished Mason; he has served within the very basic roots of Masonry by being the Master of his Lodge. He has received honors from every branch of Masonry over and above the fact that Masonry has recognized Walker S. Kisselburgh for what he is and what he can do. Walker has particularly and singly distinguished himself in his own right by putting into practice the precept that we preach in Masonry—kindness, charity, brotherhood and decency—and, of course, God only knows that we need decency today.

I would like to tell you that this man, Walker Kisselburgh, served you and me and the Shrine of North America and the world's greatest philanthropy for more than twenty years and he has earned the trust and confidence of everybody with whom he has been associated.

He has also served on all of the major committees that there are in both the Iowa and Colorado Corporations.

During my twenty-eight years as a member of this corporation, I believe that he had the longest tenure of any Chairman in relation to the Endowments, Wills and Gifts Committee—seven consecutive years and during that time a billion new dollars was put into the Endowment Fund and over a 270 percent increase in giving took place. Can he motivate people—he certainly can.

He is a Trustee worthy of your Trust and confidence. He has earned my respect and I also respect-

fully submit that he has earned your respect and I solicit your vote for Walker S. Kisselburgh for Trustee of the Colorado Corporation for a three-year term.

I do thank you for your attention and I would say this in closing—Walker will never again be a candidate because, if you elect him at this time, he becomes a Trustee Emeritus. I have indicated my confidence in him and I also believe he is worthy of that confidence.

Bless him, thank you and I appreciate the opportunity of being able to address you here this afternoon. (Applause)

IMPERIAL POTENTATE EVANS: Are there any further nominations?

... Whereupon, it was severally moved and seconded that nominations cease...

IMPERIAL POTENTATE EVANS: It has been moved and seconded that nominations cease.

All in favor say aye; opposed nay. The motion is carried.

Let me further indicate to you that we will use today the bright yellow ballot, No. 16.

You have three names to put down there so be sure you write them very legibly. Please indicate three names on the bright yellow ballot, No. 16. I am informed that if you do not vote for three, the ballot will be void. Therefore, let us all vote for three. Also, I am reminded to again indicate to you not to fold your ballots.

... Whereupon, voting and collection of ballots then ensued...

IMPERIAL POTENTATE EVANS: Has everybody balloted? Is there anyone who has not balloted?

I will then declare the ballot closed.

Now, while we are waiting for the results of the counting of the ballot, I would ask our Chairman of the Board, Imperial Sir Gene Bracewell, to come up here to wherever he would like to be and those of you who have checks or presentations to make, why not bring them up here now? Of course, we are going to do this again as we proceed with our meeting.

Now, again, those of you who have a check for Imperial Sir Bracewell and Shriners Hospitals, will you please come up on this (indicating) side over here.

IMPERIAL SIR JONES: While we are waiting, Imperial Sir, may I make a couple of announcements?

IMPERIAL POTENTATE EVANS: Certainly.

... Several announcements were then made by Imperial Sir Jack Jones at this point...

CHAIRMAN BRACEWELL: Imperial Sirs and Representatives: I would like to call on any Temple that has a presentation to make for our hospitals. We will accept them at this time.

... At this point, the following checks were presented and acknowledged...

From Yaarab Temple paper sale, check in the amount of \$418,997.

From Al Menah Temple paper sale, check in the amount of \$661,000.

From Islam Temple, check from Shrine East-West Game amounting close to \$250,000.

From the six Temples involved with the running of the Shrine Bowl Game of the Carolinas, check in the amount of \$2,471,992.56.

From Sharon Temple paper sale, check in the amount of \$65,000.

From the Wisconsin Temples involved with the Wisconsin High School All-Star Game, a check in the amount of \$30,000.

From the five Kansas Temples' Annual Shrine Football Game, a check in the amount of \$47,836.

From El Katif Temple from various activities held throughout the year, a check in the amount of \$545,544.

From Irem Temple golf activities, a check in the amount of \$10,000.

From Aladdin Temple from various activities, a check in the amount of \$100,150.

CHAIRMAN BRACEWELL: I wish to thank all of you for the checks that you have presented at this time. Are there any further checks to be given at this time? If not, I am sure, if you do not have them with you, that there will be opportunities later on for their presentation.

Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: Why do not we give our Chairman of the Board of Trustees a great big hand for everything that he does for the Shrine all throughout the year? (Applause)

... Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I will now recognize Imperial Sir Robert Turley for a presentation.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Members of the Colorado Corporation: Randolph R. Thomas, a Past Potentate of Morocco Temple, who was elected Imperial Outer Guard in Texas at the Dallas Session in 1972, today, and again in Texas, I nominate him for another distinction among Shriners.

Randy has served nine years on the Board of Trustees of Shriners Hospitals for Crippled Children. During that time, he lent his talents and capabilities to the Shrine in many, many ways.

He was, for example, a member of the Building and Equipment Committee under four different Chairmen, George Mattison, Woody Bennett, Gene Bracewell and Burt Ravellette.

He was on the Salary, Personnel and Retirement Committee for ten years and served three of those ten years as Chairman.

He is Chairman Emeritus of the Investment Committee, having been its Chair for seven years.

He was on the Long Range Planning Committee for twelve years, serving as its Chairman in 1980-1981.

He chaired the Committee to Relocate our Headquarters to Tampa from its inception and for six years he chaired the Spinal Cord Injury Committee. Also, he has served as chairman of numerous liaison and ad hoc committees.

Randy's record of service to the world's greatest philanthropy has justly earned for him our warmest praise and gratitude and his splendid example is for all of us to emulate.

Imperial Sir, members of the Colorado Corporation, I am honored to communicate to you his wish that he become a Trustee Emeritus pursuant to Section 508.8 of the Bylaws of the Colorado Corporation.

I move you, Imperial Sir, that he be now elevated to the position of Trustee Emeritus of Shriners Hospitals for Crippled Children.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: The motion has been made and seconded.

Is there any discussion?

If not, all in favor please say aye; opposed. It is unanimously carried.

CHAIRMAN BRACEWELL: At this time, I would like to present to Randy Thomas the appropriate plaque which reads as follows:

...Whereupon, the words of congratulations and appreciation as recorded on the plaque were then read by Chairman Bracewell, following which the plaque was presented to Imperial Sir Thomas... (Applause)

IMPERIAL SIR THOMAS: Imperial Sir, Imperial Sirs and Representatives: You know, I thought they had forgotten me. (Laughter) However, I do appreciate this honor. I thank you for allowing me to serve this past twenty years in your behalf. I have enjoyed all of it and look forward to continuing to help in any way I can.

Thank you so very, very much. (Applause)

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I believe we have the results back concerning the ballot for the Trustee positions.

NOBLE HATHAWAY: It is a pleasure to give you the results of ballot No. 16 for the Office of Colorado Trustee.

There were 1,099 possible votes; 930 actually voted; there were four spoiled ballots; necessary for choice, 466.

The ballots were distributed as follows: Dean, 503; Miller, 660; Hendrix, 779; and Kisselburgh, 836.

IMPERIAL POTENTATE EVANS: You have elected Jim Hendrix, Walker Kisselburgh and John Miller to represent you. (Applause)

IMPERIAL SIR DEAN: Imperial Sir, I would like to make a motion that the election of Walker Kisselburgh, Jim Hendrix and John Miller be made unanimous and, further, I would like to thank the Representatives for their consideration and also thank them for the opportunity to serve them over the years. Thank you very much. (Applause)

IMPERIAL POTENTATE EVANS: Thank you, Imperial Sir.

First let me ask, is there a second to the motion?

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: Are there any questions or comments concerning this motion?

If not, all in favor say aye; opposed nay. The motion is unanimously carried.

IMPERIAL SIR KISSELBURGH: May I have your permission to speak, Imperial Sir?

IMPERIAL POTENTATE EVANS: Do you want to accept, is that what you want to start with?

IMPERIAL SIR KISSELBURGH: Not only do I accept, but I do appreciate the honor of being elected once more to the Board of Trustees. I promise you that I will do my very best, as I have done in the past, in my efforts for Shriners Hospitals for Crippled Children.

I thank each and every one of you, I appreciated shaking hands with many of you and getting to know you.

Thank you very, very much. (Applause)

IMPERIAL POTENTATE EVANS: Thank you, Walker.

With that, I will recognize Noble Jim Hendrix.

NOBLE HENDRIX: Thank you, Imperial Sir.

Members of the Colorado Corporation, thank you for your support. I accept and I pledge to work for you for the next three-year term.

Thank you for again giving me the opportunity to serve. (Applause)

IMPERIAL POTENTATE EVANS: Thank you, Jim Hendrix.

I will now recognize Past Potentate John Miller.

ILLUSTRIOUS SIR JOHN MILLER: Imperial Potentate, Imperial Officers, Grand Masters and my Grand Master in particular, and Representatives: I am indeed humble and proud to be given the opportunity to serve in this fashion. I will assure you that I will do my very best to serve you in those Temples out there in the hinterlands. I am interested in your needs in relation to our hospitals. I want to hear from you.

Also, I will work diligently to support the hospital program that you have nurtured through all of these years.

Also, to Imperial Sir Jack Dean, let me say to you, Imperial Sir, that I am sorry you were not elected because you are a great man.

I thank all of you very, very much. (Applause)

IMPERIAL POTENTATE EVANS: Thank you, John, and I presume you likewise accept?

ILLUSTRIOUS SIR MILLER: I certainly do accept, Imperial Sir.

IMPERIAL POTENTATE EVANS: With that, let me say that we are going to go into our scheduled Public Session at this time that was planned for this afternoon. I will ask our Imperial Outer Guard to please open the doors so that the ladies who have been standing out there may be admitted.

...Whereupon, a brief pause ensued while the ladies and other Masonic friends were invited for the purpose of listening to the report of Imperial Sir Gene Bracewell, Chairman, Board of Trustees, Shriners Hospitals for Crippled Children and also the report of the Public Relations Committee, chaired by Imperial Sir VerMaas...

IMPERIAL POTENTATE EVANS: Nobles and Representatives, at this time, it is with a great deal of pleasure that I present to you Past Imperial Potentate Gene Bracewell, Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children.

...Applause ensued as Imperial Sir Bracewell approached the microphone...

PAST IMPERIAL POTENTATE GENE BRACEWELL: Imperial Potentate Everett Evans, Imperial Sirs, Illustrious Sirs, Divan Members, Distinguished Masonic Leaders, Guests, Lovely Ladies and my Fellow Nobles: First, allow me the pleasure of saying "thank you" to our Imperial Potentate, Everett M. Evans and his Lady, Maxine, for the wonderful and masterful job that was done this past year in representing our great Fraternity and our world class charity, Shriners Hospitals for Crippled Children. You are both to be commended and congratulated.

Please join me in thanking them. (Applause)

I am delighted to be here today and to once again have the opportunity to give you the Annual Chairman's Report, or "State of the Hospitals" type of report regarding our great philanthropy.

I would like to begin by telling you a little story.

There were two psychologists who worked in the same building, the tall one on the third floor and the short one on the second floor. Every morning the short psychologist would come to the building early and wait until the taller psychologist got on the elevator.

Then the short one would also get on the elevator and when the elevator stopped at the second floor, the short one would turn around and cut off the taller psychologist's necktie and then rush out of the elevator.

Morning after morning this happened until one morning another worker in the building asked the tall psychologist, "What are you going to do about that man cutting off your necktie every morning?"

The tall psychologist said, "Why should I do anything about it? It is not my problem."

Like the tall psychologist, too often people refuse to be accountable for what goes on around us.

Here in the United States, we are struggling to achieve a major reform of our healthcare system, but no one wants to take any responsibility for doing anything about it.

All the special interest groups involved in healthcare—the doctors, the hospitals, the pharmaceutical

companies, the insurance companies—they are all busy defending their own turf and pointing to everyone else as the cause of problems like overspending, a lack of access to care for the poor and bureaucratic inefficiencies.

"Do not pick on us," they say. "Our part of the healthcare pie is only about ten percent, or eight percent, of the total healthcare spending. We are not the cause of the problem."

And most of them are right—no single aspect of healthcare is responsible for the multitude of problems in our healthcare system.

Unfortunately, when everyone takes that attitude, it is difficult to achieve any real reform.

But in contrast, look at our Shriners Hospitals and the important steps we have been taking to meet our responsibilities and to ensure the continued strength of our great philanthropy and the continuing care for our children.

Our Task Force for Strategic Planning was established two years ago to examine the direction our nation is taking in healthcare and to study how Shriners Hospitals will fit into the new healthcare system of the future.

Our Task Force is also looking at factors such as the rising costs of healthcare technology and an increasing need for highly educated personnel. We are always studying ways to ensure that Shriners Hospitals will always remain on the competitive edge of healthcare.

At Shriners Hospitals we know that our future lies not in excusing ourselves from responsibility, but in meeting it head-on. Our Strategic Planning Task Force, chaired by Imperial Sir Turley, is doing just that. We have made a commitment to carry on our program of helping children in need, regardless of what the future may bring, and we are taking steps to ensure that we will be able to meet that responsibility.

Nobles and ladies, rest assured that no matter what changes take place in how medical services are paid for and delivered, Shriners Hospitals for Crippled Children will have a future in that system.

In keeping with that commitment, we have also continued our rebuilding and renovation program to upgrade and modernize our hospitals. We have seen several significant milestones in the past year.

Last fall we held dedication ceremonies for our new replacement Shriners Burns Institutes in Cincinnati and Galveston; we also held a groundbreaking ceremony for the new Shriners Burns Institute in Boston.

Your Joint Boards have also officially given permission for the construction of new facilities for the Houston, Intermountain and Philadelphia Units.

Perhaps the biggest step in our construction program was the ground-breaking in April for our new Northern California Unit in Sacramento. This facility represents a new path for Shriners Hospitals—not merely a replacement unit for an existing facility, but a whole new hospital.

It will be the largest of our twenty-two Shriners Hospitals, and it will be the very first hospital in the Shrine system to include all three disciplines for which Shriners Hospitals have become known—orthopaedic care, burn care and spinal cord injury rehabilitation for children, plus conduct research.

This hospital, when it opens, could almost be considered the flagship unit of our Shrine system, and for me, it is like a dream come true—something I have hoped would become a reality for many years.

I consider myself very fortunate to have had the opportunity to serve what is perhaps the most exciting period in the history of Shriners Hospitals.

We have seen not only tremendous progress in our rebuilding and renovation program, but also the expansions of our services. We have embarked on the opening of our spinal cord injury units in three of our hospitals, the development of comprehensive multi-disciplinary care for children with complex problems such as myelodysplasia and advances in orthopaedic and burn care arising out of our research programs.

We have seen major advances in the fabrication of prosthetic limbs, such as the myoelectric arms that are so popular and realistic. We have been pioneers and have seen great progress in our program researching FNS, or functional neuromuscular stimulation, a project that is aimed at stimulating the muscles in paralyzed teenagers to enable them to actually stand and walk.

The Shriners Burns Institutes continue to develop an all-important and much needed reentry program to help severely burned children return home to their schools and neighborhoods and get back to a more normal life. Our Shriners Burns Institute in Cincinnati also instituted the first burns air ambulance service in the U.S.

Most recently, we have been exploring collaborative programs between Shriners Hospitals and the public sector. In a program known as CHOICES (Children's Healthcare Options Improved Through

Collaborative Efforts and Services), we are working with state agencies to address the concerns of children with special healthcare needs.

Through programs like CHOICES, Shriners Hospitals are able to concentrate on what we do best, and the state agencies are able to coordinate their care and services with what we at Shriners Hospitals are providing. With this, the patient benefits from a much more comprehensive care program in which all their needs are met.

Shriners Hospitals have also joined in a cooperative effort with the Muscular Dystrophy Association to operate a mutual referral network to ensure comprehensive medical services for children throughout the United States. As partners in service, Shriners Hospitals and MDA Clinic directors will identify children who are eligible for services from either organization.

We Shriners believe that these types of cooperative efforts are vital and necessary to ensure that our patients—our children—receive the best, most comprehensive care available. As always, that is the overriding goal of Shriners Hospitals.

I would like to tell you about a man named Joe, who was a geologist. Joe was doing research in Alaska back in 1964, which happened to be the year the big earthquake struck there.

The geologist was at home when suddenly the floor began to sway and buckle beneath him. Not knowing what else to do, he ran outside where he found a street full of confused, terrified people.

At this point, one of his neighbors, with a child under each arm, ran up to him and said, "Joe, you are a geologist for heaven's sake. Do something."

Well, like Joe's situation, the healthcare needs of everyone in all of North America just may be beyond our ability as a single hospital system to do anything about it, but we can, and will, continue to make a difference in the lives of children everywhere, today and in the future.

As long as there are children in need of medical care, Shriners Hospitals will be here, ready to do whatever needs to be done.

Thank you. (Applause)

At this time I would like to ask Dr. Bill Donaldson and I would also like to ask our Imperial Potentate, Everett Evans and Dr. McCollough if they will please join me up here at the podium.

Nobles and ladies, today we have the opportunity to honor truly a great American, a noted, renowned and highly respected doctor and truly a tremendous supporter for Shriners Hospitals for Crippled Children.

Dr. Donaldson has served on our Orthopaedic Advisory Board for many, many years and, as a matter of fact, has served as its Chairman for the past ten years.

To tell you more about this distinguished gentleman I would like to present to you the Director of Medical Affairs for Shriners Hospitals for Crippled Children, Dr. Newton C. McCollough, who is also a very close friend of Dr. Donaldson's and also a colleague of his.

Dr. McCollough.

DR. NEWTON C. MCCOLLOUGH [Director of Medical Affairs]: Thank you very much, Chairman Gene.

I feel very honored and privileged to have the opportunity to address this very distinguished group, in particular, to have an opportunity to recognize Dr. Donaldson for his many years of service to the Shrine.

I have known Bill Donaldson for some twenty-five years or so and for fifteen of those years, I have been fortunate to work with him very closely in the affairs of our professional organizations, more recently with Shriners Hospitals.

He is truly a leader in American medicine and I have learned much from him.

He has had a major influence on my career in many ways. In fact, his enthusiasm for the work done by Shriners Hospitals persuaded me to my current position as Director of Medical Affairs.

Dr. Donaldson's own career reflects a lifetime of service to his community and his profession.

He served his community in Pittsburgh, at the University of Pittsburgh in many capacities, including serving as a member of the University's Board of Trustees. In turn, he has been recognized by his community and by his university by the establishment of a major endowment fund in honor of he and his lovely wife, Jean, for pediatric orthopaedic surgery.

He currently is Professor of Orthopaedic Surgery at the University of Pittsburgh and Medical Director of Children's Hospital, one of the leading children's hospitals in the country.

On the national scene, Dr. Donaldson has served as President of the American Academy of Orthopaedic Surgeons, as Vice President of the American College of Surgeons and as Chairman of the Accreditation Council on Graduate Medical Education, which is the body that sets educational standards

for all United States physicians in training.

As an individual, Bill Donaldson is gifted with a brilliant mind, a tremendous capacity for work and a loyalty and dedication to any cause or organization that is fortunate enough to have him working for them.

He always devotes 110 percent to any job which he undertakes.

Despite his many other current responsibilities, while he served as Chairman of the Orthopaedic Advisory Board, Bill always made Shriners Hospitals his number one priority.

Bill served as Chairman of the Orthopaedic Advisory Board for some twelve years, having been on the Advisory Board for seventeen years. This was at the time of remarkable growth of Shriners Hospitals, which Chairman Bracewell has described to you. Also, at this time, the nation underwent an explosion of new medical technology and experienced rapidly changing standards in relation to patient care.

As your Hospital Boards of Directors and Trustees worked to meet all of these new challenges secondary to the growth of our hospital system, Bill Donaldson's wise counsel was very much in evidence.

Bill served not only as an Advisor to the Boards of Shriners Hospitals, but as a valuable resource for my office as well. His constant availability, his deeply personal interest in the affairs of Shriners Hospitals and his consistently sound judgment in dealing with our problems and concerns are very much appreciated by me and our hospital staff at the Headquarters. He in fact literally has spent thousands of man hours in handling the activities of Shriners Hospitals and also in an advisory capacity.

On behalf of all of the Headquarters staff, whom Dr. Donaldson has advised and assisted over the years, I would like to say, thank you, Bill, for always being there for us and for a job well done. (Applause)

PAST IMPERIAL POTENTATE BRACEWELL: Thank you very much, Dr. McCollough. Thank you for those kind remarks regarding Dr. Donaldson. He is very, very proud of you.

Let me ask you, Everett, would you like to have a word about Dr. Donaldson before this plaque is presented to him?

IMPERIAL POTENTATE EVANS: Let me say that Bill Donaldson has been a friend of mine ever since I got elected to the Imperial Divan.

I remember the first time I saw him we had a meeting down in Mexico City, at the Mexico Unit and I saw this individual running up a pyramid step by step and I asked, "Who is that?" The reply was, "That is Dr. Donaldson. He is with us." I replied, "Well, I am not bothering him any, I will tell you that." (Laughter)

It has been a long time but, nevertheless, he has been running for the Shrine ever since I have known him. It is a great honor for us to pay homage to him for all he has done for Shriners Hospitals and I appreciate the opportunity of being able to do this.

Thank you very much. (Applause)

PAST IMPERIAL POTENTATE BRACEWELL: Thank you very much, Imperial Sir.

Now, Dr. Donaldson, if you would, I would ask you now to step forward here. I would like to make this presentation, together with our Imperial Potentate as well as Dr. McCollough.

This is a beautiful portrait of Dr. Donaldson with the appropriate language which reads as follows:

"The Boards of Directors and Trustees of Shriners Hospitals for Crippled Children, in recognition of your superior leadership and giving of your time towards the betterment of Shriners Hospitals' Orthopaedic Programs, do hereby appoint William F. Donaldson, Jr., M.D., to the position of Chairman Emeritus of the Orthopaedic Advisory Board. Your twelve years of service and dedication to our cause are greatly appreciated and hereby officially recognized this July, 1993."

Congratulations to you, Bill.

...Presentation of picture and applause then ensued...

DR. DONALDSON: Thank you, Gene. I also wish to thank you, Dr. McCollough.

Now, I knew this was going to be difficult and so I made a few notes to myself.

First, I want to thank you for the so many nice things that were said about me and also for the opportunity of being able to serve with the people that have surrounded me.

I take great pride in being a part of your organization, Shriners Hospitals for Crippled Children. I thank you for your support of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

Through your efforts, burned and crippled children are provided with the best care. The care itself

would be more than adequate reward for your efforts and for your investment in the Shrine.

In addition, the support of pediatric orthopaedic education and education in burn care has produced international leadership for the Shrine in each of these areas.

Further, you have produced international leaders in both burn and pediatric orthopaedics.

It has been my pleasure to work with all of you from the time that I became active on the Orthopaedic Advisory Board and I am proud of each and every one of you.

Also, your support of research, both clinical and basic, adds further luster to your efforts. Through research, we have developed a new and better understanding of disease; we have developed new and better techniques to care and, as a result, patients in Shriners Hospitals benefit directly from the research efforts that have been taking place in the various institutes.

Again, thank you for the opportunities that I have had to help me serve the crippled and burned children.

Thank you once again. (Applause)

PAST IMPERIAL POTENTATE BRACEWELL: Thank you, Dr. Donaldson, so very much for being here today and, further, just because you are now Emeritus, that does not mean that you will not be around to help us, sir. Again, thank you very much and have a safe trip home. (Applause)

You know, Everett, this is getting to be fun. (Laughter) That was certainly a great presentation and I believe we also have one more to make. We surely have.

You know, about three years ago, the Boards established an award that would be presented annually to a hospital within our twenty-two hospitals that reached certain goals and attained certain criteria and exceeded all of those better than anyone else in the system. Like I say, that was started about three years ago.

The first recipient was the Spokane Hospital in Spokane, Washington; the second recipient was the Boston Burns Institute in Boston and for this year, the hospital that attained all of these goals by attaining certain categories in the criteria that was established, involving such things as budget preparation, budget control, fiscal responsibility, staff management and staff development in the overall operation of the facility, this year's recipient is the Twin Cities Unit at Minneapolis, Minnesota.

...Cheers and applause ensued...

PAST IMPERIAL POTENTATE BRACEWELL: We have here both the Chairman and Vice Chairman of the Board of Governors of the Twin Cities Unit.

At this time, I would like to read the plaque as follows.

...Whereupon, the words of commendation as contained on the plaque were read by Imperial Sir Bracewell...

PAST IMPERIAL POTENTATE BRACEWELL: Congratulations, Mr. Chairman.

...Presentation of plaque and applause then ensued...

PAST IMPERIAL POTENTATE BRACEWELL: I believe, Mr. Chairman, you have some comments with regard to this presentation? I presume, of course, you are thrilled to achieve this award.

NOBLE RAY ORDINACHEV [Chairman, Twin Cities Unit Board of Governors]: You know, just once I am going to have to raise this microphone.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Nobles, Ladies and Guests All: You bet it is a thrill.

It is certainly a privilege to receive this award and, with every award you receive, you know it was the result of the efforts of many, many people. This was certainly no exception.

We are extremely fortunate at the Twin Cities Unit to be blessed with an outstanding team, from our Business Administrator, Terry Johnson, to our Medical Chief of Staff, Dr. Lyle Johnson and then it goes down throughout the entire hospital and its support staff.

We are also blessed with an extremely dedicated and fine group of Board of Governors members—all individuals which come out of our service area. We service some twenty-one Temples.

Three of those Board members are here and I would like to acknowledge them.

They are Noble John Perkins from Osman Temple; Merlin Kvaal also from Osman Temple; and David B. Rott of El Zagal Temple.

Couple all this together and with that wealth of talent to draw from, we have an incredible group of people in the Twin Cities Unit that give their efforts toward Shriners Hospitals and we are so very, very proud of them.

Thank you very much. (Applause)

PAST IMPERIAL POTENTATE BRACEWELL: Thank you very much. Please convey, if you will, to all of

our staff people at the Twin Cities Unit, our sincere appreciation and, again, congratulations on the receipt of this award.

...Business was transacted in the Iowa Corporation at this time...

...Whereupon, the Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four-forty-five o'clock p.m.

MORNING SESSION
WEDNESDAY, JULY 7, 1993
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened at the Convention Center, San Antonio, Texas, at nine o'clock a.m., Imperial Potentate Everett M. Evans presiding.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: At this time, I would like to present to you our Chairman of the Hospital Board of Trustees and a Past Imperial Potentate from Atlanta, Georgia, Imperial Sir Gene Bracewell, for the purpose of presenting to you an item of business.

IMPERIAL SIR BRACEWELL: Thank you very much, Imperial Sir.

However, let me first remind you or tell you about the fact that we are having a ground-breaking ceremony for the new Salt Lake City Unit at Salt Lake Saturday, August 7th. If you will contact the Potentate of the Temple there, I am sure they will be happy to help you make hotel arrangements and, certainly, everyone is invited.

Now, my Fellow Representatives, within the last thirty to sixty days you probably may have received some correspondence from Walter Berry. I know I did.

Well, my first thought was to write to Walter Berry and indicate to him that some of the things he indicated certainly were not true. However, on the other hand, I also thought, "Well, no, I will not do that, I will just not give that much importance to it."

Maybe some of you present here today received correspondence from Walter Berry but I wish to tell you that the correspondence we received from Mr. Berry contained many falsehoods and totally unfounded statements.

Therefore, Imperial Potentate Everett and I agreed that the best thing to do was to take a little time at this Session and explain to the Representatives as to what really transpired regarding the funds that Mr. Berry is involved in.

Now, to best explain that, I will call on Imperial Sir Bob Turley.

Bob Turley was the gentleman that headed the committee that put together the Tampa Hospital and, as a result of his activity, Bob is totally familiar with everything concerning this situation and so I feel that Bob Turley can, in just a very few moments and through the use of slides, eliminate any doubts in your mind as to whether or not the Shrine was active down there and doing things in the proper fashion.

With that, I will ask Imperial Sir Bob Turley if he can come up here and invest us with regard to this item and explain exactly the Shrine's position in relation to the correspondence that all of you have been receiving.

IMPERIAL SIR TURLEY: Thank you very much, Gene.

Many of you have received communications from Walter Berry asking you to adopt a resolution "Authorizing and Ordering Shrine Officials to return our money" and avoid the havoc that would otherwise occur.

Now, I have been asked to address this matter because I have been directly involved from the outset.

Now, my presentation will relate to three things: The contract, the controversy and the cash.

[Slide]: This is a copy of the contract which was made on November 21, 1983, between the University of South Florida Foundation, Incorporated, and the Berrys, both Walter and his wife.

[Slide]: Now, among the recital clauses is this one, expressing the wish of the Berrys to establish an endowed faculty position at the University of South Florida, pursuant to a Florida statute which, in short, is called "The Eminent Scholar's Act."

The Chair is for Pediatric/Orthopaedic Research in the University of South Florida College of Medicine.

[Slide]: The Florida statute provides for a \$400,000 state grant for each \$600,000 raised from private sources.

[Slide]: So the Berrys agreed to pay, through Shriners Hospitals for Crippled Children, as a conduit, \$600,000 to be deposited in the Foundation's trust fund.

[Slide]: Now, this paragraph is also important.

If the state did not match with a \$400,000 grant or if the University of South Florida did not establish the faculty position, then the \$600,000 was to revert to Shriners Hospitals for Crippled Children as a charitable contribution because, I might add, if it were not used in the capacity in which it was planned to be used, the money was to revert to Shriners Hospitals.

[Slide]: The Chair was to be called the Walter Berry Shriners Chair and it is to be utilized for the joint selection of an eminent person who would become a part of the faculty of the University of South Florida College of Medicine and serve as Director of Research of Shriners Hospitals for Crippled Children, Tampa Unit.

[Slide]: Also, you will see that Shriners were to participate in the Search Committee for this Eminent Scholar because that individual, when selected, specifically is the Director of Research of our Tampa Unit.

[Slide]: Now, my friends, that is the contract and you will see that it is signed by all of those parties. Second, the controversy.

Walter has been demanding the return of the \$600,000 gift since the fall of 1989 and I am sure that you wonder as to why.

Well, after Walter and his wife made their agreement to create the Berry/Shriners Chair at the University of South Florida, the University recognized them as wealthy people and potential benefactors and so, as a result of that fact, the University of South Florida gave Walter an honorary degree and that is why he refers to himself in all of this correspondence as "Dr. Walter Berry." Also, the University of South Florida began courting Walter, hoping for more money.

Well, the Berrys likewise discussed pediatric research with Stanford University and they agreed to establish a trust to fund Pediatric Research Fellowships there.

In the meantime, by the end of 1986, Dr. Lawrence Rosenberg was named to fill the Berry/Shriners Chair.

He recruited and assembled a team of researchers at our Tampa Unit and they are still there. However, in May of 1989, he was compelled to resign because his wife was very ill with a brain tumor and he could not move from his home in New York to Tampa.

That resignation letter was dated May, 1989.

Now, apparently, Walter and some of the people from the University of South Florida discussed using the Berry/Shriner Chair funds for other pediatric research because the Vice President of the University wrote to Walter in October of 1989 about what he called "The two proposals we sent you in August," and said, "The Berry Chair resources cannot appropriately be used to support our proposals for the infant heart pump and pediatric bone marrow research."

Again, that letter was written in October of 1989.

Some two weeks later, Walter wrote to several of us who had been involved in this matter, making some mistaken claims and saying that Shriners Hospitals for Crippled Children "may have acted hastily and perhaps illegally in accepting funds to endow a Chair for Pediatric/Orthopaedic Research." He further said, "The Shrine should return the money or send it to Stanford."

However, Shriners Hospitals refused to give up its right in relation to the Endowed Chair and the controversy was born.

At first, the University of South Florida wanted to comply with Walter's demands because as President Borkowski later told us in a conference we had with him and others from the University, that he had visited the Berrys in California and seen a copy of Walter's will leaving \$10 million to the University of South Florida.

Well, during the course of this time in late 1989, Gene Bracewell, as Chairman of the Board of Trustees of Shriners Hospitals, replied to several letters from Walter Berry saying, for example, in his reply dated April 12, 1990, "As Trustees of the resources committed to our care, we are duty bound to protect them and to insist upon the performance of contracts made for the benefit of our hospitals and the children whom they serve."

Well, following requests first made in mid-February by our Chairman, some of us ultimately had a meeting with President Borkowski and others from the University of South Florida on May 3, 1990. At that meeting we made it very clear that if the University of South Florida did not immediately appoint a Search Committee to fill the vacant Chair and abide by the terms of the agreement, Shriners Hospitals

for Crippled Children would file a declaratory judgment action in the Florida Courts to construe and enforce the agreement.

We have reported the situation to the Board of Directors and Board of Trustees and prior authority to commence that litigation has been given.

Well, the University did appoint the committee and, as a matter of fact, we reported that to you in Chicago three years ago but it was not until January 30, 1991, that President Borkowski finally wrote to Walter conceding our rights and giving him an accounting of the funds.

[Slide]: Here is that letter.

It tells of Dr. Rosenberg's appointment, his creation of the Tampa Unit Research Team and the nature of their research, which, as you can see from the letter, was commended by those at the University.

It explains that expenditures made from the funds of the Foundation were related to those matters and, finally, it concedes our position as to the Berry/Shriners Chair and it also mentions the reverter clause, saying to Walter, "If we do not comply with the agreement, we have to have the Foundation return the \$600,000 to Shriners Hospitals as a charitable contribution.

Well, needless to say, the University did not want to do that.

Well, you have seen the contract and you have heard about the controversy and now we go to the cash issue.

Now, Walter's letter speaks of expenditures in excess of \$262,000. He purports to list for you expenditures aggregating \$262,000. Then there were also some question marks as to other possible expenditures.

However, his analysis does not accurately reflect the accounting given by the University of South Florida Foundation and his recent claims to the effect that the whole endowment has been spent are patently untrue.

The accounting sent to Walter on January 30, 1991, by President Borkowski shows reimbursements to our Tampa Unit of \$67,861.02 for expenses used in the recruitment of Dr. Rosenberg and the Section Chiefs who are presently in the Research Department of our Tampa Unit.

That same accounting, which was sent to Walter in January of 1991, shows \$85,061.56 which the Foundation turned over to the University to pay Dr. Rosenberg's salary.

He had begun to work, part-time, of course, because he was still living in New York but he had begun to work and assemble the people for the Research Department at our Tampa Unit—he began on January 1, 1987 and his resignation was in May, 1989, which is approximately thirty months. During that time they paid him a total of \$85,061.56 in salary.

Also, that letter shows another \$1,110.88 in relation to other expenses that the Foundation had and the University had.

Those three numbers add up to \$154,033.46, somewhat short of the \$262,000 figure that you heard about.

[Slide]: Now, these are figures from the most recent report by the Foundation which our Tampa Liaison Committee received. That Committee received this accounting at our last meeting and the amounts are as of April 30, 1993. This is an accounting from the Foundation.

[Slide]: This shows you the earnings credited to the Berry/Shriners Chair since its inception to have been \$623,281.68.

It also shows expenses for more than two years since the other report that was made by Walter Berry.

After payment from the earnings to other accounts, there remains \$295,957.12 and I will give you a little breakdown of that in a minute.

However, I want you to know first that \$72,139.12 was added to the principal.

[Slide]: Now, that \$72,139.12 is shown here in the principal account which has a book value of \$1,072,139.12. However, please notice that the market value of the principal account is almost \$1.3 million.

[Slide]: Well, I am sure you will remember the \$295,957.12 figure. There it is, presently held by the Foundation in two accounts. One of these is called "undistributed earnings" and the other they call "distributed earnings" and it aggregates that \$295,000 figure. Further, it is still there.

[Slide]: Furthermore, there is a present balance in the "Grant Account," which was included in the "expenses" but is not as yet spent. It is a part of that \$245,000 figure but has not as yet been spent.

[Slide] Now then, subtracting the grant account balance from the \$245,185.44, you will see that the actual expenses have totaled \$207,143.94.

Also, I told you that the market value of the principal is \$1.3 million. Now, that \$1.3 million added

to the current balances and to the grant account balance, gives a market value as of April 30, 1993, of \$1,613,248.55 which, I might add, is still set aside in trust to support the Berry/Shriners Chair.

Now then, some conclusions as to the contract.

1. The contract is valid and enforceable.

2. It provides resources for support of a Research Director to conduct pediatric/orthopaedic research at the Tampa Unit.

Conclusions as to the controversy:

Your Officers and Trustees are right in protecting corporate resources, even in the face of Berry's letters and threats.

Next, conclusions as to the cash:

An endowment now worth \$1.6 million will better enable the University of South Florida to support the salary and expenses of an Eminent Scholar who will devote eighty percent of his time to Shriners Hospitals for Crippled Children research, all in accord with the contract.

Those, my friends are the conclusions that I think you can draw from what you have seen.

One more thing.

You do not need to write Walter a letter in our defense. You see what Walter does with letters that are written to him. Just let us know, however, you support what we are attempting to accomplish.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE EVANS: Thank you very much, Bob.

Let me say that several of you have asked me about this and so I put that on the agenda in order to gain for you some of the answers that you need and hopefully at this time, however, we will just let it roll and go on taking care of our business.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I would now like to call upon Imperial Sir Ken Smith for the report concerning Endowments, Wills and Gifts.

Are you ready?

IMPERIAL SIR SMITH: Yes, and thank you, Imperial Sir.

First of all, let me say, Imperial Sir and My Fellow Representatives, I have some great news.

Nobles, I would like to tell you that there are a great many people who believe in what we do. Last year, ending December 31, 1992, our Endowments Fund received, from our Endowments, Wills and Gifts, a total of \$186 million and that figure is \$5 million ahead of last year. (Applause) Also, for the first three months in the calendar year of 1993, ending in March, we are \$3,674,000 ahead of 1992. How about that? (Applause)

Now, surely, that is all good news. However, I also have some news that is not quite so good.

Nobles, our Endowment Fund is not so wonderful. The interest on that to date is not what it used to be and I am sure that each and every one of you know that.

For example, when our Endowment Fund gets close to \$4 billion, while that is very, very good, our interest rate, however, drops very dramatically. As a matter of fact, the return on investment and the earnings of that endowment fund come nowhere near funding our hospitals. This has nothing to do with buildings and equipment.

Therefore, I say to you, please, please give great consideration to your Temple EWG chairman and his committee. Make sure he is reporting to you as to what they are doing.

We have asked them to be salesman and the best public relations officers that they can be in order to promote what we do and do best in the world and that is look after children free of charge.

I have not asked them to be experts in estate planning or gift giving because we have a lot of other people who can handle that. Our Tampa Office has experts in that but we have to tell the story and if we keep telling it, our Endowment Fund will grow.

I know, of course, I need your help because if you Temple Potentates do not ask for a report from your EWG Temple Chairman, then how do we know the job is being done?

A year ago, when I was given the opportunity to chair this Committee, we had a seminar in Tampa for our District/Regional Directors and their Deputies. At that time, I told them that I was charged with responsibility from our Joint Boards to have an EWG Committee with accountability. I said I would do that.

Two weeks ago I asked our EWG Executive Director, John Troxel, for a spreadsheet of the reports of those Directors and their Deputies. I will read one line of his letter back to me.

"I started making out your spread sheet covering the third and fourth quarters of 1992 and the first quarter of 1993 and I am amazed at how few are filing reports, even though I know that most of them are working."

Nobles, we will have an accountable EWG Committee, and I can assure you of that because that is the direction that the EWG Committee has been given. However, we all need the help of one another.

EWG is not a popular program but it has some great facets to it and one of those is our paper crusade.

I have heard many stories to the effect, "We cannot have them in our town, we cannot sell any newspapers," etc., etc. Well, there is no law that says you cannot give one away, no law at all and, further, that newspaper tells the world what we do and then when you have a Temple fund raising and you have a circus advertising and things like that, they know you are doing good and because they know you are doing good they, in turn, support you.

Also, over and above that we might get some members from it also.

Well, Ralph Semb and his Membership Committee has reported a little bit concerning athletics and EWG to help me. Of course, I attempt to do the same thing for him and when you can apply to our

Special Purpose Funds Committee for your Temple to be able to withhold some of these funds raised in paper crusades for your transportation fund, then it becomes a worthwhile project for everybody because then you can use your efforts to raise money for your Temple in other ways.

Mark my words, those Temples that have successful paper crusades get a lot of members quickly.

Thank you very much for your attention and, Imperial Sir, I would move that my report be accepted. (Applause)

IMPERIAL POTENTATE EVANS: Thank you very much, Kenny.

Kenny is working very hard in relation to that Committee and I know you will give him some help and we will get the ball rolling again and give some good support to him. However, he does work very hard and I do appreciate that.

Thank you very much, Ken.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened at the Convention Center, San Antonio, Texas, at one-thirty o'clock p.m., Imperial Potentate Everett M. Evans presiding, pursuant to Notice of Annual Meeting.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I will now call on Illustrious Sir James McConnell for a presentation of the Colorado Corporation report.

ILLUSTRIOUS SIR MCCONNELL: To the Representatives of the Imperial Council: Your Committee on Finance and Audit submits to you for your approval the following calendar year reports with respect to operating revenues and expenses for the Colorado Corporation.

1. Report of operating revenues and expenses, including departures from budget, for the year 1992.
2. Adjustments to the 1993 operating budget since its adoption at the Imperial Council Session held in Orlando.
3. Proposed operating budget for 1994.

Report for the Year 1992

The report of operating revenues and expenses of the Colorado Corporation for the year 1992 is included in the Book of Reports which you have already received. Budget adjustments since the Orlando Session included an increase of \$8,198,000 in budgeted revenues and a like increase in budgeted expenses. 1992 actual expenses exceed revenues by \$2,275,000. No inquiries having been received concerning departures from the budget, your Committee recommends ratification and approval of this report.

Imperial Sir, I move the approval and adoption of this report for the year 1992, as reflected in the Book of Reports.

...The motion was duly seconded and, there being no discussion, was voted upon and unanimously carried...

We go next to the report for the year 1993.

Included with your registration packet was a statement detailing the operating revenues and expenses reflecting amounts appropriated for the year 1993, including adjustments made since the Imperial Council Session at Orlando. Budgeted revenues were increased by \$1,968,000 for total adjusted revenues for 1993 of \$288,968,000. Expenses were also increased in the amount of \$1,968,000 for adjusted total expenses in the amount of \$289,968,000. After the capitalization of expensed research equipment, budgeted revenues and budgeted expenses were equal.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1993.

...The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

We next proceed with the report for the year 1994.

Also included with your registration packet was a budget statement covering the operating revenues and expenses of the Colorado Corporation for the year 1994. The 1994 proposal budget reflects revenues of \$306,000,000 and expenditures of \$307,000,000, and after the capitalization of research equipment, is a break-even budget.

Imperial Sir, if there are no questions, I move the adoption of the proposed budget for 1994 as submitted.

...The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried...

MORNING SESSION
 THURSDAY, JULY 8, 1993
 NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened at the Grand Ball Room, Marriott Rivercenter Hotel, San Antonio, Texas, on Thursday, July 9, 1993, at nine o'clock a.m., Imperial Potentate Everett M. Evans presiding, pursuant to Notice of Annual Meeting.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I will next call on our Treasurer, Webb Harrington, for his report.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a real pleasure for me to report to you at this time the Treasurer's reports for the year 1992 for both the Iowa and Colorado Corporations.

When you registered for this Convention, in your packet were these (indicating) two little blue books which are a Book of Reports.

I know that you have all been busy this year and it is difficult to read all the material that you need to understand in order as to what is going on with respect to your finances, as well as many other things. However, I would urge you to study this Book of Reports and if you have not already done so, please do so, so that when you get back to your own Temples, you will be more informed about your organization and, in turn, it will be of a great deal more value to you.

Now, just let me tell you briefly that what I have tried to do in these Treasurer's reports is to give you information which you will not find elsewhere in the Audit reports or the reports of the Finance and Audit Committee.

Specifically, one of the things that I have attempted to do is to give you comparative information between years and you will find in relation to both of these that we now have ten years of comparative data, not only of comparative data but you have a breakdown of what constitutes our different funds. I think, if you read it, you will find that very enlightening.

Also, I know that many of you have been concerned, with respect to the Colorado Corporation, about the fact that we have had to use a lot more realized capital gains in the last year or so than we had originally thought we might have to.

However, I will tell you this—that since interest rates have declined, what we have found is that realized capital gains have gone up and we hope that we are keeping a fairly level approach to the financing of the Colorado Corporation. Therefore, keep that in mind as you read that report.

With respect to the Iowa Corporation, you will remember that we amended the Bylaws to increase the per capita tax and we now have the Iowa Corporation in a very good financial position, at least for now.

So here again, if you will refer to your Book of Reports on the Iowa Corporation, I think you will find that data very helpful to you.

Also, I have some very good news for you and that is that just before I arrived this morning at this meeting, we had gotten some printouts in relation to the mileage for this Session and you fellows deserve a great deal of credit for the responsible way in which you arranged for your transportation to this Session and it looks like we have saved some \$450,000.

(Applause) With that, I want to thank all of you and if you have any questions, I will certainly be happy to meet with you in private.

Thank you very much, Imperial Sir. (Applause)

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: At this time I would again like to present to you our Chairman of the Board of Trustees, Imperial Sir Gene Bracewell, Past Imperial Potentate.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

Imperial Sir, at this time I would like to recognize Illustrious Sir Dale Woomer of Jaffa Temple, who desires to make a check presentation at this time.

ILLUSTRIOUS SIR DALE WOOMER [Potentate, Jaffa Temple]: Imperial Sir, Imperial Sirs, Chairman Gene and Representatives: It is with great pleasure that I present a check to you from Jaffa Temple through our Hospital Crusade Program. It is somewhere in the amount of \$115,000 from our paper crusade.

I might further add that our Chairman was just made an Emeritus Representative here yesterday. He was the Chairman of this event and he deserves a lot of credit.

Therefore, with those brief words, I make this presentation to you, Imperial Sir.

IMPERIAL SIR BRACEWELL: Thank you very much.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: The Chair recognizes Imperial Sir Jones for the purpose of receiving a motion to ratify the acts of the Officers, Directors and Trustees of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives: I move that all of the acts and transactions of those who have acted as Officers, Directors and Trustees of the Colorado Corporation for the past year, and those taken at this Annual Meeting, be ratified and approved.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: Is there discussion?

There being no discussion, all in favor indicate by saying aye; opposed nay. The motion is carried.

...Business was transacted in the Iowa Corporation at this time...

IMPERIAL POTENTATE EVANS: I will again recognize Imperial Sir Jack Jones for the purpose of presenting a motion.

IMPERIAL SIR JONES: Imperial Sir, in accordance with Section 504.2 of the Bylaws, I move that all members of the Colorado Corporation who did not register for this Annual Meeting or who were not elected at this Annual Meeting or who are not Emeriti Members, have their membership terminated.

...The motion was duly seconded...

IMPERIAL POTENTATE EVANS: Is there any discussion? If not, all in favor indicate by saying aye; opposed nay. It is unanimously carried.

**ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

January 1-December 31, 1992

Imperial Potentate Everett M. Evans, Board of Trustees of Shriners Hospitals for Crippled Children and members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Eighteenth annual Imperial Council Session at San Antonio, Texas, July 1993.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

The comments in this Treasurer's Report should be considered in conjunction with a careful review of the report of our independent auditors found elsewhere in this Book of Reports, which shows the financial position, results of operations and supplementary data of Shriners Hospitals for Crippled Children for the year 1992. In this report I shall attempt to provide the members of the Colorado Corporation and other interested readers with additional information regarding the financial position of Shriners Hospitals for Crippled Children, operating trends and significant data regarding the various funds constituting our charity's capital.

Inasmuch as at least one quarter of the Imperial representatives are new each year, I believe that it is important to detail again the policies established by the Board of Directors with respect to the crediting of revenues to funds as follows:

Designated for operations:

Income from investments (endowment fund)

Annual assessments from Shriners

Gifts and bequests for exclusive use of particular hospitals (effective January 1, 1986)

Reimbursements from Canadian provinces

Income from investments in capital reserve fund (effective January 1, 1987)

Charitable fund raising activities (effective January 1, 1988)

Gains from investment sales of the Canadian Corporation and, to the extent necessary, unrestricted gifts and bequests of the Canadian Corporation to fund Montreal Hospital operating costs (effective January 1, 1988)

Realized gains from sales of assets in the investment fund, equal to 150% of the projected excess of expenses over revenues in the operations fund not to exceed \$25,000,000 in any year (effective January 1, 1989). The joint Boards of Directors and Trustees, in November 1992, approved the designation of \$58,573,000 in realized gains for operations for the year 1992.

Designated for capital reserve fund:

Investment income on assets in capital reserve fund (through 1986)

Realized gains from sale of assets in capital reserve fund

Depreciation funded

Designated for investment (endowment) fund:

Life memberships from Shriners

Gifts and bequests (except those for the exclusive use of particular hospitals)

Net realized gains from sales of assets in investment fund, except as noted previously with respect to allocation of a portion of realized gains to funds designated for operations

Charitable fund raising activities (through 1987)

As shown in the audited Combined Statements of Support and Revenue, Expenses and Changes in Fund Balance, which may be found elsewhere in this Book of Reports, the Funds Designated for Operations had an excess of expenses over support and revenue of \$16,535,000 for the year 1991 and \$2,275,000 for the year 1992, despite the changes in designation of revenues shown above.

The results of the above changes in the designation of revenue to the respective funds has resulted in the following amounts being credited to operations (in thousands):

	1986	1987	1988	1989	1990	1991	1992

Totals	\$ 4,209	\$18,616	\$24,265	\$25,925	\$38,152	\$50,371	\$97,718

As shown in the report of our auditors, the net realized gains from investments for the years 1991 and 1992 were as follows (in thousands):

<u>Fund to Which Credited</u>	<u>1991</u>	<u>1992</u>
Investment Fund	\$ 96,308	\$ 97,767
Capital Reserve Fund	7,410	8,162
Operations — Canadian	162	—
Operations — Other	25,000	58,573
	<u>\$128,880</u>	<u>\$164,502</u>

The following schedule shows the unrealized gains in our investment portfolio (investments and capital reserve funds combined) at December 31, 1992 and 1991 (in thousands):

	<u>Market Value</u>	<u>Carrying Value</u>	<u>Excess of Market Over Carrying Value</u>
1992	\$3,649,245	\$3,079,406	\$569,839
1991	3,437,775	2,794,357	643,418
Increase (decrease)	<u>\$ 211,470</u>	<u>\$ 285,049</u>	<u>\$ (73,579)</u>

The balance in our Capital Reserve Fund at December 31, 1992 was \$145,852,000. The unexpended appropriations against this fund for construction and major renovations committed to us by the Board at December 31, 1992, as detailed in Note (5) to the Combined Financial Statements, aggregated \$192,908,000.

We have found that in each of our new hospitals there has been greatly increased activity and expansion of services to meet the unmet needs of children. For these reasons, together with the increase in medical costs in general, the overall operating costs of Shriners hospitals has tripled in a nine year period (\$282,555,000 in 1992, compared with \$94,858,000 in 1983). During the same period, our investment fund balance, at cost, increased from \$1,355,657,520 to \$3,253,647,000, an increase of 140%. Inasmuch as the operating expenses of our hospitals are increasing considerably faster percentage-wise than our investment fund and the membership in our fraternity is continuing to decline, it is apparent that if these trends continue, we may have a future problem in funding the operations of our hospitals.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington, Treasurer
Shriners Hospitals for Crippled Children

FOR CRIPPLED CHILDREN

Certified Public Accountants

Independent Auditors' Report

The Board of Directors

Shriners Hospitals for Crippled Children:

We have audited the accompanying combined balance sheets of Shriners Hospitals for Crippled Children as of December 31, 1992 and 1991, and the related combined statements of support and revenue, expenses, and changes in fund balance, and of cash flows for the years then ended. These combined financial statements are the responsibility of Shriners Hospitals for Crippled Children management. Our responsibility is to express an opinion on these combined financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined financial position of Shriners Hospitals for Crippled Children as of December 31, 1992 and 1991, and the combined results of their operations and their cash flows for the years then ended, in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining information included in Schedules 1 and 2 is presented for purposes of additional analysis of the combined financial statements rather than to present the financial position and results of operations of the individual organizations. The supplementary information included in Schedules 3 through 5 is presented for purposes of additional analysis and is not a required part of the combined financial statements. The combining and supplementary information has been subjected to the auditing procedures applied in the audits of the combined financial statements and, in our opinion, is fairly presented in all material respects in relation to the combined financial statements taken as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS

December 31, 1992 and 1991

(In thousands)

(1) Summary of Significant Accounting Policies(a) Combined Organizations

The combined financial statements of Shriners Hospitals for Crippled Children (the Hospitals) include the accounts of the following organizations, all of which are exempt from federal income taxes:

- Shriners Hospitals for Crippled Children, a Colorado Corporation
- Shriners Hospitals for Crippled Children, a Canadian Corporation
- Shriners Hospitals for Crippled Children (Quebec) Inc.
- The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
- Shriners Hospitals for Crippled Children, a Mexican Association

All significant intercompany balances and transactions have been eliminated.

(b) Gifts and Bequests

Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are recorded as amounts are received. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that hospital and are included in revenues designated for operations.

(c) Cash and Cash Equivalents

For purposes of the statements of cash flows, the Hospitals consider all highly liquid investments with original maturities of three months or less to be cash equivalents.

(d) Inventories

Inventories of supplies are stated at the lower of cost (first-in, first-out method) or market.

(e) Deferred Charges

The Hospitals incur legal fees, taxes, and other expenses in connection with obtaining gifts and bequests. These costs are deferred until receipt of the gift or bequest.

(f) Securities

Marketable investment securities include equity securities, principally common stocks, and bonds held for long-term investment purposes. Equity securities are stated at the lower of aggregate cost (or estimated market value at date of receipt) or market value. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

(g) Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets.

(h) Designation of Support and Revenue

Under policy established by the Board of Directors (the Board), generally only the income from investments, annual assessments from Shriners, gifts and bequests made for the exclusive use of a particular hospital, fund raising activities, and reimbursements from Canadian Provinces are designated for operations. Canadian Corporation gains from investment sales (\$0 in 1992 and \$162 in 1991), and to the extent necessary, unrestricted gifts and bequests (\$3,041 in 1992 and \$4,823 in 1991), are designated for operations to provide additional funding for the Montreal hospital's operating costs.

Receipts from gifts and bequests from Shriners and non-Shriners (excluding gifts and bequests made for the exclusive use of a particular hospital), life memberships from Shriners, and gains from investment sales are generally designated by the Board for investment.

NOTES TO COMBINED FINANCIAL STATEMENTS

(In thousands)

(Continued)

The Board has established a policy to designate a portion of gains from investment sales for operations. Under this policy, \$58,573 and \$25,000 of gains were designated for operations in 1992 and 1991, respectively.

(i) Foreign Currency Translation

Revenues and expenses of the Canadian and Quebec corporations and the Mexican Association are translated using average exchange rates during the year, while assets and liabilities are translated into U.S. dollars using current exchange rates at the end of the year. Resulting translation adjustments are accumulated in the balance sheet caption "Cumulative foreign currency translation adjustment," a separate component of fund balance.

(3) Fair Value of Financial Instruments

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practicable to estimate that value:

"Cash and cash equivalents, short term investments, accounts receivable, accounts payable and accrued expenses." The carrying amount approximates fair value because of the short maturity of these instruments.

"Marketable investment securities." The fair values of marketable investment securities are based on quoted market prices or dealer quotes.

NOTES TO COMBINED FINANCIAL STATEMENTS

(In thousands)

(Continued)

"Mortgages receivable." The fair value of mortgages receivable generally approximates carrying value.

"Annuity contracts." The carrying amount approximates fair value which is estimated as the actuarially determined present value of the future payments to the beneficiaries.

"Income trusts." Income trusts represents assets held by third parties where the Hospitals are the beneficiary of income associated with the assets. These assets are not recognized in the financial statements. The fair value of the income trusts is estimated using quoted market prices for the trusts' assets.

Estimated fair values of financial instruments at December 31, 1992 are as follows:

	Carrying amount	Fair value
Marketable investment securities	\$3,079,406	3,649,245
Mortgages receivable	9,348	9,348
Annuity contracts	6,360	6,360
Income trusts	—	166,181

	<u>\$545,333</u>	<u>511,806</u>

Depreciation charged to operations in 1992 and 1991 was as follows:

	1992	1991	Estimated useful lives
Buildings	\$ 8,106	7,020	40 years
Equipment	9,499	8,362	4 to 25 years
	<u>\$17,605</u>	<u>15,382</u>	

During 1992, the new Cincinnati and Galveston units were completed. The old Cincinnati unit was disposed of, resulting in a loss of \$1,061. The old Galveston unit was sold for proceeds of \$5,986 (included in other revenues in the accompanying financial statements) and a gain of \$4,094 was recognized. The Honolulu unit renovation and expansion project was also completed in 1992. A portion of the renovated building was written off resulting in a loss of \$897. These losses and the remaining basis of the Galveston unit are included in other expenses in the accompanying financial statements.

(5) Capital Reserve Fund

The Capital Reserve Fund is used for property, plant, and equipment expenditures. The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. (6) Transactions With the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America

The Shriners Hospitals for Crippled Children organizations were founded by the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The International Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the costs is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$199 and \$258 were due from the Imperial Council as of December 31, 1992 and 1991, respectively.

(7) Fund Raising Activities

The Shriners Hospitals are financially supported through each Shriner's annual hospital assessment, income from investments, gifts and bequests from the general public and from Shriners, and certain fund raising activities conducted by Shriners. Shrine temples and Shriners raise funds for both fraternal and charitable purposes. Shrine fund raising activities generally consist of paper sale donations, football games, circuses and other miscellaneous activities. The name "Shriners Hospitals for Crippled Children" may be used in connection with a fund raising activity by a Shrine temple or Shriner only with the written consent of the Imperial Council and Shriners Hospitals. Revenues from fund raising activities amounted to \$10,579 and \$10,941, net of direct costs of \$4,932 and \$5,523 for 1992 and 1991, respectively. Fund raising costs for the years ended December 31, 1992 and 1991 consist of the following:

	<u>\$2,662</u>	<u>2,599</u>

(8) Retirement Plans

The benefits are based on years of service and the employees' compensation during the highest five consecutive years of employment. The organization made a contribution of \$4,994 to the Plan in 1992 and \$1,840 in 1991.

Net pension cost.....	\$ 3,030	2,701

The discount rate and rate of increase in future compensation levels used in determining the actuarial present value of the projected benefit obligation were 8% and 7%, respectively, at December 31, 1992 and 1991. The expected long-term rate of return on assets was 9-1/2% for both years.

The Hospitals also have a retirement savings plan for all eligible employees. Under this plan, voluntary contributions by employees up to 6% of eligible compensation are matched by the Hospitals up to 1-1/2% of eligible compensation. Matching contributions by the Hospitals to the retirement savings plan were \$905 and \$796 in 1992 and 1991, respectively.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees.

(9) Other Liabilities

Other liabilities at December 31, 1992 and 1991, include annuities payable of \$1,656 and \$1,974, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in real estate, mortgages, and miscellaneous assets in the investments category of the accompanying combined balance sheets.

NOTES TO COMBINED FINANCIAL STATEMENTS

(In thousands)

(Continued)

Also included in other liabilities are annuities of \$6,360 and \$6,507 at December 31, 1992 and 1991, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetimes.

(10) Estimated Malpractice Costs and Other Contingencies

The Hospitals are self-insured for claims for malpractice from providing professional and patient care. Claims alleging malpractice have been asserted against the Hospitals and are currently in various stages of litigation. It is the opinion of management, that estimated malpractice costs accrued should be adequate to provide for potential losses resulting from pending litigation. Additional claims may be asserted against the Hospitals arising from services provided to patients through December 31, 1992. The Hospitals are unable to determine the ultimate cost of the resolution of such potential claims and, accordingly, no accrual has been made for them.

The Hospitals are also a party to various other claims and legal actions arising in the ordinary course of business. Management does not believe that the outcome of such claims and legal actions will have a material adverse effect on the financial position or results of operations of the Hospitals.

(11) Interfund Transfers

Transfers are made between funds to support policies established by the Board of Directors, primarily relating to the method of funding property and equipment additions and hospital construction. Such transfers during the years ended December 31, 1992 and 1991 were as follows:
